Post Owns Burial Plot

Probably few posts can lay claim to ownership of a burial plot for its members. Since Mar. 10, 1930, Camp Chase post, incorporated for that purpose, took title to such a plot in Wesley Chapel cemetery.

Through the united efforts of William H. Rogers and the trustees of Norwich twp., this gift was made possible, with the post being given full charge over all details of supervision and selection.

A monumental shaft was erected by post members, the plot was decorated and planted, and on Memorial Day, 1930, was dedicated by Paul M. Herbert, post state department commander.

The Marble Cliff Quarries Co. are to be especially commended for the materials and labor given to the post for completion of this project. Fortunately, none of the 100 burial plots have been used up to this date.

Junior Auxiliary Unit Is Active

Members of the Junior Auxiliary unit of Camp Chase Post are pictured above in a recent meeting. The group is sponsored by the auxiliary and carries on a program of activities for the girls during the entire year. Membership is open to all daughters of members or of world war veterans. Their meetings are held at the post club rooms.

Junior Baseball Attracts Boys Over Country

It won't be long until the race for the pennant in the American Legion's nation-wide junior baseball program will get under way. Approximately one-half million boys participated last year and that many more are expected to be entered this year.

One purpose of the program is the teaching of good sportsmanship which must be emphasized wherever the game is played.

Spectators at a legion game can help in many ways to set examples of good sportsmanship. Rules for spectators as set by H. L. Chaillaux, director of the national Americanism commission last year are as follows:

1. A legionnaire spectator represents his post as does the boy playing on the team.

2. Recognize that the good name of the American Legion post is more valuable than any baseball game won by unfair methods.

3. Get into the spirit of the game and support your team with enthusiasm, whether it be winning or losing. This will help carry home to the boy one of the lessons of citizenship.

4. It is of paramount importance that legionnaires in attendance at junior baseball games accept decisions of officials without question.

5. Express disapproval of rough play or poor sportsmanship on the part of players representing your post.

6. Express disapproval of any abusive remarks or profane language from the side lines or from boys on the team.

7. Recognize with applause any exhibition of good sportsmanship or playing ability on the part of visiting team.

8. See to it that courteous treatment is given to all members of the visiting team while in your city.

9. Familiarize yourself with state and national rules of eligibility and support their strict enforcement.

10. Encourage the full discussion of fair play and sportsmanship through every medium possible so as to bring home to the boys just what the legion attempts in the junior baseball program.

Haunts May Run For Mayor

That Ray Haunts may be a candidate for mayor of Columbus was indicated by his friends this week despite rumors to the effect that he had given up the idea and was to be a candidate for city council.

Hauntz, when interviewed this week, would make no statement. It is believed that should he not enter the mayoralty campaign he will seek a seat in the city council.

West Bucks Lead City High League

South Is Next Opponent In City Baseball Circuit

Out in front in the City league baseball tussle by virtue of successive wins over East and North this week, West high's Buckaroos will trek to South this afternoon and down to Central Tuesday with the intention of strengthening their hold on the top position.

The Cowboys now possess a record of four straight wins, three of which were City league frays. They have beaten Aquinas, East and North within the circuit and Washington C. H. in a non-league contest.

The Bengals from East were represented on the mound by Bill Novak, a sophomore pitching find, and the Bucks had their hands tied until the fourth when they scored a single run. This was followed by a three run splurge in the fifth while Paul Rogers banged out a home run in the sixth to finish the West scoring.

East also found the range in its half of the fourth as two hits, an error and a passed ball gave up two runs. The Bengals made their final marker in the sixth when three singles were responsible for one run. The final score was 5-3.

Jake Richards twirled his second straight league win although touched for eight hits by the Tigers. He retired the first 11 men in order, faltered a little in the fourth with two out and finished the contest by fanning two of the three batters to face him in the seventh. West could only gain five blows off Novak's deliveries but four of these were extra base knocks, a homer, triple and two doubles.

The Cowhands walloped North 12-6 at North Wednesday afternoon in a postponed game from last week for their third successive league win. Each team garnered nine hits but the Bucks managed to outscore the Polar Bears in the slug-fest.

'Strib" Neal started for West on the mound with Barret twirling the final two cantos, Neal being credited with the win. Link and Blackstone led the home forces at the plate with two hits each in three trips while Carter pounded out a home run.

The West golf team lost a 13-0 decision to Worthington's top flight golfers last Tuesday and will meet Aquinas Saturday at Groveport.

HONORED

Miss Seiller

Eleanor Seiller, daughter of Mr. and Mrs. M. W. Seiller, 29 Eldon-av, has been elected to Phi Beta Kappa, national honorary fraternity. Miss Seiller is a senior at Ohio Wesleyan university and will graduate in June. Her major is education.

Her sister, Dorothy, a graduate of the same school, was likewise honored with this recognition.

Senior Circuit Doubtful

Class B Softball League Ready For Opener

Indications that the Senior Church league, for 10 years the Hilltop's toughest softball circuit, would cease to function this season became more apparent this week as final plans were being made by executives of the Hilltop Independent league and the Class B church league for opening [illegible].

At a special meeting held at the Glenwood shelter house Tuesday evening only two of the eight teams which had composed the senior league last season were present, Hoge Memorial and St. Aloysius, both title contenders in the past. Among those teams which failed to send representatives were Glenwood M. E., Calvary Presbyterian, Burgess U. B., Memorial Baptist, St. John's, Westgate Evangelical and Holy Family. Frank Colburn, 370 S. Burgess-av, long a Hilltop softball enthusiast, said that if any signs of interest would be forthcoming toward the construction of the league he would be more than glad to have representatives contact him at his home or that teams could secure franchises from the city recreation department.

Attempts to organize the league to date have resulted in bitter disappointments. In view of the fact that large crowds were in attendance at all games last year no satisfactory reason can be given as yet for the circuit not organizing.

While the discussions concerning the senior loop were still under consideration the Class B league has organized with six teams being represented and will begin play Monday, May 8, at McKinley field. The six outfits composing the junior group are Hilltop C. of C., Highland Avenue Friends, Hillcrest Baptist, West Park M. E., Avondale U. B. and Hoge Memorial No. 2. No opening schedule has been announced as yet and possibilities for the addition of one or two more organizations were still in the offing.

Assurance of a sixth team in the Hilltop Independent league was virtually certain this week following the announcement that Jack Stewart would manage an entry in the loop. A sponsor has

Stab Is Fatal To Salesman

An argument over a $6 magazine was responsible this week for the death of Virgil Frasure, 33, a beauty shop supply salesman. Frasure had just sold a magazine subscription to Mr. and Mrs. Tony Casa, 2215 W. Broad st, owners and operators of the beauty and barber shop located there, when Edwin M. Collins, Chicago, entered and tried to make the same sale.

The two men left the shop discussing which had the right to the commission. Not long afterward Frasure staggered into the shop, a knife wound in his stomach from which he died Tuesday morning in Mt. Carmel hospital. Shortly before his death Frasure signed a warrant for Collins' ar[illegible]

Elmer Marshall Buried Wednesday

Elmer Ellsworth Marshall, retired express messenger for the American Railway Express Co. died last Sunday night at his home, 79 N. Oakley-av, at the age of 75. He was stricken with paralysis two weeks ago.

He is survived by his wife, Mrs. Lutie Lorena Marshall; one son, Harold Marshall, 64 [illegible] North Broadway; a sister, Mrs. Lydia A. Wilcox, 43 S. Ogden-av, and three grandchildren. Funeral services were held at 1:30 p. m., Wednesday by Jerry Spears. Burial was in Green Lawn cemetery.

A Bit of Humor

From Walter Morris, once of the 17th Engineers, and now of Lewisburg, O., comes the one about a respondent being examined in lunacy proceedings.

"Who was our first president?" asked his lawyer.

"Washington."

"Right; and who was our second president?"

"John Adams."

"Correct."

There was a pause. "He's doing splendidly," whispered a friend of the lawyer. "Why don't you keep on?"

"I ain't sure who was the third president myself."

Department Adjutant Roland Cocreham of Louisiana tells one about a man meeting a colored fellow he hadn't seen in years, and asking him how he was getting along.

"Fine," he replied. "Except'in I do have troubles with my wife."

"That's too bad; what seems to be the matter?"

"She thinks money grows on trees, I reckon. All time she keeps pesterin' me foh a pinch o' change. If it ain't a dollah it's a half or two bits she wants."

"What on earth does she do with the money?"

"I declare I don't know. I ain't never give her none yet."

Honor The Dead — Aid The Living — Buy A Poppy On May 27

Memories of the men who gave their lives in France 20 years ago will be revived for America on Saturday, May 27, by the wearing of the memorial poppy. More than ten million Americans are expected to wear poppies on that day and to contribute to the welfare of the war's living victims, the disabled veterans and dependent families of the dead and disabled.

Preparations for Poppy Day are being completed by the American Legion and the American Legion auxiliary, the actual work of the program being carried out by the auxiliary in a majority of localities.

The poppies, paper replicas of the wild poppies of France and Belgium, have been made by the millions by disabled veterans working in 60 hospitals and workrooms in 40 states. Hundreds of disabled men receiving little or no government compensation have been provided employment through the winter and spring months shaping the little red flowers and attaching the official legion and auxiliary label.

A corps of volunteer workers, estimated to exceed 100,000 has been formed by the auxiliary to distribute the poppies on Poppy Day and to receive the contribution for the disabled and dependents. Every penny of the money contributed for the poppies will go into the legion and auxiliary welfare funds, to be expended in behalf of needy veterans and families of veterans during the coming year. Reports from many parts of the country indicate that auxiliary units are expecting the number of poppies to exceed all previous Poppy Days.

President Roosevelt Lauds Legion

Designating that the American Legion can render invaluable service to the world in the form of education in citizenship the president of the United States sent a congratulatory message to the twentieth annual national convention excerpts from which are printed below.

"My Dear Commander Dougherty:

"I extend to you and to our great organization my sincerest greetings on the occasion of the twentieth annual national convention.

"About this time 20 years ago many of you had just participated in a great victory in France. You were preparing to engage in the great offensive which brought the war to a close. Your services in France and at home earned your membership in the American Legion.

"You have devoted yourselves to the preservation of peace since then. You have emphasized the importance of good citizenship, love of country and national defense. Your voluntary effort to place a limitation upon war profits which members or others might gain in time of future wars, which we pray shall never come, is an evidence of highest patriotism.

"Each of you today is in a position to promote responsible American citizenship. In many communities there is a need of such education in citizenship. How better can you now serve than as missionaries in American democracy?

"Your war services to your country have earned you the admiration and commendation of the nation. In turn, the nation has not been unmindful nor lacking in gratitude.

"Happily, we are now at peace, but there is work to be done. The American Legion will assist, as it always has done, in maintaining and defending those true American principles of freedom, tolerance, justice and humanity, which are part of our priceless heritage.

"I congratulate you upon the great progress the organization has made and send my best wishes to all of you."

Very sincerely yours,
(signed) Franklin D. Roosevelt.

Present Quarters Leased In 1938

During the year 1937 Commander Finneran appointed a committee looking forward to the finding of a suitable site for new club rooms. After an extensive search by this committee no suitable available spot was to be found; the following year Commander McVay appointed a committee and through the efforts of the commander and this committee the present quarters were leased for a period of years from Comrade Ralph Schmelzer. The operation of the club is under the supervision of a board of trustees composed of L. G. Scales, E. G. Planck and D. C. Finneran. Dan Stout is custodian of the club

Send Boy To Boys' State

In 1936 Camp Chase Post and the Hilltop Business Men's association sponsored a group of boys to the first Buckeye Boy State held at the state fair grounds. The Boy State is conducted by the State Department of the Legion with the cooperation of the officials of the state of Ohio and schools. The boys of senior high school age participate in the operation of our local, state and national government, receiving the duties as well as the privileges of both the citizen and officials.

Each year the post cooperates with the State Department Americanism committee in sponsoring the annual American Legion essay contest in West High and Holy Family high school. The subject of this year's essay is "How to Preserve American Democracy."

Harry Goldsmith of Morgantown (W. Va.) Post, is telling one about a man in his outfit who wore size 14 shoes. One day he walked from camp to a nearby town over a muddy road. His first stop was at a bootblack's, where he mounted the stand and presented his ehormous hobnails for a shine. The little bootblack sighed as he went bravely to work but his supply of lubricating fluid was speedily exhausted. He stopped, straightened up and called to another bootblack:

"Say, Bob, lend me a spit. I've got an army contract!"

We Congratulate the Post No. 98 of the American Legion on their 10th Anniversary.

Haunts May Run For Mayor

That Ray Hauntz may be a candidate for mayor of Columbus was indicated by his friends this week despite rumors to the effect that he had given up the idea and was to be a candidate for city council.

Hauntz, when interviewed this week, would make no statement. It is believed that should he not enter the mayoralty campaign he will be a candidate for city council.

West Bucks Lead City High League

South Is Next Opponent In City Baseball Circuit

Out in front in the City league baseball tussle by virtue of successive wins over East and North this week, West high's Buckaroos will trek to South this afternoon and down to Central Tuesday with the intention of strengthening their hold on the top position.

The Cowboys now possess a record of four straight wins, three of which were City league frays. They have beaten Aquinas, East and North within the circuit and Washington C. H. in a non-league contest.

The Bengals from East were represented on the mound by Bill Novak, a sophomore pitching find, and the Bucks had their hands tied until the fourth when they scored a single run. This was followed by a three run splurge in the fifth while Paul Rogers banged out a home run in the sixth to finish the West scoring.

East also found the range in the half of the fourth as two hits, an error and a passed ball gave up two runs. The Bengals made their final marker in the sixth when three singles were responsible for one run. The final score was 5-3.

Jake Richards twirled his second straight league win although touched for eight hits by the Tigers. He retired the first 11 men in order, faltered a little in the fourth with two out and finished the contest by fanning two of the three batters to face him in the seventh. West could only gain five blows off Novak's deliveries but four of these were extra base knocks, a homer, triple and two doubles.

The Cowhands walloped North 12-6 at North Wednesday afternoon in a postponed game from last week for their third successive league win. Each team garnered nine hits but the Bucks managed to outscore the Polar Bears in the slug-fest.

"Strib" Neal started for West on the mound with Barret twirling the final two cantos, Neal being credited with the win. Link and Blackstone led the home forces at the plate with two hits each in three trips while Carter pounded out a home run.

The West golf team lost a 12-0 decision to Worthington's top flight golfers last Tuesday and will meet Aquinas Saturday at Groveport.

HONORED

Miss Seiller

Eleanor Seiller, daughter of Mr. and Mrs. M. W. Seiller, 29 Eldonav, has been elected to Phi Beta Kappa, national honorary fraternity. Miss Seiller is a senior at Ohio Wesleyan university and will graduate in June. Her major is education.

Her sister, Dorothy, a graduate of the same school, was likewise honored with this recognition.

Senior Circuit Doubtful

Class B Softball League Ready For Opener

Indications that the Senior Church league, for 10 years the Hilltop's toughest softball circuit, would cease to function this season became more apparent this week as final plans were being made by executives of the Hilltop Independent league and the Class B church league for opening

At a special meeting held at the Glenwood shelter house Tuesday evening only two of the eight teams which had composed the senior league last season were present, Hoge Memorial and St. Aloysius, both title contenders in the past. Among those teams which failed to send representatives were Glenwood M. E., Calvary Presbyterian, Burgess U. B., Memorial Baptist, St. John's, Westgate Evangelical and Holy Family. Frank Colburn, 370 S. Burgess-av, long a Hilltop softball enthusiast, said that if any signs of interest would be forthcoming toward the construction of the league he would be more than glad to have representatives contact him at his home or that teams could secure franchises from the city recreation department.

Attempts to organize the league to date have resulted in bitter disappointments. In view of the fact that large crowds were in attendance at all games last year no satisfactory reason can be given as yet for the circuit not organizing.

While the discussions concerning the senior loop were still under consideration the Class B league has organized with six teams being represented and will begin play Monday, May 8, at McKinley field. The six outfits composing the junior group are Hilltop C. of C., Highland Avenue Friends, Hillcrest Baptist, West Park M. E., Avondale U. B. and Hoge Memorial No. 2. No opening schedule has been announced as yet and possibilities for the addition of one or two more organizations were still in the offing.

Assurance of a sixth team in the Hilltop Independent league was virtually certain this week following the announcement that Jack Stewart would manage an entry in the loop. A sponsor has

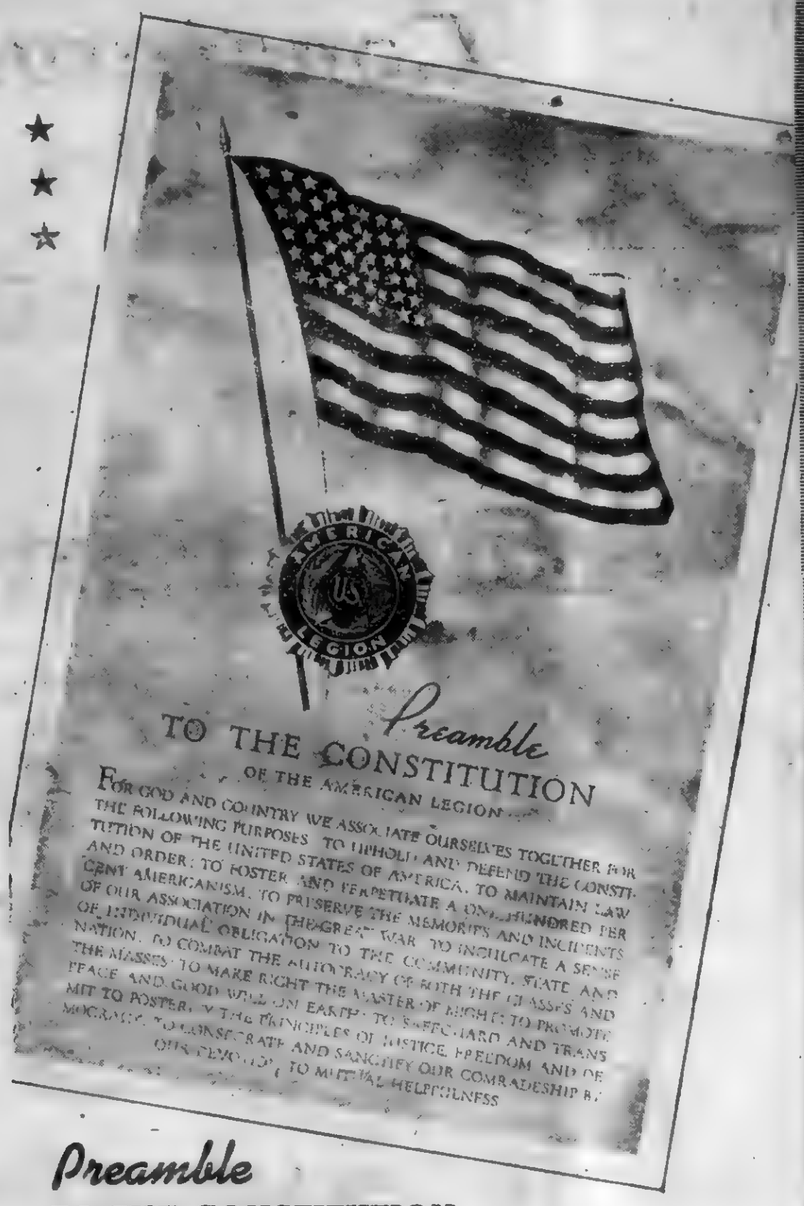
Stab Is Fatal To Salesman



An argument over a $6 magazine was responsible this week for the death of Virgil Frasure, 33, a beauty shop supply salesman. Frasure had just sold a magazine subscription to Mr. and Mrs. Tony Cass, 2215 W. Broad st, owners and operators of the beauty and barber shop located there, when Edwin M. Collins, Chicago, entered and tried to make the same sale.

The two men left the shop discussing which had the right to the commission. Not long afterward Frasure staggered into the shop, a knife wound in his stomach from which he died Tuesday morning in Mt. Carmel hospital. Shortly before his death Frasure signed a warrant for Collins' arrest.

Elmer Marshall Buried Wednesday

Elmer Ellsworth Marshall, retired express messenger for the American Railway Express Co., died last Sunday night at his home, 79 N. Oakley-av, at the age of 76. He was stricken with paralysis two weeks ago.

He is survived by his wife, Mrs. Lutie Lorena Marshall; one son, Harold Marshall, 68 W. North Broadway; a sister, Mrs. Lydia A. Wilcox, 43 S. Ogden-av, and three grandchildren. Funeral services were held at 1:30 p. m., Wednesday by Jerry Spears. Burial was in Green Lawn cemetery.

About Half of Ohio's War Dead Are "Unknown"

The following is taken from an article in the Ohio American Legion News and should be of interest to many.

About one-half or 250,000 of Ohio's war dead are "unknown soldiers," according to a report on the WPA Graves Registration project issued by Dr. Carl Watson, Ohio WPA administrator.

The 1300 WPA workers on this project are about half-way through their task of locating the graves of every Ohio veteran of in America's 31 wars and uprisings.

Half of the workers on the project are World war veterans.

Failure of the relative to indicate on the headstone that the deceased was a veteran and the failure of the veteran to affiliate himself with any veterans' organization are the two big reasons why so many of Ohio's fighting men have remained "unknown soldiers."

Various American Legion posts are providing most of the office space, heat and light for the project.

Up to date, an army of 1,000 WPA field workers who started on the project last June have trudged over 27,000 acres of land in 10,000 cemeteries. They still have to cover 6,500 acres in 2,000 cemeteries, making a total of 33,500 acres in 12,000 cemeteries.

In addition, 300 other workers check posters in the adjutant general's office, in the legion posts and the records of other patriotic organizations or interview relatives of the deceased.

The last resting place of Phillip Smith, a veteran of Napoleon's army in the Battle of Waterloo, was discovered in the Masterson cemetery near Lebanon. His hitch of service under Napoleon had no ill effects on his health for he died at the age of 107 years.

In Lucas county, the researchers discovered the site used as a burial ground for the hospital detachment of General Anthony Wayne's troops.

Comrade Johnny Lee of Omaha, Nebr., writes about the exgob who was flat on his back in a hospital and in no mood for visitors, when a kindly, yet persistent old lady asked him, "Now, just what were your duties on the submarine?"

"Oh, all I did," replied the exgob, "was to sneak up forward and hold her nose when we dived."

Disaster Relief Committee Cited For Outstanding Work

In January 1937 Commander D. C. Finneran appointed Roy F. McVay as chairman of the "Emergency and Disaster Relief" committee. The object of this committee was to serve this community in case of disaster.

Two days after the completion of this organization the disastrous flood hit the Ohio valley. Chairman McVay issued a mobilization call and in less than one hour 100 men, women and Boy Scouts were collecting food and clothing for the flood sufferers. They collected over $300 in cash and several truck loads of supplies. The worth of this committee was recognized by national headquarters of American Legion when they presented the post with a national citation for community service.

Comrade McVay has continued his work on building this committee and this year Camp Chase post boasts of the most complete emergency and disaster relief division in the department of Ohio. This committee has a personnel of 300 men; of this number 100 are licensed radio operators and 65 motorcycle riders. Each of the riders has recently completed a Red Cross course in first aid.

Officers of the committee are as follows: Ray McVay, division commander; Walter Sprenger, unit first aid vice commander; Larry Scales, unit second vice commander; E. C. Bitner, unit third vice commander; D. C. Finneran, adj. and personnel officer; Robert Hitchcock, finance officer; W. C. Smart, clerk.

As You Should Be

Remember your days in the Army
And the hard-boiled sergeant's drill?
When you did squads right squads left.
Sometimes on the side of a hill?

'Member how the old sarge ranted
As you day dreamed, thinking of her?
And the perfect command was chanted
When the sarge said, "As you were!"

Times have changed — the old army is gone,
Commands must be born anew:
Another army is carrying on,
And it's depending a lot on you!

What are you doing now, Bill and Jack,
For the pals who are needy or ill?
To lessen the weight of a care or a pack,
Are you fellows gold-bricking still?

This new army offers no Croix de Guerre,
Intrinsic awards have no part;
But there is a kind of cross to bear—
The citation is read in your heart.

"As you were!" is as far-off a plea
As the new army is from the old;
For "As you were!" is "As you should be!"
A carrying-on in the Legion fold.

West Bucks Lead City High League

South Is Next Opponent In City Baseball Circuit

Out in front in the City league baseball tussle by virtue of successive wins over East and North this week, West high's Buckaroos will trek to South this afternoon and down to Central Tuesday with the intention of strengthening their hold on the top position.

The Cowboys now possess a record of four straight wins, three of which were City league frays. They have beaten Aquinas, East and North within the circuit and Washington C. H. in a non-league contest.

The Bengals from East were represented on the mound by Bill Novak, a sophomore pitching find, and the Bucks had their hands tied until the fourth when they scored a single run. This was followed by a three run splurge in the fifth while Paul Rogers banged out a home run in the sixth to finish the West scoring.

East also found the range in its half of the fourth as two hits, an error and a passed ball gave up two runs. The Bengals made their final marker in the sixth when three singles were responsible for one run. The final score was 5-3.

Jake Richards twirled his second straight league win although touched for eight hits by the Tigers. He retired the first 11 men in order, faltered a little in the fourth with two out and finished the contest by fanning two of the three batters to face him in the seventh. West could only gain five blows off Novak's deliveries but four of these were extra base knocks, a homer, triple and two doubles.

The Cowhands walloped North 12-6 at North Wednesday afternoon in a postponed game from last week for their third successive league win. Each team garnered nine hits but the Bucks managed to outscore the Polar Bears in the slug-fest.

'Strib" Neal started for West on the mound with Barret twirling the final two cantos, Neal being credited with the win. Link and Blackstone led the home forces at the plate with two hits each in three trips while Carter pounded out a home run.

The West golf team lost a 13-0 decision to Worthington's top flight golfers last Tuesday and will meet Aquinas Saturday at Groveport.

Senior Circuit Doubtful

Class B Softball League Ready For Opener

Indications that the Senior Church league, for 10 years the Hilltop's toughest softball circuit, would cease to function this season became more apparent this week as final plans were being made by executives of the Hilltop Independent league and the Class B church league for opening games.

At a special meeting held at the Glenwood shelter house Tuesday evening only two of the eight teams which had composed the senior league last season were present, Hoge Memorial and St. Aloysius, both title contenders in the past. Among those teams which failed to send representatives were Glenwood M. E., Calvary Presbyterian, Burgess U. B., Memorial Baptist, St. John's, Westgate Evangelical and Holy Family. Frank Colburn, 370 S. Burgess-av, long a Hilltop softball enthusiast, said that if any signs of interest would be forthcoming toward the construction of the league he would be more than glad to have representatives contact him at his home or that teams could secure franchises from the city recreation department.

Attempts to organize the league to date have resulted in bitter disappointments. In view of the fact that large crowds were in attendance at all games last year no satisfactory reason can be given as yet for the circuit not organizing.

While the discussions concerning the senior loop were still under consideration the Class B league has organized with six teams being represented and will begin play Monday, May 8, at McKinley field. The six outfits composing the junior group are Hilltop C. of C., Highland Avenue Friends, Hillcrest Baptist, West Park M. E., Avondale U. B. and Hoge Memorial No. 2. No opening schedule has been announced as yet and possibilities for the addition of one or two more organizations were still in the offing.

Assurance of a sixth team in the Hilltop Independent league was virtually certain this week following the announcement that Jack Stewart would manage an entry in the loop. A sponsor has

Stab Is Fatal To Salesman

An argument over a $6 magazine was responsible, this week, for the death of Virgil Frasure, 33, a beauty shop supply salesman. Frasure had just sold a magazine subscription to Mr. and Mrs. Tony Cass, 2215 W. Broad st, owners and operators of the beauty and barber shop located there, when Edwin M. Collins, Chicago, entered and tried to make the same sale.

The two men left the shop discussing which had the right to the commission. Not long afterward Frasure staggered into the shop, a knife wound in his stomach from which he died Tuesday morning in Mt. Carmel hospital. Shortly before his death Frasure signed a warrant for Collins' arrest.

Elmer Marshall Buried Wednesday

Elmer Ellsworth Marshall, retired express messenger for the American Railway Express Co., died last Sunday night at his home, 79 N. Oakley-av, at the age of 76. He was stricken with paralysis two weeks ago.

He is survived by his wife, Mrs. Lutie Lorena Marshall; one son, Harold Marshall, 43 W. North Broadway; a sister, Mrs. Lydia A. Wilcox, 43 S. Ogden-av, and three grandchildren. Funeral services were held at 1:30 p. m., Wednesday by Jesse Spears. Burial was in Green Lawn cemetery.

Americanism Chairman

M. P. Hain

Mr. Hain is Americanism chairman of the post, a past adjutant, and a member of the executive committee several years. He is in charge of the entertainment for the tenth annual jubilee.

Man of Year Selected By Legion

In the fall of 1935 Commander D. C. Finneran appointed a committee composed of two members of Camp Chase Post and three members of the Hilltop Business Men's association. This committee was to select the one resident of the Hilltop who in their opinion had rendered the most outstanding service of the year to the community.

The committee selected Rev. S. Talmadge Magann, pastor of Hillcrest Baptist church, as the recipient of the first of these annual awards.

The 1937 "Man of the Year" was Ray Hauntz, prominent Hilltop grocer, and in 1938 the award was given to Dr. J. F. Bateman, superintendent of State Hospital, for his activity in furnishing a community fireworks program on July 4, reconditioning ball diamonds and throwing them open again to public use, making possible the night softball tournament which brought thousands of visitors to the Hilltop, his cooperation with local Boy Scout troops, and his work at the institution which has brought him national acclaim.

Boys' State To Be Held June 17-27

Advance registration for the fourth annual Buckeye Boy's State to be held at the fairgrounds, June 17-27, have been closed. The deadline for advance registration was set for Mar. 15, and the roll at that time showed more than the maximum number of 700 pledged.

Members of the board of trustees of the Buckeye Boys' State laid down a number of working rules and assigned tasks to be accomplished by legion teachers at the state, at their first functional meeting.

Thomas Herbert, attorney general, is the proposed head of the state government so far as it affects the governor's office and other cabinet positions; Judge Arthur H. Day will be in charge of all judiciary work; Lieut. Governor Paul M. Herbert, the legislature; Carl W. Smith, Kenton, all state offices other than those under Mr. Herbert; Vincent Martin and Ralph Stone, Conneaut, county offices; K. K. Kitchen and Jim Suhr, Cleveland, and Porter Forsythe, Cambridge, will work on the city set up. Jim Favret, national executive committeeman will be in charge of all branches of the boys' state government involving finances. Paul Kightlinger and Bill Konold, Warren, president and vice-president of the board will be in charge of general school operations.

Legion Protects Us Against "Isms"

If America came through the World war with anything on the profit side of the ledger it was the American Legion.

When men live as close to one another as they are likely to in a war, it is expected that they should form an organization to preserve what they have in common.

What the American soldiers had in common was an abundance of patriotism. They had it 20 years ago when they organized and they have it—every ounce of it—today.

The thing about the American Legion which made it a truly American organization, in spirit as well as form, is the fact that it hops nimbly over class lines. There are a lot of bankers and capitalists in the American Legion who sing their songs and rise to the crack of the gavel along with the thousands of economic anonymities, giving no thought to whether the legionnaire on their right or left has another pair of pants to his name.

The American Legion is strictly what the name indicates—a legion of men whose bond is Americanism, and who have a fight to set the standard for American-ism, many of them having learned its true significance by standing knee-deep in trench mud with shells whistling overhead.

The American Legion went out on a limb, so to speak, to preserve American democracy. It is little wonder now that legionnaires guard it so jealously.

Whenever any of those slinking propagandists begin spewing their slurring remarks around, a legionnaire picks it up. It is not long before the patriotism pot is boiling in the community and whatever the bad influence was, it passes furtively from the picture.

The American Legion is every citizen's insurance against the "isms." —TOLEDO TIMES

Camp Chase Post sponsored the first air show held at Port Columbus July 7 and 8, 1934, bringing to Columbus Col. Roscoe Turner who at that time held the cross country speed record. This show has been carried on by the Charity Newsies and has become a city-wide institution.

1939 Convention At Chicago

Plans for the 1939 national convention of the American Legion, to be held in Chicago next fall, are under way with preparations in charge of the various committees. Headquarters of the corporation have been opened in the Morrison hotel, the Hotel Stevens serving as convention headquarters for the American Legion Auxiliary and the Palmer House serving as headquarters for the national administration organization of the Legion.

Serving on the executive committee are Colonel A. A. Sprague, president of the corporation; Joseph F. Novotny, first vice-president; Philip W. Collins, Mrs. Mabel Pantelis, second vice-president; Joseph L. DeLa Cour, secretary; Joseph F. Bernhard, James P. Ringley, Edward F. McGinnis and Perce F. Brautigam.

Officers of Camp Chase Post

Arthur J. Bellar, 326 Algonquin-av., was elected commander of Camp Chase post 98, for the year 1939. Robert Hitchcock, 173 Lechner-av, was elected financial secretary and Michael H. Austin, 85 E. Gay-st, adjutant.

Other officers include W. E. Sprenger, first vice-commander; E. A. Webb, second vice-commander; C. W. Wagner chaplain; J. G. Bowser, historian; D. S. Poole, sergeant-at-arms; G. B. Myers, per. adjutant. Ray F. McVay was commander last year.

Serving on the executive committee are Ernest H. Brown, D. Clark Finneran, Alva C. Myers, Larry G. Scales, Wilbur C. Smart and Elmer A. Young. Home trustees are D. C. Finneran, Edgar G. Planck and Larry G. Scales.

Scouts Have Mothers' Club

The Mothers' club of troop 161, Boy Scouts of America, was organized on Oct. 27, 1938, at a special program given by the scouts for their mothers. There were 12 mothers present and the object of the club was to promote interest of the boys in their scout work and to provide necessary funds for their camp period at Camp Lazarus without expense to the parents.

During the first year they were organized the club was able to send the troop of 31 boys to Camp Lazarus for one entire period and they were the only troop that had a 100 per cent attendance. The Mothers' club now has 31 members.

The following are the officers: Mrs. Helen Duncan, president; Mrs. W. Reece, vice-president; Mrs. Harriet Womeldorff, secretary; Mrs. Freda Marsh, treasurer.

Winchell Weighs Americanism

—Walter Winchell in the New York Mirror.

Every American should look about him, and weigh what it means to be an American . . . protected the lowly . . . America has grown mighty because it was humble in spirit . . . Our greatest heroes, Washington and Lincoln, are exalted because they were human . . . We should all be thankful that in Civilization's Darkest Hour—our Country is the land that stands for Freedom, Tolerance and the Dignity of Man . . . That to the bewildered, oppressed and homeless—our country is the living proof that men of all races and creeds may live as neighbors . . . And, out of our thankfulness, we too should resolve to bequeath an America greater than when it was given to us . . . So that our children's children, 150 years from now, will be thankful — that we were—thankful!

Lest we forget—we should remind ourselves that the America of today stands for 150 years of effort . . . Lest we forget, we should remember that the land and the institutions we enjoy today—are the result of the combined work of almost every race and creed in the world—all resolved to leave America better than they found it . . . For America has grown great because it

Hauntz May Run For Mayor

That Ray Hauntz may be a candidate for mayor of Columbus was indicated by his friends this week despite rumors to the effect that he had given up the idea and was to be a candidate for city council.

Hauntz, when interviewed this week, would make no statement. It is believed that should he not enter the mayoralty campaign he will be a candidate for city council.

Out in front in the City league baseball tussle by virtue of successive wins over East and North this week, West high's Buckaroos will trek to South this afternoon and down to Central Tuesday with the intention of strengthening their hold on the top position.

The Cowboys now possess a record of four straight wins, three of which were City league frays. They have beaten Aquinas, East and North within the circuit and Washington C. H. in a non-league contest.

The Bengals from East were represented on the mound by Bill Novak, a sophomore pitching find, and the Bucks had their hands tied until the fourth when they scored a single run. Jake Richards twirled his second straight league win although touched for eight hits by the Tigers. He retired the first 11 men in order, faltered a little in the fourth with two out and finished the contest by fanning two of the three batters to face him in the seventh. West could only gain five blows off Novak's deliveries but four of these were extra base knocks, a homer, triple and two doubles.

The Cowhands walloped North 12-6 at North Wednesday afternoon in a postponed game from last week for their third successive league win. Each team garnered nine hits but the Bucks managed to outscore the Polar Bears in the slug-fest.

"Strib" Neal started for West on the mound with Barret twirling the final two cantos, Neal being credited with the win. Link and Blackstone led the home forces at the plate with two hits each in three trips while Carter pounded out a home run.

The West golf team lost a 12-0 decision to Worthington's top flight golfers last Tuesday and will meet Aquinas Saturday at Groveport.

Senior Circuit Doubtful

Class B Softball League Ready For Opener

Indications that the Senior Church league, for 10 years the Hilltop's toughest softball circuit, would cease to function this season became more apparent this week as final plans were being made by executives of the Hilltop Independent league and the Class B church league for opening games.

At a special meeting held at the Glenwood shelter house Tuesday evening only two of the eight teams which had composed the senior league last season were present, Hoge Memorial and St. Aloysius, both title contenders in the past. Among those teams which failed to send representatives were Glenwood M. E., Calvary Presbyterian, Burgess U. B., Memorial Baptist, St. John's, Westgate Evangelical and Holy Family. Frank Colburn, 370 S. Burgess-av, long a Hilltop softball enthusiast, said that if any signs of interest would be forthcoming toward the construction of the league he would be more than glad to have representatives contact him at his home or that teams could secure franchises from the city recreation department.

Attempts to organize the league to date have resulted in bitter disappointments. In view of the fact that large crowds were in attendance at all games last year no satisfactory reason can be given as yet for the circuit not organizing.

While the discussions concerning the senior loop were still under consideration the Class B league has organized with six teams being represented and will begin play Monday, May 8, at McKinley field. The six outfits composing the junior group are Hilltop C. of C., Highland Avenue Friends, Hillcrest Baptist, West Park M. E., Avondale U. B. and Hoge Memorial No. 2. No opening schedule has been announced as yet and possibilities for the addition of one or two more organizations were still in the offing.

Assurance of a sixth team in the Hilltop Independent league was virtually certain this week following the announcement that Jack Stewart would manage an entry in the loop. A sponsor has

Stab Is Fatal To Salesman

An argument over a $6 magazine was responsible, this week for the death of Virgil Frasure, 33, a beauty shop supply salesman. Frasure had just sold a magazine subscription to Mr. and Mrs. Tony Casa, 2315 W. Broad-st, owners and operators of the beauty and barber shop located there, when Edwin M. Collins, Chicago, entered and tried to make the same sale.

The two men left the shop discussing which had the right to the commission. Not long afterward Frasure staggered into the shop, a knife wound in his stomach from which he died Tuesday morning in Mt. Carmel hospital. Shortly before his death Frasure signed a warrant for Collins' arrest.

Elmer Marshall Buried Wednesday

Elmer Ellsworth Marshall, retired express messenger for the American Railway Express Co., died last Sunday night at his home, 79 N. Oakley-av, at the age of 78. He was stricken with paralysis two weeks ago.

He is survived by his wife, Mrs. Lutie Lorena Marshall; one son, Harold Marshall, 69 [illegible] North Broadway; a sister, Mrs. Lydia A. Wilcox, 43 S. Ogden-av, and three grandchildren. Funeral services were held at 1:30 p. m., Wednesday by [illegible] Spears. Burial was in Green Lawn cemetery.

Child Welfare Program Is Legion Project

The American Legion provides a child welfare program that can bring service and assistance to children of veterans of the World war who are found to be in need. The children are located and their condition investigated through the child welfare workers of the American Legion posts and the American Legion Auxiliary units. These volunteer child welfare workers have been instructed through the national and department child welfare program to clear and cooperate with the established organizations and agencies in the community, county and state for the purpose of care, protection and assistance to children.

If the local resources through the established agencies are inadequate, the American Legion, either through its post departments, or nationally, must bridge the gap and at least provide temporarily the necessary service and aid. This does not mean that the American Legion will relieve the communities, counties and states of their just responsibilities, nor will it permit the established organizations and agencies to discriminate against the children of veterans of the World war because of the existence of an American Legion child welfare organization which will render service and assistance temporarily pending arrangements with the communities, counties and states through the established organizations and agencies.

FACTS and FIGURES

Listed below are some facts and figures regarding the American Legion which may help to enlighten the associated reader as to the purpose and activities of the organization.

Organization

First steps toward organization were taken at a caucus in Paris, France, Mar. 15 to 17, 1919. A temporary constitution was adopted, temporary officers elected and general policies formulated at a caucus in St. Louis, Mo., May 8 to 10, 1919. A national charter was granted by act of congress on Sept. 16, 1919. Permanent organization was affected and a constitution and by-laws adopted at the first national convention in Minneapolis, Minn., Nov. 10 to 12, 1919.

The legion is organized by departments and posts. Membership is in the national organization by affiliation with a post. There are 58 departments, one in every state in the union, one in the District of Columbia and others in territorial possessions of the United States and in certain foreign countries. There are 10,000 posts established in every part of the United States and throughout the world.

Eligibility

Any person is eligible for membership who was regularly enlisted, drafted or inducted or commissioned and who was accepted for active duty in the army, navy, marine corps or coast guard of the United States at some time during the period between Apr. 6, 1917, and Nov. 11, 1918. He must be a citizen of the U. S. at the time of entry, served on active duty. No person is entitled to membership who refused on conscientious, political or other grounds to subject himself to military discipline or unqualified service; or who, being in such service, was separated therefrom under circumstances amounting to dishonorable discharge and has not subsequently been officially restored to an honorable status.

Purpose

Service—service to community, state and nation! Members of the legion gave service while they were members of the armed forces of the United States in the World war. The legion was organized that they might continue to give the same service in time of peace as they gave in time of war.

How Conducted

Activities of the national organization are carried on through the national convention, national officers, national committees and commissions, and the staff of national headquarters. Department and post activities are carried on through their officers and committees.

The national convention is the supreme governing body of the whole organization. Authority is vested between conventions in the national executive committee and the national commander. Other officers and divisions of the national organization operate under their direction.

Camp Chase Drum and Bugle Corps

Drum and Bugle Corps One of Best

The Camp Chase Drum and Bugle corps was organized during the summer of 1930 and made its first public appearance in the state legion convention parade in August of that year at Cincinnati.

Its organization was made possible with funds set aside by the post, together with a contribution obtained from the Hilltop Business Men's association through the efforts of Fred L. Sulzberger who became the drum corps' first manager.

Claude Hasson was the first drum major of the outfit, later being succeeded by Ted Stuart. The first corps consisted of a manager, a drum major, four drummers and eight buglers. It has since grown to an organization of nearly 40 members.

Jack Richardson and James Hurd succeeded Sulzberger as managers.

The Bugle corps was managed by L. G. Scales in 1934-35.

In the year 1936, Robert Swiger became commander of drum corps and at this time the cadet style of uniform was adopted, the corps being fully outfitted with new uniforms.

In 1937 I. B. Deems was elected commander of the drum corps and during his term the corps made their first out of the state appearance when they attended the national convention at New York and led the Camp Chase delegation down Fifth-av. in the big parade.

In 1938 Roger H. Myers was elected and after serving a short time was succeeded as corps commander by Geo. M. Ward. The corps is now under the command of F. E. Herbert.

Post Sponsors Scout Troop

In the spring of 1933 Camp Chase post, with Geo. M. Ward, commander, adopted troop 161, Boy Scouts of America. The troop had been sponsored by a local church. Arthur J. Bellar, present commander, was chairman of the church scout troop committee.

Since being taken over by the post the troop has advanced with great strides and now stands among the top-notch troops in central Ohio. At a recent meeting of the Court of Honor, troop 161 carried off the honors for the evening by having each member of the troop advance at least one step in scouting. The advancement of the troop has been due in large extent to the excellent leadership afforded by troop committeemen and scoutmasters of the troop.

Scoutmasters who have led the troop are A. O. Martin, Gerald Gifford, E. T. Stratford, C. E. Yost and Kenneth Babbs, the present scoutmasters, and is assisted by Dave Shiflett, assistant scoutmaster, Cecil Pilani, Geo. Bradford, Glenn Harriman, Geo. Floyd, Tom Crum, Ray McVay jr. and Gunnar Marsh.

Post members who have served as chairmen of the troop committee are Arthur J. Bellar, M. J. Rinehart, Geo. M. Ward, Ray F. McVay. The present troop committee is as follows: D. C. Finneran, chairman, Geo. M. Ward, Ray McVay, Leo Konkler, Frank Phelps, J. A. Womeldorf, E. T. Stratford, Kenneth Marsh, Frank Morgan, Frank Heft and Harry Sherwood.

Three members of the troop have received the high honor of Eagle Scout, they are, Roger Myers jr., Dave Shiflett and Harry Haley.

Lyckholm of Colorado recalls one about a man who was about to be lynched.

"I say, boys," he pleaded, "can't you give a guy a slug o' whiskey before you string him up?"

"What!" exclaimed the leader of the mob, "and have you boasting forever after that we showed you mercy!"

Best Wishes to our Many Friends of Camp Chase Post on their Tenth Anniversary From

Hauntz May Run For Mayor

That Ray Hauntz may be a candidate for mayor of Columbus was indicated by his friends this week despite rumors to the effect that he had given up the idea and was to be a candidate for city council.

Hauntz, when interviewed this week, would make no statement. It is believed that should he not enter the mayoralty campaign he will be a candidate for city council.

West Bucks Lead City High League

South Is Next Opponent In City Baseball Circuit

Out in front in the City league baseball tussle by virtue of successive wins over East and North this week, West high's Buckaroos will trek to South this afternoon and down to Central Tuesday with the intention of strengthening their hold on the top position.

The Cowboys now possess a record of four straight wins, three of which were City league frays. They have beaten Aquinas, East and North within the circuit and Washington C. H. in a non-league contest.

The Bengals from East were represented on the mound by Bill Novak, a sophomore pitching find, and the Bucks had their hands tied until the fourth when they scored a single run. This was followed by a three run splurge in the fifth while Paul Rogers banged out a home run in the sixth to finish the West scoring.

East also found the range in its half of the fourth as two hits, an error and a passed ball gave up two runs. The Bengals made their final marker in the sixth when three singles were responsible for one run. The final score was 5-3.

Jake Richards twirled his second straight league win although touched for eight hits by the Tigers. He retired the first 11 men in order, faltered a little in the fourth with two out and finished the contest by fanning two of the three batters to face him in the seventh. West could only gain five blows off Novak's deliveries but four of these were extra base knocks, a homer, triple and two

The Cowhands walloped North 12-6 at North Wednesday afternoon in a postponed game from last week for their third successive league win. Each team garnered nine hits but the Bucks managed to outscore the Polar Bears in the slug-fest.

"Strib" Neal started for West on the mound with Barret twirling the final two cantos, Neal being credited with the win. Link and Blackstone led the home forces at the plate with two hits each in three trips while Carter pounded out a home run.

The West golf team lost a 12-0 decision to Worthington's top flight golfers last Tuesday and will meet Aquinas Saturday at Groveport.

Stab Is Fatal To Salesman

An argument over a $6 magazine was responsible this week for the death of Virgil Frasure, 33, a beauty shop supply salesman. Frasure had just sold a magazine subscription to Mr. and Mrs. Tony Cass, 2215 W. Broad st, owners and operators of the beauty and barber shop located there, when Edwin M. Collins, Chicago, entered and tried to make the same sale.

The two men left the shop discussing which had the right to the commission. Not long afterward Frasure staggered into the shop, a knife wound in his stomach from which he died Tuesday morning in Mt. Carmel hospital. Shortly before his death Frasure signed a warrant for Collins' arrest.

Camp Chase Post In Regular Meeting

Here are the members of Camp Chase post in a regular meeting at their new headquarters, 3184 W. Broad-st.

The post meets at their club rooms the first and third Fridays of the month.

Local Post Represented In State

Every year men of individual posts throughout the state are selected to serve in higher ranks of district and state offices of the American Legion. Because of the late date of Camp Chase post organization in 1929, appointments from the local post weren't forthcoming. However in the years following, Camp Chase has been well represented in the higher ranks of the legion.

In 1930, Fred S. Reese was appointed state chairman of the safety committee, charged with erecting "Protect Our Children" signs, and J. C. V. Richardson served as a member of the department committee on National Convention Transportation.

In 1931 Arthur J. Bellar was department chairman of the Boy Scout committee, Claude V. Hasson, sixth district membership chairman, and J. C. V. Richardson again served on convention transportation.

In 1932 Arthur J. Bellar again handled the Boy Scouts as department of Ohio chairman; F. K. Dickerson, sixth district membership chairman; Joseph Leazenbee, cartoonist for Ohio Legion News, and Mose M. Williams, sixth district sub-chairman on membership.

In 1934 Arthur Bellar headed the department of Junior Activities as director; Claude V. Hasson, sixth district chairman of public relations; Joseph Leazenbee, staff cartoonist, Ohio Legion News, and James A. Womeldorff is sixth district rifle team chairman.

More Truth Than Poetry About Hilltop Poets

Hilltop wooers of the elusive Muse are many, and most of them have not only gained fame for their poetry but in other fields of endeavor as well. . . . Some are artists, some musicians, a model, an attorney, housewives, ministers, secretaries, and several high school pupils . . . Have found the poetry in The Occident most enjoyable—when my son remembers to bring his copy home . . . Newcomers to the Hilltop are Mr. and Mrs. Clarence L. Weaver. He is the editor of Quickening Seed, the only all-poetry magazine published in Columbus. He and Mrs. Weaver are poets in their own right . . . Have been the humble custodian of the rather seldom Modern Poetry column for approximately three years and have never met any of the Record staff. What they've missed! However, have had several bouts—via phone and correspondence—with former editor, Dr. John N. Wolfe, partly on account of he doesn't like my cat—or ANY cat—and because he used two lines from Mr. Wagner's skeeter poem for a heading for Modern Poetry once, instead of the two so-sentimental lines I had dreamed up for that purpose. He always said it was an accident but it's a free country—or IS it?—and I can think what I like.

• • •

An Open Letter to J. N.:

My cat (name of Clarabelle Geraldine) doesn't like you, either. And anyway, the last time you attempted to out-Winchell Winchell you missed it by about three weeks. You should have accepted the invitation to meet the visiting fireman (Dr. W. A. Matheny, of the Botany department, Ohio university) for you would have had a lot in common. He doesn't like cats and said that anyone who pulled a cat's tail or otherwise annoyed one is a benefactor to the human race, ad infinitum.

Haunts May Run For Mayor

That Ray Haunts may be a candidate for mayor of Columbus was indicated by his friends this week despite rumors to the effect that he had given up the idea and was to be a candidate for city council.

Hauntz, when interviewed this week, would make no statement. It is believed that should he not enter the mayoralty campaign he will be a candidate for city council.

West Bucks Lead City High League

South Is Next Opponent In City Baseball Circuit

Out in front in the City league baseball tussle by virtue of successive wins over East and North this week, West high's Buckaroos will trek to South this afternoon and down to Central Tuesday with the intention of strengthening their hold on the top position.

The Cowboys now possess a record of four straight wins, three of which were City league frays. They have beaten Aquinas, East and North within the circuit and Washington C. H. in a non-league contest.

The Bengals from East were represented on the mound by Bill Novak, a sophomore pitching find, and the Bucks had their hands tied until the fourth when they scored a single run. This was followed by a three run splurge in the fifth while Paul Rogers banged out a home run in the sixth to finish the West scoring.

East also found the range in its half of the fourth as two hits, an error and a passed ball gave up two runs. The Bengals made their final marker in the sixth when three singles were responsible for one run. The final score was 5-3.

Jake Richards twirled his second straight league win although touched for eight hits by the Tigers. He retired the first 11 men in order, faltered a little in the fourth with two out and finished the contest by fanning two of the three batters to face him in the seventh. West could only gain five blows off Novak's deliveries but four of these were extra base knocks, a homer, triple and two doubles.

The Cowhands walloped North 12-6 at North Wednesday afternoon in a postponed game from last week for their third successive league win. Each team garnered nine hits but the Bucks managed to outscore the Polar Bears in the slug-fest.

'Strib" Neal started for West on the mound with Barret twirling the final two cantos, Neal being credited with the win. Link and Blackstone led the home forces at the plate with two hits each in three trips while Carter pounded out a home run.

The West golf team lost a 12-0 decision to Worthington's top flight golfers last Tuesday and will meet Aquinas Saturday at Groveport.

HONORED

Miss Seiller

Eleanor Seiller, daughter of Mr. and Mrs. M. W. Seiller, 29 Eldon-av, has been elected to Phi Beta Kappa, national honorary fraternity. Miss Seiller is a senior at Ohio Wesleyan university and will graduate in June. Her major is education.

Her sister, Dorothy, a graduate of the same school, was likewise honored with this recognition.

Courts To Open Today

Lighting of Westgate Grounds Considered By City Officials

Tennis courts at Westgate park, having been reconditioned considerably during the past week, will open this afternoon for public use during the summer, it was announced by Charles Seddon, city recreation department head, early this week. In connection with the opening announcement Seddon also stated that possibilities for a lighting system for the local courts are being considered by the department along with city officials.

Vic Sabo, prominent in tennis circles, will again be in charge of the courts and the fee will remain the same as last year, 10 cents per hour.

Seddon said he saw no reason why the Westgate courts could not be given lights, putting them on an equal basis with those of Franklin park, the lone city park which has lights for night use on the courts. One of the principal advantages of the lights is that they would give those persons who work down-town time to play in the evenings. Usually Hilltop tennis enthusiasts arrive at the park too late following office hours and, finding the courts crowded, return home. This would tend to eliminate this problem and more Hilltoppers would be given a welcome chance to play.

Suggesting that more married men and women should use the courts more, Seddon expressed the opinion that as tennis is a perfect exercise more housewives could use the morning hours for playing for exercise and enjoyment.

Bond Cleaners Open For Business

The Bond Cleaners opened for business at 2492 Sullivant-av, last week with Bob Millikin and Charlie O'Conner as owners and managers of the store. They will specialize in quality cleaning and pressing work.

All new pressing equipment and office furniture has been installed. The office is finished in green and cream color scheme with venetian window shades. A raised letter sign in the store's colors is over the front of the office.

Millikin and O'Connor have had a total of 22 years in the dry cleaning business. Delivery service is available.

Dr. DeVol Opens Hilltop Office

Dr. W. E. DeVol is opening offices today at 2405½ W. Broad-st. He will be engaged in the general practice of medicine.

He has been practicing medicine on the Hilltop for the past year and a half. Dr. DeVol is a graduate of Western Reserve: Interned at Cleveland City hospital and was assistant resident physician at Fairview Park hospital in Cleveland.

He and his family reside at 185 N. Harris-av.

Senior Circuit Doubtful

Class B Softball League Ready For Opener

Indications that the Senior Church league, for 10 years the Hilltop's toughest softball circuit, would cease to function this season became more apparent this week as final plans were being made by executives of the Hilltop Independent league and the Class B church league for opening [illegible].

At a special meeting held at the Glenwood shelter house Tuesday evening only two of the eight teams which had composed the senior league last season were present, Hoge Memorial and St. Aloysius, both title contenders in the past. Among those teams which failed to send representatives were Glenwood M. E., Calvary Presbyterian, Burgess U. B., Memorial Baptist, St. John's, Westgate Evangelical and Holy Family. Frank Colburn, 370 S. Burgess-av, long a Hilltop softball enthusiast, said that if any signs of interest would be forthcoming toward the construction of the league he would be more than glad to have representatives contact him at his home or that teams could secure franchises from the city recreation department.

Attempts to organize the league to date have resulted in bitter disappointments. In view of the fact that large crowds were in attendance at all games last year no satisfactory reason can be given as yet for the circuit not organizing.

While the discussions concerning the senior loop were still under consideration the Class B league has organized with six teams being represented and will begin play Monday, May 8, at McKinley field. The six outfits composing the junior group are Hilltop C. of C., Highland Avenue Friends, Hillcrest Baptist, West Park M. E., Avondale U. B. and Hoge Memorial No. 2. No opening schedule has been announced as yet and possibilities for the addition of one or two more organizations were still in the offing.

Assurance of a sixth team in the Hilltop Independent league was virtually certain this week following the announcement that Jack Stewart would manage an entry in the loop. A sponsor has

Entries Reported In Fest

Good Competition Expected In All Classifications

Entries in the Hilltop's first eisteddefod, to take place at the Hillcrest Baptist church May 26, have started pouring in to the committee in charge of arrangements and every indication points to interesting competition in each class of singing. Members of the Hilltop chorus, sponsors of the event, are developing a keen rivalry in certain numbers. The song fest is open to any person with classifications for anyone, ranging from six years on up in age.

A list of prizes totaling more than $120 will be at stake. E. H. Gildersleeve, 238 N. Ogden-av, is chairman of all arrangements. Entries should be addressed to C. H. Campbell, 2766 W. Broad-st.

The entire competition will be presented in the one evening. Preliminary eliminations may be necessary if a great number of entries appear in any one classification. A program of all events may be had on request.

Girl Is Injured At Street Crossing

Rita Brady, age 14, 47 S. Warren-av, was struck by a car at the corner of Broad-st and Warren-av Thursday evening as she was attempting to cross the street. She was treated for leg and ankle abrasions.

The auto was driven by Mildred Minshell, 2379 W. Broad-st, according to police reports. The accident occurred when a light changed suddenly while the girl was crossing ahead of the car. Mrs. Minshell was charged with failing to stop after an accident.

Assembly Honors Band Members

An assembly was held at West Junior high school in honor of the members of the band who received letters for their playing at the basketball games of the school.

Among those who received the black "W" with "band" written in orange were the drum-majors, John Glade, Bob Redding and Jim LeSuer. Other members of the band were, Montie Ball, Don Bowser, Robert Campbell, George Floyd, Jack Harvey, Dick Houk, John Jester, Erline Johnston, Hugh Leggett, Richard Muchmore, Billy Overmyer, John Patterson, George Strain, Bill Strait, Bell Strain, Gorden Taylor, Ralph Thomen, Robert Watts, Rudolph Willer and Richard Zimmer.

Approximately 5,000 telegrams were sent out by Western Union messenger to Hilltop homes stating that West Side Lumber and Coal Co., 3401 W. Broad-st, has been named Hilltop distributor for the DuPont line of house paints, lacquer, varnishes and enamels.

A complete line of the company's products have been stocked by the local firm in preparation for the summer paint market.

1800 See Camp Chase Jubilee Show

One of the most successful community events ever sponsored by Camp Chase post of the American Legion was presented for public approval on Saturday evening at West high school in the form of the big tenth anniversary jubilee of the post.

A capacity audience of 1,800 was present to see a wide array of talent headed with song and dance numbers by Gracebelle Day.

An expression of appreciation on the part of the post was received by the RECORD as follows: "We want to take this opportunity to express our sincere appreciation to all who participated in our jubilee and had any part in its successful presentation. The fact that it was well received was a distinct pleasure to every member of the post and it is our hope that we may continue to be able to so express our gratitude to this fine community in some such form from time to time." The note was signed by Arthur J. Bellar, commander, and M. H. Austin, adjutant.

TO SHOW FILM

The Concordia Lutheran church will present the sound film "The Call of the Cross" Monday evening, May 1, at 8 o'clock. It depicts how and why a group of 665 immigrants left Germany 100 years ago and came to America to enjoy the blessings of religious liberty. The public is invited.

TO HAVE BAKE SALE

Girl Scout troop No. 4 is giving a bake sale tomorrow at Seiler's department store from 10 a. m. until 6 p. m.

The proceeds will be turned over to the scout headquarters to help build the new Girl Scout camp.

Retired Caretaker To Receive Recognition

N. C. Ault, 41 S. Eureka-av, caretaker of the Hoge Memorial Presbyterian church, has retired leaving behind a record of 25 years service to his church.

A resident of the Hilltop most of his life, he is a charter member of the church, and now holds the charter membership.

He will be honored at a trustees meeting tonight and will be presented with a gift.

Saturday he will leave for St. Louis to visit his son Fred. His son is the municipal reference librarian of St. Louis. After his visit he has planned to do some traveling.

Dr. Leaman To Return To Office

Dr. L. R. Leaman, dentist at 2757½ W. Broad-st, will be back in his office in a couple of weeks it was learned this week. Dr. Leaman has been confined to his home with a serious case of flu for several days and is now convalescing in a satisfactory manner.

He resides at 3033 Crescent-dr.

Legion Will SponsorTeams

The American Legion is sponsoring the thirteenth annual American Legion junior baseball competition, the only national athletic activity conducted for young boys.

G. B. Smith is manager of the baseball team for the Camp Chase post.

Columbus and vicinity has always played a prominent part in this program, and last year out of 88 teams that competed throughout the state 33 were from Columbus.

The competition in American Legion junior baseball is open to boys who are amateurs and who will not have reached their seventeenth birthday before Jan. 1, 1939. No member of any school baseball squad is eligible until the completion of the school schedule.

Six Are Hurt In Collision

Six Sidney girls and a woman were injured, two seriously, Friday morning in a truck-auto collision on W. Broad-st, just west of the city limits. The girls were en route to Ohio State university for the state music finals.

According to reports the auto driven by Mrs. Pearl Ferguson skidded on the wet pavement and crashed into a truck-trailer, driven by W. H. Bracken, Pittsburgh.

Betty Gossard, 15, suffered severe head injuries and a possible skull fracture and Jean Dagoudy, 17, had her back broken. The car was badly wrecked.

House To Rent? Try The Record

Rain or shine — RECORD want ads bring results. Mr. A. Seely, 3785 W. Broad-st, can testify to the truth of that statement. Last week Seely ran a four line ad in the "for rent" column and on Friday when the RECORD was distributed he received 17 calls inquiring about his property. On Saturday he received 11 calls. The cost of Mr. Seely's ad was small and his property is now rented without any loss of valuable time. More than 40,000 people read the RECORD. The cost for advertising is small and the possibilities for returns are large.

TO CLOSE ON WED.

Beginning Wednesday, May 3, the office of L. O. Linville, optometrist at 2434 W. Broad-st, will be closed every Wednesday until further notice.

Stab Is Fatal To Salesman

An argument over a $3 magazine was responsible, this week, for the death of Virgil Frasure, 33, a beauty shop supply salesman. Frasure had just sold a magazine subscription to Mr. and Mrs. Tony Casa, 2215 W. Broad-st, owners and operators of the beauty and barber shop located there, when Edwin M. Collins, Chicago, entered and tried to make the same sale.

The two men left the shop discussing which had the right to the commission. Not long afterward Frasure staggered into the shop, a knife wound in his stomach from which he died Tuesday morning in Mt. Carmel hospital. Shortly before his death Frasure signed a warrant for Collins' arrest.

Mr. and Mrs. Michael Connor, 1462 E. Fulton-st, are announcing the marriage of their daughter, Lucille Agnes, to Mr. Frances James Lorz, 158 N. Chase-av, son of Mr. Fred Lorz of Meadville, Pa.

The wedding took place at Holy Rosary church with Monsignor John J. Murphy officiating, at 9 o'clock Wednesday morning.

The bride wore white marquisette over satin with a long train. The long sleeves were puffed and of lace as was the short form-fitting bodice. Her veil was shoulder length and was caught with a wreath of orange blossoms. It was the veil her mother wore at her own wedding. She carried a white prayer book. Miss Mary Ann Connor, sister of the bride, was her only attendant and wore powder blue marquisette over satin. Her short face veil was fastened with gardenias, and she carried a prayer book, the gift of the bride.

Mr. Robert A. Weisenberger served as best man for the groom. After the ceremony a wedding breakfast was served at the bride's home. Out of town guests were Mr. Fred Lorz, Meadville, Pa., father of the groom; Mrs. D. L. McGrath of Buffalo, N. Y., the groom's sister; Miss Mildred Mary Laurie of Wauconda, Wash., his niece; and Dr. and Mrs. Frank Grogan, Urbana.

The couple will make their home in Columbus and after a wedding trip they will be at home to their freinds at 1495 Franklin-av after May 15.

Americanization Week Observed By Westway Post

This week is Americanization week and in observance of that Mrs. Alice Wolfe, acting Americanization chairman for the ladies auxiliary of Westway Post, presented several schools with an arrangement for mixed voices for choral work and a copy of the sheet music for the song Kate Smith has made so popular, "God Bless America." In appreciation of this a letter was received from Superintendent of Schools George Roudebush. The following schools received the song: West junior and senior high, West Broad Street school, John Burroughs, Highland Avenue, Dana Avenue, Starling school, Chicago Avenue, Mound Street, St. Aloysius, St. Mary Magdalene and the Ohio penitentiary. The copies were gifts from the Ladies Auxiliary. This Thursday the Westway Post assisted by the Ladies Auxiliary of Westway post, entertained two bus loads of children from the Soldiers and Sailors home in Xenal, at the post club rooms. The children will be served hot coffee, soft drinks and ice cream.

THIS is an important week in the history of Methodism. The conference charged with ratification of the long mooted reunion of the Methodist church south, and the Methodist Protestant division with the parent body of the Methodist Episcopal church is in session.

CHURCH MERGER

The schism between the Methodist church south and the northern branch was a direct result of the Civil War. That of the Methodist Protestants over matters of church discipline. Now, after years of work leading to unification of this great sect it appears that success will crown the efforts of the far seeing men of all three divisions who have labored so earnestly to bring this about.

Not alone do we find the Methodists looking toward unification of different branches of the same faith. The Reformed and Evangelical groups have already accomplished the merger, while the several branches of the Presbyterian belief are coming closer together with eventual unification as a goal.

All of this is very encouraging. Churches today have manifold problems of finance and membership. Leaders have long since discovered that if it be true in the secular world that mergers and consolidations work for the greater benefit of all concerned the same thing holds true in the realm of spiritual effort. Millions of adherents to the various sects concerned will wish as speedy action as possible that this forward step in organized religion be consumated as soon as possible.

IT'S UP TO EACH INDIVIDUAL woman what she does with her skirt length. If she can stand it, up it goes another quarter of an inch, I suppose.

WHY DON'T THE RAILROADS put shower baths in box cars and let the ride inside instead of on the rods?—Jeff Davis, King and Emperor of Hoboes.

THESE ARE ANXIOUS TIMES and conditions are disturbed, so it is no wonder women go out and buy gayer hats than usual.

Political Slants

by Ello Mule

Fact that Bricker paid a $2,200 inaugural breakfast check himself is interpreted that the "bagmen" of the state administration "went fishing" or something when Bricker came in. In the palmy days when Davey reigned $25,000 a day in "take" from state business was reported common . . . fact is, whoever gave the Governor the bill didn't expect he would pay it . . . it was presented as a lever to make "Honest John" weaken on one or two deals which were common in the old days . . . those who should have paid the bill, such as hotels, merchants, etc., who profited by the influx of visitors for the event were not even told about the matter . . . so that $2,200 may turn out to be the best money Bricker has ever spent, politically . . . ordinarily the state chairman takes care of this sort of thing, but Ed Schorr, training with the Taft camp on presidential prospects, muffed this one, so Bricker now has him on the spot for not functioning in his job . . . increasingly it appears that Schorr is sulking in his tent, while Bricker goes ahead on his own, which is just as well in view of the present tactics of the state chairman. All of this is no surprise for it has been no secret the Governor, while Schorr is at that John Bricker never liked Ed Schorr, and after all, Bricker is best only a party leader.

• • •

Patronage, the snag upon which many an office holder has come a cropper, besets the state administration. Abolition of jobs, coupled with a strict economy program, makes it tough for the boys to deliver. So tense has become the fight for a place on the state pay-roll that the malcontents say that unless you have known Bricker for 20 years, gone to Ohio State university or were a Legionnaire or a fraternity brother of either Bricker or his none too popular secretary, Don Powers, you're out. Seems to be some grounds for complaint from counties other than Franklin, and by the way includes Fairfield. Franklin county leaders have obtained a total of 354 jobs ranging from cabinet posts down to truck drivers which is more than Cuyahoga, Lucas and Hamilton combined, with poor Fairfield trailing along with a scant score. All of this gives Taft the edge on Bricker on that presidential bee which seems incessantly to buzz in both bonnets. Taft the junior senator in an administration of opposite politics has no patronage problems at all. Those are Vic Donahey's, who knows all the answers and doesn't worry about that or anything else.

• • •

This is the week when numerous "pet" bills of members of both house and senate will go to the slaughter. Most of the important committees are now working overtime shelving measures. By the way, we have not heard of any action on the part of Fairfield's Republican representative to do anything about a B. I. S. re-classification measure which was so urgently asked of him after election and before the session . . . which also brings up the matter of just what has Stokes been doing in Columbus? The record shows attentiveness and regular attendance, that is all, but, this is about all any first termer can get across, it seems.

The Ward bill providing for redemption of sales tax stamps may be, and probably is, a good measure for the state but it is a headache for State Treasurer Don H. Ebright. His office for the last few weeks has been swamped with work resultant from changing of the design on the stamps and re-issuance. Some 70 tons of stamps were ordered. Seven trucks are now busy distributing the new issue to agents throughout the state. For redemption at three percent value they must be presented in baled form of the face value of $300. By the way, Mary Jane Mattox, secretary of the Fairfield County Young Republican club, is now and has been

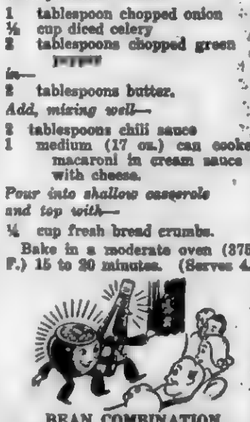
MACARONI LENTEN MERGER

In planning your meatless meals for this month, be sure you put macaroni on your market list for never-fail dishes. Get the fully prepared macaroni, the kind that comes cooked in a rich cream sauce—all sealed in tins—and you'll have the makings for all sorts of delicious dishes. There's plenty of solid eating in those tender tasty macaroni strands, and the choice cheeses blended in the rich cream sauce make this dish a stout substitute for a piece of meat. A couple of cans are more than enough to serve four hearty eaters, or you can cut this to a single can if you merge the macaroni with other foods. You see, the macaroni and sauce blend well with a wide variety of foods. For instance, have you ever tried making a Macaroni Rarebit Casserole by mixing a can of macaroni with onion, celery and green pepper slivers sautéed in butter and seasoned with chili sauce? Baked in a casserole under a topping of buttered bread crumbs this makes a fine main course dish for meatless menus:

VEGETABLE MACARONI CASSEROLE



Cook just until tender—
1 tablespoon chopped onion
⅛ cup diced celery
2 tablespoons chopped green pepper

in—
2 tablespoons butter.

Add, mixing well—
2 tablespoons chili sauce
1 medium (17 oz.) can cooked macaroni in cream sauce with cheese.

Pour into shallow casserole and top with—
¼ cup fresh bread crumbs.

Bake in a moderate oven (375° F.) 15 to 20 minutes. (Serves 4.)

BEAN COMBINATION

Some foods seem to team up naturally. Take beans and ketchup, for instance. Next time you have a lot of hungry folks to feed, why don't you serve a crockful of oven-baked beans seasoned with tasty tomato ketchup sauce? Or, for something extra filling, you might try a merger of red kidney beans with beans done up in pork and tomato sauce. Lay this on in layers with a filling of racy flavored ketchup tucked in between. Then top with bacon strips and bake 'til the bacon is crisply browned, the sauce is all bubbly, and the ketchup has simmered and seeped clear through the whole pot:

COMBINATION BAKED BEAN CASSEROLE

Arrange in alternate layers in casserole, having two layers of each—
1 medium (18 oz.) can oven-baked beans with pork and tomato sauce
1 medium (17½ oz.) can oven-baked red kidney beans.

Spread over each layer a small amount of—
Tomato ketchup.

Cut—
3 large slices bacon in halves, then arrange over top.

Bake in a moderate oven (375° F.) 35 minutes. (Serves 6.)

CLAM CHOWDER SUPPER DISH

Did you know that clam chowder is a distinctly American soup? It has been a great favorite with us since Colonial days when a party of ship-wrecked French emigrants bolstered their courage and created new cookery by brewing a potful while they dried out along the shore. Their supplies were slim but their ingenuity was great, so they salvaged bacon, a few pilot crackers and some potatoes from the wreck, then tossed them into the big soup kettle along with fish and a few clams dug from the rugged coast. It was a stout soup they made that day—a heart-warming brew that smacked of the sea and a strong salt breeze. Time and circumstance have varied this recipe somewhat—ours comes in tins nowadays and we get it all cooked and spiced and ready to serve. A big bowlful makes a fine, hefty main course served with sandwiches or a salad. Or you can make a stout substantial supper dish of it by merely stretching a canful of clam chowder with salmon, an egg, some rice flakes and seasonings. It has the same seaworthy tang of that first potful brewed upon the shore when you prepare Salmon Casserole this way:

SALMON CASSEROLE

Combine in buttered casserole, blending well—
1 16-oz. can red salmon
1 cup clam chowder
1 cup rice flakes
1 egg
½ teaspoon salt
⅛ teaspoon pepper.

Bake in a hot oven (400° F.) 20 minutes. Buttered rice flakes may be sprinkled over the top before baking.

Diner—Waiter, there's a button in my soup.

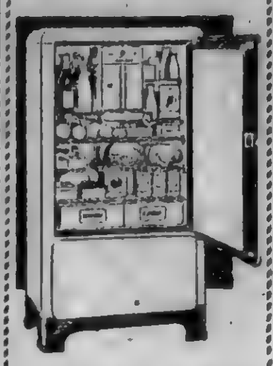
Wash Walls Up From Bottom

Its wrong to start at the top in washing walls. Start at the bottom. Dip a sponge or cloth into a light pink solution of Smiling Scot and wring as dry as possible. Start at the bottom of the surface to be cleaned. Wipe up and down with long straight strokes. On a painted wall wash a section about five feet wide to the ceiling. Then start a second section again at the bottom.



Be sure to turn the sponge or cloth so that a clean side is presented to the soiled surface at each stroke. Wash the sponge or cloth frequently in the Scot solution and squeeze almost dry. It is important that you keep it clean and just damp in this manner. When washing walls save time and energy by washing woodwork at the same time. Wash the ceiling first.

Chilling Canned Goods—Since paper acts as an insulator, paper wrappers should be removed from canned goods before placing the cans in the refrigerator to chill.

CROCUS LADIES

Crocus ladies drowse when twilight falls,
Folding their gowns of gold and lavender,
Hiding their jewels from the thief that crawls,
Hoarding the honey from the scavenger.
—Louise Woodruff in Talaria.

* * *

MILADY'S HAT

I confess, it is confusing
Why the ladies dote on choosing
Headgear that is so amusing.
Mushrooms; hour-glasses tall;
Stove-pipes with no brims at all
Held behind with a fandangle
At a most precarious angle,
On the crown, a saucy bird
Realistic and absurd.

Like a pointed bayonet
Is a quill or an airgrette
Reminescent of its kin
Mother's modish old hat-pin.
Pancakes, and a simple
Little number called a wimple
With a flowing, nun-like veil
Picked up at a bargain sale.

Useless to evoke profanity
At this feminine insanity
She must have her little fling
When returns the balmy spring,
This accounts for everything.
I prefer to write a sonnet
Of Milady's funny bonnet,
For if she decides to wear it
Mere man just must grin and bear it!
—Anonymous.

God
Scattered stars

THESE THREE

I never see a jonquil
On slender, regal stem,
Without it conjure yellow hair,
Your queenly diadem.

I never see a lilac,
Nor breathe its perfumed breath,
But ghost of you within my arms
Brings a small, quick death.

I never see a violet
Save I must stifle cries
That press my throat with mindfulness
Of your haunting eyes.

Because I thought with torture,
Exquisite grief to stay,
Jonjuil, lilac, violet—
I bought these three today.
—Jessie Farnham in Talaria.

ASHES OF MEMORIES

Old photographs which we now prize and cherish
Recalling scenes and days of long ago,
Faces that from our minds will never perish
Are meaningless to those who do not know.

Old letters, too, quite often worn and yellow
Remind of things that certain children did or said,
Of college days, of moonlight soft and mellow,
But what will be their fate when we are dead?

Our souvenirs, held in tenacious fetters
A residue of ashes from the pyre—
Old photographs, verse sentiments, old letters,
Mean nothing to the one who lights the fire.
—Maggie Woody Stratton.

* * *

WHY WAR?

Who was the soldier buried there,
What was his name, from whence did he come,
Why did he die when he was so young,
Why is he here so far from his home?

Why did he fight, what was the cause
That his life was taken away?
Why was he made to leave his home
And go away—to stay?

Was a wrong righted or a good [illegible] won
Or shall young men die again?
If the world once more engages in war
Then his death will have been in vain.
—Jean Elaine Ett.

LOVE VERSUS LOGIC

I think I would much prefer to dream
And hope that my love for you
Will eventually find its way to your heart
And kindle love's fire anew.

For love is born of hope, my dear,
Tested by eternity;
Where there is love we find respect,
Honor and fidelity.

Only reason alone is a pitiless bawd,
Respector of no boundaries;
Cold logic at times is a scheming fraud
That destroys imageries.

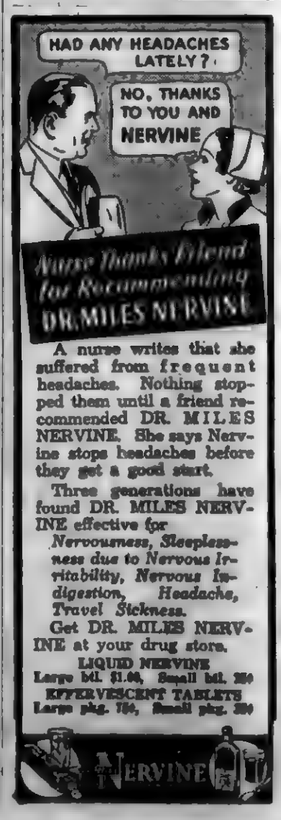
Charm of Detail



The well-planned details of this small home lift it out of the commonplace class and give it freshness and charm. The large rounded bay window in the living room, the old-fashioned porch, and the well-lighted breakfast room are features that will contribute much toward gracious living in this home. In spite of its smart appearance, the home is inexpensive. It was constructed in North Carolina with the aid of $4,200 mortgage insured by the Federal Housing Administration, after FHA officials had appraised it at $4,750.

James A. Rhodes

James A. Rhodes, well known on the West Side, announced his candidacy for the position of city auditor this week.

Rhodes is not new to the voters of Columbus as he led the ticket for the Columbus school board in 1937 and is a member of the school finance committee. He has been a member of the finance committee for the past two years. At present he is mayor of University City. Mr. Rhodes has been active in Republican circles in the city of Columbus for the last 10 years. He is serving his sixth year as Republican committeeman of the sixteenth ward, is executive secretary of the League of Young Republican clubs of Ohio and past president of the Young Republican club of the twelfth congressional district.

He is chairman of the Red Bird Knot Hole Gang which is the largest of its kind in the United States. He was formerly journal clerk in the house of representatives and helped on the finance committee of that group.

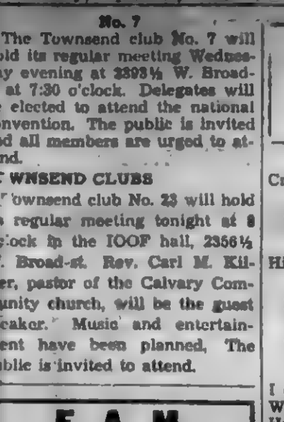
He attended Ohio State university and was formerly employed by the Big Four railroad.

He is a member of the University City association, the Agonis club, the Old Timers' Baseball association, the Ohio Educational association, Ohio State University association, the Buckeye Republican club and Indianola Presbyterian church.

Clean Is Made Locally

As spring housecleaning time comes about once more local housewives are taking advantage of a superior product developed by a local man. It is Clean wall [illegible] manufactured by the Clean Products Co., operated by George Gusler, 3615 W. Broad-st.

Clean is non-crumbling and requires less work than ordinary wall paper cleaner, Gusler says. It is put up in convenient sized tins for domestic use. Clean is sold only in independent stores.



Gusler points out that only the very best of ingredients are used in the manufacturing of this product, thus assuring a high grade cleaner.

Clean has been widely accepted throughout Ohio in the past few years and today also has wide distribution in Pennsylvania, West Virginia, Indiana, Illinois and Canada.

WHO STARTED USING WORMS

The great angling fraternity thinks of, and refers to, the use of artificial lures as the modern way to catch fish. Yet history reveals that in 551 B. C., or over 25 centuries ago, the anglers of that time used artificial lures to enhance the pleasure derived from their piscatorial sport. Those of this generation, in recalling their first fishing experience, invariably visualize elongated, slender, soft-bodied, naked and limbless animals, known by numerous names, but commonly referred to as worms, fish-worms, night crawlers or garden hackle. Nothing created by nature or man will ever supplant the common worm as an agent to bring enjoyment to the thousands of youngsters with their inexpensive fishing outfits, nor break the worm's all-time record as the master fish attractor. The history of ichthyology does not mention when worms were first used as fish bait, but just mention "worms" to any man or boy today and he will immediately think of fishing.

* * *

WORMS INDISPENSABLE TO LIFE

The very commonness of worms has relegated them to the unattractive list of writing subject matter. But if there were no worms you and I would never do any fishing—for the simple reason we would not even be living. Without worms mankind cannot subsist. In proportion to its size, the earthworm is the strongest living creature. It propels itself by the contraction and expansion of the 200 rings encircling its body. It has no eyes but is very sensitive to light. Its underground tunnels aerate the subsoil and allow the moisture to seep into the earth, creating and freeing fertilizing materials such as lime, phosphates, nitrogen, potash and other plant foods. In a single acre of ground earthworms have brought as much as 18 tons of soil to the surface in one year. The sides of their tunnels are coated with an enamel like substance excreted through the skin. They live on decomposed leaves and roots, which they gather at night and store in separate food tunnels. They are eternally working.

EARTHWORM REPRODUCTION

The methods of reproduction of all aquatic life is an interesting study, but none is more incredible than the mode of reproduction of the earthworms. Each worm is both male and female, each having the ova of a female and the sperm of a male. At the breeding time two worms mate. They exchange male sperm which forms a thick band around each, then they separate, each wearing its band of dried mucus. This band gathers albumin from the body glands, and the band gradually works up the body to the fourteenth segment, at which point the eggs are collected and fertilized by the sperm. The band eventually works itself over the head of the worm where it is contracted by an invisible drawstring, forming a sealed cocoon in which the eggs develop until hatched. The offspring take up the work of changing inorganic matter into fertilizing materials and should their labors cease, mankind would starve to death. So the next time you quit fishing without using all the worms—don't throw them into the water, dump them out on the land where they can resume their useful activities.

ANSWERING QUESTIONS

The spring closed season in Indiana is from May 1 until Saturday, June 17. The following fish are protected between these dates—large and small mouth bass, bluegills, red-eared sunfish, crappies, rock bass, silver or yellow bass, Kentucky bass, white or striped bass, wall-eyes, pike or pickerel and yellow perch. The closed season also protects frogs . . . Shooting and trapping crows are the usual methods used in eliminating them, however, there is on quicker and surer way. Gather some May apple roots and boil them for one-half hour, strain off the liquid and soak some corn in it over night. Scatter the soaked corn in the field where the crows gather. All crows eating this corn will be found dead within 50 feet of where they ate it. There will be some who will condemn this method, but remember every crow killed means many more useful birds will have a chance to live. All good crows are dead crows.

THIS AND THAT

Most of the troubles of anglers arise from the fact that a lot of the modern equipment "necessities" include a long list of non-essentials—and many of the advanced theories make about as much sense as a horsefly biting a radiator cap . . . A diet of gray-matter producing Ohio catfish would greatly benefit the addle-brained goldfish swallowers . . . An egotistical angler is one who thinks as much of his fishing ability as you think of yours

The league campaign will open Thursday, May 4, with the following contests being scheduled: Corner Cafe vs. Stewart's team, Sullivant Avenue Merchants vs. McDonalds Lumber Co., and Kent's Market vs. Westwood K. of P.

Kent's Modern Market softball team will hold a practice session at Westgate Park No. 1 diamond this evening at 6:30. All players are requested to report as measurements will be taken for uniforms at this time.

Scout Troop Is Organized

A new scout troop of 26 boys has been organized at Oakley Avenue Baptist church with Lieut. Charles E. Taylor as leader.

Last week the boys took part in the "Mayor of Bronzeville" parade from the Elk lodge on Mt. Vernon-av. to the Ogden ballroom on E. Long-st. This weekend they will go on a camping trip that will last until Sunday.

News of the world will be broadcast direct from Treasure Island during the 1939 World's fair of the West on a major network as part of the Christian Science Monitor exhibit.

YOUR WORLD AND MINE

By MILDRED SCHANCK

"Be still, sad heart! And cease repining;
Behind the cloud is the sun still shining."

It seems to be human nature to complain of that which causes discomfort or anxiety; or of that which disrupts and delays one's plans. In late weeks we have heard much comment on weather conditions; "Too wet!", "Entirely too much rain!"; "Isn't this nasty weather?" and the like. We aim to listen to weather complaints with a smile and little response, for while we are not overfond of wading around "in mud up to our neck," to do a farm woman's chorning duties, we have little complaint to make of weather conditions; due possibly to one of those "it is against our religion" ideas.

The Creator has been managing the weather longer than any of us, and taken as a whole, we feel that He can do much better with it than we could.

We have even been a bit uncertain about the "praying for rain" idea in times of drouth, because it seems a little too much like telling The Giver of Sunshine and Rain to "get back on the job and deliver the goods." Let every man look at it as he will, one cannot change weather conditions whatever his views.

Storms and floods destroying human life and happiness, crops and properties, are beyond our understanding as are many things in the scheme of life; but it is for the fortunate to consider and help the unfortunate, rather than question the cause of a catastrophe in connection with The Divine Plan of things.

Personally, we do not believe we ever had too much rain for the good of the world as a whole; and since the weather must be regulated in a manner for the good of all concerned, one can be much happier believing that whatever befalls is for the best.

SPECULATION AT RANDOM

It is our belief that every woman should "be a lady", acting the part of a lady in character, dress and manners; but it is also our belief that every lady should "be a man!" Taking the knocks of life bravely, playing life's game honestly, doing her duty fully, being square in all things: So living, she has little cause for regrets.

The best cure for unhappiness is to bring happiness into the life of another.

Without the part that others play in one's life, earth would be an empty chasm of echoes; friendship gives life color, beauty and tone. Through friendship, notes of my spirit vibrate in an unsounded symphony, beautiful and satisfying to my soul's peace. I know happiness because of you, because I hope that you know happiness in knowing me.

Better an hour alone that wisdom brings,
Than weeks of devilment with heirs of kings.

Who aims to satisfy himself faces a hard taskmaster; who wills to please others wins the favor of the gods.

It would be a narrow world indeed, where no one had breadth of mind to see the other fellow's side of life.

MORNING

Love, knowest thou the May is very near?
Beauty is ours beyond night's dusky rim.
I dreamed and saw a morning crystal clear!
Trees looked to God, raised arms and worshiped Him;
And I was glad with them, and worshiped too.
As breeze blown leaflets fluttered toward the sky,
I made a whispered vow to God and you,
To trust, keep faith, love always, till I die!

Ah, yes! And then I knew beyond earth time,
That love and you and I and lovely things,
Will find dream-opal misted heights and climb
In beryl skies beyond, lifting new wings
Of hope and joy to bear our souls afar,
To morning peace of some eternal star!

We hope you are dreamer enough to enjoy the above lines. To us, heaven is as much a reality as the mind's vision of the morrow's morning skies. The mysticism which surrounds The Eternal City because one has not seen it need not make it a dim shadow of vague uncertainty. It is ours but for the keeping of a few Divinely given laws which make all who respect them much happier. Like every other good objective, it is worth trying for.

Since the elements have staged an escaped lion act through April, many are hoping May will see the March-April lion caged.

Thus far, we have not lost our heart to "toeless" and heelless" shoes. Perhaps this is because in our younger days our shoes were too often in a toeless condition due to rough treatment they received. If you like them, girls, it is okay with us, but we are going to keep our "big toe" under cover yet awhile.

* * *

Monday will be May Day—once upon a time we wore the May crown, a China silk dress trimmed in shirred pink ribbon, seven pink hothouse roses, white silk hose and patent leather slippers. How elegant we felt seated upon a flowery throne while several dozen pretty children danced, sang, recited and went through the steps of intricate drills! Love or money could not hire us to do a thing like that now, but at the time it was life's big event.

You have not finished your housecleaning? Neither have we. April snow storms reduced our inspiration in that line.

Did your oats come up? Or do you have to plant it over? Ours has been taking a mud bath the most of the time since it was planted, so we are not sure just what the outcome will be. If it does not come up and the weather does not clear in time to plant again, soy beans will make a nice lot of cow feed in place of the oats. There is always a way out of a predicament; and sometimes it proves a better way than first planned.

TO SHOW PICTURE

The motion picture "King of Kings" presented at the Glenwood M. E. church this week will continue throughout next week. The picture starts at 7:30 p. m. and lasts for two hours. There is no admission charge, but a free will offering will be taken at the close of the picture. The church is located at 64 Highland-av.

We can always be depended upon to render helpful assistance.

Dance To Benefit Community House

The Central Community house is sponsoring a dance to be given at the Neil House May 26. Walter Knick and his orchestra will furnish the music.

The dance is being given to make more funds for the general upkeep of the community house and for expenses.

Tickets will be on sale at the Neil House after May 15.

A new market for cotton fabric and a means of economy for meat packers was seen in a method of wrapping skinned meats in muslin for shipment. Introduced by Swift & Co., the process, which entails use of a special salt solution, consumed 8,000,000 yards of muslin last year and is expected to use 20,000,000 yards more this year.

Demand Those Stamps,' Governor Say

GOVERNOR JOHN W. BRICKER

Governor John W. Bricker smiles as he contemplates the affect that the sales tax stamp redemption law, signed by him February 28, will have in retail stores all over Ohio. The new law, effective Monday, May 1, which puts a redemptive value of three per cent on sales tax stamps, is expected to bring a statewide demand for the stamps. Hundreds of civic agencies which may qualify for the redemption cash have already made plans for extensive stamp-collecting campaigns. "Demand Sales Tax Stamps—They Now Have Cash Value" is the slogan supporting their efforts. The Governor is shown holding a replica of the new stamp to be issued starting May 1, different in color and design from the old type and which will be exclusively redeemable.

Right Springs Essential To Restful Bed

For ideal comfort and best wear, mattress and bedsprings should work together harmoniously.

If you have bought an innerspring mattress in recent years and placed it on an old spring, it might be advisable to check and see if the pair are well mated. If your mattress shows wear where it comes in contact with the springs, or if there are tears or depressions, your spring probably is at fault.

In buying new springs you have your choice of either the coil types or box springs. The coil types usually consist of a steel frame with the spring coils held with either wire ties or small horizontal springs called helicals. The springs with helical ties, while generally more expensive, last longer and give greater individual spring action.

Box springs have cloth-covered tops and sides matching the mattress, and the spring coils are set into slats of wood or steel. They are held upright by being tied many times one to another, to the border and to the foundation. The top of a box spring is upholstered with cotton felt or curled hair.

If your mattress is an innerspring, the proper foundation is either a box spring or coil springs that have especially constructed top features, solid and firm enough to support the mattress. The latter types are those with platform tops and convolute (closed top) coils.

On the other hand, if your mattress is solid, you probably will want one of many open coil models which have a high degree of flexibility or a resilient type box spring.

The most popular coil springs today, for both solid and innerspring mattresses, are of double-deck construction with the springs braced at the center support as well as at the top and bottom.

No matter what type of bedsprings you buy, all have certain common characteristics. The coils are attached firmly to the framework and to each other so that there is no danger of any of the coils breaking loose.

What Did She Mean?

"Say, Ma, can't you tell fairy tales?" asked Bobby, just turned nine.

"No, son," his mama grimly said, "they're more in papa's line."

Hilltop-Hilites

By
Mary Groves - Ada Davidson

When you're talking to your neighbor
To find out just what's new,
I write in my little book,
And hash it over, too.

Several years ago FRED SULZBERGER bought a new car. After driving for quite a while he noticed how very hot it became, so took it back . . . and was informed that if he would turn his heater off everything would be alright . . . RAY COFFMAN and wife won the balloon dance at the H. B. M. jitterbug session at the Brookside Country club. Old faces—JOE BREMEN, of the Trivoli; went slumming at the same dance. Remember JOE used to run the Broadway Shoe store.

Spring Cleaning

MARY KOHN was seen washing the window transom of their W. Broad-st home t'other day . . . Speaking of the Kohns, CLIFF is still trying to win that first game of ping pong from MART SEILLER.

With the patients—DR. T. S. FOX is in Mt. Carmel hospital . . . also spending a few days in White Cross hospital is L. S. WEIGAND of Ogden-av.

Since ED STAUCH was "sold" on the Red Birds when he was down in Florida, he's having quite a time explaining their rating in the league . . . Imitating his grandpappy's pipe smoking, JACK SHANK'S little grandson does a good job with such a big pipe!

SCOTT ROSE, West grad, vocalized a bit for the crowd at the alumni spring hop . . . He formerly sang with the Hugo Monoco band . . . JACK BOWMAN and HELEN HILL really want to learn to jitterbug, that's all.

Crash—JACK MERRIMAN, while inspecting Seiller's new basement one evening, accidentally bumped into the wall . . . result—broken glasses and cuts over his eye. Incidentally the new basement will be opened May 19.

Some kids came into Millikin's market to buy some dog bones, adding that they "didn't want the kind they bought last week, cause it made their father sick!

KENNY MORRIS is deep in a dream about his middle-aisling June 10 . . . ANNA LEE GUSLER is the girl . . . The SID WELLSES are building a new home on Haldy-av . . . HOWARD VAWTERS and the new girl friends are getting along O. K. So we hear!!

Sea sick??? . . . Fishing ain't what it's supposed to be, discovered OTTO SCHATZ, as he went in for this sport with a bunch of the fellows, and just as the fishing began to get good OTTO got sick and the others had to pull in his fish . . . while OTTO fed the fish . . . YOU KNOW THAT FEELING!!!

We wonder why "Bathless Grogans" is the nickname of NICKY HILTON, son of OFFICER HILTON . . . C. CARLTON HARTLEY goes to town on a typewriter. He uses two fingers and DOES HE HAVE SPEED . . . whees.

Since JIMMY HOLROYD is no longer an eligible bachelor, he is learning to cook. We pity those poor fellows out at the Sullivant-av airport—they have to eat it!! Hilltop's Independent baseball team got into full swing last night and oh, what results—DICK GILGER, former manager of Kent's Market, is now pushing a wheelbarrow for BABE HOLT . . . Speaking of CHARLIE KENT, he recently installed a new walk-in refrigerator.

Announcement—A new method of playing ping-pong has been invented. See PAUL WICHTERMAN for further details . . . Seen at the Beulah Park race track last Saturday was MICK CANNELL—did you have "Son Richard" in the seventh? FRANK JOHNSON recently purchased a maroon colored Buick special convertable sport coupe.

BILL WYLIE, West high grad, is opening a sandwich shop in a few weeks. TED PEKRAS sure fooled the cops the other night when they stopped him for driving with one light. TED got out, pounded it, turned around and the other one was out. Finally the other brief struggle they both came on so he jumped in and drove away.

Headed For Tops?

By Betty Jean Price

Another of our Hilltop girls who is headed for "the top" is charming Patricia "Patti" Pennington, 346 S. Harris-av. A recent pupil at West High and but 18 years of age, Patti has won much acclaim due to her attractive appearance and ability as a mannequin.

Patti Pennington

Having placed second in the recently sponsored movie talent contest, "Gateway to Hollywood," Patti now entertains the idea of preparing herself for an acting career. In the near future she will enroll in the Coyle-DeVore dramatic school. At the present time she is also very much interested in her work as a model. During the annual mid-May style show sponsored by Madison's, Patti will model bridal apparel on the Ohio stage the week of May 12.

After her period of preparation is over Miss Pennington will move to New York where she feels that she will have a better opportunity to further her interests.

Bond Payment Planned

By Don Metzger and Bob Dickson

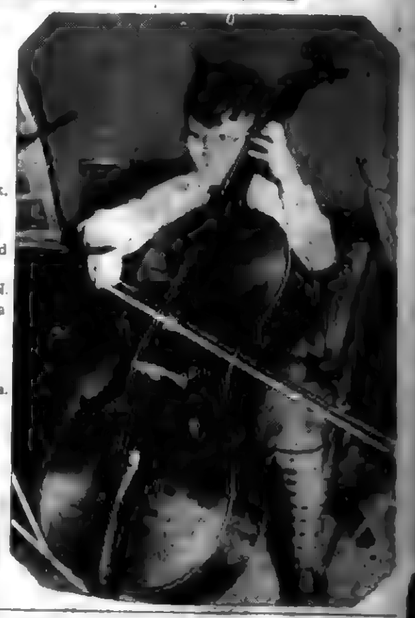
The sales tax redemption law which went into effect Monday, May 1, will be taken seriously by the West High Athletic association.

At a recent meeting of the student council at West, O. C. Montgomery, a member of the athletic association, suggested that a campaign should get under way for the collection of sales tax stamps by the student body for the purpose of funding the debt of the West high stadium bonds.

Mr. Montgomery's plan is to appoint a representative in every registration room to collect the stamps on a certain designated day. He has suggested that each and every person in the school save every stamp obtained by himself or his parents. It is a rule that only organizations can save and redeem these stamps, therefore it is figured that it will be little loss to the individual home, but a great advantage to the school.

The West high stadium bonds are held mostly by Hilltoppers, and so it will be to their advantage if they cooperate with the students and the school in collecting these stamps.

Music In The Air At West Broad



Pictured here is the West Broad Street school orchestra in one of their recent practice sessions.

ORCHESTRA HAS ALL TYPES INSTRUMENTS

West Broad Street school is proud of its orchestra. It is composed of members of the fourth, fifth and sixth grades and includes all of those instruments usually found in a standard high school orchestra.

Directed by Mrs. Roma Waymer, and subdirected by a member of the orchestra chosen yearly by the group, the orchestra has proven to be a great success and very entertaining to all members of the faculty and student body. Joyce Newman was selected as student director this year. It has been a rule of the school to hold its assemblies on Friday morning, and this group is called upon to provide the musical entertainment. This company of young musicians specializes in marches, waltzes and serenades and has proven capable of mastering them all.

Those included in the orchestra are: Carolyn McCallister, Herbert Schneider and Clement Wolfe, pianists; Phyllis Howard and Joan Allen, bells; Howard Young, Austin Hutt, James Broyles, David Kimes, Donald Best and James Remington, violins; Richard Ison, Billy Miller and Wallace Scott, clarinets; Owen Wysong, James Frank and Franklin Deyo, cornets, Marjorie Robertson, bass drum; Betty Ann Keidel, cymbal; Marilyn Jones, Mary Catherine Adams and Aletha Schwender, triangles; Bobby Meeder, Charles Fleming, Bobby Creager, Robert Martin, Karl Schlottag and Frank Kimes, drums.

Philip Matlock, pupil at West Broad school, son of Mr. and Mrs. Val N. Matlock, 292 N. Burgess-av, is a cello player in the West Broad Street school orchestra.

Poppy Days May 26-27

By Carl Glade

The American Legion Auxiliary has set Friday and Saturday, May 26 and 27, for the sale of poppies for the benefit of the disabled World war veterans.

Friday the women will devote their solicitation to offices and the second day to street sales.

The auxiliary will use the proceeds not only for necessities of the veterans, but also to take care of the program of rehabilitation. A proclamation has been issued by Mayor Geesaman naming the two dates as official "Poppy Days."

Convent Planned By St. Mary Magdalene

By Mary Waite

As the Hilltop increases in size, becoming a community of many necessities, it is discovered that several new constructions are being planned. Among these is the convent, which will become a project of St. Mary Magdalene's parish within the next six months.

Rev. Fr. Raymond Bauchard, pastor, explained that the new additions to the rectory are merely contemplations at the present time and will be more definite later on.

Meanwhile, the pastor of the flourishing West side parish is interested in promoting his annual wrestling and boxing fetes, his May activities and, of course, the very popular novenas with their record breaking crowds, popular to Catholics and Protestants alike.

Grocers Debate Closing Problems

At a meeting held at the Cattendon hotel Tuesday evening, Charlie Kent and Chet Herbert were among those present to discuss the uniform closing of all grocery stores on the Hilltop.

They urge all grocers to attend the meeting to be held on Wednesday, May 10, at 8 p. m. at 233 S. High-st, to discuss further the problems on hand.

West Senior Is "Mayor"

By Mary Louise Miller

Robert Hall, 223 S. Westgate-av, West senior, took over the job as mayor of the city on Thursday, May 4, along with 119 Hi-Y boys and seven Girl Reserves, as a part of the local observance of National Boys' and Girls' Week sponsored by the Council of Social Agencies.

Another representative of the Hilltop was Martha Mitchell, Girl Reserve of West High, who will act as assistant librarian.

Each day is set aside for the observance of specific city problems. The week will close with a Scout-o-Rama at 8 p. m. tomorrow at the coliseum.

Rex Grabill, West senior, was the city council president. Other representatives of the West Hi-Y were Ronald Jones, Tom Lear, Byron Farwell and Joe Galloway, who held public offices.

Mid-Year Graduate Succumbs

By Mary Groves

Funeral services were held Tuesday morning, May 2, for Lawrence C. Dodd, 212 N. Harris-av, age 18, who died in Mt. Carmel hospital of pneumonia Saturday, Apr. 29, following a brief illness. He was graduated from West High school last February and since then had been employed as a clerk at the Spruce street store of the Big Bear Co.

He is survived by his parents, Mr. and Mrs. Albert Dodd; one sister, Martha Margaret Dodd, and two brothers, Albert and Paul Dodd, all at home.

Burial was at Circleville by Jerry Spears.

Beginners Register

Donald Metzger - Bob Dickson

Hilltop elementary schools have reserved May 8, 9, 10 and 12 as the days designated by the board of education for the purpose of receiving all students who will enter the first grade in the fall. These days have been chosen because they are the only available days the health department can furnish nurses for physical examinations. Each child must be accompanied by one of his parents.

This work is being done this semester to prevent complications at the beginning of the fall term, and it must be understood by all parents that the children must be six years old on or before Nov 15, 1939.

West Broad Street school will be open for students May 8; John Burroughs, May 9; Highland Avenue, May 10; and Mound Street, May 12.

Two Injured In Auto Crash

Don Metzger and Bob Dickson

Two Hilltop men were injured, one critically, when their cars collided at Powell-av, and Wicklow-rd, Monday morning.

Norman J. Hannish, 504 Ryan-av, driving a 1936 Ford sedan, crashed into Robert Thorne, 811 S. Harris-av, driving a 1936 Plymouth coupe.

Thorne received lacerations of the head, chest injuries and minor cuts and bruises. He was removed to Mt. Carmel hospital by his father, Earl Thorne.

Swim, Swing--At Hilltop Pool

By Mary Waite and Betty Jean Price

When the Hilltop swimming pool, long the summer haven for the local water bugs, opens on May 30 it will be augmented by a fine dance floor, Charles A. Cruea stated this week. The youth of the community have popularized the pool during the past years and this new note in entertainment will prove especially successful with them.

The open air dance pavilion will feature a concrete floor with a waxed finish, where dancing will be arranged for every night except Sunday. Other recreational facilities heretofore unheard of on the Hilltop include ping-pong tables, badminton, shuffleboard and hand ball courts.

In order to make the new dance floor a definite part of the community during the summer months Cruea has offered to let some citizen of the city have the honor of bestowing a name upon it. To do this, he is sponsoring a contest, open to any one in Columbus caring to participate. Entrance in the contest may be made by mailing a suggested name to Charles A. Cruea, 156 N. Hague-av. The originator of the winning title will be awarded a free season ticket to the pool. The contest closes on May 15.

Another improvement this year will be the addition of a new filter and circulating pump system, enabling a complete change of water every eight hours. Painting and new fixtures in the bath houses and surroundings will add greatly to the appearance of the grounds.

These improvements will cause no change in the prices.

Funeral Home Is Remodeled

By Erma Calland

Remodeling of the Spears funeral home was completed this week. This new rearrangement provides the use of the entire building for business, allowing the lower floor to be used for chapel and slumber rooms, where friends can remain.

The second floor serves as a ladies lounge and rest room, display rooms and work offices, and the third floor is occupied by the members of the staff. The lower floors have been redecorated with new lighting fixtures, and certain re-adjustments which make it more convenient and ornate.

An Everett organ, a reed wind instrument, amplified by electronics has become a part of the chapel. There is also an amplifying system which enables the minister to be heard in any part of the building if so desired, or may be eliminated and confined to the one parlor. Parking space has been provided for, so that friends visiting the parlors may have that convenience off the street.

Straight ambulance service is offered, the first of its kind on the Hilltop. A fleet of cars, including straight ambulance and hearse, two Packard limousines and family cars are part of the service. The ambulance attendants are trained by the American Red Cross and are well equipped in their line of work.

Members of the staff include Paul Frederick, David Scobie, Jerry Spears jr., Charles Corcoran and Rev. L. Fishbaugh. There are two licensed men on the staff; one, George Sharp, and the other, Jerry Spears sr., who is licensed in both embalming and funeral directing.

Hilltop Boys Advance In ROTC

By Aileen Brown

Two graduates of the West high school class of '38 now attending Ohio State university were promoted to the rank of Lance Corporals in the Field Artillery unit of the Reserve Officers' Training Corps. The appointees are Melvin Seely, 2624 W. Broad-st, and Chester Mill, 389 S. Powell-av.

B.-M. To Ask Paving For Sullivant Ave.

By Ada Davidson

As president of the Hilltop Business Men's association, Charlie Kent will appoint a committee consisting of Hilltop merchants to present before council the problem of paving Sullivant-av.

Mr. Kent said, "It is getting in such a shape that the people will hardly drive on the street, and it is hurting business."

In the next week or so Kent will meet with his committee in order to get some definite answer as to whether council will or will not take part in paving the street.

Sales Tax Stamps Will Be Delivered By Co. Treasurer

By Phil Dunson

Because of the indignation expressed by merchants concerning the recent removal of the Hilltop sales tax agency, the county treasurer's office, this week, announced schedule for delivery of sales tax stamps on the Hilltop.

The schedule, verified by Ralph Siniff, chief deputy in the treasurers office, calls for delivery each Monday, Wednesday and Friday afternoons. The stamps should be ordered by 2 p. m. the day of delivery by calling MA. 4304 or MA. 4305.

Stamps will be brought by representatives of the treasurer's office and their own automobiles will be used for the delivery. It has been recommended that merchants should anticipate their needs far enough in advance that they will not be caught short of stamps at any time.

A number of Hilltop store owners were contacted for their opinions regarding the discontinuation of the local agency. All were agreed that it is entirely too much trouble to travel downtown every time sales tax stamps are needed. One store owner brought out the point that it is particularly hard on the smaller business man because he has to leave his business while he makes the trips to and from the court house.

All said that something should be done about the situation since it causes great inconveniences to them. It is not known, as yet, whether the plan for thrice weekly delivery will alleviate the situation.

Lutherans Sponsor Wittenberg Night

"Wittenberg night," sponsored by the Men's Brotherhood of the Hilltop Lutheran church, will be presented next Friday, May 5, 7:30 p. m. at the church, W. Broad-st, and Terrace-av. It will be under the direction of Prof. W. H. Blough of Wittenberg college, Springfield.

Prof. Blough, who speaks on the program, received the degree of master of arts from Ohio State university (1930) and has been on the Wittenberg faculty since 1926.

In addition to Prof. Blough the Wittenberg program will also include technicolor movies on life and events on the campus.

The program is free and everyone is welcome.

West Students Edit Record

By Aileen Brown

This week's publication of the Hilltop RECORD was edited by a chosen group of students of the West High Occident staff. This is an annual event.

Assignments, makeup, copy and proofreading, headlines and editorials were all a part of the week's activities.

The editorial cartoon is by Phil Dunson, and the society news was gathered by Mary Groves and Frankie Newlon.

Others who contributed were Aileen Brown, Betty Jean Price, Erma Calland, Mary Waite, Rosh Thompson, Mary Louise Miller, Martha Griffin, Marge Platt, Ada Davidson, Carl Glade, Don Metzger and Bob Dickson.

Rescue Home Will Celebrate Anniversary

By Martha Griffin

The Friends Rescue home, 245 N. Powell-av, will celebrate the thirty-fourth anniversary of its founding on Tuesday, May 30, with an annual anniversary day celebration.

Rev. Clyde Wendel, pastor of the Westgate Evangelical church, will conduct the 10 a. m. prayer and praise service, and Rev. Harley Bowerman, pastor of the Friends church of Raisen Valley, Mich., will be in charge of the afternoon service, which starts at 2 p. m. Lunch will be served at noon. The public is cordially invited.

The Friends Rescue home was founded 34 years ago by Miss Evangeline Reams. It is governed by a committee appointed by the Ohio yearly meeting of Friends. Miss Matilda Stuart, principal of Lincoln Park elementary school, is president of the committee this year.

The home is a participating agency of the community fund.

Attempts Suicide

By Frances Mae Newlon

Catherine Phillips, 27, of 59 N. Wayne-av, attempted to take her life Saturday by swallowing poison, it was reported by police. She was visiting at the home of friends, 337 E. Columbus-st, when the attempt was made. She was treated at St. Francis hospital.

Mosquitos Will Lose Lechner Avenue Home

By Mary Louise Miller

No houses to rent to mosquitos on Lechner-av, this year!

The peat moss bog which made such a good home for many thousands of the little pests, has been eliminated at a total cost of $11,000 by WPA labor, the city furnishing the materials. The program will also give sewer drainage to Belvidere-av.

Whether the job has been successfully completed is now the question. Engineers of the city state that the job is finished, but residents of the area and also the committee has been working for several years, feel that the job is not a satisfactory one.

About 25 years ago a sewer was laid across this bog, but due to the peat, it sank. Though several efforts have been made, it has never been found.

Carl Eckart Is Injured In Crash

By Frances Mae Newlon

Carl Eckart, 23, of 166 N. Wayne-av, was seriously injured when he lost control of his car on W. Broad-st and ran into an iron utility pole near Day-av Saturday.

He was taken to Mt Carmel hospital immediately following the crash. He suffered severe bruises and possible skull fracture. Police were unable to question him because of his condition but it is believed that he became suddenly ill before the crash

Melvin, Seely Observe Natl. Hardware Week

National Hardware week will be observed this coming week by manufacturers and retail dealers from coast to coast. In celebration of this event, all hardware and paint stores are offering their customers outstanding values. The Melvin hardware and paint store, 2409 W. Broad-st, and Seely's hardware, 1185 W. Broad-st, are heavily stocked for this event, with spring and summer needs. They offer high grade merchandise at greatly reduced prices. Their specials are advertised in The RECORD today on page one of the second section.

Scouts Ready For Annual Scout-o-Rama

By Carl Glade

Many Hilltop scouts will participate in the annual Boy Scout round-up of the year. The Scout-o-Rama will be held at the coliseum in the Ohio state fairgrounds Saturday, May 6, at 8 p. m. The program also includes Cubs and Sea Scouts. This youth pageant is a fast moving exhibition of scouting skill made up of boys in this area who will be working in competition with each other for the many districts represented.

This district, the Southwest, had its eliminations a few weeks ago and the troops that will represent this section are troops 65, 181 and 18. The contesting events are: International Morse and semaphore signaling, bow and drill (fire by friction), flint and steel, wall scaling, knot tying relay, life line relay and obstacle race.

All scouts, 5,000 in number, will take part in the grand entry.

Hit-Skip Driver Fined

Mrs. Mildred Minshall, 2377 W. Broad-st, was reported by the police as having struck a 14-year-old girl with her auto and failing to stop. Mrs. Minshall was fined $50 and costs in the municipal traffic court by Judge Ben L. Pfefferle.

The unusually high penalty was issued after the victim, Rita Ann Brady, 67 S. Warren-av, reported to the judge she had been hit when crossing Broad-st at Warren-av on April 20.

Although Mrs. Minshall pleaded not guilty to the charge of failing to stop after an accident, patrolmen testified [illegible]

Dildines Have Birthday Party

Mr. and Mrs. Oscar F. Dildine, 384 S. Wayne-av, entertained with a birthday party April 29 in honor of their two daughters, Betty Ann and Donna Jean, who celebrated their fourth and sixth birthdays respectively.

Guests present were Marcella Breining, Mary Barrett, Jack Bickham, Frank Keffer, Jean Coyl, Mary Lou Linniger, Rita Richards, Rosemary Finnerty, Martha Finnerty, Shirley Ann Miner, Beverly McDonough, James Vincent, William Blackburn, Mary Goodall, Rita Johnson, Mary Ruth Rubadue and parents.

Luncheon Planned By Aid Group

Group 2 of Glenwood Ladies Aid will meet for 12 o'clock luncheon at the home of Mrs. M. W. Seiller, 29 Eldon-av, Thursday, May 11. Assisting hostess will be Mrs. P. J. Coberly.

For matchless beauty in a Permanent Wave, we feature the new Rilling KOOLERWAVE. Positively waves closer to the head . . . gives an unusually even curl . . . leaves hair marvelously soft and lovely regardless of texture and color. Your wave will last much longer.

It is cool . . . featherweight . . . only six mistakes on the head. Ask us for a test curl. No machine—no electricity—not like any other permanent waving method.

Entre Nous Chorus Entertains

At the Pauline Home of the Aged, 1303 E. Main-st, entertainment will be provided by the Entre Nous chorus of Hope Memorial church on Sunday, May 7, under the direction of Mrs. Daniel Jerman.

The opening numbers by the chorus are "God Bless America" and "My God, My Father." Metta Ogden and Elaine Planck will play accordion duets, and Mary Rennie and Jeannett Tobin will offer readings. The chorus will sing "Mother Machree" and "Little Old Lady," with the portrayal of the "Little Old Lady" enacted by Avalon Bright. Dorothy Tomlinson will play a piano solo and the program will be closed by the choral singing of "Pickaninnies Paradise."

The group will sing at the Columbus chapter of the OES May 16, at the K of P hall on S. High-st.

The Entre Nous chorus, under the direction of Mrs. Jerman, entertained the Athena Court, No. 2, of the Amaranth, at the Woodman home recently. The program consisted of two sacred numbers, "Praise Ye Jehovah" and "My God, My Father," sung by the chorus; followed by accordion duets by Metta Ogden and Elaine Planck. Mary Rennie offered several readings. Two dances, "Deep Purple" and "Saturday, Sunday and Monday," were given by Janice Davis and Marian Block. The chorus then sang the popular classic "Will You Remember" and the lullaby, "Cradle Song." Readings were given by Jeannett Tobin and a piano solo, "Country Gardens" played by Dorothy Tomlinson. The closing number by the chorus was "Pickaninies Paradise," with Aileen Brown as soloist.

The girls in the chorus were Francis Englehard, Jean Steen, Janice Bright, Aileen Brown, Camille McKee, Irene Green, Dorothy Tomlinson, Frances Cloys, Phyllis Fox, Mary Rennie Metta Ogden, Ellen Jane Lohr, Elaine Planck, June Cahill, Norma Edwards.

Bette Mock, Mary Jane Shafer, Roberta Roberts, Wilma Shaw, Rachel Glick, Doris Glick, Janice Davis, Marian Block, Helen Buehler, Jeannett Tobin, Anna Ray, Mrs. Jerman.

Tennis Euthusiasm Needed

Do you like to play tennis? This versatile sport has proven very popular among young and old in many Columbus communities, but has failed to gain popularity among people of the Hilltop. No reason can be given for this attitude. The Hilltop has a set of six courts unequalled by any other in the state. In charge of these courts is a very capable man, and full time employee of the city.

With the approach of warm weather tennis enthusiasm should increase. Westgate park has been established by the city at a great expense for the pleasure and convenience of Hilltoppers. Why show your patronage to some other community in regard to this sport when you can practically play in your own backyard.

Tennis is one form of recreation that is both healthful and entertaining. Leading authorities say that the exercise obtained in the sunlight by playing tennis is more beneficial and yet not too strenuous. Maintaining economy is another important factor in every modern form of recreation, and so the funds obtained from admission will be used primarily for the purpose of maintenance and upkeep of the courts.

Enthusiasm is one item that is demanded in this up and coming sport especially at Westgate park. For some reason or other few people have responded to this marvelous project sponsored by the city. Many ardent admirers of this sport have looked to the city officials for the installation of lights for the purpose of night playing.

The city recreation department has agreed to install the necessary lights if a sufficient desire is secured among Hilltoppers.

Let's support this project, and do all our tennis playing at the fine courts at Westgate park.

Glenwood Shelter House Notes

By Thompson, Griffin, Miller

Preparations are in progress for the spring and summer sports at the Glenwood shelter house. Numerous activities are being planned for the enjoyment and welfare of the youth of the Hilltop.

Grounds are being made ready for these sports.

Beauty-culture classes are conducted each Tuesday. Free instruction on any string instrument by Al Abrams is given each Wednesday from 3 to 6 p. m. Tap dancing classes are held by Bert Bost each Tuesday from 3 to 6 p. m.

A hiking club meets each Thursday after school.

West Tracksters Unsuccessful

By Donald Metzger

Among the 61 high school track teams in the state of Ohio to enter the Ohio Wesleyan relays at Delaware were the West high Buckaroos.

Although they were at a disadvantage due to the fact that this is their first track team organized in six years they entered the tournament with their spirits high. Several of the boys qualified in the preliminaries which were held in the morning, and returned in the afternoon to take part in the finals.

They were unsuccessful and failed to place in the finals in any events. Coach George Collins was well pleased with the time set by his squad and has great hopes for them in the future.

The Coffman Automat coal burner and stoker is another well known product of the store.

The store is open every night until 9 o'clock and is collection headquarters for utility bills.

Hilltoppers On Wyandotte Nine

By Don Metzger and Bob Dickson

The Wyandotte A C Ben Brew baseball nine of the Heart of Ohio league will open its schedule Sunday, playing at Briggsdale. Dominating the team are several West high alumni, and the team as a whole is conceded to be one of the best in several years.

The former West high athletes who will probably be in the starting lineup are Bob Harrison, outfielder; Norman Schneider, infielder; Harry Grasbel and Harry Hubbard, infielders. These four boys are all fine hitters.

The batterics for the Briggsdale tilt will be Woody Owen, pitching, and Herb Alban, doing the receiving behind the plate. These are both West high school graduates.

Admission for this game will be 25 cents, and persons holding lucky numbers on the stub of their tickets will receive groceries, ice cream and soft drinks.

One thing about the birds who remain north in the winter. They don't have to remember where they put their overshoes when they leave the house.—Bunkie (La.) Record.

All national politics can be boiled down to four words, either "Let's take theirs," or "Let's keep ours." — Robert Quillen, Detroit Free Press.

The Road To The DIVORCE COURT Is Paved With

CARROTS *and* PEAS

Remember that old song: "Monday hasenpfeffer! Tuesday string beans! Wednesday s-soo-OUP! Thursday roast beef! Friday fi-ISH?" Surest way to lose a husband is to let him know what to expect for dinner every night in the week!

"She sued a rare juicy steak for alienation of affections." You've never seen that in the papers—but don't smile, lady,—it might happen to you some day. Just go on serving carrots and peas every Thursday, come rain, snow or maid's-night-out; just persist in your potato-patty pattern every Monday and the halibut habit on Fridays—keep at it long enough—and you'll lose your man!

You may be awfully proud of the way you fix tapioca pudding—but tapioca can taste pretty flat, served too often. Even the best of foods quickly lose their savor to a hungry husband when they come at him regular as clock-work on a weekly merry-go-round. And there lies danger! For "ration routine" has ruined more marriages than the fabled mother-in-law; it has broken up more homes than the bluest-eyed chorus girl who ever crossed Times Square!

"Ration routine" is doubly dangerous because it's so insidious; your husband himself may not **consciously** realize what's wrong. But while he picks at his food he is probably muttering, deep in his heart, "Vicious vittles!" and dreaming of a cottage in a magical land where he can get something wonderful and different and new for dinner every night.

You pride yourself on being a wise and thrifty shopper! Do you know that it's thrifty, economical shoppers like you **who are most likely to be at fault?** They buy cautiously, they save money, they shun extravagance and sooner or later they fall into a food rut. Then beef stew goes on the table every Wednesday or maybe every other Wednesday, fried perch becomes a regular Friday nightmare, and that's when the trouble really begins.

Men like variety! They like to be surprised. They want food that is tempting and different even more than they want low grocery bills. To your husband dinner time is, or should be, the high point of the day. It's the pivot about which his whole home life turns, and in the interests of his love and affection you just cannot afford to trifle with his appetite—you can't afford to risk "ration routine."

Especially when the cure is so simple. Maybe you've forgotten that there are anywhere from sixty-five to ninety different kinds of vegetables and fruits, canned and fresh, in a well-stocked food store; dozens of different kinds of meats, fish, sea foods; spices galore; prepared foods by the score—every one lending itself to several delicious recipes! Maybe you've forgotten, too, that there is a cook book somewhere in your house, brimming over with ideas that are really fun to try out. Maybe you've forgotten that one of the reasons your husband married you was because he thought you'd serve him a swell dinner **every** night. Have you forgotten? He hasn't!

If you doubt it, try this little experiment! Let your husband do the shopping next Saturday afternoon when he has the time. Don't tell him what to buy; let the choice be his. It's ten to one he'll come home with things you would never dream of buying yourself—delicious palate-teasing items—foods that will make dinner time a real event—and they won't be hard to prepare either!

Are you guilty of "ration routine?" If you are, you probably don't know it and you'd better watch your step before it's too late. Forget carrots and peas! Forget those insipid, inevitable, tiresome dishes that have become a habit with you and may well become a curse! Forget—for just a little while—the staples, the "standards" and the "here-we-are-agains," and step out and go to town! There are "surprises" a-plenty waiting for you in your favorite food store, listed for you today in the Hilltop Record food ads—glorious, marvelous, **delicious** things to eat! Invest in them for your husband's sake. Resolve now to feed him handsomely and well.

Cut loose, lady, and treat yourself to some **luxury** buying at the grocery! Do it **today**—and knock his eye out with something super-delicious tonight!

HOLD ON TO THE MAN YOU LOVE! FEED HIM WELL!

Buckaroos Win Over Pirates

Donald Metzger and Bob Dickson

Staying a seventh inning rally the West high Buckaroos continued their mad dash toward another city high league crown, by downing a fighting Central nine by a 6 to 4 verdict on the latter's diamond. It was the fifth consecutive league win for the Bucks and the first loss for the Pirates.

A marvelous exhibition of pitching was presented by Jake Richards of the Cowboys and Al Link of the Pirates. The latter fanning eight and Richards six.

The Westerners opened the scoring by crossing the plate four times in the first frame. The Pirates retaliated by tallying twice in their half of that same inning. The river front boys knotted the count at four all, scoring a single run in the second and third innings. No more scoring was seen until the top half of the seventh frame when Richards scored on a Central error and Dick Colburn was forced in on a walk by A. Link.

Richards gave up one lone walk, while his opposing hurler passed seven.

West To Be Represented At National Contest

By Alleen Brown

On Friday, May 19, a group of West high students will go to Indianapolis for the national music contest. This competition festival is under the auspices of the National School Orchestra association and the National School Band association.

West was well represented in the state music contest, held at Oberlin college, and is now eligible for the national music contest.

Alban Gulcher was rated excellent for his trombone solo, and another excellent standard was won by Jack Keidel, playing a cornet solo. Eligibility to the national contest and a superior rating was won by the clarinet quartet which consists of Gerald Johnston, Robert Gulcher, Dick Blayney and Lee Walters.

The brass sextet also ranked high in the state contest and has met the requirements for entrance in the national congress of musicians. The participants of this sextet are: Jack Swinehart, first trumpet; Jack Keidel, second trumpet; Jack Newhouse, French horn; Glenn Harriman, baritone; Alban Gulcher, trombone, and Lloyd Forbus, sousaphone.

ENROLLMENT AT WEST HIGH UP

By Betty Jean Price

West High school has shown a constant improvement in all its various phases since the administration of Dr. H. H. Reighley began in September of the year 1937. Academic subjects have been given a wider scope and the extra-curricular activities have been increased and improved.

There has also been a noticeable increase in the enrollment at the school. During the five years preceding September 1937, the average yearly increase in enrollment was only six pupils. Since September, 1937, the enrollment figure has gone up two hundred. An additional sixty is anticipated for next September.

"This rapid gain has been due largely to the reduction in the number of pupils leaving school between the tenth and eleventh years, rather than to an increase in entering pupils," Dr. Reighley stated.

Prior to 1937 the average number of "drop outs" in going from the tenth to the eleventh grades was 37 percent of the entire class. Last year that percent was reduced to seven and so far this year "drop outs" have been practically negligible.

Pottery, Garden Service Offered

Saturday, May 6, will be the date of the opening of the new Westgate Pottery and Garden Service store, at 3030 W. Broad-st, near Schmelzer's restaurant.

Howard "Fuzzy" Fosnaugh, well known Hilltopper, and well experienced as a landscaper, is the owner of this new business. Part of the display will consist of pottery, dinnerware, all types of garden service, vases and novelities.

Fosnaugh also has plants, will set them out and do landscaping.

Camp Chase Nine Wins Initial Game

The Camp Chase post baseball nine drew the curtain on their current baseball season by downing a scrappy Franklin post No. 1 team to the tune of 7 to 6 Saturday.

The Franklin boys held the American Legion Junior baseball crown last season, but the Camp Chase boys are determined to make it tough for them to regain that honor. Brilliant pitching on the part of Tommy Rebhols was the highlight of the game. Several times he hurled himself out of a tight spot to win an exciting tilt.

MOTHER-DAUGHTER BANQUET

On Friday evening, May 12, a group of girls of Oakley Avenue Baptist church will sponsor a mothers' and daughters' banquet. The committee is expecting to bring together at least 100 mothers.

Hilltop Students On Honor Roll At OSU

By Mary Groves

Upperclassmen in the college of engineering at Ohio State university who made the honor roll for the winter quarter are being announced by Junior Dean William D. Turnbull of that college. The following Hilltoppers are included: LaVera H. Beckberger, 183 S. Terrace-av; Robert L. Huffman, 979 E. Terrace-av; Roy T. Underwood, 88 N. Powell-av; Harry Kezerta, 47 Whitethorne-av; Jack P. ELECTED DELEGATE

By Alleen Brown

Mrs. Martha Bean, 460 Belvidere-av, was recently elected a delegate to the national convention of the Ohio Woodmen of the World auxiliary, at the annual convention at the Deshler-Wallick hotel.

APPRECIATION EXPRESSED

Officers and members of the Westwood Pythian Sisters have expressed their appreciation to everyone who contributed to their benefit games and helped make them successful.

BAND CLUB MEETS

The monthly meeting of the Band Parents club of West High school was held last Monday evening in the school cafeteria. New activities will be announced in next week's Hilltop RECORD.

Triangle Alumni Will Celebrate

The West High School Triangle club, organized in 1927 in old West High, will hold its first annual get together of alumni members on the sixth of May, when a basket dinner at Franklin park shelter house will reunite all the boys.

The fun will begin at 4 p. m. and will continue until 10 p. m. with an enjoyable program featuring a welcome address by C. S. Kennedy, the club advisor, a roll call beginning with the year 1927, an award to the class having the largest representation, a selection of the most popular lady and a selection of the most handsome gentleman.

It is to be desired that all of the former members will be able to attend.

Lagoons enhancing the architectural beauties of exhibit palaces and pavilions at the 1939 world's fair of the west will cover an area of 312,000 square feet, and will have a capacity of 7,000,000 gallons of water.

Absent Minded

"What are you looking for?"
"My vest."
"You have it on."
"Oh, sure I have. If you hadn't told me I would have gone home without it."

WILL SING

Oliver and Ruth Morgan, duo-entertainers, will offer their services at the revival meetings of the Warren Avenue Church of the Nazarene.

Modern House Plan Demands More Windows

The most pronounced movement of modern home design is toward larger light areas.

The growing demand for more windows, manifest in new construction by the increasing popularity of modern-style architectural designs, is being carried into the modernization field by home owners, who find that larger glass areas bring life to a dull or slightly out-moded building.

Many Entrances

The free entry of sun, light, and air into the home, from the attic to the basement, is being accomplished through the use of corner windows, glassed-in dining alcoves, French doors, and even room-length walls of glass.

The Federal Housing administration considers natural light and ventilation important when rating property for insured mortgages. Orientation of the structure and proper orientation of the individual rooms to obtain maximum benefit from sunlight and exposure contribute to sustained marketability.

Objects for Consideration

In rating homes for mortgage insurance under terms of the National Housing act, the Federal Housing administration considers the following items: (1) The ratio of glass area to floor area; (2) location of openings with respect to size and shape of room; (3) reduction in light due to obstructions such as other buildings and shaded porches; (4) orientation of the building upon the site;

COMING
Everyone! Hold your hats and steady your nerves! A grand surprise is in store for all. Next week the RECORD will carry particulars of one of the finest entertainment bets of the season, sponsored for the West High school band.

WEST BROAD

West Broad school is one of the few elementary institutions that possesses such a fine array of musical talent. As a result of the instructions on the part of the music teachers they have organized three choral groups and a fine student orchestra composed of fourth, fifth and sixth graders. Included in this fine group of musical students is a junior girls' chorus conducted by Miss Millikin, a junior boys' chorus conducted by Mrs. Roma Waymer, and combination of a senior boys' and a senior girls' chorus conducted by Mrs. Walton.

Semi-monthly motion pictures are shown in accordance with the regular study work. These pictures take the place of class sessions. They are requested by the instructors as their subjects in the class-room can be covered by motion pictures.

[illegible] BURROUGHS

New playground equipment has been purchased by the school for all rooms from the first to sixth grades, inclusive. Mr. Graham and teachers have made out a complete motion picture schedule for the entire semester covering every subject in every class. These pictures deal mainly with nature, history and geography and have proven beneficial to all those who witness them. Preparations are being made for the annual field day celebration to be staged on the field adjoining the school. No definite date has been set for this event, but all participants are looking forward to it with keen interest.

HIGHLAND AVENUE

A picture of the Grand Canyon in full color has been presented to the school. A group of sixth grade library councelors have raised a fund through the sale of ice cream for the purpose of providing a beautiful frame, size 35 by 24 inches, for the lovely work of art. May 19 has been set aside as guest day, at which time parents are invited to the class-rooms to view the works of the children. Entertainment will be furnished by the school for the visiting parents. A drive is under way for the purpose of beautifying the library.

Wetalene Laboratories Make All-Purpose Household Cleaners

Started as a very small plant, Wetalene Laboratories, Inc., 734 E. First-av, has shown remarkable growth in the few years of its existence. According to William J. Mangold, general manager of the concern, the chief product made by the company is an all-purpose household cleaner called Wetalene. It is a tested cleaning method that may be used wherever water is used to clean. It is used in the laundry, the kitchen or the bath. Wetalene is color guarded to prevent waste. When too much is used the color changes to red, a danger signal. For soft or neutral water add just enough to make a bluish haze. For general cleaning, for woodwork, or painted surfaces, add enough Wetalene to make a light pink solution. This product is on sale at most grocery stores, many hardware and department stores. By buying most of their raw materials, cartons, printing, etc., from Columbus concerns; by employing more people each year, Wetalene Laboratories are doing their share to improve business conditions in Columbus. While Wetalene household cleaner is the chief product manufactured by this concern, it is not the only one. Several other quality products are made. One is a liquid window cleaner that compares with the best on the market, another is a non-polishing, quick-drying floor wax. Then there is a specially treated polishing cloth for furniture and automobiles.

Bub-L-Joy Milk Bath, a new bath preparation, was placed on the market by Wetalene Laboratories. A handful of this product placed in the bath tub, before the water is turned on, will make three or four inches of active bubbles on your bath water. Bub-L-Joy is cleansing, deodorizing, refreshing, soapless. Bub-L-Joy contains no soap, no oil or animal fat, according to Mangold.

Wall Area Is Increased By Recessed Unit

Much additional wall space for arrangement of furniture can be obtained by recessing radiators into the wall, and it is usually advisable to do this when the warm weather starts and the heat can be turned off.

The radiator need not be placed under a window, as tables, low desks, or chairs may be placed in front of radiator grilles without interfering with the heating of the room.

On Keeping The Lawn In Good Growth

The average lawn grass mixture will make a good lawn if you sow one pound of seed to every 200 square feet of ground. Never cover the grass seed too deeply. Barely cover the seed with fine soil, but make a firm seed bed by tramping over the soil, or by using a roller. Be careful if your soil is heavy clay, or you may make a hard surface crust.

Water your lawn thoroughly during hot weather. Don't sprinkle the surface—soak the soil to a depth of two inches. Mere surface watering draws the grass roots to the surface of the soil. Deep soaking encourages the grass roots to grow down into the soil.

Lawns should be given regular feeding of a complete lawn enricher. New lawns need 10 pounds of lawn enricher to every 200 square feet of soil. Rake it into the top two inches of soil before sowing the seed: Old lawns should have monthly dressings of fertilizer throughout the growing season. Scatter five pounds over every 200 square feet of lawn, and water in thoroughly.

Glass-Enclosed Shower Bath Modern Note

A glass-enclosed shower bath adds a modern note to any bathroom.

Ideal for the "extra bath," the one that does not contain a tub, glass cabinets accomplish much in stamping a home as modern and desirable.

The reflectivity of the glass gives added sparkle and brightness to a room and fits easily in the decorative scheme of any modern home.

Purchase and installation of radiators may be financed under the Property Improvement Credit plan of the Federal Housing administration. Funds for the work are obtained from lending institutions qualified by the FHA.

Large Kitchen Is No Longer A Requirement

The prevailing architectural style of a decade or more ago called for an unusually large kitchen, which is no longer necessary because of developments in compact kitchen equipment.

Many existing homes, however, still contain much unused kitchen space which could easily be given over to a dining alcove. Installation of modern kitchen cabinets and rearrangement of present kitchen equipment help to improve the appearance and convenience of the combined unit.

The 10 necessities for a modern kitchen, as listed recently by an authority on home modernization, are:

1. Modern kitchen equipment.
2. Plenty of hot water.
3. Step-saving arrangement.
4. Comfortable working heights.
5. Adequate storage space.
6. Adequate lighting.
7. Scientific ventilation.
8. Sanitary surfaces.
9. Compact working areas.
10. Harmonious decorative treatment.

Modern Blinds Valued Device In Decoration

A new factor in interior decoration has been provided by recent models of Venetian blinds which feature wide slats and give the effect of widening narrow windows and doors.

The new type blinds give broad horizontal lines to the window and are especially valuable in achieving the modern wide-window treatment. Slats in the new blinds are about three inches wide, and this difference is reflected in the wider bands of light reflected. Obtainable in all sizes, the blinds are made in many colors of tapes, cords and slats.

Hints For Home Owners

Outside Stairway Drain

At the foot of an outside cellar stairway or other steps leading down from grade to house entrance there should be an area several inches deep and a drain to carry off water.

This drain is necessary for outside areaway entrances to basements, as water collecting at the foot of the stairs will flow under the door and cause a damp or flooded basement.

Drains necessary to correct situations of this kind can be installed under the property improvement credit plan of the Federal Housing Administration. Funds are obtainable from qualified lending institutions.

Attic Flooring

Attic space in many older homes is unusable, even as storage space, because of the lack of a floor. Storage of trunks, furniture and other heavy objects on the ceiling joists is dangerous and may cause a sag in the ceiling of the room below.

The cost of placing a rough flooring over at least part of the average attic is small, and in many cases this effectively solves the storage problem.

Built-In Antenna

Good radio reception without the necessity for a maze of wires on the roof is possible through the use of a built-in antenna and wall plug. Not only is the roof rid of unsightly wires but window strips, insulators and other bits of equipment which mar the appearance of the living room are eliminated.

A plate similar to those providing power outlets is available for the antenna and ground wire and all that is necessary for good radio reception is to connect the radio with the poles on the plate.

Refrigerators

The need for ample ventilation around the cabinet and mechanism of a mechanical refrigerator is called to the attention of home planners by officials of the Federal Housing Administration.

Niches for a refrigerator should be avoided, if the refrigerator is to be operated economically. If it is to be built into a unit-cabinet kitchen, ample ventilation must be provided at the rear or sides.

The Federal Housing Administration also suggests that prospective home owners, in selecting a refrigerator, seek: (1) Ample storage capacity as related to the number of house occupants; (2) efficient moisture-resistant insulation; (3) a well-built cabinet, tightly sealed against air on the outside so that warm moisture-laden kitchen air cannot contact the insulation; (4) durable, easily cleaned interior and exterior finishes; (5) easily serviced, durable mechanism; (6) safe refrigerant; (7) reputable dealer service organization.

Planned For Economy

This practical home in Texas is a model for those who must buy or build on a limited budget. Valued at $3,850 by FHA appraisers, it was built with the aid of a $3,400 mortgage insured by the Federal Housing Administration. Possessing all of the necessities of a comfortable soundly constructed home, this house has eliminated those features which unnecessarily would have boosted its cost.

Heating Plants Need Seasonal Care In Spring

In a few more weeks thousands of home heating plants will be turned off for the summer and unless a certain amount of off-season care is taken there will be many home owners facing large repair bills next fall.

Serious damage to boilers often occurs during the summer months. One of the principal causes of this is corrosion which results from the combination of moisture in the cellar air and sulphur in the soot, ash and residue.

Thorough cleaning by a competent heating engineer will prevent boiler corrosion. Cleaning of the boiler consists of the removal of soot, ash and residue from all heating surfaces and the removal of clinkers, cinders and ashes from the firepot, grates and ashpit.

Broken or warped grates should be repaired during the summer months to prevent waste of fuel when the heating plant is again turned on in the fall. Outer surfaces of the boiler should be cleaned and the application of a preservative paint to parts normally painted is effective in keeping the heating unit in good condition during the warm months.

It's not money that will mend a broken heart, says a writer. But it is about the best known cement that a gold digger can secure.—Carey Williams, Greensboro (Ga.) Herald-Journal.

Proper Care Needed For Concrete Floors

Concrete floors, like those of wood, are susceptible to hard wear and must be cared for properly if they are to provide good service.

Sometimes they wear badly in spots, leaving an accumulation of white powdery dust. This may be prevented by the application of a coat or two of concrete-hardening compound. To correct such a spot the worn concrete should be removed and patched with fresh material. Many good concrete paints are available which will protect the surface of the concrete and prolong its wear.

There are several methods by which stifling summer heat may be kept out of the home, and one of the least expensive of these is a ventilating opening in the attic.

These ventilating louvres exhaust the heat which is reflected from the underside of the roof and keep a current of air moving above the insulation.

A woman's yearning capacity is usually greater than her husband's earning capacity.—Columbia Missourian.

Eisteddfod Program For May 26 At Hillcrest Baptist Church

By Aileen Brown

The Eisteddfod, literally a congress or gathering of bards, has the motto "Y Gwir Yn Erbyn Y Byd" which means "the truth against the world."

The modern Eisteddfod was first held on Christmas day, 1171. However, the first historical reference to an Eisteddfod occurs in Caesar's Commentaries.

The National Eisteddfods have been held in Wales annually for 90 years or more, and the local meetings have been held wherever Welshmen may be found. The most notable Eisteddfod held on American soil was that which convened at Chicago during the World's Fair. The Eisteddfod in the United States has been devoted chiefly to choral and part singing, but literature oratory, art and sculpture have not been entirely ignored.

Aside from its purpose to instruct, interest and please, the Eisteddfod has a definite mission. It is to foster worthy ambition in music, in the arts, and in literature; to uplift and to promote the interest and discovery of young genius.

The Eisteddfod, the oldest of the Welsh national institutions, will be presented at the Hillcrest Baptist church May 26. The program, sponsored by the Hilltop Business Men's Chorus, will begin at 7:30 o'clock. The preliminary program is as follows:

1. Mixed Chorus (30 to 40 voices)

All music used in the contest can be secured at the Lyon-Healy Music store.

DuPont Paints Are Sold By West Side Lumber Co.

A new house paint developed by Du Pont chemists said to make white houses whiter is now being sold by the West Side Lumber and Coal Co., 3401 W. Broad-st, according to Raymond Percy, a representative of the firm. The paint contains a "self cleaning" quality that seems to wash itself clean every time it rains.

Percy says that the paint contains better hiding qualities, can be applied faster and gives more lasting protection. Du Pont paints are pre-tested by engineers long experienced in the field.

An invitation to all prospective paint buyers is extended to visit the store and look over the color suggestions and aids in selecting paint. Free estimates are made on any home by men experienced in problems of painting.

MR. SMART TO SPEAK

By Frances Mae Newlon

On Sunday evening, May 7, the Hilltonia United Brethren Christian Endeavor, 522 Columbian-av, will have as a guest speaker John Smart of Otterbein college, Westerville. He is a native of Africa. Mr. Smart will speak on "Ventures in Faith."

There will be a dinner given by the Christian Endeavor at 6:15 o'clock. The service begins at 7:00 and the public is invited.

Einstein now says there is only one law that governs the universe. We don't believe this. The universe couldn't have got in the fix it's in by violating only one law. — Olin Miller, Thomaston Times.

Evangelists At Revival Meeting

By Mary Waite

The opening of their revival campaign by the Warren Avenue church of the Nazarene will take place Sunday morning at 10:30, when Evangelists Oliver and Ruth Morgan of Indianapolis, will figure as a part of the program. The Morgans will sing at each service accompanied by guitar and accordion. Services will be held each evening at 7:30. Sunday services will be held at 10:30 a. m. and 7:30 p. m. The public is invited.

Storage Room Needed For Doors, Sash

Unless storm doors and sash are carefully stored when taken down in the spring they will not be in condition for use in the fall.

Such equipment should be laid flat so that it can be refitted snugly in the frames, and it should be stored in a dry well-ventilated place to prevent swelling and subsequent shrinking and warping. Also, storm doors and sash should not be placed against basement walls or floors.

A special storage room in the attic, basement, or the upper part of the garage affords a solution to the problem of space for such equipment. Funds for such special areas may be obtained from lending institutions qualified by the Federal Housing Administration under its property improvement credit plan.

In the winter screens and awnings may be stored in such a specially provided space. If located in the garage or basement, garden equipment may also be kept there when not in use.

Showers Can Be Installed In Many Tubs

Addition of a shower to a bathroom increases its usefulness and can be achieved now in both the leg type and the built-in type of tub.

There is a variety of equipment on the market, and the home owner may select one of the new types of showerheads said to effect a water savings of 25 to 50 per cent over the old style. Showers can be installed in any built-in bath tub by an experienced plumber in short order. Such showers involve no changing of pipes; they are permanent, fully automatic with a minimum number of moving parts, and low in cost and economical in the use of water.

"You Can't Take It With You" At West High May 11-12

By Betty Jean Price

On Thursday and Friday evenings, May 11 and 12, the senior class of West High school will bring to the citizens of the Hilltop a highlight in entertainment when it presents its spring production, "You Can't Take It With You." This play promises to be one of the best stage plays that has ever been produced on a West High stage.

The gay and sparkling humor of the play spoil none of its underlying philosophy and excellent play writing technique. The fact that "You Can't Take It With You" has been awarded the Pulitzer prize for the year 1937 and the award of the Academy of Motion Picture Arts and Sciences for the year 1938 serves as a special recommendation on these points. Another factor that should contribute greatly to its success is the superiority of the Broadway team that wrote it, George S. Kaufman and Moss Hart. These men have long been noted for their stage hits.

The plot of the play makes a fine vehicle for high school students due to the fact that it deals with those things with which high school students are familiar. The entire play takes place in the huge living room of the Sycamore home, where each member of the family has his special corner in which he does as he likes. "Penny" writes plays of great quantity if not quality in one part of the room while "Grandpa Vanderhoff" raises snakes in another. John Anderson of the New York Journal said of the play, "It is the tops in topsy-turvey — it is great fun and the sky's the limit."

The West High production has been given a dual casting for the feminine roles, due to the unusual amount of talent in the senior class. On each successive night of the play a different group of girls will go before the footlights. Tickets should be purchased early to insure good seats. They may be obtained from any West High student.

Summer Camps Can Now Install Sewage System

Because of the difficulties encountered in providing for proper sewage disposal, many summer cottages, camps and farm dwellings where additional toilet facilities are needed have not been improved by these additions, according to Federal Housing Administration officials.

A number of improved disposal systems are on the market today for houses that do not have city sewer connections but which operate with full efficiency.

The prevailing rural sewage systems consist of a septic tank, leaching chambers and filtration fields. Other features which permit automatic and efficient operation are a diverting gate, siphon, special tiling and fittings.

Operation of disposal systems is simple. The tank may be a reinforced concrete or metal airtight chamber and should not have to employ any chemicals. Filtration fields consist of at least two sets of tile lines designed to let air reach the sewage and permit uniform seepage to the soil.

Waterproof French Doors

French doors are extremely popular in the home of today, but all too often the home owner finds it difficult to weatherstrip inward-opening doors.

One reliable method of making them waterproof and airtight is through the use of a four-inch brass saddle, or sill, with an inter-locking metal strip on the bottom of the doors.

League To Have Play At Glenwood

By Aileen Brown

At Glenwood M. E. church "Another Spring" will blossom forth Friday, May 19, in the form of a prologue and a three-act play. This romantic drama takes place at Carlisle Manor. The prologue is enacted during the time of the American Revolution, and the play proper in the present time.

"Another Spring" was written by Priscilla Wayne and Wayne Sprague.

Miss Annis Turner, director of the play, has put into practice the following cast:

David Lee
David Madison ..... Bob Trout
Nancy Carlisle
Nancy Allen ..... Francis Cloys
Mrs. Allen ..... Maxine Oyler
Mrs. Carlisle.... Mary Jane Sheron
Miss Pendergast Helen Henderson
Benjamin Lee ..... Harold Mers
Nelson Browning....Charles White

'Don'ts' For Amateur Painters

Pitfalls of the amateur painter may be avoided by following some of these practical pointers:

Don't open the can and dip right in. Follow directions.

Don't use a wall paint for floors.

Don't skip the details; sandpapering, removing grease, dusting.

Don't guess about dry surfaces.

Don't paint furniture on the porch. Specks of dust on a still wet finish will mar it permanently.

Don't pain over wax.

Don't paint over a glossy surface.

Painting Mahogany

Don't paint over mahogany without using an intermediate coat or two of shellac or a single coat of aluminum paint if the finish is to be light in color.

Don't put enamel on an old chipped surface.

Don't leave your brushes in water.

Don't leave paint cans open overnight.

Don't start painting the top of a chair. Turn small pieces upside down, beginning work at the bottom of the legs. Then turn right side up and stand on a clean newspaper to complete the work.

Don't finish table tops for beauty alone, leaving them ready marks for heat and moisture rings.

Leave An Exit

Don't paint your floor exit and find yourself stranded.

Don't paint the kitchen without a plan.

Don't abandon isolated wall sections.

Don't let paint rain from the ceiling.

Don't waist elbow grease on varnish; flow it on.

Don't finish all furniture alike.

As more and more electrical accessories enter the home, the need for more wiring outlets becomes acute.

While most modern homes are provided with several outlets for each room, the owners of older homes are faced with the necessity of having additional outlets installed or tolerating trailing extension wires.

In adding new outlets the home owner should consider the large number of electrical accessories used in the bathroom and place an outlet convenient to the lavatory in a position to serve electric razors.

Buckaroos Defeat South High Team

By Bob Dickson

West high Buckaroos blasted two South high hurlers for nine runs on as many hits, as the Cowboys chalked up their fourth consecutive league win on the Bulldogs' diamond, 9 to 6, Friday.

Heavy hitting on the part of Paul Rogers and Bill Albert of West, each collecting a home run, provided their mates with a substantial margin of victory.

The Cowboys opened the scoring in the top half of the first inning, tallying three times on singles by Jack Distelhorst and Dick Colburn, and doubles by Ralph Link and Albert. The Cowboys added three more in the second on a hit, two errors and a walk.

Gus Serio, of the losers, hit a home run in the seventh frame, but the rally fell short as the Bucks had previously added another trio of tallies in their half of the seventh.

Eight Factors Influence Site

FHA Considers Features In Grading Locality

The Federal Housing administration considers eight major factors when grading the quality of a neighborhood.

These factors include: (1) Its relative economic stability; (2) protection by zoning and restrictive covenants against undesirable encroachment; (3) freedom from hazards of flood, earthquake, subsidence, or other forces beyond control; (4) adequacy and accessibility of schools, parks, playgrounds, churches, stores and places of employment; (5) adequacy and cost of public transportation; (6) sufficiency of such utilities as water, sewers, electricity, gas, and such improvements as roads; (7) the level of taxes and special assessments; (8) appeal of the neighborhood.

The object of the subdivision analysis is to encourage the creation of stable and attractive residential neighborhoods in place of mere speculative sale of lots.

"Only by consistently developing areas which are ripe for use," an official declared, "by reorganizing subdivisions which suffer from planning, and by postponing or abandoning the building up of subdivisions which are premature or plainly superfluous can a stable realty condition be established which will justify mortgage loans and the issuance of mortgages in new neighborhoods."

Doorway Aids Impression of Spaciousness

A feeling of spaciousness may be created through use of a wide doorway connecting the front hall and living room.

The use of lever door knobs and other attractive door hardware adds to the effect which frequently changes the appearance of the home. The owner who contemplates the widening of a narrow doorway should first assure himself that wall framing supporting the floor above is amply strong to do its duty after some of it has been removed.

In some cases it may be necessary to substitute two stouter timbers at the sides of the opening for the studding which now carries the weight of the second-story flooring and wall, as well as a heavier horizontal member to extend across the heavier uprights.

Job Insurance Did You Say?

Picture a small business firm in the state of Ohio, employing about eight men and women, with possibly a payroll of $10,000 per year. The business is located in a small town and such a payroll provides a very satisfactory livelihood for them.

Such a small business, however, is in no manner making a profitable return on the owner's investment. This can be testified to in the case of hundreds of such small business firms over the state and nation.

If such a business makes a net profit of $800 or $1000 per year it is exceptional. Hundreds of them are making much less but are continuing to exist and thus provide that annual payroll and keep that many more persons from the relief rolls.

The Social Security Act is tending to defeat these small business firms though. It has called upon them for contributions to the extent that today they are paying 4% on their payroll. On the above basis this means that this small firm has had its profits reduced by approximately $400. If it was previously clearing but $800 it is now down to the place where a return of $400 net is left.

Now, as the law is set up it is possible in a few years to tax this employer up to 7% of his payroll which means an additional $300 per year taken from him and leaving his net profit on this basis at but $100.

An employer will receive, in this instance, $100 per year for his services of employing some eight persons and giving them $10,000 for their work.

Multiply One By Thousands

Over the United States there are thousands of these small business people who are concluding this one thing . . . they have one of two things to look forward to . . . they are hopeful, in the first place, that a more intelligent program will be provided by the lawmakers in Congress and they will again have an opportunity to get their feet on the ground.

On the other hand if relief in this direction is not soon extended to them they have nothing else to face than to conclude they cannot exist in business and close up shop.

This is no foolish idea. Neither is it propaganda for a political party. I am of the belief that the new faces are going to swing into power at the next election to the extent that something can be done with new material. These people who are burdened are going to see to it that there is a change. But in the original form either party could have and probably would have made legislation as poor as that of the present.

Already there have been many instances of small businesses that have thus been eliminated from the running. But multiply this number by the thousands that are facing this problem now and are soon to "take it on the chin" and you have . . . what did you say? "Job Insurance?"

The Real Jobs Being Provided

I had occasion today to visit the Ohio Unemployment Compensation Commission. Jobs, did you say?

Yes sir! Hundreds of them. Each floor of the former Ford Motor Co. building humming with typewriters, and a great portion of them sending out notices of delinquent payments due . . . advance notices to these small business firms that the law is reaching out after them . . . that it won't be long now until they will be eliminated.

But there is a real job at hand. "Job Insurance . . . a new weapon against misfortune" . . . is the title of a booklet distributed by the commission Sounds good. And it is good.

The need of such a program has been manifest for years. And any day in the week we'll go to bat for the program when it is properly handled.

But the job at present is to iron out the flaws immediately. All of these persons now employed by the state to conduct this large commission have no assurance that their jobs will continue for a definite time as long as their program is not workable.

These laws are becoming increasingly unpopular with business people. Until they are made sound and reasonable they will serve as a bomerang that most certainly is about to come back where we started from and slap down a worthwhile program.

And that again would be a "noble experiment" like the Mi[illegible] through

PTA Speaker

Rev. Mitchell

West Broad street school PTA will hold its annual election and installation of officers Thursday. During the installation the Mothersingers will sing "Trees." Mrs. Lynn Baker, chairman of juvenile protection, is in charge of the program and will present Rev. Carveth P. Mitchell, to speak on "Juvenile Literature." Safety chairman, Mrs. Jack Bailey, will show a short film, "Safety in Bicycling." Mrs. Caroline Thatcher and son Dale will present a short safety playlet.

Bucks To Enter Tourney

West high baseballers, victims of two straight city league defeats along with a non-league loss inflicted by Springfield high Wednesday afternoon, were to try to forget the past and look into the future yesterday as play began in the central district baseball tournament. The Bucks were to tangle with Washington C. H. on the Nos 2 diamond at Ohio State university.

In the first encounter of the season for the locals the WCH nine fell, victims of a 13-3 defeat inflicted by the Cowhands. The Williams' coached nine went on to win five City league frays but during the past week has faltered due to weak pitching, poor fielding and untimely hitting. However, if the Bucks get by the Washington outfit they will meet the winner of the Delaware-Hilliards on Friday afternoon at OSU. In an effort to win the opening district contest Coach Williams will probably pitch the diminutive Jake Richards, ace of the West corps.

Last Tuesday at the local stronghold North came, saw and conquered behind the effective twirling of Jack Edwards. Then the Bucks made matters worse by throwing the ball everyplace but the right place and the final outcome was a 13-3 pasting by the Maroons. The victory moved the Polar Bears up into a second-place tie with West.

Outstanding among the Buck players was Dave Wills, subbing for Paul Rogers, who played a whale of a game at shortstop. Wills looked like an up and coming ball player, a sophomore now.

West will continue its league conquest next Tuesday afternoon when they travel to East to engage the Bengals at Harley field. West holds a 5-3 decision over the Terriers, but they will have to hustle to gain a second win over them. "Lefty" Novak will probably take the mound for the orange and black and West will have to play more than heads up ball to remain in the thick of the City league pennant scramble.

The Buckaroo golf team scored a 8½ to 3½ win over the Aquinas golfers at Beacon Light golf course Tuesday with Del Ciello taking medalist honors with a 78.

'Hilltop Nite' to Honor Gracebelle Day May 19

Gracebelle Day

On Friday evening, May 19, the Hilltop will pay tribute to a favorite daughter, and internationally known dancing and singing star. The opening night of the Benny Goodman show which will be presented on the Palace theatre stage will be known as Hilltop night in honor of Gracebelle Day, who performed recently for her Hilltop admirers at the Camp Chase post 10th anniversary jubilee.

In appreciation of this act as well as an admiration and pride in the success Gracebelle has attained as Gloria Day, Camp Chase post will collaborate with the Palace theatre and The Hilltop RECORD in sponsoring the celebration.

Gracebelle has only recently returned from an engagement at the Chez Paree in Chicago. She has appeared with Benny Goodman during the past three weeks and will show at the Palace for one week.

Further details regarding the Gracebelle Day celebration will be included in next week's RECORD.

DEM SPEAKER

Miss Taylor

The Eleventh Ward Women's Democratic club will meet at the home of Mrs. Samuel J. Willis, 145 S. Roys-av, Thursday evening, May 18, at 8 o'clock.

The club will have for its guest speaker Miss Genevieve Taylor, referee and chief probation officer for Clayton W. Rose, judge of the court of domestic relations. Miss Taylor is also secretary of the Ohio probation association and president of the Columbus branch of National League of American Pen Women.

A social hour will be enjoyed after the meeting. Members are asked to invite their friends.

Band To Get Dance Funds

Efforts are under way to have uniforms of the West high band cleaned before the end of the school year. In this connection the dance will be sponsored on Friday evening, May 26, proceeds to assist in this job.

Hal Brown's orchestra will play at the affair which will be held at the Camp Chase American Legion hall, 3185 W. Broadst, and members of the orchestra will donate their services for the evening. Numerous contest dances including prizes for the most graceful couple, the best jitterbugs, and a surprise dance, are planned to make the evening a gala affair.

At the recent meeting of the Band Parents club it was pointed out that the uniforms had not been cleaned since they were purchased seven years ago, and it is desired that this be done in order that the band might present a neater appearanee on the football field next fall.

"Let's dance, so our band can march," is the suggested slogan for the coming event.

Republicans Hear Lakin

At the meeting of the Eleventh Ward Republican club, inc., on Tuesday evening in the VFW club rooms, 2393½ W. Broad-st, the program included an interesting speaker and musical entertainment.

Attorney Sanford Lakin, a life-long resident of Columbus and a member of the committee on economic education, working with the Brooking Institute of Washington, D. C., spoke on the very popular subject, "Our Taxes." Lakin is on the speakers bureau, United States junior chamber of commerce.

The entertainment was arranged by Mrs. Sam Toy, which consisted of a musical trio with Misses Janice Morris and Janet Sharp, trumpeters, accompanied at the piano by Lois Craft.

Mrs. Helen Kirkpatrick, 584 S. Warren-av, was presented with a cake, as a door prize.

200 Model Planes Offered By Theatres

Model airplanes—200 of them will be the prizes awarded to as many boys and girls attending the Rivoli or Ritz theatres on Saturday afternoon, May 20.

George Pekras, owner of the two show houses, has arranged to give away 200 sleek model planes at the all-day performance. Upon entering the building of either theatre each youngster will receive an airplane picture. If the picture has a star in the upper right hand corner the owner is entitled to the free model plane.

Veterans To Sell Poppies

The eighteenth annual sale of the Veterans of Foreign Wars "Buddy Poppies" will be held on the Hilltop today and tomorrow, according to Lester Stevens, commander of the local veterans post. The money derived from this sale will be used for the local program of relief and assistance to disabled veterans and their dependents by the organization.

The poppy was officially adopted by the national organization in 1922. The flower will be sold by some 4,000 posts and more than 2,500 auxiliary units in a nation-wide sale.

Originating in the Orient, the poppy, because of the opium derived from it was long ago known as the flower of forgetfulness, Commander Stevens explained. Since the World war, however, when millions of the small red flowers bloomed on the battle fields of France, the poppy has become the symbol of America's heroic dead. In 1922 the poppy was officially adopted and copyrighted as the VFW memorial flower, distributed in a nation-wide sale on behalf of the disabled veterans and their families, and the widows and orphans of veterans.

"We ask all patriotic Americans to lend us their aid in this effort to 'honor the dead by helping the living,'" Commander Stevens said.

"Lefty" Watts Buys Sullivant-av Garage

"Lefty" Watts has purchased the garage at 2405 Sullivant-av, from Carl Lauer who operated the business under the name of Lauer's Tire and Battery store. Tires, batteries, oil and accessories will be handled in addition to general garage work on all makes of cars.

The garage will be known as "Lefty" Watts garage. The new owner has lived most of his life on the Hilltop and is known by many residents. He has been connected with two of the larger garages on the west side during recent years but had never gone into business for himself previous to this time.

"Lefty" has two diplomas from the Ford Motor Co. and the Chrysler Corp. for special courses of instruction taken in their schools.

Sand Culture Is Rosebud Experiment

An interesting experiment in sand-culture of seedling plants is being carried on at the Rosebud Floral Co., 531 N. Burgess-av. The project is the outgrowth of similar experimental work now being carried out by the Connecticut Agricultural Experiment station at New Haven.

Leo L. McComb, owner of the floral company followed closely developments in the work and has this year for the first time begun a similar experimental project.

Sand culture involves planting and growth of seedlings in pure sand alone instead of in fertile soil. Nourishment and moisture are added at regular intervals instead of coming directly from the soil.

Feeding for most seedlings consist of one level teaspoonful saltpeter, one teaspoonful superphosphate and one teaspoonful epsom salts dissolved in one gallon of water. The plant beds are fed from a water sprinkler twice each week.

Hardier Plants

The artificial feeding is said to result in hardier plants since the root structure is more abundant. The loose sand permits unretarded growth of the root system thus making a more rugged plant. The weed problem is practically eliminated since the sand contains no predeposited weed seeds like ordinary soil.

Tests have proven beyond a question the superiority of the plan. The exact number of seeds have been started in the two different types of seed beds under identical growing condition and nourished according to the two separate systems. At the end of a few days growth the sand culture method has shown a decidedly superior growth of seedlings.

All cabbage, tomato, pepper and the many varieties of flower seeds are now in various stages of growth at the Rosebud gardens.

Promote Eisteddfod

W. Hayden Jones

C. H. Campbell

Active in the promotion of the Hilltop's first eisteddfod are W. Hayden Jones and C. H. "Doc" Campbell, director and secretary respectively, of the Hilltop chorus, sponsors of the event. More than $120 will be at stake when contestants of every age and from many points in central Ohio gather at the Hillcrest Baptist church Friday night, May 26, for the song event.

Persons who desire to enter competition in any classification are urged to send in their contest blanks before May 17, according to Campbell. The deadline for any entry will be May 22. Entries should be addressed to C. H. Campbell, 2766 W. Broad-st. The coupon found on this page may be used as an entry blank.

Music lovers of all ages have already registered their intentions to compete so that good competition is assured in every department. Tickets are on sale for the program at 25 cents each for adults and 15 cents for children.

Hilltop Riding Club Has Many Riders

Hilltop equestrians are turning out in larger numbers than ever before to try out the 50 educated riding horses available at the Hilltop Riding academy, according to John Davis, owner. The academy is located at the foot of S. Eureka-av.

On week days and Sundays lovers of the sport of horseback riding make the riding academy a mecca for healthful and pleasurable sport. Men, women and children in riding habits of all descriptions, and many of them in their regular business or work clothes may be seen galloping, trotting or cantering over the broad meadows surrounding the academy.

On Friday nights, a special attraction at the Hilltop Riding academy is a one and one-half hour ride and wiener roast at a special price. Horses are provided for every kind of rider. Experienced teachers courteously and efficiently instruct beginners in the art of riding.

The pony track for children offers the little tots a chance to enjoy the occasion. Squeals of delight testify to the fun derived by the children as they proudly sit astride their favorite mount.

Hoge To Open Auditorium Sun.

Members of the congregation of Hoge Memorial Presbyterian church will use the main auditorium of the church for the first time in five weeks Sunday, the $2,000 remodeling project now having been completed. Rev. John Miller will deliver the Mother's Day sermon and special music will be given.

The entire building has been remodeled, with the pews boasting a new coat of varnish and the ceiling arch in the rear of the auditorium having been lifted. The windows have been tinted, the parlor and kitchen have undergone repairs and numerous parts of the building have been repainted.

Thomas Girl Injured By Auto

Condition of Mardela Thomas, 360 Clarendon-av, struck by an automobile last Monday as she ran from a parked auto into the street in front of her home, was slightly better today according to hospital attaches at Mt. Carmel.

The seven-year-old girl suffered a fractured left collarbone, skul fracture and abrasions. The car, according to police reports, was driven by Ernest C. Ervin, 3017 E. Sixth-av.

Townsend club No. 7 will meet at 2393½ W. Broad-st, on May 17 at 7:30 p. m. Music and a speaker have been planned. The public is invited to attend.

Church, In'pendent Season Under Way

By Woody Owens

The 1939 West Church league got off to a flying start Monday evening at Westgate park with Calvary Presbyterian and Hoge Memorial turning in victories in the four-team circuit.

The opening night of play was filled with some hard hitting as eight home runs were batted out in the two encounters.

The defending champs, Calvary, smothered Glenwood M. E. 13-3 with Goodal and Glick leading the winners' attack with circuit clouts and Cole duplicating the feat for the losers.

McFadden twirled four-hit ball for Hoge as his team walloped St. Aloysius 16-3. Casey, Dolby, Remaly, Sunker and Wright knocked out four-basers for the winners.

Play in the Hilltop Independent league began last Thursday evening with Corner cafe, McDonald's Lumber and Kent's Modern market scoring wins.

The Cafemen scored a 4-3 victory over the Spears funeral ten in a contest that went eight innings. Dick Richey twirled for Spears, weakening in the extra inning.

In a somewhat wild fray McDonald's eked out an 8-7 win over the strong Sullivant-av merchants. The final game of the evening went to Kent's, as Chuck Alberts, knocked out of the box by Westwood K. of P., came back in the final inning with the bases loaded and banged out a ringing single to plate the winning tally in the 10-9 win.

Making its debut in the Heart of Ohio baseball loop last Sunday at Briggsdale the Ben Brew nine banged out a 7-1 victory over the Craven Drugs as Woody Owens, well-known among Hilltop athletes, turned in a one-hit performance for the winners.

Also performing with the Ben Brews are Herb Alban and Howison, the former at the backstop position and the latter in the outfield.

In games last evening Kent's market was to meet McDonald Lumber, Corner cafe was to tangle with Westwood K. of P. and Spears funeral home was pitted against Sullivant-av mer-

Millikin Silent On Race

While it was understood a week that petitions were being circulated bearing the name of Wyatt L. Millikin for city council, Mr. Millikin would make no comment to the Hilltop RECORD other than, "I have no statement to make. My name will be in the ring as yet."

As the deadline for filing drew another week closed the Hilltop has but one candidate definitely in the race for council. He is Russell S. Welch, 320 S. Brinker-av, who announced early last fall.

Millikin, present president of council, and a Democrat, has been talked of as a possible candidate for mayor but it is believed he will not enter the race. His reluctancy for council at this time is believed to rest on his desire to learn what other Hilltop men will be in the race.

Henry A Koontz, a candidate for council before, and a Republican, is believed to be seriously considering the race and would toss his hat in the ring with proper encouragement of local people. His decision may also rest on whether certain other men [illegible] Ray Hauntz, another possible candidate, would make no further comment this week.

West Students Held In Theft

Five West junior and senior high school students were being held at the juvenile detention home this week after their arrest and confession in regards to the theft and using of dynamite from the Marble Cliff quarries earlier this year.

The first theft of the dynamite from the quarry occured Jan. 9 and Mar. 6, a similar report was given to police concerning a second lot of sticks and caps. The lads are also charged with lighting the explosives and dynamiting the garage of H. S. Johnson, 172 S. Burgess-av, on Mar. 11.

The arrest came after a watchman at the quarries had chased two boys he noticed loitering around the quarry. One of the youths left his bicycle behind and the deputies used the license as a means of tracing the boy.

Although it was not definite, it was expected by police officials that the boys would be turned over to the grand jury.

Reunion Will Take Place In June

Members of Batteries D and E of the 84th artillery corps of 1917 will meet at a reunion to be held at the Fort Hayes hotel on June 17 and 18. The only organization during the war to be composed of Ohio men exclusively, it will convene on Saturday evening for a reception and dance followed by a Dutch lunch. On Sunday a tour of the Scioto and a banquet at the Beechwold Inn are planned.

HBMA Have 3 Speakers

Slum Clearance Proposal Opposed

Dr. Roy Burkhart, pastor of the First Community church in Grandview, John T. Ferguson, superintendent of the local division of the Pure Oil Co., and Sam Wyer, consulting engineer, were the speakers at the meeting of the Hilltop Business Men's association at Schmelzer's restaurant Tuesday evening.

Dr. Burkhart pointed out the need for a central community house for the downtown section of the city, pointing to the high rate of delinquency in that section as evidence of the need. Ferguson spoke on conditions in Ireland using as his topic, "Both Sides of the Ocean." Wyer's remarks centered around the "Stop Japan" movement.

Entertainment was furnished by Bobby Ranch, state saxophone champion, and Patricia Cooperrider, state piano champion, both students of North high school.

The association went on record as opposing the proposed slum clearance project on the west side. A motion was adopted urging the defeat of a state senate bill now pending that would divert gasoline tax funds from the highway department. It was pointed out that should the bill pass the proposed widening of the National highway west of the city would likely be postponed indefinitely. A proposal to widen the Sandusky-st bridge was endorsed by the group.

Fred Bowman, W. T. Lewis, James S. Kennedy and the Daugherty Shade shop were voted into membership. Booster prizes were won by Alva Nelson, Chan Gibson, Jack Shank, Curtis Robert, Harriet Huff, Floyd Green, R. C. Schmelzer, C. B. Story, Paul Wichterman, Ray Hauntz, John Ferguson and Morgan Murphy.

Miss Hubbard Become Bride of Mr. Jenny

Announcement is being made of the marriage of Miriam P. Hubbard, daughter of Mrs. Faith N. and the late Paul E. Hubbard of 277 N. Harris-av, to Mr. Eugene E. Jenny, son of Mr. Rudolph Jenny of 1222 Ann-st.

Owing to the recent death of the bride's father, the ceremony was a very quiet one, taking place Friday evening, May 5, at the home of Rev. J. F. Meyers, 1640 S. High-st. The only attendants being Mr. and Mrs. Frank Jenny, brother and sister-in-law of the groom.

The bride, a graduate of West high school has been employed in the notion department of F. and R. Lazarus since her graduation.

Mr. Jenny attended South high school and is associated with Falter's Packing Co. The young couple will live at the home of their friends at 1077 Forest-st.

Eastern Star Notes

The Robert Morris chapter, OES No. 372, held its regular meeting last Tuesday evening with Worthy Matron Katie Shroyer and Worthy Patron Leo Peoples presiding.

Greetings were extended to Patron Bro. James Drumm, who resumed his station for the first time after an absence of 10 weeks with a broken hip. Four petitions were read, to receive the degrees of order. The conductress reported candidates in waiting. They are, Ralph Jacobs, Lowell Shroyer, Frank Winkler, Don Thatcher and Judge Cecil Randall. White Bibles were then presented to the candidates by John Moore.

Thelma Hawthorne sang two songs, "Just A Wearyin' For You," and "Teach Me To Pray."

On May 23 a benefit luncheon will be given at the electrical company to which reservations may be made with Dorothea Keidel or Ann Remington.

At the next meeting, namely May 16, the Crown and Bexley chapter will be the guests of the Robert Morris chapter.

She Is Bride Of Mr. Fredendall

Mrs. Edward S. Fredendall

Pictured above is the new Mrs. Edward S. Fredendall. She was formerly Miss Suzanne Gengerelli, daughter of Mr. and Mrs. Nugent Gengerelli of Gluster. Mr. Fredendall is the son of Mr. and Mrs. C. W. Fredendall, 394 S. Harris-av. The wedding was an event of Apr. 22 and was solemnized in the rectory of the Corpus Christi church by Rev. Father Kessler. The couple are making their home in Massilon where Mr. Fredendall is associated with the Pennsylvania truck lines.

Mary Policaro Is Bride Of April 22

Miss Mary Policaro, daughter of Mr. and Mrs. Domenic Policaro, 695 S. Eureka-av, became the bride of Mr. Sam M. Geradi, 1083 Madison-av, on Saturday, Apr. 22, at St. John the Baptist church.

The bride's gown was of white lace with a train, the sleeves and neckline ornamented with pearls. Her veil was of tulle and lace and her bouquet was of white rosebud and lilies of the valley centered with an orchid.

The maid of honor, Miss Jeanette Dettalb, wore a gown of aquamarine blue taffeta and carried a bouquet of peach rosebuds. The bridesmaids were Miss Mary Mastroine, Waynesburg, Miss Betty Ambrosia and Miss Jean Shidona. They all wore peach net gowns with aquamarine accessories and carried bouquets of red rosebuds.

Mr. Peter Gerardi served as best man and ushers were Mr. Patrick Policaro, Mr. Anthont Policaro, brothers of the bride, Mr. John Gerardi and Mr. Marion Gerardi, brothers of the bridegroom.

A wedding dinner was served at the TAT villa for the immediate families.

The couple visited Niagara Falls and other points of interest on their wedding trip and are now at home to their friends at 848 S. Eureka-av.

Irene Berry Is Bride of Mr. Boyer

Miss Irene Beery, daughter of Mr. and Mrs. T. A. Smith, 384 Columbian-av, was united in marriage to Mr. Jack E. Boyer, son of Mrs. Lula Boyer, 742 Oakwood-av, Saturday evening, Apr. 22, at 7:30 o'clock. She was given in marriage by her step-father, Mr. T. A. Smith.

Her princess styled gown was of white satin trimmed in panels of chantilly lace and forming a slight train in the back. The sleeves were long, snugly fitted, puffed at the shoulder and extended in points over the wrists. With this she wore a pearl clip and bracelet. Her veil was attached to a cap of chantilly lace and trimmed with orange blossoms. She carried a bouquet of white roses and lilies of the valley. Mrs. Glenn Graves, matron of honor, wore pink mousseline-de-soie fashioned in tiers of ruffles and ruffled neckline. She carried an arm bouquet of pink roses and blue sweet peas.

The little flower girl, Shirley Lou Miller, cousin of the bride, wore peach organdy and carried a basket of pink and blue sweet peas. Mr. Earl Weekly served as best man and the ushers were Mr. Richard Dierker and Mr. Charles Starrett.

Before the double ring ceremony, performed by Rev. Harry E. Boyer, at Hope Lutheran church, Mrs. Ralph Stygler sang three songs, "O Promise Me," "Because," "Calm As the Night" and at the close of the ceremony she sang "The Lord's Prayer." She was accompanied by Mrs. Byron McClure who also played the wedding music.

The chancel of the church was decorated with palms, ferns and candelabra.

After a reception at the home of the bride's parents, the couple left on a short wedding trip.

For going away the new Mrs. Boyer wore a rose and blue suit with lace blouse and blue accessories.

The couple are now at home at 2937 E. Main-st.

CHITTER-CHATTER

The little six and near-six-year olds were busy most of this week getting all dressed up to enroll for school next fall—Lea (the songbird) Phillips trilled "Dinah" in part to a select few at the Bus. Men's dance—an appropriate sign we saw recently, "W. E. Love, Drugs"—last Easter's cute little fuzzy ducks have grown into quite gangly and noisy long-neck fellows—Mrs. George Williams will NOT teach next year—for a convalescent Art Bellar enjoyed himself immensely at the B. M. dance—there was talk of Walter Davis center-aisling one night not long ago, and he denied it so vigorously we begin to wonder—Fred Raether says he doesn't get to see his grandotter. Judy W. enough since they have moved from the Hilltop—Dr. Matthews is practicing on the Hilltop once again—haven't seen Helen Jones in ages—if you're neck-deep in spring housecleaning don't feel too badly. We did ours early and now it's time to start all over again.—Jayne Hartley is still recuperating from a tonsilectomy she had a week ago last Monday—the Florida sunshine did a lot for Dr. Cramer—one of the prettiest high school girls we know is Louise Fisher—and one of the most charming newcomerettes to the Hilltop, we think, is Mrs. Dan Cavanaugh.—The longest fingernails we've ever seen are worn by Pauline of LaNora beauty shop—vieing with Gypsy Rose Lee?

WRONG AGAIN

If you've ever taken the Sky Line drive or traveled in Ole Virginny you've undoubtedly seen or heard about Massanutten mountain, and if you DID try to pronounce the name you probably called it MassaNEWTON mt. like we did, but it's MassaNUTIN, and here's the story behind it. Once upon a time, a long time ago, a man was traveling in Virginia and came upon a beautiful mountain. He met an old colored slave and asked him what the name of the mountain was. In reply the colored gentleman replied "why, Masse, nuttin'." We suppost he was just too tired to add, "Dey ain't got no name."

DO YOU REMEMBER?

When Frank Friend was the catcher on many Hilltop baseball clubs. His best year was 1909 and he entered professional ranks with Lima in the Ohio State League. Frank also was behind the bat for the champion Mendel club in 1915. Frank's air is not so good any more but he can still do pretty good for an inning or two. He is in business at Hague and West Broad-st.

Notes of A Decorator

Questions and Answers

Q. Is there any preparation I can use to abate the nuisance caused by neighborhood dogs in blighting the shrubs, bushes, flower garden, and other plant and flower life around our home?

A. Yes. Spray the shrubs, trees and plants with a mixture of nicotine sulphate and dogs will not come near them. This can be obtained from any seed and fertilizer dealer or nursery.

Q. Without going to the expense of extensive insulation, how can I make the upper part of my one-and-one-half-story home cool in summer?

A. Provide large louvers in each gable end of the roof to circulate the air in the space between ceiling and roof. On hip roofs provide louver dormers. The louvers should be built as high as possible.

Q. At what points does most heat escape from the house in winter, and where does most heat enter in summer? What are corrective measures?

A. Through windows and roof in each case. Storm windows for winter and awnings on windows exposed to the sun will each reduce this window heat loss and heat gain. The roof can be insulated by various methods.

Q. What is a good inexpensive way to paint a fence?

A. Any good-quality house paint is satisfactory for unpainted wood. Whitewash, on the other hand, is apt to prove unsatisfactory and needs frequent doing over.

Q. How can I keep my windows from rattling?

A. This can be done either by removing the stop or molding which holds the sash in place and resetting it closer to the sash or by installing metal weatherstripping. Weatherstripping would be the better way, as it accomplishes a saving in fuel as well as stopping the rattling.

Trees Used as Landmarks

Primitive man, traveling largely by foot, often found need of signs or markers. Tribes inhabiting forested regions knew that trees could be used as reliable landmarks, hence a system was developed whereby young trees were bent and secured in position so that the direction of the bend indicated the direction of the route.

Rules For Building Modern Homes

Rooms which are well planned in relation to one another and to suit the family's needs are being emphasized by architects and builders because of the current demand for homes with a functional design.

Some of the rules that guide the builder of modern homes include:

(1) A plan that makes it possible to go from room to room with the fewest possible steps and the least disturbance of occupants of other rooms.
(2) Wall space arranged for maximum utility.
(3) Practical use of glass or window area.
(4) Simplicity of design.
(5) Provision for seasonal outdoor living.
(6) Equipment and planning of the kitchen for time, step and labor saving.
(7) An accessible garage with no lot space wasted.
(8) Adequate wiring with outlets provided for convenient use of all electric appliances.
(9) Arrangements for a labor-saving laundry room.
(10) An absolute minimum of waste space.
(11) The orientation of house and location.
(12) Provisions for privacy, both in relationship of rooms in the house and in relationship of neighboring houses.

The roof of the Mission Dolores, built in 1776 at San Francisco, was laid on redwood rafters tied with rawhide thongs. They are sound and in place after more than 150 years of service.

AND YOU WON'T HAVE TO BE SORRY

YOU shouldn't need a policeman to tell you to be safe. The simple formula of dealing only with reliable firms whose reputation is unquestioned should be your guiding principal.

The risk you encounter every time you drive your car on the streets or highway should be ample warning that first of all you take every precaution possible to safeguard yourself and others by having your car carefully serviced, amply protected by insurance and safely treaded with good tires as precaution against blowouts and resultant accidents.

This summer join the thousands of sane motorists who have resolved to be safe for their own sakes and the sakes of others.

West High Play Is Riotous Comedy

The final presentation of the comedy play, "You Can't Take It With You," presented by the senior students at West high school, will take place this evening at the school auditorium. The outstanding motion picture hit of the past year is even funnier on stage with a rollicking cast of dramatic students enacting the various roles.

Roy Bowen is directing the play. Music is being furnished by the high school orchestra under the direction of Herbert Hutchinson. A double cast for some of the leading roles was selected to alternate on the two performances. Last night's showing was well accepted by a good audience.

In the role of Penelope Sycamore was Frances Mae Newlon (Thursday) and Peggy Rector (tonight); Essie played by Betty Stauch; Phebe, Betty Hoover; Paul Sycamore is enacted by Don Bachman; Mr. DePinna, Carl Glade; Ed, Bob Hall; Donald, Paul Grady, and Martin Vanderhof, Byron Farwell.

The role of Alice was taken last night by Margaret Platt and will be played tonight by Marjorie Watts; Henderson is Tom Lear; Tony Kirby, Sam McKain; Boris Kolenkhov, Carl Payne; Gay Wellington, Emagene Forsyth; Mr. Kirby is played by Bob Strait; Mrs. Kirby was played last night by Anna Louise Jones, tonight will be taken by Monna Webb; three men are Ed Braithwaite, Ronald Jones and Jack McIntosh; Olga was enacted by Barbara Palmer (Thursday) and tonight will be played by Mary Louise Miller; the matron is taken by Mary Groves.

Hilltop Church To Have Revival

The Hilltop Community church will hold revival meetings beginning May 16 and continuing through May 28. Rev. W. C. Graves from Los Angeles, Cal., will be the evangelist.

Rev. Graves has held revival services at various colleges and camp meetings throughout the nation. Accompanying him will be Robert M. Waggoner, singer from Coquille, Ore. The public is invited to attend.

Camp Chase Remnants Found By Workmen

Recollection of old Camp Chase days were brought to life last week when workmen excavating for a house at the corner of Olive and Binns unearthed structural foundations of some of the buildings surrounding the barracks of the camp. Poplar and oak planks used in the structures were found in good state of preservation despite the almost 75 years underground. The timbers were unearthed four feet under the surface of the ground.

Emory Day is the builder of the home to be occupied by Dr. R. J. Miller. Jones Lumber and Coal Co. is supplying the lumber for the job.

Mr. Ray Troth of 337 N. Burgess-av, was placed in Mt. Carmel hospital May 1 for observation. He later was returned home where his condition is much better.

Hastings Hurt As Piano Falls

James Hastings, 88 S. Ogden-av, manager of the Bliss college concert orchestra, suffered internal injuries recently when a piano fell on him at an orchestra rehearsal. The accident occurred at the Central Presbyterian church. Hastings was taken to Mt. Carmel hospital. His condition was reported not serious.

Library News

The Hilltop branch of the Columbus library services offer an abundance of new reading material to its patrons.

The fiction line consists of a number of excellent suggestions among which are Bassett's "New England Born;" Bottome's "Danger Signal, "Far Down" by Corbett; "Other Brother" by Cushman; Ferguson's "Bird of Paradise;" "Next To My Heart" by Miller; "Alias Blue Mask" by Morton; "Listening House" by Seely; and Stephenson's "Spring Journey."

The non-fiction list includes volumes that are equally as interesting, such as Beal's "American Earth;" "Facts For Girls and Young Women on Narcotics, Liquer and Tobacco" by Comstock and Baker; Ferber's "Peculiar Treasurer;" Fosdick's "Guide To Understanding the Bible;" "How To Organize and Conduct a Meeting" by Henry and Seely; "The Cigarette As the Physician Sees It" by Kress and Thomson; and Baker's "Science Speaks To Young Men on Liquor, Tobacco, Narcotics and Marijuana."

The monthly story hour for children was held Saturday. This custom which has been in pursuance since last fall, will have its final occurance of the season at the June gathering.

Two Hilltoppers Elected To Phi Beta Kappa

Two Hilltoppers were signally honored at Ohio State university last week when they were voted into membership of Phi Beta Kappa, national honorary scholastic fraternity. George Armour, 90 S. Ogden-av, and Roy Riggs, 385 S. Hague-av, both seniors in the college of arts and science, were among 43 memberships named this quarter.

Both Armour and Riggs are graduates of West high school and have been making exceptionally fine grades in all their work at the university. They will graduate in June.

Phi Beta Kappa makes its selections on the basis of scholastic excellence and the all-around ability of students to participate in campus and extra-curricular affairs.

Brust Florist Known On West Side

Located at the corner of Thomas and Hawkes-avs, on the west side is the Brust Florist. The business is owned by John Brust, a resident of that community for the past 50 years.

The place has over 20,000 square feet of glass sheltering a wide assortment of flowers. Special boxes, potted plants and cut flowers have been prepared for demands of Mother's Day.

Oakley Church Has Mother-Daughter Banquet Tonight

The Oakley Avenue Baptist church is sponsoring a mothers and daughters banquet tonight. The committee in charge is expecting at least 100 mothers.

Sunday a Mother's day program will be presented in the morning and evening services. The pastor of the church will be in charge of the morning services. In the evening a group of mothers and young people will furnish the program.

On Thursday night a group of girls will give a play entitled "Sophronia's Wedding." A large crowd is expected at the play.

POT LUCK LUNCHEON GIVEN IN HONOR OF CAST

The cast of the playlet given at West Broad Street school called "The Fountain of Youth," was honored with a pot luck luncheon at the home of Mrs. Lynn Baker, 179 N. Chase-av, director of the play.

Guests present were Mrs. F. D. Sparks, Mrs. Russell Floyd, Mrs. N. S. Booth, Mrs. H. F. Remington, Mrs. Grover Amerine, Mrs. W. K. Dean, Mrs. G. H Ett and Mrs. C. H. Growden.

The Hilltop Record

The Hilltop, Columbus, O.
Friday, May 19, 1939
Total No. 1151
Vol. XXIII, No. 5

Fine Performance At West High

We always have contended that the Hilltop has a way of doing things that just naturally "surpass". In other words, Hilltop performance in most everything has been "tops".

And when it comes to performance in activities at West High school we believe the production "You Can't Take It With You" rates "tops" over anything that has ever been presented in Columbus schools and most certainly was the finest thing West High ever did in this line.

No individual can be singled out for laudatory remarks but a world of such speech can be directed at the entire cast. A most difficult play to produce, the local high school cast made it stand out more nearly like a professional performance.

A Rose to Mr. Roy Bowman, dramatics teacher, for the fine direction that was so evident in the quality of the production.

Recognition Of Talents

Such a fine production as that of last week-end by the West High seniors causes us to believe that an important matter has been overlooked.

The football and basketball teams are feted annually, and rightfully so. But why single out athletics? Why not a similar reward for worthy performance like that of the dramatics class, or the high school paper?

We believe this is an opportunity for some group to lend its efforts toward encouragement of these finer bits of work. And most certainly all those who have participated have earned such a reward and recognition.

A Successful Year Nears Close

As another school year nears a close it is fitting to point with pride to the continued advancements of West High school and the able direction of such a program by Dr. H. H. Reighley.

We have always admired the gentleman as a person who accomplished things. He has continued to do a fine job at West High. We wish him well in years to come and believe he can count on continued fine cooperation from Hilltop people.

West Nine Meets Bengals In Finals

Tie North For Loop Lead With East Win

By Dave Shiflet

The West high baseball team, 1939 edition, riding on the crest of a four-game winning streak and tied with North for the top spot in the City league, will oppose the Bengals of East high school this afternoon at Magly field in the finals of the central district baseball tournament.

Usually counting heavily on good pitching and an impregnable defense to win their ball games, the Bucks turned on opposing pitchers with "murder in their hearts" as they pounded out 46 hits and 60 runs in three games to advance to the finals. Victims of the onslaughts last week-end included Washington C. H., Hilliards and North high of the City league.

Washington fell by a 26-2 count, Hilliards was beaten 24-8 and the Polar Bears presented the Bucks with an afternoon of uneasiness before succumbing by an 11-10 margin. East gained the finals by turning back Bexley 6-5 Saturday.

Pre-Game Favorites

The Cowboys will be pre-game favorites to cop the title which they held two years ago. Twice this season the locals have gained decisions over their opponents in the finals. The first meeting resulted in a 6-3 win while Tuesday at Harley field Jake Richards gained his second decision over the Orange and Black with the aid of some heavy stick work by his mates. Richards fanned 10 and walked only one as Dick Smith, Ralph Link, Paul Rogers and Bill Albert led the 13-hit Buck assault on the two opposing pitchers to give the locals a 10-5 victory.

Following this week's set of City league contests West is tied with North for first place with a record of six wins and two losses. The Buckaroos will continue play in the city circuit Tuesday when South will furnish the opposition at the local stronghold. Central is holding down second with a record of one less win and will end the local season at home when they appear here on May 30. West has beaten both in previous games.

* * *

West Track Team

Track received its baptism under fire at West high last week-end as the Buckaroo thinlyclads participated in the City league meet for the first time as a unit and the result was a fourth place position in the team standings behind North, Central and East.

North led with 94¾ points, Central gained 48, East tallied 38, West made 29¾ and South and Aquinas followed in that order. West gained no first places but placed second in the shot-put, high hurdles and the 880-yard relay event. Gentry and Zulauf gained second place honors.

Golfers Set Back

The Buckaroo golf team suffered its fourth setback in the City scholastic golf league last Saturday as against one win, but the Buck mentor, George Collins, marked up his sixth straight win without a setback to pace the coaches in their sottos held in line with the school clubs. Coach Collins kept his slate clean by turning back Carlton Smith of Bexley, 4 and 3.

* * *

Taking the reins in hand where George Williams left off last season, Coach Dale Rose of the West junior high nine has his fighting Bronchos right at the top in the junior high circuit. The "Little Bucks" have beaten Roosevelt, Mound, Starling and Indianola, the latter contest not counting in the final league standing.

The battery for the Bronchos is Bob Swisher and Ray Laughlin, with Swisher having turned in one one-hitter to date and two shut-outs Roosevelt, 4-0 and Mound, 8-0. The Mound fray was the one-hitter.

HILLTOP WILL HONOR MISS DAY

Hilltop residents by the score are expected to be present this evening at the Palace theatre when Columbus pays tribute to its singing and dancing star, Gracebelle Day.

The recognition, captioned "Hilltop Night" will get unday way at the 7 o'clock performance with the Camp Chase drum and bugle corps playing previous to the opening of the show.

Flowers will be presented the popular Gloria Day, who is opening her week's engagement at the Palace with Benny Goodman and his orchestra, by the American Legion and the Hilltop Business Men's association.

There will be no reserved seats, the Palace management announced, and those wishing to attend are urged to be prompt.

Shelter House Ready For Summer Play

With the advent of the spring and the balmy weather which accompanies it, the Glenwood shelter house staff has been busy preparing the outdoor facilities for summer use by Hilltop residents.

The tennis courts have been reconditioned and are now in excellent condition while three horseshoe courts are now in the process of being reconditioned and will be ready next week. Many Hilltoppers are taking advantage of the opportunity offered by the city recreation department and have been visiting the park regularly.

The park is operated by the recreation department in conjunction with the Works Progress administration and activities there are now under the direction of Al Abrams, Bert Bost and Florence Miller, with Jack Dillon acting as social dance instructor.

Parents are invited to come with their children and enjoy their leisure hours at the park.

Memorial Services Planned

Annual Memorial day rites for the southern Civil war dead will held by the Robert E. Lee chapter, United Daughters of the Confederacy, Saturday, June 3 at 2 p. m. in the peaceful Camp Chase Confederate cemetery, in cooperation with the federal government.

Mrs. Waymon B. McLeskey, 23 Riverview Park-dr, president of the chapter, announced this week that Dr. Lawrence F. Hill, professor in the history department, Ohio State university, will be the speaker. Dr. Hill, author of two books and a native of Texas, will speak on "Confederate Despair." Arthur Bellar, commander of Camp Chase No. 98, American Legion, will act as master of ceremonies.

The state division president of the United Daughters of the Confederacy, Mrs. Perry Shoe from Cincinnati, will attend the services. Music will be furnished by the Franklin Post No. 1, American Legion band, nationally known and runner-up for the national American Legion band honors. Fort Hayes will send its chaplain for benediction and invocation exercises and has sent Mrs. McLeskey word that a firing squad and buglers will also be on hand.

During the ceremonies two medals will be presented by the organization to World war veterans of Confederate descent. Those who will receive medals are Boyd Pasley and Edward Rose. Mrs. Margaret Crockery, national custodian of crosses, will present the medals.

The Robert E. Lee chapter, oldest of its kind, was organized in 1900, and for many years before the government took over the local cemetery and provided a regular caretaker, kept up the premises.

Plans for the celebration of Memorial Day are under way at Camp Chase headquarters, 3185 W. Broad-st, home of the local post of the American Legion, according to Chester W. Wagner, chairman of the Memorial Day activities of the post.

Home Observes Founding

The Friends rescue home, 245 N. Powell-av, will observe the thirty-fourth anniversary of its founding with special services on Tuesday, May 30. Founded by Evangeline Reams, the home is a participating agency of the Community Fund and has served more than 2,000 girls during its existence.

The services will begin at 10 a. m. and continue throughout the day with the public invited to attend. Rev. Clyde Wendell, pastor of the Westgate Evangelical church, will deliver the morning address with luncheon being served at noon. The afternoon sermon will be delivered by Rev. Harley Bower of Adrian, Mich., with the services beginning at 2 o'clock.

Founded on N. Harris-av in 1905, the home was supervised by Miss Reams until 1931 when she was killed in an auto crash en route to Marion, Ind. Since that time the home has been supported by the Community Fund, local churches and especially the Highland Avenue Friends and the Ohio yearly meeting of Friends churches.

The staff provides numerous activities for the occupants of the home, including various social events such as popcorn making, taffy pulls and wiener roasts in the evenings. Sewing crocheting, embroidery work and various phases of house work also serve to brighten the long hours and to keep the girls busy.

Ellinger Opens New Grill

A new modern grill is being opened by Phil Ellinger at 2214 Sullivant-av. A formal opening is scheduled for next Tuesday evening. The quarters have been enlarged and redecorated in the most modern fashion with the addition of steel furniture. Sandwiches will be a specialty item.

Gives Show

Jack Thomas, the Jack Frost sugar man, will perform his tricks of magic for the benefit of Circle No. 1 of the Burgess Avenue Ladies Aid, in the church basement this evening (Friday) at 8 o'clock. A small admission charge will be made for the evening's entertainment.

CLUB MEETS SUNDAY

The Hilltop Cycle club will meet Sunday at Ray's Cycle store at 11 o'clock for a ride to Hilliards. Ray's is located at 2516 W. Broad-st.

Perry Davis Gives Anniversary Tokens

In observance of his third year as owner of the Pure Oil service station at Whitethorne and Broad, Perry Davis is giving a rose free to each lady who visits the station on Saturday of this week. Every person stopping at the station will receive a free bottle of Dr. Pepper. Children must be accompanied by adults.

To Sell Plymouth, DeSoto Cars

Robert Kimball

Erwin (Bunny) Kimball

A complete line of Plymouth and DeSoto cars will be handled by Kimball Brothers One-Stop garage, corner Chase and Broad, it was learned this week. Models in both lines were placed on exhibition yesterday.

The garage built last fall is owned by Robert and Erwin (Bunny) Kimball. The business was started at 24 S. Hague-av, several years ago and continually increased business caused the expansion. It will be their first venture into the auto sales business.

A complete service will be maintained for all cars sold. It was pointed out that the facilities of the new garage would provide adequate accomodations for the service work.

Patents To Be Granted On Sewing Machine

By Phil Dunson

Final patents will soon be granted for a completely automatic sewing machine, the result of 14 years of study and experiment carried on by Hilltopper Daniel Day.

This machine, because of its great number of uses and ease of operation, is destined to revolutionize the sewing machine industry, Day believes. It can be made in any size from four inches over all to the largest factory size; it has no bobbin, on motor or foot treadle. No part employed in the machine has ever been used in any other sewing machine.

Merely pulling the material to be sewed over a small wheel, with a spring above to give tension, turns the wheel, which in turn is very highly geared to the rest of the apparatus and causes the entire mechanism to operate. The machine lock-stitches the material just as do the larger and more complicated sewing machines now on the market.

To Organize

Promoters for the new machine, who will either form a corporation or sell the rights to the invention are Max H. Rieser, local real estate man; K. P. Murphy of Columbus, and Victor Emanuel, New York financier. In case they should find a buyer, each along with Day would receive 25 per cent of the profit. Their patent attorney is W. S. McDowell whose offices are in the Huntington bank building.

The patents are in the name of Day, the inventor, and the rights belong to the signers of the contract. The men now have grants for patents on every part with the exception of one which is now being applied for. This grant will come in six months; following that a patent will be obtained on the machine as a unit.

Daniel Day was born in Gallipolis and lived for several years in Dayton where he owned a tire business and worked as a machinist before coming to Columbus. An unfortunate fall while on a CWA job broke his back and he has been required to wear a brace.

He now owns a small amount of real estate and does carpenter work. He is living with his wife and seven children on N. Southampton-av.

Hastings Purchases West Jefferson Paper

Purchase of the West Jefferson Star at West Jefferson was announced this week by R. D. Hastings, 86 S. Ogden-av former publisher of the Hilltop RECORD. He will be active in the publication and management of the paper.

TOWNSEND CLUB NO. 23 WILL MEET TONIGHT

The Townsend club No. 23 will meet tonight at the IOOF hall, 2356½ W. Broad-st. Rev. W. F. Rutherford of the Oakwood Avenue U. B. church will be the guest speaker. A dinner will be served from 5 to 8 o'clock. The public is invited.

Night Softball League To Play

Plans were being completed this week for the opening of the Columbus night softball league at the State hospital diamonds on Monday night, May 29. An eight team league will play two games on Monday and Wednesday nights each week starting at 8 o'clock.

Representing the Hilltop in this fast loop will be the entry of Jones Lumber & Coal Co., coached by Frank Holycross and made up largely of members of the Hoge Memorial church league team.

Late summer will see the district and state tournament playoffs on the local grounds.

1124 Students Will Graduate In June

Ellen Crabbe Is Essay Winner

Ellen Crabbe, 1968 Sullivant-av, was declared the winner in the church essay contest sponsored by the Hilltop Ministerial association recently. Her entry won the $10 awarded for first prize.

Second place and $5 went to Nancy Hegwood; third place with a $2 cash prize went to Marcia Shields. The next four prizes of $1 each went to Victor Miller, Reginald Ashburn, Clarence Boyd and Martha Louise Jones.

Checks will be mailed to the winners early next week the committee reported. Copies of the top prize winning letters will be printed in subsequent editions of the RECORD.

Evangelist

Rev. Graves

Rev. W. C. Graves is now in a revival at the Hilltop Community church, 3060 W. Broad-st. He is from Los Angeles, Cal., and is well known throughout the nation as an evangelist. The revival meeting continues until May 28.

Free Plane Models To Be Given

Hilltop boys and girls should carry their lucky charm pieces tomorrow when attending the Rivoli and Ritz theatres. The reason: George Pekras, genial manager of the two cinema houses, is giving away 200 beautiful model airplanes to the children attending the shows.

Upon entering the theatre building, either Rivoli or Ritz, each youngster will receive an airplane picture and if the picture has a star in the upper right hand corner the owner will be entitled to one of the model planes. The Ritz has no matinee performance so the planes will be given out in the evening at the Sullivant-av house.

Planes will be given out both afternoon and evening at the Rivoli.

Schwan Brothers To Open Garage

Schwan Bros. announce they will be open for business in their new garage building at Sullivant and Burgess-avs, Monday. The firm will continue to service all makes of cars. Details of an opening will be announced in The RECORD next Friday.

258 West Seniors Prepare For Final School Activities

Graduation ceremonies, bringing to a close the scholastic careers of 258 West high seniors, will be held June 7 at the coliseum at 10 a. m. while during the same week the exercises for 866 other Hilltop students will bring the number of Hilltop graduates from all West side institutions to 1,124, exactly the same number as last year.

The total number of graduates at West high for 1939 will number 324, including the 66 girls and boys who received diplomas in the February class. Dr. H. H. Reighley, principal at the local high school, will watch his second class file from the building as the twenty-eighth graduating class from West high takes its leave. Dr. Felix Held, college of commerce, Ohio State university, will deliver the address at the graduation exercises.

Among other activities scheduled for West seniors in closing out the school year is the senior party, set for June 2 in the school gym. The festivities will get under way at 9 p. m. Baccalaureate services will be held in the school auditorium Sunday, June 4, at 3:30 p. m. Dr. Rollin Walker, noted lecturer, author and former professor of Bible at Ohio Wesleyan university, will deliver the sermon. The final event before graduation is the Class day program to be given Monday, June 5, at 8:15 p. m. in the auditorium.

515 Juniors

The two junior high schools on the Hilltop will graduate 515 students, West Junior leading with 310 and Starling giving promotions to 205 boys and girls. The junior high commencement will also be held June 7 in the coliseum.

At West Broad elementary graduation ceremonies will be held June 6. No definite plans have been made as yet but approximately 75 promotions will be made. An open-house for parents will be held in the near future at which time parents may visit, talk with the teachers and look over the students' work done during the past year.

The combined promotions of West Mound and John Burroughs grade schools will total 117, according to E. B. Graham, principal of John Burroughs. Exercises will take place Tuesday morning, June 6, with Rev. Carveth Mitchell, pastor of the Hilltop Lutheran church, delivering the address and Rev. E. E. Burtner, pastor of Burgess Avenue U. B. church, giving the invocation. Dana Avenue elementary will give diplomas to 60 students and Highland school will graduate 50. Tentative plans at both schools set June 7 as the final date.

The Parochial schools, St. Mary Magdalene and St. Aloysius, will graduate 49 pupils, the former 14 and the latter 35. Ceremonies at St. Mary's are to be held in the church when attendance, scholastic and Grand Knight awards will be presented. St. Aloysius will hold graduation exercises June 11.

Dance Funds Go To Band

The Band Parents club of West high school is sponsoring a dance at Camp Chase post headquarters, American Legion, 3185 W. Broad-st, Friday evening, May 26, the proceeds of which are to be used to have uniforms of the West high band cleaned before the end of the present school term.

Hal Brown's orchestra, doing their chores with the usual excellence displayed by them, have donated their services for the evening. Prizes will be awarded for the most graceful couple, the best jitterbug, and a surprise dance.

The slogan suggested for the coming event is "Let's dance, so our band can march."

The club will have a basket dinner picnic at Westgate park Thursday, June 1, at 4 p. m. Members of the West high band, their parents and families are invited to attend. Ice cream will be furnished by the Band Parents club.

PACK 19 TO HAVE MEETING

Cub Pack No. 19, Hillcrest Baptist church, will have a special parents meeting Thursday, at 7:30 p. m., at the church. All parents and Cubs are urged to attend the gathering.

Model Home Is Being Built At Westgate Park

One of the Johns Manville model homes featured in the current issue of McCalls magazine is being built at 3304 Wicklow-rd, just opposite Westgate park, by Ken Dickerson. The house will be completed and open for inspection about June 10.

This triple-insulated house will have an asbestos roof, asbestos shingle siding, full thickness of insulation in sidewalls and includes the latest features of frame construction. It will have five rooms all on one floor.

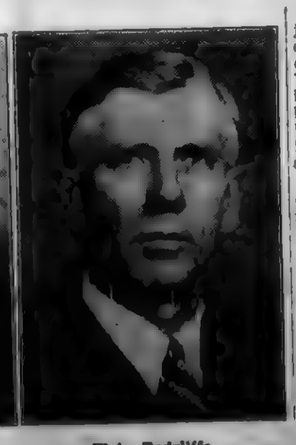
The West Side Lumber and Coal Co., 3401 W. Broad-st, is supplying the building materials. The public is invited to watch the various stages in the construction work and then see it as it is completed and opened to the public.

Jean Tarleton Is Candidate For Freshman Queen

Jean Tarleton, graduate of the 1938 class of West high school, has been selected by her sorority to compete for the honor of queen of the freshman prom which will be held this evening in the armory on the OSU campus.

Jean is a member of Chi Omega sorority, having been initiated this spring and resides at 28 S. Roys-av. She is the daughter of Mr. and Mrs. Harry E. Tarleton. During her high school career she was a member of the dedication court, selected for the dedication services of the new Magly stadium.

Eisteddfod Program To Attract Music Lovers



Directing the program of activities for the Hilltop's first eisteddfod are these two energetic music lovers. E. H. Gilderaleeve, 238 N. Ogden-av, is general chairman of arrangements and Elzie Radcliffe, 1532 W. Broad-st, is president of the Hilltop male chorus, sponsor of the song fest. Many hours are being spent in conferences over various phases of the organization of the competitive singing that will take place at the Hillcrest Baptist church on Friday, May 26.

More than 50 entries have been received for the different classifications of singing and recitations.

Two men well known in central Ohio music circles will serve as adjudicators. Prof. Joseph A. Leeder, professor of music education at Ohio State university, and John T. Davies, literary critic and writer, will judge the music and literary portions respectively.

E. H. Gilderaleeve

Elzie Radcliffe

Prof. Leeder has served as adjudicator in many Ohio cities and over the midwest. He has directed music festivals in Hocking, Vinton and Paulding counties. He is the author of a recently published book, "Singin' Gatherin," a book of ballads of the Appalachian regions. He lives at 462 Kingav.

Mr. Davies is a poet of considerable note, having written numerous poems in Welsh and English. He has attended and participated in most of the eisteddfods in Ohio in the last 35 years.

Opens Market

Al Dolder, formerly of Dolder's food shop at 1342 W. Broad-st, has recently opened the Dolder Fruit Market, Sullivant at Powell-av.

Dolder operated the fruit market the early part of last year. He lives at 2816 Sullivant-av.

Hilltop Pool Will Have Miniature Boat Races

The Columbus Model Power Boat club, local affiliate of the American Power Boat association, will sponsor a miniature race Sunday, May 28, at the Hilltop swimming pool, located at the corner of N. Hague-av and Valleyview-dr, it was announced this week by A. C. Harmer, 192 N. Powell-av, secretary of the club. Admission to the race is free.

Among the contestants to appear here will be Edmund Kalfus of Endicott, N. Y., who holds the world's record in Class B with a speed of 44.44 miles per hour. The boats are to be divided into four different groups, according to the weight. It is expected that Detroit will send nearly 25 racers to the meeting and these will be supplemented by three contestants from New York and six from Columbus. All of the boats were built by the entrants.

A ball-bearing swival will be placed in the center of the pool from which will extend a 59-ft. cord. The boats will be tied to this cord and will be driven around a 314 foot circuit by the single-cylinder gas engine which each possesses. Five laps around the pole is counted as a run and each boat will be given two runs.

Trophies will be presented for the best speeds in the various classes.

Work at the pool has been going on rapidly in preparation for the opening on May 30. The bottom will be painted white this year instead of blue as in other years.

The new 60 by 100 foot dance pavilion has ben laid and plans are tentative for the first dance of the season on Saturday, May 27. A fence is being erected this week and a band shell will house the orchestra.

Redecorates

Dr. F. L. Sulzberger, optician at 2617 W Broad-st, has just completed redecoration of his office. New fixtures and optical instruments have been installed for use.

Miss Long Will Become Bride Of Mr. Knott

Misses Blanche, Olive and Harriet Hicks, 27 N. Chase-av, are announcing the engagement and approaching marriage of their niece, Miss Doris Louise Long, to Mr. Russell H. Knott.

The ceremony is to be read at their home at 4 o'clock the afternoon of June 10, with Rev. Ensign of Huron officiating.

Miss Long is a graduate of Ohio State university where she became a member of the Alpha Delta Pi sorority and has been a teacher of home economics for eight years.

Mr. Knot is the son of Mr. and Mrs. George Knott of Huron and is employed in the postal service there.

After their wedding trip Mr. Knott and his bride will make their home in Huron.

Biennial Convention At Baltimore, Md.

Miss Catherine J. Clouser, 33 Midland-av, will be a delegate to the biennial convention of music clubs meeting at Baltimore, Md., on Junior day, May 20.

Dollars That Come Back Home

This the story of "The Dollars That Came Back Home.". Yes, it's a true story.

This lady was farsighted. She realized that when she spent her money at home with local merchants her dollars went much farther. Her purchases were so much easier to make. She always found them willing to take care of her smallest needs and better still their was always the "neighborly" guarantee that meant more than her money could possibly buy anywhere.

Best of all she realized that her dollars were coming home again because they had been spent wisely. She was buying more and better merchandise than her neighbor who went away to buy. Her home looked nicer, her clothes were better and still she had more money in th esavings account from the pennies and dollars she had saved. Yes, her dollars had come home again.

RUMMAGE SALES SUCCESSFUL

The last rummage sale sponsored by the Wheatland M. E. church, Oakley Avenue Baptist church and the Douglas club has been given. The first sale took place at Urbancrest in March, and the second and last at the Wheatland Avenue M. E. church.

Their appreciation is extended for the many donations received which made possible the rummage sales, both of which were reported successful.

Golf Course Attracts Many Hilltop Players

For several years a regular inhabitant of the golf course, Jack Kidwell is now in the midst of his second year as manager of Beacon Light Golf course, the scene of his caddying activities and later his own expert play. A few recent days of sunshine have crowded the fairways and greens at the Hilltpo's course one-half mile south of Rome.

Jack started his caddying at the age of nine and soon learned to play the game himself. So well did he learn the game that in 1937 he won the state high school golf championship at Arlington with a 36-hole medal score of 78-74-152. He has shot a 70 on his course on one occassion and last year had a 33 for one nine. The course's best scorp was made by Jimmy Nichols, the one-armed champion. It was a [illegible].

Jack and his father, L. E. Kidwell work together in keeping the course in tip top condition. This year all new mowing equipment for both greens and fairways were added to make possible more frequent mowings.

The course is 3,040 yards long and has a par of 36. The course was originally built in 1928 by Fred and Carl Postle on land owned by their parents. In successive years Al Marchi, Ralph Rocky, Roy Francis Spurlock and George Harter operated the course.

Eleventh Ward Women Honor Judge Harold Kime

The Eleventh ward women's Democratic club met at the home of Mrs. Samuel J. Willis, 145 S. Roys-av, last evening.

Adopting the following well expressed resolution in connection with the death of Common Pleas Judge Harold L. Kime:

WHEREAS: A divine providence has decreed to take from amongst our midst one of our prominent and outstanding citizens, Hon. Judge Harold Kime, and—

WHEREAS: This community has not only learned to trust but also have learned to love Judge Kime, and—

WHEREAS: We are now mourning the loss of a kind and true friend and we realize that a strong young oak in this forest has fallen, but that the lights from the torch of his life will shine in the lives of the people in this community for many years to come . . now

THEREFORE: Be it resolved by the Eleventh ward women's Democratic club that we extend our sincere sympathy to his bereaved family.

Be it further resolved that a copy of this resolution of condolence be sent to his widow, children and father and mother of our beloved friend, Judge Harold Kime.

Miss Genevieve Taylor, referee and chief probation officer for Clayton W. Rose was speaker at the meeting.

Kent's Lead Circuit

Hoge, Calvary Set Church League Race

By Woody Owens

Two late inning rallies by the Kent's Market softball team gave them a 6-5 win over the McDonald Lumber team in the Hilltop Independent league last Thursday and with the win the grocers gained undisputed possession of first place in the circuit. Successive hits in the seventh inning by Morris Stinson and Eberhart produced three runs with Albert and Eberhart twirling for the winners.

Spears Funeral Home was stung with its second straight setback as Charlie Cash pitched three-hit ball to lead the Sullivant Avenue Merchants to a 6-0 shut-out victory. In the final contest Westwood K. of P. gained a

Westgate diamond No. 1 will be the scene of events Sunday afternoon as the Sullivant A. C. baseball team, winner of 20 games in 27 starts last season and undefeated in three appearances this year, tangle with Como Markets, a team made up of former semi-pro stars. Ray Speer, Sullivant pitcher, is out to gain his sixteenth consecutive win.

6-4 decision over the Corner Cafe ten by virtue of five runs in the third inning. Fulton banged out a triple and Gully connected for a four-bagger in the third round uprising.

In games to have been played last night at Westgate Park Kent's Marketeers were matched with the cellar-dwelling Spears outfit, Corner Cafe and Sullivant Avenue Merchants were matched and Westwood K. of P. was scheduled to cross bats with McDonald's Lumber team.

Hoge Memorial and Calvary Presbyterian teams continued to dominate play in the West church league as the second round of games was completed Monday evening. Hoge defeated Glenwood M. E. 6-1 and Calvary trounced St. Aloysius by a 9-1 count.

McFadden turned in an excellent mound performance for Hoge, the Methodists garnering only three hits. Hemmerly, his opponent, allowed only five singles but poor support proved his downfall. Martin tossed a four-hitter for Calvary.

Hilltop C. of C. won a well-played fray from Highland Avenue Friends as second round games were played in the West church league No. 2 at McKinley park Monday evening. Stinson, the Christian twirler, allowed only two hits and hit a long home run to win his own ball game. Skipper, the losing pitcher, gave up three blows.

West Park M. E. defeated Avondale U. B. 4-3 in eight innings with Eberhart pitching three-hit ball for the Methodists. Hoge Memorial No 2 took a 6-1 decision from Hilkrest Baptist by virtue of a three-hit bit of elbowing by Klinger of Hoge.

Calvary Leads League

By Woody Owens

—Calvary Presbyterian won the first round title in the West church softball league this week by batting out an easy 7-3 win over Hoge Memorial in the feature contest on Monday's card at Westgate park.

The winners won their third consecutive victory by blasting McFadden, Hoge's star pitcher, from the mound in the fourth canto with a three-run barrage, then continued the attack on Sunker, his successor. It was the first setback for Hoge.

In the second tilt on the program St. Aloysius recorded its first win and Glenwood M. E. lost its third straight as the Catholic lads decisioned the Methodists 8-7 in eight innings. Charles "Hack" Casey doubled sharply in the final round to score Brannigan with the winning tally.

West Park M. E. took over undisputed possession of first place in the No. 2 church league by downing Hillcrest Baptist 6-0. Eberhard twirled the shutout for the Methodists, allowing only three hits and fanning eight.

Hoge No. 2 edged Hilltop C. of C. 5-4 and Avondale U. B. eked out a 3-2 decision over Highland Avenue Friends in other league games at McKinley field Monday evening.

Hilltop Independent

The third round of play in the Hilltop independent league got under way at Westgate park last Thursday evening and Kent's Market chalked up its third straight win by shutting out Spears Funeral Home 9-0 to retain undisputed possession of the league leadership. Gilliland hurled three-hit ball for the winners.

Sullivant Avenue Merchants gave Corner Cafe quite a scare before succumbing by a 5-4 count. Riggs and Mason paced the cafe attack against Case and Rinehart, with the former being charged with the loss.

The final contest went to Westwood K of P as Paul Fulton poled out a homer in the fifth inning to lead his mates to a 5-3 win over McDonald Lumber.

In games played last evening Kent's placed its undefeated record on the block against Corner Cafe, Westwood K of P was pitted against Sullivant Avenue Merchants and Spears Funeral and McDonald Lumber were matched.

Night League

The Columbus night softball league will open under the lights at the state hospital diamonds Wednesday, May 31, at 8 o'clock. The opening set of games will bring together Belmont Caskets vs. Bartlett's. Prosecutors at 8 o'clock and in the nightcap at 9:15, the west side entry, Jones Lumber, managed by Frank Holycross and composed principally of players from the Hoge Memorial church, will battle with Vess Glee-Cola, defending night league champions.

West Students To Donate Flowers

C. S. Kennedy, teacher at West high school, has requested all students of the school to bring flowers for the decoration of graves of the American soldiers. Flowers should be brought before school Monday morning.

Chambers Is Named Council Commander

George Chambers, 103 S. Warren-av, was elected and installed as commander of Franklin county council, Veterans of Foreign wars at its regular meeting Monday, May 22. Chembers is a member and past commander of Westway post No. 3441, Veterans of Foreign wars.

Fultz Is Named District Commander

Richard C. "Dick" Fultz, a member of the Columbus chapter, Army-Navy Union, has been appointed district commander of the second area of the Ohio department. Well known locally as an appliance salesman for the Westgate Electric shop, Fultz resides at 388 Twelfth-av. He attended installation ceremonies for the new Fayette Garrison, 3213, in Washington C. H. Friday, the first meeting he went to following his appointment.

RAY CALLS CYCLERS

Bert Ray, Hilltop bicycle dealer, has issued a call to members of the Hilltop Cycle club to meet at his store, 3516 W. Broad-st, Sunday morning at 10 from which point the group will proceed to Union station to welcome a bike train containing cyclists from all sections of the state. The group will then take to the road and ride up along Storage dam.

Mrs. Ethel Wright, 166 S. Roys-av, is recovering at the Mt. Carmel hospital from an operation she underwent last week.

Warm Weather Calls Local Riders

Shown above are three snapshots taken at the Hilltop Riding Academy, Eureka-av and Eakin-rd, as the summer riding season began here on the Hilltop. With the fine weather prevalent during the late spring as the chief inviter, these three lassie have taken to the open air and sunshine. The left photo pictures Caroline Stevens, 823 S. Richardson-av, atop "Silverette"; the center shot is of tiny Jackie Gates, 2614 Eakin-rd, while in the right picture Wortha Thum, 2622 Eakin-rd, poses on "Tony."

West High Nine Wins District Title

Richard, Link Star As Bucks Down East

By David Shiflet

Coach George Williams and his Buckaroo baseballers gained the right to compete in the state tournament this week-end by coming from behind in the late innings last Friday afternoon to edge the East High Bengals by a 4-3 margin in the finals of the Central district baseball tournament, Class A, played on the West diamond. Drawings for the state tournament were to be made Thursday evening at 7:30 in the office of the commissioner of the Ohio State High School Athletic association.

Not content with the district baseball title, the Bucks are determined to win or share in the spoils of the City league. Central dropped from a three-way tie with the Cowboys and North for the lead Tuesday by dropping a 6-5 decision to Aquinas. West and North continued to pace the pack, the former dropping South 9-1 Monday behind Harold Neal's two-hit pitching while Ned Bell garnered three safe blows including a four-baser.

North will conclude its sked Friday by invading Aquinas to take on the red-hot Terriers while West will not finish up its league play until next Tuesday when the Pirates visit the local stronghold. Aquinas and Central hold the key to the championship and a three-way tie for the flag is not out of question. West edged Central 6-4 in a previous meeting at Central.

Bucks at Best

In winning the district championship the Bucks were at their best. Richards twirled for the locals and except for the opening round when East tallied all its runs, he had the situation well in hand. West scored a trio of markers in the third when Dick Smith singled, Ned Bell tripled and Harold Banker poled out a long home run over the center-fielder's head. With none out Wilgus relieved Trout and held the Bucks in check the rest of the inning.

The winning tally came in the sixth. Wilgus lost his own game by walking Ralph Link, one of the Buck sluggers, in the sixth. The wily third-sacker stole second and third bases on consecutive pitches and scored on Smith's infield out.

Engineer Injured In Train Wreck

An engineer for the Pennsylvania Railroad, Gordon Penny, 249 N. Ogden-av, was one of the two Columbus men seriously injured in a three-train wreck at Bradford early this week. The 50-year-old Hilltopper's condition was reported as fair.

The accident was termed one of the strangest ever seen in that part of Ohio. A heavy freight plowed into the rear of another which was stopping for coal and a short while later a fast fruit train crashed into the wreckage of the two trains.

Mrs. Minnameyer Rites Were Monday

Mrs. Fannie Cooley Minnameyer died last Friday evening at her home, 126 S. Terrace-av, after several months' illness with carcinoma. She was the wife of John Minnameyer, New York Central engineer.

Mrs. Minnameyer is survived by two daughters, Mildred and Mrs. Frances Rinehart; three sons, Howard, Wilbur and Earl Minnamyer; six brothers, Harry, Robert, Charles, William and Clinton Cooley, all of Columbus, and Jesse Cooley of Logan; one sister, Mrs. Joseph Gilliland.

She was a member of the Hilltop Church of Christ and the Capital City Pythian Sisters. Funeral services were held Monday. Burial in Memorial burial park.

Koontz Seeks Council Post

Henry Koontz, tenth ward Republican committeeman for the past seven years, has tossed his hat into the council race, it was learned this week. He was a candidate for the same post four years ago and finished fifth in a field of four to be elected. He trailed by only 186 votes.

Mr. Koontz

Koontz has been a store manager for the Mykrantz drug organization for almost 17 years. He was at the store at 1208 W. Broad-st until four months ago when he was placed in charge of the store at the corner of Wayne-av and W. Broad-st.

He claims to have the endorsement and backing of both the country and Gessaman city organizations. He is the second Republican to announce from the Hilltop. Russel S. Welch, 354 S. Brinker-av, entered the race immediately following last fall's election. Eight men will be nominated in the primary with four to be elected.

Koontz lives at 485 Hilltonia-av.

TOWNSEND CLUB NO. 23 WILL MEET TONIGHT

Townsend club No. 23 will hold its regular meeting tonight at the IOOF hall, 2356½ W. Broad-st. Rev. Emil Klots, pastor of the Livingston-av church, will be the guest speaker. Chestora McDonald Carr will give a reading.

Ice cream and cake will be served free. The public is invited to attend.

Edward Bass, 367 Binns-blvd, will be heard in the Ohio state glee club Monday at 2:30 p. m. over Columbia broadcasting system.

Band Dance To Be Tonight

In an effort to have the uniforms of the West high school band cleaned before the end of the school term, the Band Parents club of that school is sponsoring a dance tonight at Camp Chase post headquarters, 3186 W. Broad-st. Music will be furnished by Hal Brown's orchestra. The public is invited.

Hoge Gives Pastoral Call

Rev. Wold

Rev. Alfred J. Wold, pastor of the North Brook Presbyterian church in Chicago, will take over the pastorate of Hoge Memorial church made vacant by the retirement of Rev. Herbert Hutchison in March it was learned by the Record this week. He accepted a unanimous call extended by the congregation following his sermon last Sunday morning.

Rev. Wold will take up his new work on the Hilltop effective July 9 but will bring his family to Columbus and occupy the Hoge pulpit on Sunday, June 18.

Rev. Wold has played a prominent role in the activities of his church in Chicago and during his four-year term organized the congregation and was instrumental in the erection of a church home.

50th Wedding Anniversary

Mr. and Mrs. C. O. McNamee

Mr. and Mrs. C. O. McNamee, 2543 Sullivant-av, will celebrate their golden wedding anniversary Sunday, May 28. The celebration will take place at Buckeye Lake where the McNamee's make their summer home.

They will have open house from 2 until 6 o'clock Sunday for their many friends and relatives.

They are the parents of eight children, Mable McNamee Tuft, Harry F., Harland and Jones F., Bob, Howard, Dr. E. E. McNamee and Mrs. Howard Mor-

Mr. and Mrs. McNamee are 71 years of age and still enjoying good health. Mr. McNamee travels several thousand miles a month in his work as supervisor for the manufacturing of American Arch Co. of New York.

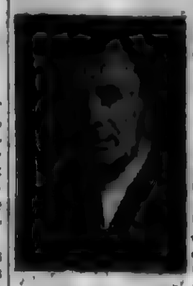
Turner Named To Post

A former Ohio attorney general and well-known Hilltopper, Edward C. Turner, 4309 W. Broad-st, was named by Governor John W. Bricker this week to succeed the late Judge Harold L. Kints as judge of the Franklin county court of common pleas.

Active in Republican politics for many years, Mr. Turner was Ohio attorney general for two terms—1915 to 1917 and 1927 to 1929. He was Franklin county prosecutor from 1911 to 1915.

Mr. Turner was a candidate for the governorship in 1928. He is 67 years old, a Columbus born man, and attended public schools here and the law college at Ohio State university. Although he was practically retired, he had maintained his law offices at 16 E. Broad-st.

2 Local Girls Get Honors



Two Hilltop girls, students at Ohio State university, were recently initiated in the Pi Lambda Theta sorority, national women's educational honorary group, it was announced this week.

Mary R. Self, 564 S. Terrace-av, and Elsie Ireland, 610 Chestershire-rd, were the Hilltoppers accorded this outstanding honor. Mary is a graduate of West high school, class of 1935, while Elsie received her scholastic degree from University high school, graduating as a member of the first class in 1936 at the north side institution. Both are seniors in the college of education at the university, the former majoring in social sciences and the latter in fine arts.

Selection to the sorority is made annually on the basis of scholarship, leadership and professional promise.

Hey! Skinny! Pool Opens Sat.

Aquatic minded Hilltoppers will greet the opening of the Hilltop pool tomorrow (Saturday) when it is thrown open to the public for the first time. A gala day of activities has been arranged by Charles Cruea, owner and operator of the recreation center. The day will be climaxed by inaugurating the new dance pavilion adjacent to the pool. Dancing will begin at 9 p. m. to the music of Paul Cook's orchestra.

Charles Cruea

Considerable confusion and amusement were created this week as the pool was being gotten ready for Saturday's opening. A diving board had been placed in its customary position without being fastened down when Don Fox, thinking it was ready for use, rushed out to try the spring of the board. The board and Don went into the pool but without a splash. The pool was dry. There were no casualties suffered.

On Tuesday night (Decoration day) Del Walters and his Skyrockets will move into the new pavilion. Badminton shuffleboard and ping pong will be added to the list of recreational attractions at the pool.

Considerable work has been done on the pool with the addition of new pumping equipment and filter. This will provide an entire change of water every eight hours.

In accordance with the custom at the pool no intoxicants will be sold on or near the premises and a rigid watch will be kept at all times to keep out anyone showing the effects of drink. Mr. or Mrs. Cruea will be at the pool at all times while it is open.

Local Organizations To Hold Services

Final plans for the Memorial Day celebration of the local post of the American Legion, Camp Chase Post No. 96, have been completed, according to Chester W. Wagner, chairman of the Memorial Day activities of the post.

The post has accepted the invitation of the Glenwood M. E. church to attend the morning service at 10:30. Commander Arthur Bellar has asked that the drum corps and all members meet at the post club rooms at 10 a. m. He has also extended an invitation of welcome to the auxiliary, junior auxiliary, ex-servicemen and Boy Scouts to attend the services Sunday, May 28.

The parade orders for Decoration Day have set E. Broad-st and Sixth-st as the forming place for the unit. Members and the drum corps of the post are requested to be at the intersection at 8:45 a. m. Tuesday.

Memorial Day services at Memorial park, Alton and Wesley chapel will take place as in the past. Services at Memorial park are in charge of C. W. Wagner, those at Alton will be guided by Edgar Planck while Elmer Young and James Womeldorff will head the program at Wesley chapel cemetery. The post will pay tribute to the 419 veterans buried at the three cemeteries.

Commander Bellar has indicated that the caravan will form at post headquarters promptly at 1 p. m., move to Memorial park and hold services there a half-hour later. From there the group will go to Alton cemetery and finally to Wesley chapel where it is expected that tributes will be given at 3 p. m. The public is invited to join the caravan.

The post will finish its program of memorial services Saturday, June 3, when the Robert E. Lee chapter, United Daughters of the Confederacy, holds rites in cooperation with the federal government at Camp Chase Confederate cemetery. Commander Bellar of Post No. 96, American Legion, will serve as master of ceremonies.

Westway Post No. 3441, Veterans of Foreign Wars, will conduct memorial services at the Galloway cemetery Decoration day at 1:30 p. m., and at the Georgesville cemetery at 2:30 p. m. the same afternoon. Post and auxiliary members are asked to assemble at Hague-av and Broad-st at 12:30 p. m. Westway Post will also be represented in the local Memorial Day services. Members are asked to report in front of Memorial hall at 8:45 a. m. Memorial Day for parade duty that morning, according to Leslie Stevens, commander.

Collins Services Held Monday

John A. Collins of 576 Chestershire-rd died Friday night in the Mt. Carmel hospital after an illness of several months. He had been under treatment at the hospital for about a month.

Mr. Collins was a representative of the Macklin Insurance agency since 1920. He was 73.

Although a native of Pittsburg, he has been a resident of Columbus for 36 years. He is survived by his wife, Margaret; a son, John A. Collins jr.; three daughters, Miss Marie Collins, Mrs. S. J. Kirby and Mrs. Frank Kiener; three grandchildren and one brother, Edward Collins.

Shrine To Aid Crippled Children

Columbus crippled children will be the recipients of proceeds to be raised at the Shrine Day at Red Bird stadium on June 7. A huge program of entertainment in addition to the ball game will get under way at 4 o'clock in the afternoon.

Al Schact, nationally famous baseball clown, will be on hand to keep the crowd in an uproar throughout the program which will run in into the late evening. The whole affair will be climaxed with a display of fireworks.

A capacity crowd is assured from the heavy demand for tickets that has been evidenced since the sale started.

Eisteddfod To Bring Many To Hillcrest

More Than 200 Will Compete In Song Fest Tonight at 7:30

ADJUDICATORS

Prof. Leeder

Mr. Davies

The Welsh have a day for it. And tonight's the night they converge upon the Hilltop for this community's first taste of real eisteddfod singing. More than 200 persons will compete in the song fest at Hillcrest Baptist church at 7:30 this evening. The Hilltop male chorus, long known to the Hilltop, is sponsoring the unusual evening's entertainment.

Admission is 25 cents for adults and 15 cents for children and tickets may be obtained from members of the chorus or at the door. No seats will be reserved.

Prof. Joseph A. Leeder, professor of music education at Ohio State university, will adjudicate the singing and John T. Davies will judge the recitations. Both men have had experience in many similar events. Floyd Green, genial master of ceremonies, will serve as conductor of the eisteddfod. More than $120 has been raised to be given as prize money and competing events will be heard. E. H. Gildersleeve, 238 N. Ogden-av, is serving as general chairman of all arrangements.

New Riding Club Opens On N. Hague

A new riding academy was opened just north of the Hilltop at 1295 N. Hague-av this week with all new equipment and facilities for riders to enjoy. The Valley Brook Riding academy is owned by Russel S. Welch, 354 S. Brinker-av.

Services Tomorrow For Mrs. Hughes

Mrs. Anna Hughes, aged 70, widow of John Hughes, died last Wednesday night at the home of her daughter, Mrs. Wilma McDonald of 2729 Sullivant-av.

She is survived by six daughters, Mrs. Jack Wilson, Mrs. James Turner, Mrs. Wilma McDonald, Mrs. Louis Scarripo, Mrs. Silla Burch and Miss Catherine McDonald. Also two sons, Charles and Isam; two brothers; five sisters; 13 grandchildren and two great-grandchildren. Mrs. Hughes was born in Scioto county. She is a member of the Bethlehem Lutheran church. Funeral services will be held tomorrow at Spears parlors. Interment at Jackson.

Major Thom Services Thurs.

Major William W. Thom, aged 50, of 524 Townsend-av, died Wednesday morning at the Mt. Carmel hospital. He has been the commanding officer of the Columbus Post of the Volunteers of America.

Major Thom had conducted services at the Volunteers of America in Marysville last Sunday and upon his return to Columbus was taken to the hospital where it was discovered he was suffering an ulcer of the stomach.

He was a native of Scotland and came to the United States as a boy. He is a member of the First Presbyterian church and the Lions club. Surviving are his wife, Susan House Thom, and two daughters, Betty W. Thom and Roberta Thom. Funeral services were held at the Spears parlors Thursday.

The thirty-fourth anniversary of its founding will be celebrated by the Friends Rescue home, 245 N. Powell-av, with special services on Tuesday, May 30. The home is a participating agency of the Community Fund.

Schwan Bros. Have Open

Open house will be observed by Tommy and Bill Schwan at their new garage location, corner of Burgess and Sullivant avenues, today and tomorrow. Moving from their old location, 2469 W. Broad-st, they are taking care of all business in their new home.

New equipment has been added to the garage fixtures, providing one of the most up-to-date garages on the Hilltop. A full page ad in this week's Record gives complete details of the opening.

The Schwan brothers specialize in brake and lubrication work as well as general auto repairs. They are equipped to take care of all car needs.

88 Franklin Students Are Graduated

Eighty-eight students were recognized in graduation exercises Friday evening, May 19, in the West high auditorium by the Franklin Township schools as having completed eight years of academic study.

Principal Bronson Farmer of Franklin Heights school announced a graduating class of 10 with Jack Carey, 13, of Josephine-av, being honored with a gift for eight years of attendance without missing or being tardy a day. Bill Spangler, 12, of Wilson school was valedictorian for the entire graduating class.

H. C. Beck, assistant county superintendent, was the speaker.

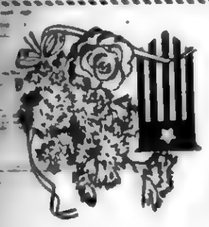
GOP Club To Meet On June 1

The eleventh ward GOP club will hold its monthly meeting June 1 at 8 p. m. in the K of P hall at Burgess and Broad -st. Mrs. Verna White Everett will be the guest soloist and will present her program in costume. Important business will be discussed at this meeting so all members and Republican friends are urged to attend.

Will Take Up Interne Work

Two Hilltoppers graduating from the college of medicine, Ohio State university, in the June class will begin their interne practice immediately following their graduation. They are Earl P. Knisely, 3820 Sullivant-av, St. Francis hospital, and Gerald M. Wilson, 148 N. Eureka-av, also at St. Francis.

8A Contest Winners



Jean Ann Spohn and Richard Winkler, winners of the 8-A essay contest sponsored by the Sons and Daughters of the American Revolution, were presented with a medal last Tuesday at Central high school. Both students attend West junior high.

PEACE
our objective
The justification of war lies in the hearts of individuals. When a nation memorializes the valour of those who died for their country; when a people are one in their hopes for enlightenment by example—then there is a justification that absolves blame and reveres our living dead.

If you must travel far
Be careful with your car
Don't throw your life away
On Decoration day.

Many graves they'll decorate,
Many hearts will have heartache.
Be careful for your loved ones'
sake

Or over yonder you may wake.
Don't go crazy making speed,
Don't make speed you do not need.
I want to see your face tomorrow,
But not in death to view in sorrow.

Mr., Mrs. John Owen Honored With Party

Mrs. Edythe Calland Wins Bermuda Trip

Mrs. Edythe Calland of 2488 Sullivant-av, was awarded a trip to Bermuda and New York world's fair last week, being one of the first three winners in the Morehouse-Martens cruise sales campaign. Mrs. Calland's trip was won for having the highest total of sales at the end of a specified time. She is the owner and operator of the LaNora beauty salon of the above address.

She will sail from New York July 29, on the Queen of Bermuda. On her arrival to New York Mrs. Calland will have luncheon at the Waldorf Astoria hotel. On her return two days will be spent at the fair and two days shopping. Mrs. Calland has planned to spend 10 days in New York studying new hair styles.

Having been at her present occupation for 12 years, she has won several prizes and honorary recognitions in the city. She took first prize twice at the hair style show at the Neil house and second prize at the Deshler-Wallick hotel for the same contest. Miss Gracebelle Day has been her model several times.

POPPY SALE TO BE GIVEN BY LADIES AUXILIARY

Franklin county council of the American Legion auxiliary will hold its annual poppy sale today and tomorrow in the downtown buildings and on the streets.

Camp Chase unit and junior unit will also take part in the poppy sale. Members are asked to report at the poppy headquarters, 41 W. Gay-st.

The crepe paper replica sold by the auxiliary is fashioned by the disabled soldiers in the veterans' hospital at Sandusky.

We always knew that Hitler, at heart, was a Sunday driver. Now he wants to put a road across the Polish Corridor 15 miles wide. —Wilkes-Barre Record.

Eastern Star Notes

The Robert Morris chapter OES No. 372 held its regular meeting May 16, with the officers and members of Crown and Bexley chapter as their guests. Matron Katie Shroyer and Worthy Patron Leo Peoples presided in the East. The chapter room was decorated with spring flowers and ferns.

The 1939 matron and patron were presented and escorted to the East. Greetings were extended to all members and visitors, and to the 11 chapters represented.

The Crown chapter officers presented the work of the Eastern Star as it was presented 50 years ago. Each officer was dressed in colonial fashion.

After the regular business meetings all were invited to the dining room, where tables were set in the shape of a huge star. Refreshments were then served.

--VICTORY--

"War hath no victories." The victories of war lie, not in conquests and battles, but in peaceful settlement and unified reorganization. A nation threatened with disaster saw the victory of unity arise from the ashes of destruction . . . the victory of peace that is ours this day!

Draper For School Board

Some few weeks ago we suggested that Robert Marvin Draper would make a good member of the Columbus Board of Education.

Since that time we have become more and more convinced that he should toss his hat into the ring as a candidate for the post in view of the fact that Hauntz will not run.

Draper lives at 74 N. Roys-av, is an attorney, and is well qualified for the position. We sincerely believe he could be elected and would prove capable of representing this and all sections of the city on the school board.

We believe the Hilltop and the city as a whole will be voting for continued efficiency in Columbus schools if Draper is elected.

How about it Mr. Draper?

A Four Way Improvement Program

Wheels set in motion today ofttimes bring us to our desination almost immediately but generally not so in the case of seeking public improvements. But at any rate wheels must be set in motion to attain a certain goal.

And therein it is fitting to outline a program we heard discussed by a local business man this past week. A four way unprovement for the Hilltop is outlined as follows:

1. Straighten out McKinley-av. and extend it, eliminate the bad underground curve and make it a wide outlet for run-over traffic from downtown to the west.

2. Extend West Broad street car service from Hague-av through to the city limits, ask that buses be substituted for street cars in Broad-st, and that the service be extended in East Broad as well as West Broad.

3. Resurface Sullivant-av, to make it a traffic outlet comparable to any in the city.

4. Extend Mound-st, beyond Whitethorne-av, in order to make it a through street to the western limits of the Hilltop.

We believe there is much merit in this four way program of improvements and that a program should be set in motion to secure these things. We believe it is a program that might well be adopted by the Hilltop Business Men's association.

We Haven't Forgotten

Some months ago we suggested that the name of Westgate Park be changed to Westlake Park in honor of the late Councilman Milton Westlake.

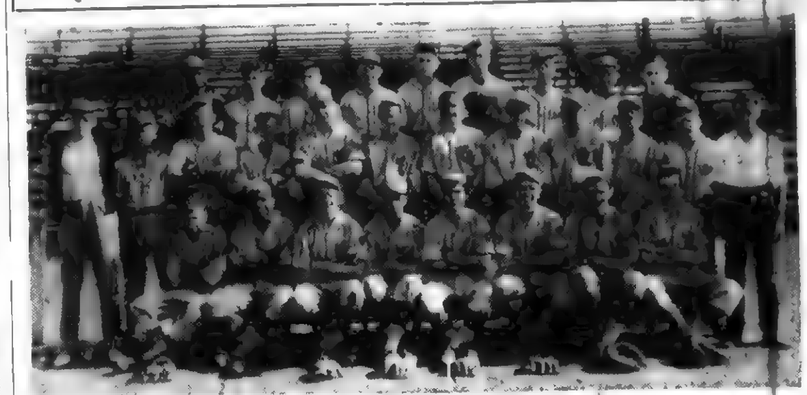
City council took the matter under advisement and like so many things that come to their attention, it has failed to re-appear. But gentlemen, we haven't forgotten the idea.

We believe the Hilltop would be glad to join in paying this tribute to our late public servant. How about immediate reconsideration of the matter?

• • •

We Like the remarks of Edward C. Turner upon accepting the judgeship left vacant by the late Judge Harold Kime, wherein he states he isn't in the business for any money it may pay but for the service he will be in a position to render. And it is fitting to observe that such a man would certainly fill a much needed place in the coming mayoralty campaign.

We Laugh at a law enforcement program that takes to task a boy and girl for riding double on a bicycle and at the same time proceeds to ally itself with the illegitimate numbers racket by giving it protection.



Highland Pupils Graduate Tues.

Graduation exercises for the 49 members of the Highland Avenue grade school will be held at 2 p m. Tuesday, June 6, at the school. Rev. Carveth Mitchell, pastor of the Hilltop Lutheran church, will be the principal speaker and songs will be sung by the class and glee club.

At the Chicago Avenue school the 8-A class will receive their certificates of promotion to the junior high school on Wednesday, June 7, at 1:30 p. m. A program will then follow, including a flag salute, songs and an address by Judge Edward C. Turner.

The address will be followed by a recitation, "The Builder" by Henry Wadsworth Longfellow, and the conferring of the certificates will then take place. A song, "The Ship," will close the exercises.

By Dave Shifled

The 1939 baseball season came to a close at West high school Wednesday afternoon as the Central Pirates, long strong enemies of the local Buckaroos, shut-out the Cowboys by a 6-0 margin and thereby rudely knocked them from a share in the City league spoils. With the win, the Riversiders presented to North the championship, giving the Polar Bears a clean sweep for the year.

In the first season as coach of West baseball fortunes, George Williams, dynamic boss at the local stronghold, turned out a strong aggregation. He had great success with West junior baseball squads and this great season was typical of seasons while he was mentor at the junior school.

Taking the reins in hand following the resignation of Harold E. Wise, Williams has produced one of the greatest baseball teams in the athletic history of the school. The Bucks won 12 games during the season and were on the losing end only five times. They copped the district title with three straight wins and beat Cincinnati Withrow in the state tourney before succumbing to Middletown in a semi-final fracas, the score being 2-0.

Although most of the boys comprising the present nine saw service in the past year West was not considered exceptionally strong during the earlier part of the campaign. However, under the excellent tutelage of Coach Williams the Cowboys were a distinct threat to opponents all season and the Buck mentor didn't spare the whip in picking out opponents for his boys.

West tied for the runner-up spot in the City league as Al Link bested Jake Richards in the final game of the league season. Link gave the Bucks only two hits, Richards garnered one himself and Bell connecting for the other blow. Central tallied three runs in the third and three in the seventh to account for the scoring. In a previous contest Richards had bested Link by a 6-4 margin.

Another season has passed in review. Another season of joy and heart-break. However, only three stalwarts of the present aggregation will receive their diplomas in the near future and prospects for next season are bright. Ralph Link, Harold Banker and Richard Colburn, all regulars and stellar players in their own right will be absent when the next campaign rolls around. Those returning to the local institution next year include Richards, Paul Rogers, Ned Bell, Distlehorst, Alberts, both Dick Smiths, Mack, Carter and Blackstone and numerous others who saw little service during the past year. The charges of Coach Williams have completed a very successful season and for next year—well, time will tell.

Going To The World's Fair? Here's Way to Go

Planning to go to the world's fair?

Then why not investigate the special Blue Ribbon Tour offered by the Hilltop Record?

As a special service to our readers the Record is offering all-expense tours by rail at extra reduced prices.

These tours which we are offering our readers for a very small amount include practically every item of expense except meals in New York city. Included in the cost is a round trip 15 day railroad ticket via the New York Central system, dinner and breakfast in the dining car, transfers to and from the hotel and station in New York, a complete sightseeing trip of upper and lower New York, a yacht sightseeing trip around Manhattan island, two admission tickets to the world's fair, a complete escorted tour through the Rockefeller Center buildings group, a visit to the observation roof of the RCA building and a visit to the studios of the National Broadcasting Company studios.

The tours, which will leave Columbus each Sunday on the famous Ohio State Limited, will be personally conducted by a tour escort. All arrangements are handled by the New York Central system and the American Express Company, two of the largest travel organizations in the United States.

Headquarters in New York will be the Lincoln hotel, which is located at Forty-fourth-st and Eighth-av, in Times Square and in the heart of the theatrical and night club districts. The Lincoln hotel is connected by direct subway service to the fair grounds.

In addition to the tour escort, who will accompany the tour from Columbus, the American Express Company will have available in all of the larger hotels and at the fairgrounds uniformed representatives whose duties it is to assist the patrons of our tours. These representatives will be glad to give information and assist in arranging theatre tickets, etc.

Although the Blue Ribbon Tours are of a five-day duration, the railroad ticket furnished is of a 15-day limit and members of the party may remain over in New York, or stop over enroute within the limit. Those who care to may return from New York using the Hudson river day line steamers from New York to Albany, make a stop at Niagara Falls, or return via Washington if desired. A side-trip can be made to Atlantic City for a very slight additional cost.

We are anxious that as many of our readers be accommodated on these trips as possible for we feel that it is the travel bargain of the year. If you have not already done so and are planning on attending the fair we suggest that you call at our office immediately and make your reservations. Literature is available at our office upon request.

Shroyer Home Adds New Motor Equipment

A fleet of 1939 Packard cars and a new ambulance with the latest items of equipment have recently augumented the facilities of the Wylie S. Shroyer funeral home, 1278 W. Broad-st. The new ambulance has hot and cold running water and will carry two people in case of an emergency.

Located on the west side for the past 12 years the Shroyer organization has been serving Columbus in a manner that has merited them business that has necessitated several expansion programs. At the present time it is one of the most fully equipped homes of its kind.

Shroyer has been in the business for 28 years having served most of that time in Bellfontaine. He graduated from the Columbus School of Embalming. Working with his father is his son, Lowell, a graduate from West high school in the class of '31. He continued his study at the Columbus School of Embalming and the Cleveland School of Embalming where he completed his work in 1936. He is married and has two children, Shirley Ann, 5, and Marilyn Joy, 1.

Also on the staff are William E. Dailey and Thomas Rodgers. Miss Eunice Smith is Mr. Shroyer's secretary.

Yost Florist Has Anniversary

The office of the Yost Florist, 303 Belvidere-av, has just been redecorated, according to Curt Roberts, owner of the establishment. Roberts is celebrating his first anniversary as owner of the business.

This greenhouse is one of the three in Columbus that grow their own roses. Roberts grows all his own cut flowers and other plants. He recently added a new cement bench that extends the entire length of the greenhouse.

BACK ON THE JOB

Dr. L. R. Leaman, dentist, 2757½ W. Broad-st, is back on the job again this week after several weeks of illness.

Boy Scouts Have Charge of Service

The Sunday evening services of the Burgess Avenue U. B. church will be in charge of the Boy Scouts. Troop 79, sponsors, will be presented a charter by Tom Boardman. Troop 181, from Hillcrest Baptist church, will give an investiture service. Hoge Memorial scout troop No. 172 will play several numbers on their tunaphones. The service will begin at 7:30 p. m.

The Hilltop Cycle club, local riding organization, rode to the Columbus zoo last Sunday for its weekly trip. Fifty members made the trip.

Due to the graduation ceremonies this week no ride has been scheduled, according to Bert Ray, president of the organization.

Rites To Honor Soldiers

Confederate Dead Will Be Remembered Tomorrow

Final plans for the annual Memorial Day rites honoring the southern Civil war dead have been completed, according to Mrs. Waymon B. McLeskey, president of the Columbus chapter of the United Daughters of the Confederacy. The ceremonies will take place in the Camp Chase Confederate cemetery Saturday, June 3, at 2 p. m. in cooperation with the federal government.

Dr. Lawrence F. Hill, professor in the history department, Ohio State university, will deliver the principal address while Arthur Bellar, commander of Camp Chase post No. 98, American legion, will act as master of ceremonies.

Music for the occasion will be rendered by the Franklin post No. 1 band, well known in American legion circles throughout the country. A firing squad will fire the traditional salute to the war dead and "Taps" will be played by a Ft. Hayes bugler.

Two medals will be presented during the ceremonies to Boyd Pasley and Edward Rose, World war veterans of Confederate descent. The presentation will be made by Mrs. Margaret Crockery, national custodian of crosses. This will complete the Memorial Day celebrations on the Hilltop, which were held in churches, at meetings of patriotic organizations and by the Camp Chase post of the American legion and the Veterans of Foreign Wars Westway post No. 344.

TO PLAY CHECKERS

Jim Claggett, Guy Harrington and other Hilltop checker players will take part in the checker match to be played at Linden park Sunday afternoon starting at 1:30. The play will be between the Columbus Checker and Chess club and the Bluffton team.

New Neon Sign Is In Operation

A new neon sign has been erected over the entrance to the Broad-Hague restaurant, 2762 W. Broad-st. Tom Zelhoff, owner of the business, states that his place is now comfortably air conditioned. He has been in business at that location for the past eight years.

TO HAVE SKATING

Charles Cruea, owner and operator of the Hilltop swimming pool, has announced that the dance floor just recently constructed will be turned into a skating rink for this coming Monday night.

TOWNSEND SPEAKER

George Voss

George Voss of Kalamazoo, Mich., known as the Billy Sunday of the Townsend National Recovery plan will address members and friends of the Townsend club No. 7 at 2393½ W. Broad-st, (VFW hall), Wednesday evening, June 7 at 7:30. His subject will be, "Abolishment of Poverty and Crime in the United States by Enactment of the Townsend National Recovery Plan into a Law."

Voss is 24 years of age and one of the youngest national speakers. The public is invited to attend this meeting and hear this address. Music will be furnished by the Northwest colored choir.

Townsend club No. 23 will hold its regular meeting at IOOF hall, 2356½ W. Broad-st, this evening at 8 o'clock.

Charles A. Cookwell of Cleveland, national representative for the Townsend Nation Legion, will be the guest speaker. The public is invited to attend.

Spaghetti Dinner Is Postponed

Members of the auxiliary to the local Veterans of Foreign Wars post No. 3441 are postponing their spaghetti dinner originally scheduled for June 3, it was learned this week. No date has been set for the postponement.

Persons who have purchased tickets will have their money refunded by contacting members of the organization.

To Receive Diplomas At Coliseum Wednesday

The reward of 12 long years of weary toil will be given 255 members of the 1939 graduating class at West high school at the coliseum the morning of June 7. Many students will show signs of extreme happiness upon receiving the valued diploma but others, happy in one of the greatest moments of their lives, will display emotional marks of sorrow.

The final week of high school activities for those departing seniors will begin with the baccalaureate services the Sunday evening preceding graduation with Dr. Rollin Walker, professor emeritus of Ohio Wesleyan's Bible school, delivering the baccalaureate sermon. Known for his wisdom and sincerity, Dr. Walker will start those seniors on life's journey with his best wishes along with the sincere interest of West high school.

Following is the baccalaureate program for Sunday, June 4:

Prelude—"Tanhauser Selections"	Wagner
West high orchestra	
Processional—"Onward Christian Soldiers"	Sullivan
Invocation	Rev. L. L. Cooperrider
Anthem	West high choir
Scripture	Marion Dunavant
Duet	Betty Richards and Don Bachman
Hymn	Senior class of 1939
Benediction	Dr. O. L. Seward
Doxology.	
Recessional	"God of Our Fathers"

Then finally on Wednesday morning the long-awaited day, Graduation! West will send her best to receive their honest awards amid the applause of proud parents, sisters and brothers and others who have come to wish them well in their new adventures in college or as working people; all citizens of the same community.

Taking a little time out from the serious side of the graduation ceremonies, the seniors will present their class night program Monday evening in the school auditorium. The humorous side of the school life will take the stage as seniors present the will, prophecy, and other traditional documents amid the heckling of the juniors and under-classmen.

Refuse Burning Violates Ordinance

According to a notice received at the Record office this week many Hilltoppers have unknowingly violated a city ordinance during spring house cleaning with the burning or refuse in back yards in such a way as to disturb the neighborhood with offensive odors.

The ordinance reads: Sec. 23 No person shall burn or suffer to be burned within the city any leaves, garbage, refuse, woolen, silk, leather or India rubber goods, or other substances so that the same shall give rise to offensive odors or gases.

Eisteddfod Attracts Large Crowd

The eisteddfod held at the Hillcrest Baptist church last Friday night was quite a success, due partly to the close competition in practically every classification. Sponsored by the Hilltop Business Men's chorus, the contestants ranged from the age of youngsters to grown-ups. A capacity audience filled the auditorium to watch each competition and to hear Professor Joseph Leeder, professor of music at Ohio State university, and John T. Davies pronounce the winners.

The winners in the various classes were Mignon Bryce, recitation: Marolyn Burgess, solo in the class from ages 12 to 16 years; Valeria Brannon, soloist, eight year old class; Joanne Hicks, soloist, seven year old class; Billy Dean, soloist, eight to 12; Ida May Cornelius, piano solo, 16 years and under.

Martha Waite, soprano; Donald Bachman, tenor; Trappe sisters, ladies' trio; Elizie Radcliffe, bass and baritone solo; Mrs. Russel Welch, soloist; Ruth Kline and Elzie Radcliffe, duet.

The Fair Goers, composed of Hazel Parret, Mr. and Mrs. Paul Nuss and Bob Nichols, mixed quartet; Good-Will Four, Bob Nichols, Elzie Radcliffe, Robert Jones and Edgar House, male quartet; West High school chorus, under the direction of Herbert E. Hutchinson, mixed chorus and male chorus classification, Harry Decker, organization.

Jones Lumber Loses To Vess

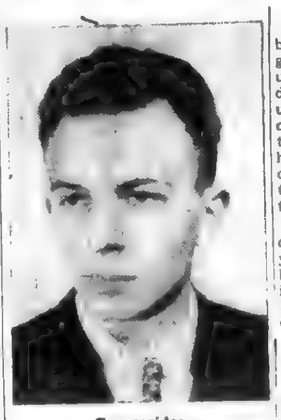
The fast Vess Cleo Cola team had a tough time downing the Jones Lumber entry in the opening game of the night softball league under the lights at the hospital diamonds Wednesday. Vess won 3 to 2 behind the pitching of "Smitty" Truss. McFadden started for Jones and was relieved by Swackhammer. Dolby was the catcher.

In the nightcap Kay Jewelers downed Bartlett Prosecutors by the score of 4 to 1.

"Track Life A Hard One" Says Cooperrider; To Get Degrees

"You run the first 300 yards with everything; the last 140 are run on a prayer."

With his own description of a top-notch quarter-miler we present to you Durwood Loy Cooperrider, 47 Binns-blvd, 136 pounds of human dynamite and help to Larry Snyder and his track squads at Ohio State university during the yast two years.



Born at Philo, Oct. 5, 1914, Durwood, or "Coopy" as he is more affectionately known to his friends, moved in later years to Cedar Grove with his parents, Rev. and Mrs. L. L. Cooperrider. Still later the family moved to St. Petersburg, W. Va., where Durwood attended St. John's academy. He graduated from the academy in 1932, having earned nine athletic letters as a member of teams in the high school sports curricula.

Following his high school days, Coopy entered Capital university where he gained three athletic letters in a trio of sports including football, basketball and track. When the family returned to Columbus in October of 1936, (Mrs. Cooperrider was born here), Durwood entered Ohio State university to study the industrial sciences, transferring from Capital. He soon became acquainted with the track facilities at the new university and became a member of the indoor and outdoor track squads at State.

Threw Javelin

In his first year at Ohio State, Cooperrider threw the javelin, his pet track event, a distance of 209 feet. Coach Snyder saw the toss and exclaimed, "Pretty far throw for such a little fellow." The local speedster has only one opinion of Larry Snyder, "a swell fellow."

The greatest moment in the life of this Athenian-looking young man to date occurred early this spring when the Ohio State mile relay team smashed the indoor mark for the event at the Drake relays. The quartet, Cooperrider, Jack Sulzman, Bob Lewis and Harley Howells, galloped

Cooperrider

the distance in 3:14.1, at that time the fastest mile relay ever timed east of the Rockies and the second fastest mile relay ever run in college. The feat was short-lived as far as time is concerned because Michigan's great relay team lowered the mark in a later race. Members of the winning relay team at the Drake relays were awarded beautiful watches, and Durwood considers his watch the best of all his track treasures.

Cooperrider readily admits that the life of a track star is a hard one—but interesting. The trackmen spend six months in traveling and running during the year, including both indoor and outdoor meets, and also have three months of cross-country practice. The interesting part of the life remains in the traveling. Among the scenes of track meets which he has visited are the Drake relays, Des Moines, Ia.; Penn relays, Philadelphia, Penn.; Butler relays, Indianapolis, Ind.; Milrose games, Madison Square Garden, N. Y.; Chicago relays and nearly every Big Ten school including Michigan and Illinois.

To Get Degrees

Durwood will be awarded his bachelor of industrial science degree June 12 from Ohio State university while on the following day he will receive from Capital university a degree of bachelor of arts. His combined work at the two universities have given him the required number of credits in each instance to obtain the two separate degrees at the same time.

At the same time Durwood receives his degrees Eldon, his younger brother, will also obtain his: a Bachelor of Arts from Capital and a Mechanical Engineering diploma from Ohio State. Quite a coincidence!

No doubt the 24-year-old track star will be a little saddened when the time for departure from the higher schooling arrives, but Durwood considers his college time well spent. "I'm a little tired of studying" he said, and who wouldn't be? Traveling six months during the year puts one behind in ones classes and that work must be made up. Athletes are no different than the other thousands of students attending the university.

Notes here and there: Coopy missed a trip to the Pacific coast to participate in the Big Ten-Pacific Coast track meet when he placed fourth in the javelin throw in the Big Ten meet, just four odd feet removed from that trip.—Athletics run in the family.—Rev. Cooperrider was once a pitcher for Louisville in the American association. — Eldon, younger brother of Durwood, is starring in athletics at Capital where he is now schooling.—Members of record-breaking quartet to receive gold track shoe with block "O", considered outstanding honor, from university.—An independent at State, likes shrimp cocktail and is especially fond of chocolate ice cream.—Enjoys tennis immensly and often plays at Westgate park. —A clean-cut personality — in general, a fine fellow.

GO TO CHURCH

Don't you know old Satan's driving
To keep us all from church
With shrewd ways he is contriving
For the truth to hinder search.

Every trick he'll surely use
From the church he will entice
With great skill he will confuse
He will think of some device.

Empty pews will make him smile
He will make you think you're sick
With great cunning he'll beguile
He is skilled in every trick.

If you hesitate and grumble
That you're awful tired this morning
Listen to the church don't stumble
Coz I'm giving you this warning.

Satan's working on you strong
He'll stay with you all the day
Unless at once you start a song
In the good old fashioned way.

Sing the song of my Redeemer
And start right off for meet'n
That will quell the old slick schemer
When from you he gets no greet'n.

If you're late keep right on going
And it is my firm conviction
You'll be happy for good sowing
Before you hear the benediction.

Letters To The Editor

Mr. Editor:

We wish through your paper, to thank you and the other city papers who made kindly mention of the celebration of our wedding anniversary and also express our gratitude to our many friends for their remembrances.

Two hundred and thirty-two guests were present. Several dozen beautiful anniversary cards and a number of telegrams and letters were received from friends who were not able to attend.

The floral gifts were many and most beautiful. Such an attitude of friendship and esteem makes our hearts glad and a feeling that life is worth living among such friends.

We also wish to thank the ladies who so lovingly and efficiently assisted in serving.

—Rev. and Mrs. P. W. Drumm.

Dear Editor:

Again we have been favored with a glorious evening of music in the Eisteddfod sponsored by the Hilltop Business Men's chorus. We got tired, yes—that's what an Eisteddfod does for you—but happy—that also is an attribute of an Eisteddfod. We sat it through and want to thank the organization for a delightful experience. They learned some things too, to work on for improvement for another year.

Professor Leeder and John T. Davies added much by their skill and fairness to all contestants.

Yours sincerely,
Wm. Arthur Tomlinson

Why Suffer Longer Than Necessary? Dr. Miles Anti-Pain Pills Relieve Quickly

DR. MILES ANTI - PAIN PILLS were made for just one purpose—to relieve pain. Users write that they "work like magic". They contain an effective, quick-acting, analgesic—pain reliever.

Try Dr. Miles Anti-Pain Pills before you lose a day's work—and pay—or break a social engagement because of HEADACHE, MUSCULAR, PERIODIC, OR NEURALGIC PAINS. They may be just what you need to relieve your pain and put you back on your feet again "rarin' to go".

DR. MILES ANTI - PAIN PILLS act *quickly*. You don't have to wait forty minutes to an hour for them to take effect as is the case with many analgesics. You'll get action in from ten to twenty minutes.

DR. MILES ANTI - PAIN PILLS are pleasant to take, handy to carry, prompt and effective in action, and do not upset the stomach. Their cost is small. One, or at most, two, is usually sufficient to relieve.

At your Drug Store. 25 for 25c. 125 for $1.00.

The Glenwood M. E. church is sponsoring the newest Cub Pack in the southwest district of central Ohio area council of the Boy Scouts of America. It will be known as Cub Pack No. 17.

James S. Van Nostrand, 133½ S. Harris-av, will serve as Cubmaster of the new pack and the following men will serve as committeemen: W. J. Bailey, 210 S. Brinker-av; D. B. Jones, 231 Eldon-av C. H. Campbell, 91 S. Westmoor-av; Robert M. Laird, 140 N. Warren-av, and R. Z. Gardner, 318 S. Richardson-av.

The charter members of the new cub pack are Richard Ammon, James E. Bailey, James N. Cain, Charles Campbell, William A. Coss, Ramon Cox, James R. Gardner, Robert C. Hane, David Jones, Robert Kimes, Robert Laird, Richard Slager, Robert Smith, Donald S. Story, Edward A. Van Allen, Billy Wilson, Buddy Wilson and John O'Harra.

All boys desiring to join the pack should have their parents register with James Van Nostrand or C. H. Campbell.

TO ERECT NEW CHURCH

Rev. Hahn

Work was started this week on the new Cypress Avenue Pilgrim church at the site of the old building. Rev. Carl Hahn is the pastor of the church, which has grown in membership from 18 to 132 during the 19 years of its existence.

The new structure, to be of Haydite block with brick veneer on a foundation approximating 68 by 73 feet, will be completed and ready for use by winter. It will be built in a wing shape. The new church will cost $20,000. It will have an auditorium with seating capacity of 435. This can be increased to 650 when there is necessity for additional accommodations.

DO YOU REMEMBER?

When Hop Cole was playing first base for Kips Westerns and later with Jim Young's Westerns. Later he played third and did the extra catching. Hop was the third place hitter on most clubs he played on. We understand he is selling bakery goods.

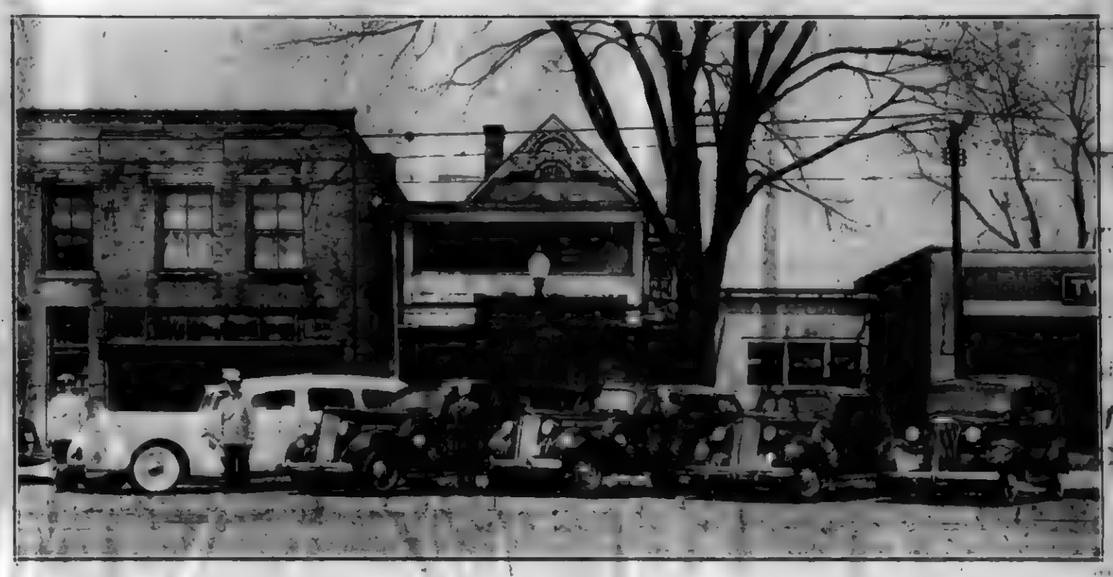
WYLIE S. SHROYER FUNERAL HOME

Mr. Wylie S. Shroyer



Lowell W. Shroyer

This is the view of the complete fleet of six Packard cars and Chevrolet truck used in our service. The view is in front of our residence located at 2553 W. Broad St. Standing beside the cars are the drivers and Mr. Shroyer.

We use the Miller Art Hearses which are the finest made in the United States. The inside of the Hearse is covered with mohair upholstering. The floor is equipped with the new type noiseless casket rollers, also along the inside of the Hearse are traveling floral trays which are simple and easily operated when handling sprays and other floral pieces.

Our Hearse is of the semi-carved panel type. It is built to permit loading from the rear or either side.

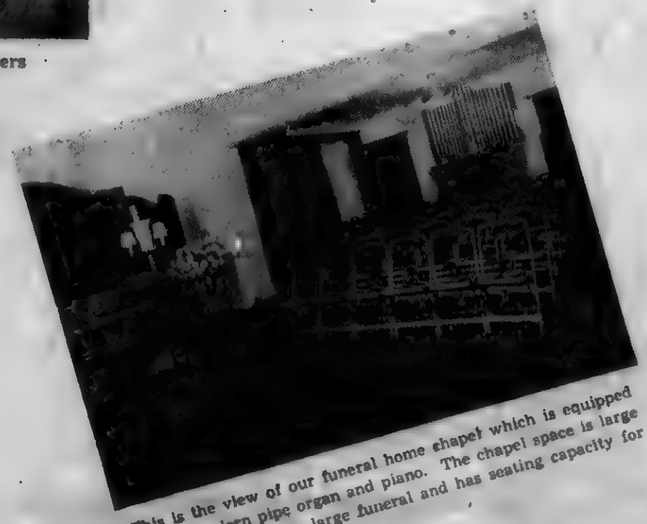
This is the front view of our funeral home which is one of the most complete homes in the city. We have installed everything of the latest type equipment.

Our preparation room is finished in white enamel and equipped with one of the most modern hydraulic mortuary tables available.

Thomas Rogers

The picture at the top is the new ambulance which has just been added to our fleet of cars.

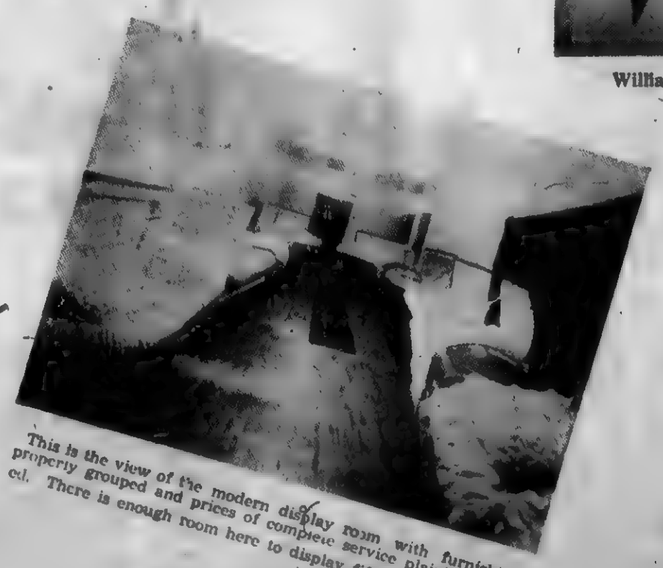
It is the most completely equipped ambulance in the city and can be loaded either side or the rear.



It has two built-in medicine cabinets containing first aid equipment, fresh linen, ice bag, towel rack, hot water bottle, and the most important thing of all is that it has HOT AND COLD RUNNING WATER AND A WASH BASIN.

Besides this it has the modern Washington Ambulance Cot which is equipped with balloon tires, two mattresses, one hair and air and one sponge rubber, insuring perfect riding comfort.

An extra cot is carried which can be brought into use in case of emergency. Beside most of these important things, there are the dome lights and the side wall lights which are bright enough in case of emergency to perform an operation. Other equipment are an electric fan and baby bassinet. The interior is finished with light cream colored leather.



William Dailey

This is the view of our funeral home chapel which is equipped with a modern pipe organ and piano. The chapel space is large enough to conduct a large funeral and has seating capacity for 250 people.

THE HOME OF

Importance Of Church In Community Theme

Editor's note: This is the entry that won first place in the recently conducted letter writing contest sponsored by the Hilltop Ministerial association. Others will follow in subsequent weeks.

THE IMPORTANCE OF THE CHURCH IN THE COMMUNITY

Every child needs a mother; every family needs a home; and following these accepted facts, every community needs a church. Without the church, a community becomes indifferent toward religion. Leisure time is occupied with activities unrelated to spiritual growth. Children come to share their parents' attitude and thus grow up not learning the creed and doctrines of the church. As a result, the community itself deteriorates and the citizens become unconcerned.

The difference between a community having a church and the one not having a church is as marked as night and day. A church brings light to a community. It creates a new and active environment, one influential for good. Through church attendance a citizen becomes endowed with a worthy desire, hope, and faith. Almost over night new interests are developed in the individual. These are transmitted to the community and soon changes take place.

Have you ever walked through a neighborhood that seemed dark and gloomy? Did you notice how dirty and neglected the homes, yards and sidewalks were? Everything seemed lifeless and dead, except for the occasional laughter of rugged children playing in the street. "Why doesn't the mayor of the city do something about this?" you might ask yourself. Indeed, but what can he do? Determined to find the cause of this, you walk on. After walking several blocks you conclude that the government is not to blame—the community lacks a church.

Benefits Numerous

The benefits of a church in the community are numerous. First of all in a community there may be several churches, so that one is bound to be close at hand. It is easily reached and you are thus encouraged to attend more often and more regularly. It is not only a place for learning morality and the Holy Gospel, but there, also, lasting friendships are often begun. The church is a center for spending much pleasant and profitable time. For instance, there are committees which plan special meetings of interest for the young people, committees that study ways of beautifying the community and committees which take care of the sick and the poor. Church athletic and dramatic groups are often organized. By attending church you not only benefit yourself, but you are setting a fine example for your children, friends and neighbors to follow.

Is it not the aim of all clear thinking American citizens to make their life on earth abundant and complete, to fulfill their highest hopes and desires? Christ said he came that we might have life more abundantly. Then I say, in this modern and progressive age, let us see to it that our community and our neighboring communities have churches. The church is the backbone of religion, a guide through darkness, a comfort and shelter in time of bereavement and stress. It must not suffer loss.

Round About The Hilltop

Here are more items about Hilltop people you know—courtesy my man Friday: Harry Richter still treks semi-weekly to Portsmouth . . . Girl? Could be. Louise Byerly Denbow is always present at downtown wrestling matches. Who owns that convertible Ford—Jerry Spears or Chuck Corcoran? Speaking of convertibles, Jim Graham and Wilbur Rauberts do heavy double-duty-dating in one. Further, M. M. F. carries on, raving about the eyes of Ann Barrett, the marvelousness of Ethyl Oleson, the smile of Sally Rowland and the military hat of Marie Whetstone, but don't blame me! Maybe it's spring or just something he et.

Here are two poems written by Hilltop poets that you will like:

YOUTH AND AGE

Youth is plastic, full of fun,
Filled with pleasures easily won;
Crammed with gladness and with zest,
Always willing, never at rest.

Age is stolid, full of years,
Filled with heartaches, washed with tears,
Blasting winds, the whiter sun,
Quickly gone when day is done.
—By Jacqueline L. Pfeiffer, aged 16.

THE FIGURES REVERSED

Youth looks ahead in gleaming light;
Youth's fond conceits are often right.
Since youth sees not the future's pain,
Its ignorance is priceless gain.

Age has paid the price of years,
Past are the heartaches and the tears;
Age owns the years since life begun,
Has lost the dread of setting sun.
—By George E. Wagner, aged 61.

After all, it is but a day or two from 16 to 61 and but a heartbeat from dawn to dark.

IT TAKES ALL KINDS . . .

People who call when you are ill and speak in hark-from-the-tomb voices of deaths of their friends and make you feel there might be a conspiracy between them and the undertaker and that you are to be the goat—or ghost. (Joke—get it?). People who say good morning to you and you begin to think maybe it is after all. Others who say good morning and you feel if it is, that they are begrudging it and are sorry you've lived so long to see it. People who mistreat your dog because they happen to have a grievance against you, but thank goodness these are few and far between. People who hang on tenaciously to a bit of gossip or a peeve, and dig it up now and then, dust it off and chew at it a while—then bury it again for future chewing. Like dogs—and elephants—they never seem to forget. People who give their friends the benefit of the doubt, even if they know they were wrong. Fine, upstandin' people—like all Hilltoppers.

WITHOUT BENEFIT OF MY MAN FRIDAY

Speaking of time passing quickly—it seems but yesterday that we were calling little Bob-by Swisher to tell him his mother said it was time to come home, now he is Bob Swisher the handsome young-man-about-town. And Edithmaye Evans—am sure it was only a month or two ago that she was crying over a broken doll and now look at her—a heart-breaker if ever I saw one! And Sally and Jean Hoffman and Ruth and Dorothy Belmont who were our first neighbors over on Ogden-av, are now either sweet girl graduates, married, or about to be. And little Susie Johnson and June Norris and Jo-Ann Heischman and Marilyn Myers and her sister would not thank me for calling them little now that they are such lovely young ladies. Of course my own young man daily puts me in my place in a back seat with the other old folks. If I remember my Latin, tempus fidgets or tempora mutantur nos mutamur inilli et—or something. Why don't I ever see Mary and Bob Sandusky? Maybe I'm prejudiced, since they are neighbors, but I think Martha and Ruth Humphreys are right purty girls, and I've watched them grow up too. Say, Beulah Williams, can I tell it now? Was invited to dinner at a friend's Olentangy Village apartment last week and if the walls were more elastic I'd like to live there. By the time my lares et pennates et menagerie et the 13-year-old and his accessories, such as bicycles, electric trains, work bench, etc., were moved in, there wouldn't be space for Dr. J. N. Wolfe to swing my cat—as he has wanted to do fore some time now.

Hilltop Church of Christ To Have Children's Program

The church school of the Hilltop Church of Christ will present the following Children's Day program at the church Sunday evening, June 4, at 7:45:

A welcome exercise by the cradle roll department, recitations by the beginners' department.

The primary department's contribution to the program will be as follows:

We Love Our Sunday School, an exercise by Milton Holloway, James Sharkey, Patty Lou Smith, Wanda June Ferrel, Dian Krimmel and Martha Ann Holloway.

What Jesus Was, an exercise by Gloria J. Whipple, Phyllis Johnson and Joan McFarland.

Sorry, a recitation by Jack Kelley.

Prayer For My Brothers, a recitation by Jimmie Palmer.

What a Boy Can Do, a recitation by Robert Roller.

I Am a Shining Flower, a recitation by Barbara Harper.

Quite True, a recitation by Wayne Ditrick.

Growing Up, a recitation by Joy Louise Bergman.

Ambitions, a recitation by Fredrick Arden Blake.

Flowers For Children's Day, an exercise by Ruth Ellen Ansley, Barbara Jean Pindell, Patsey Ann Bachman and Shirley Ann Baily.

Many Nations In One, an exercise by 19 children. Those taking part beside some whose names appear above are as follows: Fred and Evelyn Braithwaite, Donald Groves, Glenn Schroeder, Frank Sharkey, Dan Miles, Marlyn Morris, Jack Edsell, Betty Jean Ferrel.

That Sweet Story of Old, a song by the primary department.

The children of the junior department will contribute the following:

The Joy of June, a song by the junior department.

On Guard, a recitation by Barbara Groves.

Pure Joy, a recitation by Fred Sharkey.

Messages, a recitation by Dorothy Fiscus.

Blue Birds, a recitation by Betty Lou Knowdel.

The Man In the Boy, a recitation by Charles Scranton.

The Potato and the Strawberry, a recitation by Richard Seranton.

Guitar solo by Jean Baily.

He: You know, there's something about you.

She: Your arm, Toots, your arm.—Exchange.

Old lady: I tell you I won't have this room. I ain't going to pay good money for a pig sty, just because I'm from the country.

Boy: Get in Mum, this is the elevator.

Schmelzer Restaurant Increases Business

Schmelzer's restaurant, 3178 W. Broad-st, operated by Ralph Schmelzer, assisted by his son, Jack, has been doing the largest volume of business in the history of the establishment for the year 1939 to date, as compared with any similar period, according to Schmelzer.

Of particular popular acclaim are the chicken and steak dinners, as well as the many other meals and light lunches offered to Mr. and Mrs. Hilltopper, as well as to transient guests. A complete line of beverages to cool off during the warmer months are on ice or iced to order, thus making the Schmelzer restaurant popular as a refreshment mecca.

Deaths

BERNARD STANLEY SANDERS, 97 N. Powell-av, C & O conductor. Husband of Mrs. Lula; brother of Pearl, Carl, Lewis and Robert, Mrs. J. W. Kershaw, Mrs. Mae Browning and Mrs. Victor Ohlson. Funeral services Monday at the Hilltop Church of God. Interment Memorial park by Jerry Speas.

MRS. MINNIE D. WOTRING, 416 N. Eureka-av, Thursday evening. Survived by husband, Samuel; daughter, Mrs. Esther Bellomy; brother, Charles Brunney. Services were held Monday.

WALTER RAYMOND BROWN, 46 years; residence 106 N. Harris-av. Survived by wife, Velma; brother, Lee A.; two sisters, Mrs. H. Clayton Cain, Mrs. Hetty Vance. Services were held at St. Aloysius church Monday at 9 a. m.

Student Officers Named At West Jr.

Representatives to the new student council at West junior high were elected recently. The new members are:

7A — Robert Winner, Charles Naddy, Esther Garner, Mary Slaughter.

8B—Ellen Clark, Patti Pfaifer, Paul Zeisler, John Fauth, Don Davis, Mary Lou Reeves, Alfred Greenler, Rose Strickland.

8A—Maurice Embleton, Betty Moore, Janelle Walker, James Jessup.

9B—Wanda Wagner, Woodrow Pickering, Marian Miller, Clay Barfield, Bonnie Lear, Jean Ann Spohn, Robert Byerly.

9A—Charles Weidner, Herbert Stewart, Lois Jones, Betty Elliott, Bob Bates.

The building which houses the restaurant is of the most modern design, and the glass front is embodied in the construction of only a few of the very newest and most expensively built restaurants in the United States.

Jones Directs Final Concert

W. Hayden Jones, director of the Hilltop male chorus and former director of music at Hope Memorial church, will direct the choir at Miami Avenue Presbyterian church in its final cohsert of the season Sunday evening.

Soloists assisting with the concert will be Earnest John, Mrs. Elizabeth Breese Davis and Richard Wilson.

RECOVERING FROM OPERATION

Gladys Langer, 50 S. Warren-av, is recuperating from a recent tonsilectomy. She is at her home where her friends have been visiting her and wishing her speedy recovery.

SEILLER SUPPLEMENT

Seiller's New Basement Store To Open Saturday June 3

Store Employs Staff of 25

On Saturdays and during sales Seiller's employs a staff of 25.

Jack Merriman, general manager, is the oldest in service, having started at the age of 12 as delivery boy.

The office force is composed of Miss Edith Sallee, bookkeeper, and Martha Mohn ("Little Martha"), who is stenographer. Edith has been employed at the store for 19 years.

In the women's ready to wear department is Mrs. Edna Coffman, Mrs. Ethel Rinehart, Mrs. Avonelle Overholt, Mrs. Gladys Dorsey, who has been with the firm for 15 years, Mrs. Edith Lambert and Mrs. Helen Ogden. Mrs. Rinehart is the buyer for children's wear, and Mrs. Overholt and Mrs. Coffman are other buyers in the department.

Mrs. Emilie McCormick, who was employed at the head of the alteration department of the J. M. Caren Co. for 20 years, is in the alteration department along with Miss Emma Sensenbrenner.

Employed in the notion department is Mrs. Olive Tomlinson, who has been employed by the firm for 19 years. Miss Mayme Greer handles the yard goods department, and Mrs. Martha Lind, hosiery and gloves.

Supervising the men's department is Jack Merriman, with a staff composed of Bob Zellers, who is also responsible for displays in the front windows, Jack Amsbury, Howard Vawters, Bob Lundberg, L. A. Amarine, Harry Page and Clarence Story and W. H. Sater who also take care of alterations for men.

David Rinehart is delivery boy.

Employed part time are Mrs. Evelyn Bornheim, Miss Helen Phillippi, Joyce Blackburn and Doris Bragg.

Seiller Store Enlarged Four Times Since Founded In 1909

M. W. Seiller

M. W. Seiller, owner of the city's largest suburban department store, was born in Akron, loves short ribs of beef, all kinds of sports, and has been busily engaged in his favorite occupation for more than 30 years.

He had many opportunities to view and inspect department stores on his travels as salesman for the Tracy Wells Co. following schooling in Circleville high school. It was on these trips that he decided to go into the department store business and in 1913 quit the road to buy an interest in a dry goods and department store at Crestline, O.

In 1909 L. M. Seiller bought a store at the present Economy Variety store location, and in 1919 M. W. went into partnership with his brother. Later he purchased his brother's interest in the store. Since that time the store has been enlarged four times.

Mr. Seiller is married and has two daughters, Mrs. Paul Leighninger, 24, of Lexington, Ky., and Eleanor, 21, at home. Both are Phi Beta Kappas, Mrs. Leighninger (Dorothy) having graduated from Ohio Wesleyan university, where Eleanor will be graduated this June.

4000 ft. Extra Floor Space Is Provided

With their grand opening tomorrow, Seiller's, the Hilltop's largest merchandise mart for 30 years, will add nearly 4,000 square feet of selling space and convenience for Hilltop residents.

The new basement will be completely modernistic from the built-in show cases with modern streamline fixtures, to the latest style in counters and displays. The south end of the basement to the right and in the rear of the stairway will be completely stocked with cleverly displayed rugs of all varieties and room size linoleum.

The east side of the basement is devoted to curtains, draperies and slip-covers, with a special built-in display case in which it is possible to show 100 different patterns of curtain styles. Modernistic superstructure lighting fixtures are installed for the convenience and pleasure of Seiller patrons.

Rugs, shades, curtain hardware and venetian blinds will occupy the north end of the basement. On the west side, new up to date counters will be stocked with notions, providing four to five times as much space as has heretofore been given to this department. Oil cloth will be a feature of the notion department.

To the left of the stairway is located the new dry goods department containing new and plenteous supplies of linen, bedding, pillows, blankets, bedspreads, table linen, fancy linen and dress material.

The new basement is also equipped with an ice cooler drinking fountain and restrooms.

Changes On First Floor

The extra space provided by this change leaves the whole first floor devoted to ready to wear clothing. Undergarments will replace the drygoods department, and children's wear will be moved to the front of the store.

The cotton shop has been changed from the mezzanine to the women's ready-to-wear addition.

In addition to such changes in location of departments, M. W. Seiller is announcing his new central station to be used for more efficient service in handling charge accounts. This pipe system is installed throughout the store.

All in all the store now occupies what would be equal to four floors in space.

Jack Merriman Is Asst. Mgr. For Big Seiller Store

Jack Merriman

From delivery boy to assistant manager is the story of Jack Merriman and his association with the Seiller store. Jack has been employed at Seiller's for 20 years, having started work at the age of 12.

From his position as delivery boy, which he took upon graduation from West high school in 1925, he was promoted to salesman and then to buyer. He still supervises buying in the men's department. Recently he has been busily engaged in preparations for the opening of the new basement.

His real name is John Phillip Merriman, he is married and has two children, Howard, six years old, and Martha, three. Jack and his family reside at 2520 Sutton-av.

Mrs. Wimpus—What are you waiting around my front gate for, young man?

Suitor—For—for Mary.

Mrs. Wimpus—Then you'd better run along. You're not the sort of husband we want for her. When her father was a-courtin' me and I didn't show up, he climbed the fence, strangled the watch dog, forced a window, locked the old man in his room, put the ring on my finger and told me we'd be married that evening. That's the kind of man we want for Mary.

Two Special Features For Big Opening

In celebration of the third expansion movement of the Seiller Department store since its location at 2406-6 W. Broad-st, M. W. Seiller, owner of the store, is announcing the grand opening of his new 37 by 110 foot basement, which, it is estimated, will increase convenience and pleasure for Seiller customers twofold.

The opening will get under way Saturday morning at 9 o'clock with an opening sale on all merchandise in the store. Tickets for drawings to be held at 10, 2, 4 and 8 o'clock on Saturday, June 10, will be given with each purchase during that day and the following week of the sale.

Children are also due for a big treat from real western cowboys, Bulldog Reefe and Pinky Morris, who will be stationed on horses in front of the store between 2 and 8 p. m. tomorrow. During the day they will brand, on cowhide hip patches with heated irons, the name and ranch brand of all boys who purchase Lee overalls. To the first 120 boys between the ages of six and 16 who visit the store will be given a regular bandana handkerchief, 27 inches square.

They Are In Charge of Office

Pictured above in the office of the Seiller department store is Miss Edith Sallee, bookkeeper, and Miss Martha Mohn, stenographer. Miss Sallee has been associated with the store for 19 years. Miss Mohn has been employed by Seiller's for more than two years.

Rug Dept. In Basement

One of the main features of the new Seiller basement, to have its opening celebration tomorrow, is the new up-to-date rug department in which rugs of all descriptions for any room, porch, hall or kitchen are on display. Grass rugs of all gay colors and descriptions will be available for the modern porch, throw rugs and rag rugs for the hall or bathroom and gaily colored or conservative dark shades in the full length rugs for living and dining rooms.

There is no rug too small or too large but that it will be on hand for you when you visit the rug department of the new Seiller basement. Refreshing new borders and trims just set off these modern patterns.

Schirtzinger Was Contractor For Building

Credit for the actual excavating and building of the new 37 by 110 foot Seiller basement goes to the M. M. Schirtzinger Co., 126 Frambes-av, excavators and builders of the city hall basement, added in 1928. Mr. Schirtzinger worked in cooperation with Mr. Seiller and Mr. Merriman, using and elaborating on their ideas.

Fixtures were installed and painting done by the company. Excavating got under way Jan. 17.

Roofing was done by F. O. Schoedinger of 328 Mt. Vernon-av. The terazzo tile flooring and the main stairway to the basement which is of terazzo tile were laid by the Ardit Mosaic Tile and Marble Co. of 667 W. Mound-st.

Walter Ewing, Hilltop man, who resides at 216 S. Burgess-av, installed air conditioning units for the new basement and the electrical wiring was handled by the Brooks Electric Co.

Basement Was Planned Last Winter

"We'll have to have a notion department over on this side and the floor will want to be of concrete," said one gentleman in the vicinity of 2404-06 W. Broad-st, one afternoon last winter.

"Certainly not, the floor wants to be of tile," replied the other.

The conversation above was the nucleus of a very modern and spacious new basement being officially opened for Hilltop residents tomorrow morning at 8 o'clock. The gentlemen in the conversation were M. W. Seiller, owner of the Seiller store and J. P. Merriman, his trusted and worthy manager.

Such conversations and ideas added together, with a bit of technical advice from the M. M. Schirtzinger Co. have resulted in one of the latest, most up to date, additions to Hilltop stores in past years.

Enthusiasm has been running high among employees and employer as well as friends of the store and what with pictures being taken every now and then, hammering and moving of fixtures resounding in all sections of the store and constant running about to find various members of the staff, the new basement has attracted much attention.

Patzer Writes Seiller Ads

Harry A. Patzer, advertising councilor for Seiller's department store, is a graduate of Capital university, and a graduate of the K. C. S. schools. He has been active in general banking, real estate selling, oil equipment advertising, operation of a general creative letter and advertising service, and at present is a specialist in the advertising of food, with other accounts in department store and merchandise lines.

Mr. Patzer is a member of the Columbus Retail Grocers association and the Columbus Advertising club. He is married, has two children and resides with his family at 2408 Glenmawr-av.

Patzer has been associated with Seiller's for more than a year, handling all advertising needs, and planning all copy and publicity for that store.

SEILLER SUPPLEMENT

Seiller's New Basement Store To Open Saturday June 3

Store Employs Staff of 25

On Saturdays and during sales Seiller's employs a staff of 25. Jack Merriman, general manager, is the oldest in service, having started at the age of 12 as delivery boy.

The office force is composed of Miss Edith Sallee, bookkeeper, and Martha Mohn ("Little Martha"), who is stenographer. Edith has been employed at the store for 19 years.

In the women's ready to wear department is Mrs. Edna Coffman, Mrs. Ethel Rinehart, Mrs. Avonelle Overholt, Mrs. Gladys Dorsey, who has been with the firm for 15 years, Mrs. Edith Lambert and Mrs. Helen Ogden. Mrs. Rinehart is the buyer for children's wear, and Mrs. Overholt and Mrs. Coffman are other buyers in the department.

Mrs. Emilie McCormick, who was employed at the head of the alteration department of the J. M. Caren Co. for 20 years, is in the alteration department along with Miss Emma Sensenbrenner.

Employed in the notion department is Mrs. Olive Tomlinson, who has been employed by the firm for 19 years. Miss Mayme Greer handles the yard goods department, and Mrs. Martha Lind, hosiery and gloves.

Supervising the men's department is Jack Merriman, with a staff composed of Bob Zellers, who is also responsible for displays in the front windows, Jack Amsbury, Howard Vawters, Bob Lundberg, L. A. Amarine, Harry Page and Clarence Story and W. H. Sater who also take care of alterations for men.

David Rinehart is delivery boy. Employed part time are Mrs. Evelyn Bornheim, Miss Helen Phillippi, Joyce Blackburn and Doris Bragg.

Seiller Store Enlarged Four Times Since Founded In 1909

M. W. Seiller

M. W. Seiller, owner of the city's largest suburban department store, was born in Akron, loves short ribs of beef, all kinds of sports, and has been busily engaged in his favorite occupation for more than 30 years.

He had many opportunities to view and inspect department stores on his travels as salesman for the Tracy Wells Co. following schooling in Circleville high school. It was on these trips that he decided to go into the department store business and in 1913 quit the road to buy an interest in a dry goods and department store at Crestline, O.

In 1909 L. M. Seiller bought a store at the present Economy Variety store location, and in 1919 M. W. went into partnership with his brother. Later he purchased his brother's interest in the store. Since that time the store has been enlarged four times.

Mr. Seiller is married and has two daughters, Mrs. Paul Leighninger, 24, of Lexington, Ky., and Eleanor, 21, at home. Both are Phi Beta Kappas, Mrs. Leighninger (Dorothy) having graduated from Ohio Wesleyan university, where Eleanor will be graduated this June.

4000 ft. Extra Floor Space Is Provided

With their grand opening tomorrow, Seiller's, the Hilltop's largest merchandise mart for 30 years, will add nearly 4,000 square feet of selling space and convenience for Hilltop residents.

The new basement will be completely modernistic from the built-in show cases with modern streamline fixtures, to the latest style in counters and displays. The south end of the basement to the right and in the rear of the stairway will be completely stocked with cleverly displayed rugs of all varieties and room size linoleum.

The east side of the basement is devoted to curtains, draperies and slip-covers, with a special built-in display case in which it is possible to show 100 different patterns of curtain styles. Modernistic superstructure lighting fixtures are installed for the convenience and pleasure of Seiller patrons.

Rugs, shades, curtain hardware and venetian blinds will occupy the north end of the basement. On the west side, new up to date counters will be stocked with notions, providing four to five times as much space as has heretofore been given to this department. Oil cloth will be a feature of the notion department.

To the left of the stairway is located the new dry goods department containing new and plenteous supplies of linen, bedding, pillows, blankets, bedspreads, table linen, fancy linen and dress material.

The new basement is also equipped with an ice cooler drinking fountain and restrooms.

Changes On First Floor

The extra space provided by this change leaves the whole first floor devoted to ready to wear clothing. Undergarments will replace the drygoods department, and children's wear will be moved to the front of the store.

The cotton shop bag been changed from the mezzanine to the women's ready-to-wear addition.

In addition to such changes in location of departments, M. W. Seiller is announcing his new central station to be used for more efficient service in handling charge accounts. This pipe system is installed throughout the store.

All in all the store now occupies what would be equal to four floors in space.

Jack Merriman Is Asst. Mgr. For Big Seiller Store

Jack Merriman

From delivery boy to assistant manager is the story of Jack Merriman and his association with the Seiller store. Jack has been employed at Seiller's for 20 years, having started work at the age of 12.

From his position as delivery boy, which he took upon graduation from West high school in 1925, he was promoted to salesman and then to buyer. He still supervises buying in the men's department. Recently he has been busily engaged in preparations for the opening of the new basement.

His real name is John Phillip Merriman, he is married and has two children, Howard, six years old, and Martha, three. Jack and his family reside at 2520 Suttonav.

Mrs. Wimpus—What are you waiting around my front gate for, young man?

Suitor—For—for Mary.

Mrs. Wimpus—Then you'd better run along. You're not the sort of husband we want for her. When her father was a-courtin' me and I didn't show up, he climbed the fence, strangled the watch dog, forced a window, locked the old man in his room, put the ring on my finger and told me we'd be married that evening. That's the kind of man we want for Mary.

Two Special Features For Big Opening

In celebration of the third expansion movement of the Seiller Department store since its location at 2406-6 W. Broad-st, M. W. Seiller, owner of the store, is announcing the grand opening of his new 37 by 110 foot basement, which, it is estimated, will increase convenience and pleasure for Seiller customers twofold.

The opening will get under way Saturday morning at 9 o'clock with an opening sale on all merchandise in the store. Tickets for drawings to be held at 10, 2, 4 and 8 o'clock on Saturday, June 10, will be given with each purchase during that day and the following week of the sale.

Children are also due for a big treat from real western cowboys, Bulldog Reefe and Pinky Morris, who will be stationed on horses in front of the store between 2 and 8 p. m. tomorrow. During the day they will brand, on cowhide hip patches with heated irons, the name and ranch brand of all boys who purchase Lee overalls. To the first 120 boys between the ages of six and 16 who visit the store will be given a regular bandana handkerchief, 27 inches square.

They Are In Charge of Office

Pictured above in the office of the Seiller department store is Miss Edith Sallee, bookkeeper, and Miss Martha Mohn, stenographer. Miss Sallee has been associated with the store for 19 years. Miss Mohn has been employed by Seiller's for more than two years.

Rug Dept. In Basement

One of the main features of the new Seiller basement, to have its opening celebration tomorrow, is the new up-to-date rug department in which rugs of all descriptions for any room, porch, hall or kitchen are on display. Grass rugs of all gay colors and descriptions will be available for the modern porch, throw rugs and rag rugs for the hall or bathroom and gaily colored or conservative dark shades in the full length rugs for living and dining rooms.

There is no rug too small or too large but that it will be on hand for you when you visit the rug department of the new Seiller basement. Refreshing new borders and trims just set off these modern patterns.

Schirtzinger Was Contractor For Building

Credit for the actual excavating and building of the new 37 by 110 foot Seiller basement goes to the M. M. Schirtzinger Co., 126 Frambes-av, excavators and builders of the city hall basement, added in 1928. Mr. Schirtzinger worked in cooperation with Mr. Seiller and Mr. Merriman, using and elaborating on their ideas.

Fixtures were installed and painting done by the company. Excavating got under way Jan. 17.

Roofing was done by F. O. Schoedinger of 326 Mt. Vernon-av. The terazzo tile flooring and the main stairway to the basement which is of terazzo tile were laid by the Ardit Mosaic Tile and Marble Co. of 667 W. Mound-st.

Walter Ewing, Hilltop man, who resides at 216 S. Burgess-av, installed air conditioning units for the new basement and the electrical wiring was handled by the Brooks Electric Co.

Basement Was Planned Last Winter

"We'll have to have a notion department over on this side and the floor will want to be of concrete," said one gentleman in the vicinity of 2404-06 W. Broad-st, one afternoon last winter.

"Certainly not, the floor wants to be of tile," replied the other.

The conversation above was the nucleus of a very modern and spacious new basement being officially opened for Hilltop residents tomorrow morning at 8 o'clock. The gentlemen in the conversation were M. W. Seiller, owner of the Seiller store and J. P. Merriman, his trusted and worthy manager.

Such conversations and ideas added together, with a bit of technical advice from the M. M. Schirtzinger Co. have resulted in one of the latest, most up to date, additions to Hilltop stores in past years.

Enthusiasm has been running high among employees and employer as well as friends of the store and what with pictures being taken every now and then, hammering and moving of fixtures resounding in all sections of the store and constant running about to find various members of the staff, the new basement has attracted much attention.

Patzer Writes Seiller Ads

Harry A. Patzer, advertising councilor for Seiller's department store, is a graduate of Capital university, and a graduate of the K. C. S. schools. He has been active in general banking, real estate selling, oil equipment advertising, operation of a general creative letter and advertising service, and at present is a specialist in the advertising of food, with other accounts in department store and merchandise lines.

Mr. Patzer is a member of the Columbus Retail Grocers association and the Columbus Advertising club. He is married, has two children and resides with his family at 2406 Glenmawr-av.

Patzer has been associated with Seiller's for more than a year, handling all advertising needs, and planning all copy and publicity for that store.

Flor-Dye Used To Cover Basement Steps

The new Truscon Flor-Dye was used by Seiller's on the steps leading to the new basement. This was furnished and applied by the Local Building Cleaning Co., of which John W. Selvey, 103 S. Wayne-av, is manager.

Flor-Dye is new, yet it has been thoroughly tested under practical and produces a colored finish that water does not harm.

Flor-Dye hardens a concrete floor surface by sealing the pores and stops dusting. It is lime proof, sun resisting, oil proof and generally stain proof.

Flor-Dye differs from surface coatings in that it actually penetrates or works its way into the cement surface. It colors uniformly and becomes fixed as an integral part of the concrete. conditions. It is easily applied

Pictured above in the men's ready-to-wear department at the Seiller store are (left to right) Jack Merriman, manager, Bob Lundberg, Mr. Harry Page, Mr. L. A. Amarino, Jack Amsbury and Bob Zellers.

This department has been enlarged to include over half of the main section of the store.

Aquatation Is Curlee

Even high quality worsted fabrics like those selected by the woolen specialists of the Curlee Clothing Co. are not ready for tailoring when they are received from the mills. In order to insure the proper qualities in the cloth, all Curlee worsted suitings are Aquatated, a process developed through years of experimentation by Curlee's research engineers—in our own plants.

By means of this special process the millions of pores in the woolen fibres in the cloth are opened to permit maximum absorption in tempered water baths. As the process advances, excess water is removed and the cloth dried carefully under absolute temperature control to insure complete shrinkage. The cloth in a Curlee suit "stays put."

In the next step the fibres of the worsted are permanently set by a special refinishing treatment and the cloth is ready for final inspection. This new treatment makes possible the detection of the slightest imperfection which goes unnoticed if ordinary methods are used.

You cannot tell from looking at a suit what preparation the cloth has had before tailoring but after long wear you will find that the Curlee aquatated suit retains its original shape and style.

The final result of the process is a fabric conditioned for perfect tailoring. It insures easy drape, comfortable fit and complet satisfaction to the wearer. Aquatation adds months of smart appearance to your Curlee suit.

Drs. Edward Reifenstein and Eugene Davidoff of Syracuse told a meeting of the New York Medical Society that injections of amphetamine sulphate (benzedrine) could revive stupefied drunkards in 30 minutes, and could make "depressed and sullen intoxicated individuals more cheerful and adaptable." They deplored the fact, however, that some "chronic alcoholics have developed the habit of taking amphetamine sulphate in preparation for periodic excessive indulgence."

After a steady rise from December through February, unemployment declined 2.6 per cent last March, the national industrial conference board reported. Opening of 281,000 new jobs, the board reckoned, sliced the nation's total jobless to 10,428,000.

Feature Cooper's Jockey Underwear

Slip into your first jockeys. Feel the difference mild, masculine support makes. Notice how Jockey hugs the body contours—loosely enough to stretch with every motion—tightly enough to prevent crawling, bunching, or creeping.

Notice how convenient that angled Y-front opening is, and yet how it positively stays closed, with no gap, eliminating undesirable body contacts with outer clothing. See how Jockey fits through the seat — snugly but without "cutting" or "sawing." Stoop or sit. Notice how Jockey "gives" with every motion, yet maintains its sleek fit and support.

Feel the knit fabric. Feels soft, porous, and absorbent, doesn't it? It is! It's like a twin to your skin—cool in summer, warm in winter, always hygienic.

There are various fabrics and lengths to choose from. There's a special contoured Jockey Shirt to match—short in front to eliminate needless bulk, long in back to stay anchored down.

Jockey will bring you new comfort. And we're so confident it will, that we invite you to try it at our risk. Your money back if you do not agree with us!

Tradition says the winner of the annual senior hoop race at Wellesley college, Massachusetts, will be the first member of her class to marry. Last week the Wellesley "bride" turned out to be a Harvard undergraduate, Edward C. Read. Carefully powdered and lip-sticked and wearing a red wig, blouse, skirt and silk stockings, Read entered the race unseen and led the shouting female pack over the finish line. As he coyly named a Harvard friend as "my fiance," his wig slipped. Instead of the customary bouquet, Read got a ducking in the campus lake.

When General Francisco Franco's army marched into Barcelona, students of the university of Minnesota in Minneapolis cabled him: "Lay off Ferdinand the Bull." Last week the collegians were chortling over the reply: "His Excellency, the Generalissimo, was greatly pleased with the cablegram which you sent him upon the conquest of Barcelona by our glorious army." It was addressed to "Don Ferdinand the Bull."

Seventeen Nations Have Been At War Since "War To End Wars" Fought

The Great War of 1914-1918 was "the war to end wars"—but since November 11, 1918, there has been active strife between nations in all parts of the world.

Hefe is a list of the conflicts which seem a mockery of the sacrifices of 1914.

GALICIA, 1918-19: The Poles and Ukranians fought for control of Eastern Galicia, the struggle ending in the area being awarded to Poland.

IRELAND, 1919-21: Sporadic and bloodthirsty guerilla fighting in Ireland between armed Republicans and British "Black and Tans."

ASIA MINOR, 1921-22: Invasion of Asia Minor by the Greeks, who were finally defeated by the Turks after a battle lasting continuously for a month. During this Smyrna was destroyed. The damage was estimated at 50,000,000 pounds thousands of people were massacred.

SYRIA, 1925: Druse Rebellion in Syria against French control.

SOUTH AMERICA, 1925-28: Long drawn-out war between Bolivia and Paraguay over rival claims to territory of Gran Chaco. Huge loss of life.

CHINA, 1926-28: More warfare in China, ending in the establishment of the Chinese Republic.

MANCHURIA, 1931-32: Japan invaded Manchuria, defeating and driving out the Chinese ruler, Marshal Chang-Hsiao-liang, and setting up a puppet emperor while retaining full control for themselves.

RUSSIA, 1919: Red Russians crushed the White Russians who were led by Admiral Kolchak in Siberia, by General Denikin in the south, and General Yudenich in Estonia—all of whom were supported by the Allies.

MOROCCO, 1919-23: Spanish War in the Riff country of Morocco.

ARABIA, 1919-26: War between Ibn Saud and King Hussein, the latter being dethroned.

POLAND, 1920: Russia attacked Poland and threatened Warsaw—the Poles inflicting a heavy defeat upon the attackers.

ARMENIA, 1920: Turkey attacked the Armenian Republic and opened up a direct route to Russia.

CHINA, 1932: Hostilities between Japanese and Chinese forces at Shanghai with terrific losses and 70,000,000 pounds damage to the city.

ABYSSINIA, 1935-36: Italy invaded Abyssinia.

SPAIN, 1936: Spanish War.

CHINA, 1937: Japanese and Chinese again in conflict at Shanghai and North China.

NEW PERSONNEL NAMED AT GLENWOOD PARK

A change has been made in the personnel and management of Glenwood shelter house for the summer season just starting. Al Abrams, Bert Bost and Joe Bliss have been transferred from Sunshine park to take charge of the outdoor events.

Abrams and Bost had visited Glenwood each week during the fall and winter to give instructions in music and dancing. Two outdoor vaudeville programs are planned monthly at the park through the summer, the new instructors promise.

Three horseshoe courts, two tennis courts, swings for babies and older children, trapeze bars and many other attractions are at the disposal of the public without charge.

Mrs. Miller and Mrs. Emily Smith will direct the young ladies activities at the park.

Cotton exports from the United States last year slipped another 1,412,000 bales below 1937's low figure of 5,728,000, according to preliminary figures from the department of commerce. Cotton sold abroad in 1938 was worth only $224,322,000, compared to $360,023,000 in 1937. At the same time, U. S. industrial consumption of cotton was 5,903,000 bales—1,535,000 below 1937.

Seiller Offers Curlee Clothes For Men

"Cool as an ocean breeze," is the slogan of Curlee, manufacturers of men's clothes, when they describe their new summer suits.

They say "If you have never experienced the amazing combination of smart appearance and warm weather comfort that goes with wearing new Curlee summer suits . . . you have a real treat in store. These suits are tailored from a beautiful selection of new materials that are light in weight and stand up under hard hot weather wear."

Seiller's state. "Our line of summer suits is complete in range of styles, models and sizes, all moderately priced, so you are sure to find just the one that meets your requirements."

Figure-Fashion Guide Foundation Of Chic

The fashion editors of Good Housekeeping—smartics that they are—have devoted several pages in the June issue to the problem of correct clothes according to height and build. You and you have been asking just such questions, so this authority has given you a working outline which you may follow, and never go wrong on apparel selection.

Tall, short and average heights are the three types shown in the magazine. Each of the women chosen to be photographed for the feature spent a week trying clothes and experimenting with styles, with the fashion staff taking notes, selecting frocks, analyzing general silhouette lines, etc.

The conclusions they present for you are not theories—they're definite facts that will help no end in choice of apparel to enhance beauty.

For Tall and Slender

Vertical stripes, high waisted or beltless dresses, and clinging fabrics are out for the tall, slender woman. She not only accentuates her height by wearing any of the above, but she emphasizes the fact that she is thin.

Peasant lines were found to be kindest to her figure, with horizontal stripes, padded shoulders and full skirts. She looks shorter, less bony, and the general silhouette has a flattering softness which is necessary to towering girls.

The next type is Miss Short, who is less than average height, thin, and has a small-boned frame. The experts found that the princess dress, with long lines from shoulder to hem and no belt, was the best style for her. Big hats, peasant clothes, large prints, contrasting colors, large puffed sleeves or heavily padded shoulders are too much for her slight-

Foundation Important

The third type is the woman of average height, who has thin arms and legs, but whose waist and hips have thickened. The most important thing is a correct foundation garment, with boning over the stomach. She wears vertical stripes and wears them well. Her frock should have V-necklines to minimize the bustline. She never wears wide belts, tiny sleeves or tight skirts.

We suggest that you get a copy of the magazine before you go to buy your summer frocks, and study it thoroughly. Every phase of dressing has been delved into thoroughly.

Lee Overalls Are Popular

Women of Hollywood and points west are noted for their startling costumes and amazing styles but they have selected the tops in comfort and smartness as one of the latest fads of overalls for women. Dorothy MacDonald, women's page editor of the San Francisco, Call Bulletin reports that the younger generation has gone "blue jean mad, whether they ranch or not, and their latest enthusiasm concerns jeans that have leather patches on hip pockets to 'brand' with nicknames, ranch or actual cattle brands."

The overall fad is perhaps not as prominent or practical in eastern states but the overall presented by the Lee Co. has made a very particular hit with the boys and men of this territory. Lee presents the finest in quality overalls with such outstanding features as a safety watch pocket, thread rivets at every strain point, a form fitting bib, corded button holes, knurled humped slides, rust-proofed, two pronged fly buttons.

Lee overalls will be represented at the Seiller opening with their own personal cowboys there to brand boys' names and ranch number on all overall pants bought by boys, the first 120 boys receiving a large bandana handkerchief free.

Weekly Press Gains

Daily papers are waning while country weeklies are waxing according to statistics gathered by a national advertising agency. During 1938 the country weeklies increased 194 while city dailies declined 39. The country weekly is coming down from upstairs back rooms to a place on the grounds floor in the business section. The country weekly feels no competition from the radio or the free distribution advertising sheets. The country weekly deals not in scandals or sensations, but aims to spread joy and good fellowship through the land. The country press with 17 million readers, served from 10,179 printing offices, is an item toward the universal brotherhood.—Ed.

Early miniatures were painted on playing cards, cardboard and paper. Vellum was also employed but ivory was not used until the middle of the Seventeenth century. There are known examples painted on canvas and linen and even the metals—gold, silver, copper and brass, but they are not common. Porcelain was another material used. Painting in oils was practically discontinued early in the Seventeenth century. Water colors and chalks were the usual medium from then on. The first quarter of the Nineteenth century marked the zenith of miniature painting. It began to decline when photography was invented.

WHERE SMART MEN GATHER . . .
Ten to one it's a CURLEE SUIT

Wherever Hilltop men gather, at the conference table, in the lodge or at the baseball game, ten to one they are wearing CURLEE CLOTHES. Years of experience in buying really fine clothes at particularly economical prices have taught the average Hilltopper that CURLEE CLOTHES is the answer to their problem of smart apparel.

Certainly SEILLER'S Sell Suits by CURLEE

Naturally in planning his purchases of CURLEE CLOTHES, Mr. Hilltopper thinks of SEILLER'S. He knows that here he will find the most complete line of linens, gaberdines and tropical worsteds for the warm summer months ahead. He has learned that at SEILLER'S he can be sure that he is buying a suit that will stand the severest tests of wearability, style and price. SEILLER'S specialize in men's suits for all occasions. At SEILLER'S the assortment of really fine men's apparel leaves nothing to be desired by the discriminating Hilltopper.

Gingham and Gypsy Stripes Now Trend In Handbags

The field day for handbag lovers is at hand. Whether you're going into the checked gingham department, or thinking seriously of the gypsy stripe angle, we know just the place for you.

A bag in the hand is worth every bit of the time you give to its selection. We've seen women stand around in handbag sections for 45 minutes at a stretch, comparing different styles, and still purchase the wrong handbag!

Try and keep your ensemble colors in mind—it's far better to buy a good contrast than a bad match. You might even cut a tiny strip of material from the inside of your coat or frock, if you're insistent on matching colors.

New Fabrics

There's an interesting bag fabric out this season which looks almost exactly like straw. It's a material with a rough finish, stiff enough to be perfect with suits or other tailored apparel. It comes in a black and white, and blue leather trim. It's one of the smartest town bags we've come and mixture, with solid color across in ages.

Stripes Smart

If you're determined to go gingham, you'll be wanting a gay gingham bag for your plunder. Pay your money and take your choice of black and white, red with white, or blue and white. All er in the dark shade of the checked cotton. Very inexpensive, these summery looking bags, and lightweight, too.

Dark, sheer dresses need a little extra spiz which can be admirably cornered with a brightly colored bag. Stripes are very lovely ginghams are grand, and the straw-like fabrics are effective.

Every one of the bags we found in this store is well made, has ample space for the average feminine loot, and, of course, they're very smart.

Hi-Lo Sox Give Men Comfort

The new Hi-Lo sox of Inter-Woven, sold on the Hilltop by Seiller's, are made long enough to cover the leg below the trousers and short enough to give cool comfort. The patent self supporting "Nu-Top" keeps them up without binding. They are made by the world's largest manufacturers of socks.

Announced by the trustees of Columbia university were the 1938 Pulitzer prizes in letters and journalism. Drama award went to 43-year-old Robert E. Sherwood for his "Abe Lincoln in Illinois," the novel award to 42-year-old Marjorie Kinnan Rawlings for "The Yearling." Each will receive $1,000.

These Ladies Ready To Serve You

The former cotton shop of the Seiller department store is the background of the above photo in which members of the ladies ready-to-wear department are pictured. They are left to right, Mrs. Edna Coffman, Mrs. Evelyn Bornheim, Miss Emilie McCormick, Mrs. Gladys Dorsey and Mrs. Edith Lambert.

Stripes, Plaids and Checks Bedeck New Spring Suits

If you don't like your mid-season self, if you discover you've let your figure have its fling, if your wardrobe looks woe-begone and things generally are very semi, we suggest just the trick to send your spirits soaring.

It's a suit. The clever, colorful version that will sweep you into spring — concealing, through its tailoring, all the figure faults you must conquer before the swimming season is upon you.

Suits aren't just suits this year, they do surprising things with color and cut and are accommodatingly indifferent as to whether they mix or match. Never before have we seen them so bright with stripes and plaids and checks romping riotously over the scene. The majority of these, however, pair up with plain skirts in shades to blend or contrast. The skirts also go gay and swirl like a skater's, shunning that straight up and down silhouette.

Shoulders Trim

Shoulders are an imporatnt accent on your new jackets and stand away to minimize your midriff. This is true of the man-tailored and dressmaker models, many of which are made in the new longer line so becoming to the tall or the "hippy" woman. Your smartest jackets also shed their collars and depend on button finish or trapunto embroidery for their charm.

Tweeds, herringbones and twill fashioned a number of models we saw in one local store, which has one of the most extensive collections from which you may suit yourself. Every type and age may find tailored flattery here as well as amusing fashion.

Boleros Appeal

Particularly appealing are the little bolero suits so good for the younger or smaller woman. One that caught our eye featured trapunto embroidery—a quilted effect—around the collarless neck and border of the bolero which boasted two slash pockets. This may be had in capri blue and beige, as well as navy or black, at $10.95.

Should you be practical-minded there is the perennial two skirt suit popping up more attractive than ever this season. It comes in black with a grey stripe jacket, one plain skirt and one striped skirt. Be "strong-suited" this spring and find a fascinating foundation around which to build a brighter wardrobe.

Crochet Chenille Jacket For Summer Evenings

Chenille has come into its own again, especially in crocheted jackets for summer evening wear. The brief cardigans we're wearing with sport clothes have given us a yen for soft little evening sweaters, full of femininity.

The yarn for evening briefies had to be a bit on the dressy side, and chenille was the logical choice. There's a fluffy softness about chenille which lends itself beautifully to chubby jackets for wear over flouncy frocks.

Bonnets, too, in the form of Juliet caps, are going to be very important in the summer fashion picture. You can make them with your own little hands in a jiffy, and we don't have to go into any long harangue about how cute and effective these postage stamp toppers are nestling among one's curly locks.

Crocheters will enjoy making the brisk little jackets, since the stitches are simple enough for even an amateur to whip up in a hurry. When ever we have no trouble crocheting ourselves a jacket and bonnet set, you can take our word for the simplicity of the whole procedure.

There's a wide range of colors in the soft chenille, from the daintiest pastels to dark, intriguing shades, and black. It would be grand to have two sets—one dark and one light—so you could interchange them with daytime and evening clothes. Nothing like variety, we always say.

Chenille isn't costly, so there's not too much of an investment for the average budget, if you are thinking about stitching up one of the fetching little set. The jacket will be a blessing on coolish nights, so get to work, my hearties, and have it all ready for summer dancing dates.

Dr. Paul Popenoe's recent advice to husband-seeking women to "go West", where there are more men was decried by Dr. S. L. Katzoff, San Francisco marriage specialist. "Any woman, anywhere," he said, "can get married if she knows the art of attraction." Mostly, he added, the art consists of seeming "humble and helpless."

For the twentieth consecutive year, the Roman Catholic population of the United States, Alaska and Hawaii increased during 1938, according to the official Catholic directory for 1939, just published. Last year's increase of 239,827 members brought the church's total to 21,406,507 persons.

This year's national achievement award of Chi Omega sorority went last week to Rachel Crothers, 60-year-old playwright and director, author of such successful plays as "Susan and God," "Let Us Be Gay" and "When Ladies Meet." For the second time, the presentation ceremonies were in

Slacks or Shorts? Suit Your Figure

Long or short—it's all a matter of preference in selecting play togs this year. Those culottes that endeared themselves to so many are with us again, in a straighter knee length version which you should love.

Of course, we have shorts again, but such shorts! They're tailored within an inch of their lives, and cut to flatter the legs.

Now about slacks. We like them best, since they're ases for comfort and universally becoming. Any girl who has largish legs should stay in the slack department—there's no sense to advertising your figure faults to the world by making your debut in a pair of shorts.

Many Fabrics Used

Every conceivable fabric in the washable class has been used to whip up slacks for your measure, madam. A pair of niffties in today's sketch, of striped denim, are as smart as can be and inexpensive. There are all sorts of solid color slacks to gloat over and a good selection of patterned numbers.

If you're out to save money on your play clothes, do look at the combination sets which have shorts, jackets, slacks and halters, all in the same material. Each piece is separately priced, and you'll find them gloriously inexpensive.

They'll Wash

In fact, we're going to have the whole shebang, to doll us up for the playing season. Of course they're washable, and they won't shrink or fade.

Looking thoughtfully ahead, the New York city brokerage house of T. G. Wylie & Company advertised last week: War should result in greater demand, higher prices for crude oil and consequently larger returns from producing oil royalties. Investigate this form of investment."

After urging the people of Jersey City, N. J., to "show your Americanism" by attending the city's annual celebration of Americanization Day, Mayor Frank ("I am the law" Hague skipped the festivities, at which he was scheduled to speak, to attend a baseball game.

Your Choice Of

FURS

Is Especially Important

To most women the choice of a fur coat is very important, because they must choose a garment that will last for several years. Seiller's offer a full selection of carefully picked coats made of the finest materials and priced under the amounts you usually would pay for the same high quality. It will pay you to try first for your furs at this popular Hilltop store.

Drapery Dept. Is Enlarged

The new basement will offer among its many features an enlarged drapery department and will carry a complete line of Kirsch drapery hardware. Rugs and carpets of all makes and colors will be on hand for Hilltop patrons.

Curtains by the score from the Columbia Lace Mills will be offered by the new basement and another feature, the Armstrong rugs.

In the dry goods department will be featured new ABC percales. Nashua blankets, cannon towels, Stevens linen and Mohawk sheets are on display for the benefit of Seiller patrons.

Offer Tops In Coat Fashions

Set your alarm early tomorrow. The smart fashions and reasonable prices to be found at Seiller's during their opening sale and all through the summer will be the talk of the Hilltop. Smart young coats are being featured every where this summer and Seiller's offer the top in that line. Expertly tailored swaggers, collarless, tuxedo or rever styles are on hand.

Deep pockets, broad shoulder and a jaunty swing are the featuring points of the new summer coats found in sheer or nub woolens, white pastels or mixtures.

Round About The Hilltop

Things we're observed from our kitchen window—we could stand a nice drizzly rain—the spirea bushes are heavy with blossoms this spring—the lilacs don't look quite as colorful as they might, but they smell just as sweet—the grass seems to shoot up over night, the darn stuff!—the dandelions have gone to seed, oh, maybe this is the second crop we're on now, I don't know—the weeds shore do take hold with a fury if you don't keep at 'em all the time—everybody else's rock moss is bursting forth in a riot of color, while ours is still struggling to acquire even a bud—we're GOOD gardners at our house!—the kiddies are beginning to get their first good coat of tan, the little rascals will probably look like Indians before the summer's over, but who'd have 'em otherwise—waiting to see if the peonies are going to make it for Decoration Day—ours have had little buds for weeks, but they do seem slow—getting a little beyond our own back yard, the red gum and the dogwood of southeastern Ohio is out now, and is really a beautiful sight—We forgot to remind you of Mother's Day, probably remembered it anyway, but Father's Day is coming up. Our suggestion is that instead of getting him a gift, and charging it, for him to pay for, you pay a bill for him, and hand it to him all nicely receipted—unless, of course, he's the sentimental type. Then by all means give him a box of his favorite cee-gars, or a pipe just like the old one.

Hilltoppers will be dancing, as well as swimming, out North Hague Avenue way this summer. Charlie Cruea has built a 60 by 100 foot dance floor out there. There is also talk of having some roller skating on alternating nights. Ah! Looks to us like there's a possibility of a real recreation center

Don Smith better be watching that Boston bulldog of his while the circus is in town. Every evening before the dog will come into the house he makes a beeline for the vacant lot next to Don's house and scares up a rabbit. But to make the act even better he doesn't hurt hte pore lil bunny, just rolls it over a couple of times and lets it go. The bunny seems to be used to the play now and doesn't mind the ruffin' up a'tall!

Florine (Mrs. George B.) Williams is doing very nicely in Grant Hospital following an appendectomy recently.

Fish and Posh

Wayne House made a weekend visit to his alma mater, Ohio U., and visited his twin sisters—Mickey Barrett is so fond of cokes she can almost be classified as a "fiend"—Lucille (Lucy) Pindell is a candid camera addict, and takes some mighty fine pictures, too—C. C. Hartley talked at Kent State recently on "Streamlining the Small Town Newspaper."

HOME-SWEET, ETC.

Curt Wilcox reports that a robin is making her nest on his back porch for the third consecutive year. Even a bird recognizes a good home when he sees one.

CAN YOU BEAT IT?

Champion story-teller, Fred Sulzberger was recounting how his ancestors had come over in a sailboat from the old country in the small space of six weeks. Pop Waymer, not to be outdone, told a wild tale of how his ancestors had to swim for it, and it took them just three months.

Mary Lane Coats Store Features

Today with the opening of Seiller's enlarged and modernized store, fashion is uppermost in the minds of the women of this community. And fashion today is perhaps more interesting than it has been for many seasons. New silhouettes, new colors, new fabrics make it a fascinating problem to assemble a spring wardrobe. With an unusual amount of travel resulting from mammoth fairs on each coast, more than ever women are planning clothes suitable for such occasions.

Among the many lines of smart dependable merchandise which Seiller's are showing in their new store, of particular interest at this time are the famous Mary-Lane coats and suits, manufactured by Brand and Puritz of Kansas City. These garments are of particular interest not only because of their wide approval by fashion-conscious women, but because they typify a business success built on the policy of studying the customer's needs, and presenting merchandise to meet those needs.

Realizing that the American women are the best dressed women of the world, the most critical, most discerning buyers, the designers of Mary-Lane coats and suits have taken great care in their interpretation of style. Lines of good taste, correct fabrics, flattering colors have been selected to enable every woman to dress smartly and correctly on a popular priced budget.

The slogan these manufacturers adopted a number of years ago, "famed for style, fit, finish," has been a constant challenge to the makers to maintain a tradition for quality which has made thousands of satisfied Mary-Lane customers throughout the nation.

With the recent addition of a Junior-Lane line, Seiller's customers of all ages can now be served, and enjoy the superior features of this famous brand of coats and suits, thus constantly increasing the prestige and reputation of this outstanding local institution as headquarters for notable values and cordial good service.

Have a White Wardrobe for Summer

To be a smart, thrifty fashion leader, have yourself a white wardrobe this summer. White is crisper and cooler—so versatile it is being worn with any color and is featured in many of the latest attractive styles at Seiller's. The enlarged women's ready-to-wear department will provide many an enjoyable and profitable afternoon for Hilltop women.

Spic and span uncrushable suits to be worn throughout the summer, "little girl" styles, mantailoreds, boleros, sharkskins, linens, shantungs, in crush-resistant, washable materials are on display.

New Household Furnishings In Basement

Summer curtains of cream, coral, white and many other pastel shades in soft summer materials are a feature of the new Seiller basement. Tailored, ruffled styles in cushion dots and nubby weaves are featured.

Homespun drapes, seat covering, 36 by 50 inch cretonnes and other features are offered by the enlarged curtain section. Slip covering material, rag rugs, grass rugs for the porch, linoleum for cottages and the bathroom, as well as the awnings of all styles and colors are home features of the new basement. Bamboo shade curtains at reasonable prices are offered for the improvement of the porch.

For the bedroom and bath Seiller's offer the new cool, beautifully decorated summer bed spreads and colored oilsilk shower curtains.

Tube System To Centralize All Charges, Sales

One new feature in connection with the Seiller opening is the new Lampson central tube system which will centralize all charges and cash sales in the store, doing away with bothersome transactions by the clerks and providing a far more efficient method for handling purchases.

The Lampson Tube Co. located at Syracuse, N. Y., has installed eight pipes for sending and returning, which will connect the [redacted] ready-to-wear, men's ready-to-wear, children and basement with the main office.

Miss Martha Mohn will be at the desk and will handle all charges in addition to her regular work as stenographer.

The pipes which are installed along the basement ceiling are practically invisible.

Cotton Shop Enlarged

Nearly 400 feet of additional space has been added to the new cotton shop which has been moved from the mezzanine floor of the Seiller store to the left wing addition. Sportswear, [redacted] dresses and farmerettes will be included in the selection of cotton ensembles on display in the new remodeled department.

In the men's ready-to-wear department nearly 500 feet of space has been given over to the men's work clothing. Lee washable overalls and uniforms for men and boys will be a feature of this section.

This department will offer one of the largest work clothing selections in the city. Uniforms may be had in any size and type and for those men who like to step into a uniform and wear it home Seiller's varied selection offers no need for alterations.

A History Making Hilltop Sales Event, Offering Worthwhile Savings On Summer Clothes For All The Family

June 3 THROUGH June 10

For three decades SEILLER'S has been located on and grown with the Hilltop. As need arose in the past, the business was expanded to meet the demands of a rapidly growing community.

So great has been the increase in recent years, however, that it became impossible to properly care for our customers within the space available for our increasing stocks. To meet this need a new basement department consisting of 3,000 square feet of added space was planned, and now, after several months of feverish activity, is ready to serve you.

Today SEILLER'S are equipped to serve you better, more comfortably, and more economically than ever before. With the additional space gained store stocks have been more conveniently grouped and arranged, new lines have been added, and by new and larger purchases prices have been reduced.

Visit SEILLER'S new, enlarged, complete store during this big Expansion Sale, June 3 to June 10. It is one of the biggest sale events ever staged on and for the Hilltop. And best of all it comes just at the time, when you are needing so many summer and vacation items of clothing, as well as the many countless home needs, which we are featuring.

SAVE

Round About The Hilltop

One redeeming feature about being a guest columnist is that any reader taking offense may be confused and blame the other guy. But, gosh, what if someone liked the stuff.

• • •

Wee Politicin'

Prize story of the week originates in Mykrantz drug emporium. Doc Sulzberger (confessed Democrat) and Republican Candidate for Council Heinie Koontz were discussing politics pro and con, much to the delight of two colored boys who were taking in every word intently. Recognizing the interest Sulzberger turned to them and said: "Now Heinie here is a Republican and I am a Democrat. What are you boys?" "Please, suh," said the spokesman for the two, "we's just two culahed boys."

• • •

Fred Raether is proud as punch these days and all because of a new house down South Huron Ave. way. Suggesting the name "Grandstand Managers" for the new Columbus Red Bird fannette gang brought a season pass to Hilltoppers D. C. Finneran, 20 N. Ave., and R. C. Thornhill, 694 S. Warren Ave.

R. H. "Cap" Dunlap, 762 S. Terrace St., with well-known Luther Burbank gleam in his eye, takes credit for having the farthest advanced crop of Kentucky Wonder beans and furthermore claims this has been so for the past 11 years.

• • •

Penelope Johnson, one-time Hilltopper and West High grad, is a resident of Chicago, as is her family, where she continues to play a right fine brand of violin music . . . The $500,000,000 spent yearly by amateur fishermen in this country makes their catch cost about $30 per pound . . . Hey, youse guys, let's not let so many big ones get away . . . Curt Wilcox is bragging about a "confidential" fishing hole where the bass congregate in dozens around logs and stumps.

• • •

Odds and Ends

George Painter was fishing in Michigan this week. Elmer Hagenberger was a devout speed car racing fan back in the days of Driving Park races. Brice Hospital diamond was once a stone pile and dump heap. Dr. C. G. Cramer does a good job as amateur photographer on color films. The poetry festival at Van Wert Thursday drew quite a number of Hilltoppers. Tom Zelkoff, Broad-Hague Restaurant owner, will open another food shoppe at Third and Broad-sts soon. Fred Perkins is reported to be in the grocery business now.

Rev. Burtner at Burgess Ave. U. B. is razed continuously because of his big feet. Gladys Anderson was showing her younger brother how to drive his new Plymouth but couldn't make the thing go. Smoke came pouring up from somewhere and she thought the car was on fire. The brake was set.

• • •

More of This and That

A new apartment house will be erected on Burgess Ave. just around the corner from Broad where the cow pasture used to be. Abe Jones, of the Jones Lumber Co. Jonses, will occupy a new house up in Arlington about Aug. 1. Dale Rose, West Jr. athletic coach, once worked in a post office. Later won letters from Ohio Wesleyan for baseball. Promoters of the recent Eisteddfod are already making plans for another next year.

• • •

Betty Knisely has written Los Angeles County Hospital regarding a nursing course which she is contemplating. Betty is a third quarter freshman at O. S. U.

We hear that the Powell's have their recreation room finished. Howard P. has been working steady with white wash and brush on it recently and we understand more white gets on Howard than on the walls.

Heard that Dorothy Kimmel, West grad '38, turned down a $100 per month federal job to continue with her studies at Ohio State this summer. She's in pre law.

Just mentions wasps to Annie McDonald of the McDonald Lumber Company.

We understand Jim Ehman and Hamp Cruise made "B" averages at Ohio university.

CONCORDIA CHURCH TO HOLD BIBLE SCHOOL

A daily vacation Bible school will again be conducted at the Concordia Evangelical church, 45 S. Brinker-av, and will last during a four-week period, June 12 to July 13. Sessions will be from Monday to Thursday of each week from 9 to 11:30 a. m. with the enrollment open to children from five to 14 years. There is no tuition fee.

Dr. T. S. Fox, 2405½ W. Broad-st, has returned to his office after a recent "forced" vacation.

GOP Club To Meet Tuesday

Huntington To Speak Before Republicans

Attorney Hugh Huntington will be the guest speaker at the monthly meeting of the Eleventh Ward Republican club when it meets Tuesday at 8 p. m. at the VFW headquarters, 2393½ W. Broad-st, with Russell H. Learned presiding.

Huntington

Huntington was a delegate to the 1936 Republican National convention and was chairman of the speaker's bureau in the 1938 campaign. He is also a former county Republican chairman.

His topic will be, "Wills and Inheritance Taxes." Huntington has given much study to the subject and in his research work has gathered together the wills of 300 famous Americans, among which are the will of Campbell Chittenden, William G. Deshler, John D. Rockefeller and Jacob Ruppert.

The subject should be of interest to the public which is cordially invited to attend.

Honor Student's Name Omitted

Omitted from the list of West high graduates in last week's Hilltop Record was the name of Clarence Boyd, an honor student. Boyd was the only student in the class carrying more than seven subjects with an A average.

He has kept up eight subjects with a straight A average.

50 Years Of Teaching Ended By Miss Judd

A half century of service in the Columbus elementary schools was brought to a close this week when Miss Harriet Judd, principal at West Broad Street school for the past 28 years, received her retirement from the Columbus board of education. Countless Hilltoppers in all walks of life will recall days spent under her tutelage.

Miss Judd was the first principal named at West Broad when it was opened for classes 28 years ago. Previous to that she had served 22 years first at Mt. Vernon Avenue school and later at Selton Avenue school. Starting at West Broad with 252 pupils the enrollment grew to a peak of 1,300 just previous to the opening of West high school. The past year saw an average enrollment of 638.

Asked her impressions of pupils she had instructed from the Hilltop, she said:

"There were some very lovely boys and girls. It was a pleasure to work with them."

Interested in Beauty

Ever interested in the improvement and beautification of her school, Miss Judd has added to the school's trophy case vases and other trophies awarded for the most improved in appearance school in the city. Every room bears evidence of this program by some flower boxes, potted plants or other marks of beauty.

Most trying period of her work at the local school was during the flood of 1914 when the entire West high school, driven out of their quarters, were sent to West Broad.

"They were supposed to stay for two weeks," she said. "They stayed for six and one-half weeks and I thought I would go mad."

Miss Judd has had as many as 29 teachers working under her direction. There were 17 during the past year.

During the war her pupils raised $36 per month for two years to support a French orphan girl whose father had been killed in the war. It was carried on as a war project.

"What are your plans for the future?" she was asked.

"To rest," was her only reply.

She has made no immediate plans for vacation trips other than to relax from the years of work she has just completed. She lives at 51 W. Brighton-rd.

West Broad Teacher Will Retire Here

Having completed 21 years of teaching at West Broad Street elementary school, Mrs. Charlotte Walton, 243 N. Ogden-av, a sixth grade teacher, will retire following this school year's completion.

Mrs. Walton began her teaching career at Northwood school 35 years ago and taught at Garfield school before joining the staff at West Broad Street school. She attended Douglas and Garfield schools, Central high school when it was located at Broad and Sixth-sts and Columbus Normal school.

Mrs. Walton is the mother of two children, Paul M. Walton, a civil engineer, and Catherine Walton of the Trinity Universal Insurance Co. She also has one grandchild. Mrs. Walton's hobbies are nature, music and art.

Winner

Ruth Kienle

A four-year scholarship at St. Joseph Academy was won by Ruth Marie Kienle, 17, student at St. Aloysius school, who will be graduated with her eighth grade class Sunday, June 11. Girls from parochial schools all over the city took the scholarship examinations given at the academy on May 20.

St. Joseph is an E. Rich-st and is conducted by the Sisters of Notre Dame de Namur.

Ruth is the daughter of Mr. and Mrs. Frank Kienle of 66 Clarendon-av.

10 Eligible For Police Promotion

Among the first 10 policeman eligible for promotion to the rank of sergeant in the police department are George H. Tiller, 196 N. Chase-av; Guy M. Dowler, 88 Whitethorne-av; Frank L. Harrison, 766 S. Ogden-av, and Otto W. Phillips, 92 S. Hague-av. Examination results were announced recently by the city civil service commission with those four Hilltoppers figuring well in the final results.

CYCLERS MEET

The Hilltop Cycle club will meet Sunday at 11 a. m. at 2516 W. Broad-st, from which place the group will take a cycling trip to West Jefferson. All members are asked to be on time.

110 Boy Scout Awards Presented At Honor Court

The annual Southwest district Boy Scout court of honor was held at Westgate park Monday evening with appropriate ceremonies as 110 awards were presented by officers of the local unit of the widespread organization.

Richard Jantzen and David Riggs, members of Troop 181, Hillcrest Baptist church, continued their steady climb to the highest scout award under the scoutmaster ranking by presenting themselves for the hard-earned Bronze Palm. These were the highest awards of the evening although Robert Edwards, Troop 131, Rome, received his Junior Assistant Scoutmaster's pin and Gerald Gifford, Troop 48, West junior high school, was the proud recipient of a Senior Patrol Leader's emblem.

Seven veteran scouts were awarded the Life Scout pin, one step removed from the coveted Eagle. Those included Phil Dunson, Jack Remington, Ed Kuder, Charles Snyder, William Barnes, David Haines and Gunner Marsh, a recruit two years ago who has achieved a four-year award in a term of two years. Those who were awarded the Star Scout badge included Milton Shonting, Paul Tresenrider, Russell Hergesell, William Snashall, Edward Jones and Ralph Case.

Presented Flag

Maurley Sutton, well-known in local circles, presented the coveted district flag to Troop 161, Camp Chase post, American Legion, with Kenneth Babbs as scoutmaster. The award is given for outstanding records during the past season. A fine feature of the evening's entertainment was an Indian investiture service presented by Troop 181, initiating new scout members into the organization.

The ceremonies were concluded with the serving of refreshments to the scout members who were present through the courtesy of the Coca Cola Bottling Co., the Ward Baking Co., and the J. Fred Schmidt Packing Co.

Received Awards

Other scouts who received awards included: Second Class, Wolfred Waddington, Tom Webb, Richard Smith, Robert Minton, Richard McCurdy, Dean Howell, James Evans, Theodore Coburn, Harold Conrad, David Austin, John Layman, Jack Bachman, Rudolf Wiler, David Thomas, Chas. Allen jr.

First Class, Bill Jenkins, Jody Gram, Stanley Taylor, Albert Shawd, Robert Edwards, Keith Dentner, Robert Denlpaw, Ted Scharenberg, William Stepp, Jack Krauss, Joe Case and Ernest Dahlen.

Merit Badge awards, Stanley Ballinger, Ralph Hemmerly, John Herbert, Clyde Huston, Richard Kembitzky, Jack Remington, Milton Shonting, Harry Thomas, Paul Tresenrider, Charles Weishaput, William Montgomery, Jack Weber, Charles Montgomery, Edward Steward, Stanley Taylor, Jody Gram, Clarence Adams, Charles Snyder, Ed Kuder, William Jenkins, Jack Morris, C. Kuder, Gerald Gifford, Phil Dunson, Keith Williams, William Barnes, David Haines, Ed Evans, Russel Hergesell, Albert Shawd, Richard McFadden, William Snashall, Ted Scharenberg, Gunner Marsh, James Womeldorff, Robert Denbow, Earl Konkler, Louis Womeldorff, Dean Barnes, William Schneider, James Jones, Ralph Case, David Riggs and Richard Jantzen.

Twenty-nine members of Cub pack 19 of Hillcrest Baptist church visited city police headquarters last Saturday. They were accompanied by Henry Garber, 184 Hawkes-av, cub master, and Jimmie Jessup and Noble Allen, chiefs. Refreshments were served following the tour.

After a check-up in the point totals of the troops in this district it was found that Troop 161 was leading in the race for the Governor's Award, offered by Gov. John W. Bricker to the troop holding the best record of achievement in all branches of scouting at the end of the year. At the last Court of Honor every registered scout of this troop attended the court and was awarded some form of advancement.

Two West Students Share Science Award

To Kathryn Dawson, 146 Guernsey-av, and Robert Owens, 179 S. Richardson-av, goes the Bausch and Lomb science award of 1939. Each year a graduate of West high school is presented such an award for outstanding accomplishment in science work. This year the award was shared.

Both students have an all A average in sciences studied, which have been four in each case. Each will enter the college of medicine at Ohio State university.

The award was presented by Principal H. H. Keighley on commencement class night and teachers making the award were O. C. Montgomery, Dr. C. B. Marquand, C. W. Michel and E. C. Reed.

Former awards have been made to Laverne Beckberger, 1936-37 Robert Kline, 1937; Howard Link and David James, 1937-38.

Prized Gifts Are Stolen

Twelve-year-old Mary Ann Baas, 597 S. Roys-av, was a happy girl when she was permitted by her parents to attend the opening of the Hilltop swimming pool a few days ago but her joy was short lived for while she was enjoying the cool, refreshing water someone stole two gold bracelets, a small diamond ring and a purse containing 50c.

The purse didn't matter but the ring and the two bracelets were priceless to Mary Ann. They had been her cherished gifts from her grandfather on Palm Sunday when she was confirmed at St. John's Evangelical church. So that is why she was heartbroken when she went home to tell her mother.

The property had been left in good hands but someone was lured by the shiny 50 cent piece. The gifts could not be worth much to one who lacked their sentimental value but they mean everything to Mary Ann. Their return will be rewarded. No questions will be asked and Mary Ann will be happy again.

Fred Raether Is New Home Owner

Fred Raether, owner of the Economy Variety store at 2402 W. Broad-st, is the proud occupant of a new one floor plan home at 244 S. Huron-av. The house was built for him by Otto Schatz who has been a contract builder here for 30 years. The home is modern in every way and is already in use.

Raether's previous residence at 141 S. Ogden-av is being duplexed by Schatz who is also building a house for Abe Jones of the Jones Lumber and Coal Co. on Berlyn-rd, Upper Arlington.

Aid In Completion Of New Basement

Due to an oversight in makeup of the Seiller supplement published by the Record last week, the names of important contributors to the new basement were omitted. Credit for plumbing and installation of the new restrooms should be given to A. C. Skipper, 143 N. Burgess-av. The Westgate Electric shop, 2656 W. Broad, installed the new modernistic lighting fixtures and another Hilltop personage, Holland S. Butler, 2752 Valleyview-dr, handled heating and ventilating for the new addition.

Hilltoppers Estate Valued At $28,401.50

The estate of the late Louis P. Graul, 376 S. Eureka-av, was valued at $28,401.50, according to probate court inventory. It included $12,869 in accounts receivable and $15,450 in real estate.

Draper To Be Candidate For School Board Post

Robert Draper

Robert Marvin Draper, 74 N. Roys-av, will be the Hilltop's contribution to candidacy on the Columbus board of education it was revealed this week. Acting on the suggestion of last week's Record, Draper, who is definitely a "son of the Hilltop", having attended Highland Avenue school and being graduated from West high in 1924, has announced his intentions to enter the campaign.

Draper is well fitted for the position, having graduated in law at Ohio State university in 1930, taking post graduate work in the college of education. In 1932 he started practice with Duffy and Duffy law firm and in 1934 joined B. B. Bridges, 50 E. Broad-st, in legal practice, with whom he has been engaged since.

He is a member of the Masonic organization, the Eastern Star, the Charity Newsies, Columbus Bar association, and Athletic club. He is active in Boy Scout work, being chairman of St. John's Boy Scout troop.

Draper was born in Rosewood, but has lived on the Hilltop since 1910. He is 33 years old and married.

Deems Services Held On Monday

Miss Vina P. Deems, who has been residing at the Pauline home for the aged, for the past year and a half, died early last Friday at the age of 78. Miss Deems, who for 41 years was a public stenographer at the Chittenden hotel, became ill four months ago and never recovered.

Herbert Deems, 62 N. Westgate-av, secretary of the First Federal Savings & Loan association, is a nephew, and Mrs. Albert W. Jordan, 127 S. Westmoor-av, a niece. Miss Deems was born at Camp Chase and had spent her entire life in Columbus. She was a member of the Central Presbyterian church and formerly was associated with the Business and Professional Women.

Funeral services were held Monday at the C. J. Kohn chapel with Dr. Frank H. Thorp officiating. Interment was in Memorial burial park.

Johnson Company Remodels Office

The Herman H. Johnson Co. has made numerous improvements on their Westgate office, 3191 W. Broad-st. The building has been newly decorated inside and out and a new sign erected.

The office is in charge of A. T. Scourman and George R. Trimble, who have both been with the company for several years. There has been much activity in that section of the Hilltop this summer, and both men predict an active year.

TOWNSEND CLUB WILL MEET TONIGHT

The regular meeting of the Townsend Club No. 23 will be held tonight at the IOOF hall at 8 o'clock with Professor Strickland as the speaker. The public is invited.

Bean Day Set For July 26

Plans for the second Hilltop Bean day began taking shape this week following a special committee meeting of the Hilltop Business Men's association Tuesday. The affair will be held at Westgate park on Wednesday, July 26.

Last year's bean dinner, despite showers in the afternoon, attracted more than 40,000 people, the committee estimated. Plans will be made for an even larger gathering this year as people from all over the city flock to this unusual gathering. Stores and business places are expected to close for the afternoon following last year's custom.

Beans, crackers and coffee are served free to all visitors who bring their own service. A small charge is made for the service if none is provided.

Dr. E. F. Clouse, acting superintendent at the State Hospital on W. Broad-st, will be guest speaker at the Hilltop Business Men's meeting to be held next Tuesday evening at 6:30. The session will be in the form of a dinner meeting and will be held at Schmelzer's restaurant, 3178 W. Broad-st. Dr. Clouse's topic will be "The Relation of the Mental Hospital to the Public."

The committees to work out arrangements are composed of the following: publicity, Curt Wilcox; music, W. Hayden Jones; sports, Chan Gibson; store closing, Paul Wichterman; dahcing, [illegible] and Don Smith; store guessing contest, Perry Davis; supplies, George Painter; erection of stands, Ray Percy; beans, Ed Melvin, Curt Roberts and Charles Minnix; soft drinks, Jack Shank; ice cream, Tom Roan; concessions and entertainment, Charles Kent, Harold Fox and Carl Turner.

Additions are expected to be made to the entertainment features of the afternoon. A "jitter bug contest" is expected to be an attraction for many of the younger dancers.

Record Offers Fair Trip

Hilltoppers intent on visiting the world of tomorrow at the New York world's fair but are still skeptical as to the prices which are asked, should call at the Hilltop Record office and glance over the all-expense tours at reduced prices offered through your local newspaper.

Offered to the Record readers at [illegible] rates, these tours include practically every item of expense excepting meals in the city of New York. Leaving Columbus each Sunday on the Ohio State Limited, the tours are personally conducted by a special escort. All arrangements are handled by the New York Central system and the American Express Co.

Among the places of interest included in the itinerary of the tour are a yacht trip around Manhattan island, a trip through the Rockefeller Center buildings and visits to the roof of the RCA building and the National Broadcasting Co. studios. Also included in the low expense trip is a 15 day ticket via the New York Central system, dinner and breakfast in the dining car and transfers to and from the hotel in the city.

Literature for this excellent trip is available at our office.

D & M Auto Service Adds Motor Vitalizer

Ed Distlehorst, owner of the D & M Auto Service, is announcing the addition of a new Grace Motor Vitalizer, one of the latest in the machine age inventions.

This new vitalizer puts more power in the motor by removing the harmful substances such as gum, dirt and carbon. Distlehorst has been in the garage business on the west side for the past 18 years and has one of the most complete auto services in this section of the city.

TEWAHNA GROUP

Saturday the Tewahna Campfire group will hold a bake sale at Seiller's department store. The girls and their mothers will aid in the sale which will help in sending the girls to camp.

50c AD BRINGS BIG RESULTS

A. E. Kiefer, 506 Nashoba-av, knows the real value of Hilltop Record want ads.

Recently he spent 50c in the Record to advertise an electric refrigerator and bed and springs. He reports both were sold to the first persons calling after the paper was out last Friday and that six other persons were interested in buying the refrigerator and seven more would have bought the bed. The same advertisement had been run in a daily paper with but one call resulting.

This is just one of the many instances in which Record want ads have brought excellent results. Ten thousand copies of the Record go into Hilltop homes each Friday, the only COMPLETE coverage of the Hilltop. Phone RA 1126.

Democrats Meet Thurs.

The Eleventh Ward Women's Democratic club will meet at the home of Mrs. Harvey Carter, 121 N. Oakley-av, Thursday evening, June 15 at 8 o'clock.

Plans for the Democratic convention to be held June 21 by the Democratic executive committee, to endorse a candidate for mayor and other city offices, will be outlined by Committeeman Samuel J. Willis.

It is important that all members and election officers be present. Mrs. Vic Manson will be assisting hostess.

Dr. J. H. Harris To Attend Son's Confirmation

Dr. J. H. Harris, 514 Woodbury-av, pastor of the Hilltonia United Brethren church, will deliver the pastoral charge to his son, James, at special ordination services at the Glen Falls Presbyterian church in New York this evening. Also in attendance will be James brothers, Dan and Richard.

Dan, who has spent the past two years with the Metropolitan Opera Co., will sing on the program that will honor his brother. Following the services James will accompany his father back to Columbus for a vacation visit.

Hilltop Chorus Ends Season

Members of the Hilltop Male chorus, directed by W. Hayden Jones, will disband for the summer months following a busy season of activities that included sponsoring the Hilltop Eisteddfod and numerous concerts. Work of the group will be resumed in September.

Plans for a mid-summer picnic were tentatively made. The following committee was named to arrange details of the outing: G. Smith, Paul Wichterman, Robert Jones, E. H. Gilderslee[illegible] House and Walter Kraus.

Graduation Ends Brilliant Play

When the June graduating class at West high school filed past the speakers' table to receive their high school diplomas last Wednesday morning, Howard Gentry, local colored athletic star officially closed his scholastic days at the Hilltop school.

Christened Howard Cornelius Gentry the day of Apr. 15, 1921, this husky, six-foot lad was one of eight children, all of whom are a credit to their race as well as to the Hilltop. The other children are Mary, Gertrude, Joe, Harry, Bertha, Bessie and Edith. The former two ladies are graduates of West and at present are students at the Bluefield State Teachers college, Bluefield, W. Va.

Joe will receive his degree from the Bluefield school in June while Harry was a football stalwart for West in the late '20's. Bertha graduated from the Capital Conservatory of music after studying at Bluefield and Ohio State while Bessie, a Central high school graduate, is married and Edith, the youngest child, is a junior at West. The Gentry family, well known to Hilltoppers, reside at 410 S. Oakley-av.

Howard Gentry

Howard, or "Moon" as he is more familiarly known, attended West Junior, starring in basketball and track under the tutelage of Coach George Williams, present Cowboy mentor. Following his graduation to the senior section "Moon" continued with his athletic participation under Harold E. Wise, then Bush coach.

Played Tackle

Gentry didn't gain recognition for his athletic prowess until his junior year, the fall of 1937, when Coach Wise produced one of the greatest teams the Hilltop has ever seen as representative of the local school. "Moon" played left tackle on that eleven, which saw Richey, Richardson, Schlosser, Hughes and company grab the undisputed city championship along with an undefeated, untied record in nine contests.

He made the all-high team that year, and last season, although missing the first three non-league tussles due to an operation, came through in fine shape in the city league frays to repeat as an all-high choice at the tackle position. Howard also won his letter in basketball the past season and is the proud possessor of two additional "W's" gained as a member of the track squad. He ran the low hurdles and was an excellent shot-putter.

Looking back over his career at West, "Moon" considers the South-West contest in 1937 his biggest thrill. Before some 6,000 fans the Bucks topped the Bulldogs at Magly field in the final city league game for both factions to gain the city title. He readily admits the crowd, police and noise were a little frightening but when the game was begun everything was forgotten as each unit of that great eleven began to click.

Contrary to this, his biggest disappointment occurred last season; again South was providing the opposition. West led 7-0 with two minutes to play, and before the Bucks knew just what was what, South had scored twice and defeated West by a 14-7 count.

Just notes: He weighs 183 pounds . . . Likes vanilla ice cream . . . Plans to go to college, major in industrial arts and physical education . . . Claims coaches a little hard now and then; thinks West coaches can't be beat . . . Plays lots of softball . . . and upon leaving West says, "I'm sorry to leave. I used to think I'd be glad to graduate, but now I wish I had another year of school."

New Practice Layout Offered To Golfers

Golfers who seek to improve their game via driving range practice were offered something new this week by the Dublin Road Golf course's driving range layout, which is fully equipped for night play.

The Dublin Road driving range enables golfers to drive to a regulation putting green, instead of just out into the open field. Thus valuable practice wiht woods and irons in making the ball "stick" on the putting surface is offered. This layout, said to be the only one of its kind in central Ohio equipped for night play, is proving popular with scores of golfers who have limited time to practice such shots to the green.

Hilltop Students At Ohio State Gain Honors Along With Degrees

Mary Self

George Armour

Elsie Ireland

A trio of students attending Ohio State university from the Hilltop at commencement exercises Monday, will take with them not only a degree but also numerous honors gained through extra-curricula accomplishments in line with their school work.

The three Hilltoppers who have gained these honors are George Armour, 90 S. Ogden-av, Miss Elsie Ireland, 810 Chestershire-rd and Miss Mary Self, 664 S. Terrace-st. George will graduate Cum Laudi with political science honors and the two ladies will receive distinction in education.

George Armour, who is a graduate of West high school class of '35, was graduated from the college of political science at the end of the winter quarter, thus completing four years of college work in less than the required time. He was just recently elected to Phi Beta Kappa, was a member of the freshman honorary, Phi Eta Sigma, and the political science honorary, Phi Sigma Alpha.

In his senior year Armour was president of the International Relations club and treasurer of the peace mobilization committee. He is now working on a master's degree in arts and intends to teach political science in some university on completion of this work. He is the son of Mr. and Mrs. James Armour, 90 S. Ogden.

Miss Elsie Ireland will be honored for high scholastic achievement at commencement exercises to be held next Monday, when she will receive her bachelor of science degree with distinction in education. While majoring in arts Miss Ireland was a member of the Pen and Brush club, the art staff of the "Ohio Stater" the YWCA and Pi Lambda Theta. She was elected to the national educational honorary for women, and was editor of "The Independent."

At an awards banquet held last Sunday she was given an award for outstanding service to the Independent Women's association. Miss Ireland plans to begin study for her master's degree this summer and is looking forward to teaching fine arts in a secondary school next year.

Miss Mary Self, like Miss Ireland, will receive her bachelor of arts degree, with distinction in education at commencement exercises. She is also a member of Phi Lambda Theta. She was elected to the Eta Sigma Phi, classical languages honorary society, and was secretary of the group in her senior year.

Miss Self was a member of Browning Dramatic club and the YWCA. She has been fulfilling her practice teaching requirement in the history department of West high school this year, and plans to teach in secondary schools this fall. Miss Self is the daughter of Mr. and Mrs. H. A. Self, 564 S. Terrace-st, and is 21 years of age.

Hot Buttered Rum

Hot buttered rum was a popular drink in Colonial days. It was a combination of rum, a little butter, sweetening — usually maple sugar, spices and water, stirred with a hot loggerhead or poker. A modern version consists of rum, sugar, butter, hot water and nutmeg.

Smiling Scot Is Friendly To Delicate Rayon Fabrics

A piece of paper will tear apart more easily when it is wet. Most rayons have this tendency too. When wet, rayon is much more delicate and will tear more easily than when it is dry. This should be kept in mind when undergarments and bosiery are laundered.

Rayon is a fine fabric. When you launder rayon by the usual method in hard water the tiny fibers pick up soap scum. This soap scum is practically impossible to rinse out and dulls colors, spoils sheen and leaves fine fabrics with a harsh feel.

Thousands of Columbus women have found that a light pink Smiling Scot solution when pressed through the fibers of rayon garments launders them perfectly, eliminates all soap scum and assures longer wear.

MODERN POETRY

EDITED BY ESTHER WEAKLEY

CATACLYSM

Alone in the darkness I whispered your name
And the darkness burned with a crimson flame!
Was suddenly white as moonlit hours
White as the petals of jasmine flowers;
The silence quivered and broke as thin
As a high sweet note of a violin,
And the stillness ebbed and flowed as the tide
On hard, white sand by the ocean's side;
While time, like a pendulum hung on a breath,
Slowly swung between life and death . . .
And my heart, a frightened thing, madly spun.
In circles, with fear, at what my lips had done!
Then you spoke my name from an opened door
And darkness and silence and time once more
Where darkness and silence and time. At rest
Was my heart, like a child on its mother's breast.

—Virginia Eaton, in Singing Quill.

LIFE UNFULFILLED

I filled my life with things I had to do
And held myself to be devout;
I never dreamed that there would be a few
To chide for things that I'd left out.

—Clarence Lahr Weaver, in Verse Writer's Guild Anthology.

• • •

TIME DOES NOT WAIT

Time does not wait on any man,
For life or passing years,
As ever onward moves God's plan.
Our laughter and our fears
Do not avail . . . They only play a part;
Joy, sorrow, pain—
While unto life's eternal day
Leads on the endless chain . . .

—Ethel Titus Worthen, in Verse Writers' Guild Anthology.

A TRIBUTE

(To Gold Star Mothers)

To you, the mothers of the brave
For whom the golden stars blaze high,
We pay our tribute for you gave
Your noble sons, for us to die—
To die upon a foreign soil
That conflicts might forever cease,
That no foul hands our homes despoil,
And we might rest secure in peace.

Not where they fought so far away,
Where war was death and men were men,
Will you upon a fairer day
Reclaim your loved and lost again.
Oh, not in that beleaguered land
Where crosses mark the sacred place;
But you, upon the golden strand,
Will meet your loved ones face to face.

—Ada May Dyer, in The Singing Quill.

• • •

WHY NOT?

If I stand squarely on my own two feet
I make a very small shadow in the sun,
Why not be like ivy clinging to poplar—
Mingle my shadow with a splendid one?

—Claudia M. Adams, in Quickening Seed.

Indianola Pool Has Large Dance Floor

The Indianola swimming pool, one of the largest of its kind in the country, boasts of one of the finest dance pavilions in conjunction with the pool in the city. On Tuesday, Friday and Saturday the pavilion houses many of the name bands of this section and this week-end Floyd Flanders and his band will play with Paul Decker's orchestra doing the honors the following week.

The pool itself is 35 years old and holds more than two million gallons of Artesian water. The pool is 128 feet wide and 200 feet in length with the depth measuring from two to nine feet. The water comes from government tested wells, thus making the sanitary condition of the water excellent. In a recent change of management at the north-side pool, located at N. Fourth-st and Indianola-av, A. J. Peebles took over the management.

Your Battery

The battery in your car
Is similar to your heart,
If it fails to function right,
Your car is hard to start.

If your heart don't function right,
You may not start at all,
See the doctor right away,
Don't wait until you fall.

When you want a doctor bad,
Do you look for one that's cheap,
And jeopardize your life and health,
And cause your friends to weep?

If you will watch your battery,
And give it proper care,
Or just in part that you do your heart,
There won't be much repair.

Then if you get one new,
Don't buy it from a faker,
Consult the chart and get the view
Of the inventor or car maker.

Hilltop Sports

By Woody Owens

Calvary Presbyterian, first round champion of the West Church league, and Hoge Memorial, defending city church champs, were winners in the duo of contests played at Westgate park Monday evening, the former spanking Glenwood M. E. 9-0 while Hoge trounced St. Aloysius by an 8-1 count.

With Clyde Martin turning in a one-hit masterpiece for the Calvary outfit, they had things as they pleased in recording their fourth straight win. In the other battle Eddie McFadden reigned supreme as he twirled up a three-hitter and his mates socked the ball hard led by Sunker and McFadden with three blows each. These games were the beginning of the leagues second round of games.

In the No. 2 circuit West Park M. E. continued to set the pace with an easy 11-4 triumph over the Highland-av Friends combine for its fourth straight without a setback. Avondale U. B. continued one game in arrears by winning from Hoge Memorial No. 2 by the score of 9-4. The loss pushed Hoge into third place. In another game at McKinley park Monday evening Hillcrest Baptist turned in its initial win of the campaign with a 9-5 win over Hilltop C. of C.

• • •

The first round of contests in the Hilltop Independent league was finished last Thursday evening at Westgate park with Kent's Market and Corner Cafe ending in a tie for top honors with four wins and one setback each. Kent's topped the Sullivant-av Merchants ten 9-3 as the Merchants tallied all of their runs in the first inning while Corner Cafe shut out McDonald Lumber 5-0.

The final game of the evening was won by McDonald's Lumber as they outscored Spears Funeral Home by an 8-6 margin. Paul Casey led the winners' attack with three hits.

Other stars of the evening's play included Ankrum of Kent's who garnered a homer and single in two trips; Eberhard of Kent's, and Dick Grant, who twirled five-hit ball in the Corner Cafe triumph.

• • •

With the completion of the city league campaign a week ago the play of a number of lads in the circuit came to a seasonal close. The metropolitan papers have not announced an all-high squad as this is being written and we, as representatives of the Hilltop, would like to pay credit to those fellows who, in our opinion, were outstanding during the recent campaign.

'Tis not for us to announce an all-high squad entirely, but we feel that a number of lads should receive, in a written manner, some sort of proper tribute. Thus we are nominating boys who in our official status should receive this recognition.

We're on the Hilltop, but we don't feel we are being prejudiced in naming the following Cowboys from the West nine to our tentative squad. Jake Richards, tops in the pitching line; his battery mate, Bill Albert; Ralph Link, at the hot-corner; and Paul Rogers as a utility infielder. Other infield positions we give to Van Hoose, third-baseman for East, whom we put at second-base; Swytsgood of North at the initial sack, and as captain and shortstop we name Central's great athlete, Robert Ankrum. The other pitching position we give to Jack Edwards, undefeated twirler for the Polar Bears, with Kathermas of North and Link of Central close behind in the balloting.

For the outfield we want sluggers and good fielders and thus we assign West, hard-hitting Central high lad, to left; Blevins, another Central slugger, to right, and Kenny English, Aquinas star, to patrol the center-field pasture. We nominate for the utility outfield post East's little star, Klie, who hit and fielded superbly during the campaign.

We know we shall cause no end of criticism on these selections, but we have done our best. You name your own choice and we hope you can figure out a lad to be satisfied with.

Cliff Morgan, former star athlete at West high, was elected captain of Ohio State's 1940 baseball team at a picnic banquet at the University Country Club last Friday afternoon. He is a junior and has been second-string catcher for the past two campaigns. Good luck, Cliff!

Jake Richards, diminutive twirler on the West high team this season, is still pitching even though school is out. Jake recently twirled a no-hit, no-run contest for the Golco Oils nine against Distlehorst Grocery in the West American League Monday afternoon. His team won 6-0. You just can't keep a good man down!

Jones Lumber, the Hilltop entry in the Night softball league, will play the Kay Jewelers team Friday night at 8:15 under the lights at the State hospital grounds. Jones lost a close 3-2 decision to the Vess Cleo-Cola outfit in their encounter last week.

In the second game on the evening's schedule Owens-Illinois will meet Rhodes for Auditor at [illegible].

Graphite, Clay for Lead Pencils

Lead pencils are made of graphite and clay. The name comes from the old days when people wrote with pieces of lead.

Do you feel tense and keyed-up? Do the care of the home and children, the obligation of social or community life, the worry of finances, "get on your nerves"?

Bubble Bath Powder on Sale By Wetalene

Bub-L-Joy is the name of the new bath preparation developed and now being introduced to Columbus by the Wetalene Laboratories, Inc., 734 E. First-av, according to an announcement by William J. Mangold, general manager of the firm.

W. J. Mangold

Bub-L-Joy milk bath contains no soap, no oil, no animal fats. It is a new and revolutionary idea of cleansing without soap. A handful of this product placed in the bath tub, according to Mangold, before the water is turned on, will make three to four inches of thick, active bubbles on your bath water. Bub-L-Joy is cleansing, deodorizing, refreshing, soapless, perfumed, contains powdered milk and leaves the skin beautifully smooth. Bub-L-Joy is first being introduced in the small size package (enough for four baths) which retails for 15 cents. Several local stores are already featuring this new product. The company also makes and distributes Wetalene, the popular soapless suds cleanser for household use. Wetalene household cleanser and Wetalene window cleaner are sold throughout the central states and as far east as New York state.

Former Students Receive Awards

Seven former West high school boys, all outstanding during their scholastic days and winners of the Agonis award, highest city honor, are to be guests of the Agonis club at a dinner to be held at the Virginia hotel Thursday, May 25, it was announced this week by H. S. Anderson.

The dinner will be for recipients of the award from the six city league high schools in the city. Included in the group will be those who will receive the award for the current school year.

West high boys who have been awarded the honor in the past are David Ballard, Roger Mason, Woodrow Wills, Charles Casey, Clifford Boyd, Gerald Hoffman and Frank Richey.

Mrs. Homebody — There goes Mrs. Gadd. She seems to take more pride in her Scotty than in her own children.

Mrs. Knosit—But, my dear, her dog's sire is a blue ribbon winner. And you just ought to see her husband!

Among the "Mizzen"
The captain of a sailing vessel was questioning a rookie sailor regarding his knowledge of ships and the sea. After repeatedly receiving wrong answers, in desperation, he asked:
"Where's the mizzenmast?"
"I don't know," replied the seaman. "How long has it been mizzen?"

Silence in Rocky Mountains
The silence in parts of the Rocky mountains is so great that the flapping of partridge wings can be heard several miles.

MEMORIAL DAY IN HOCKING COUNTY

With the family for the annual Memorial Day trek to Old Man's Cave, Rock House and Cantwell Cliffs, down among the rolling hills of Hocking County. Seventeen homes from our domicile to Circleville where the nation's flag was hung in the wrong way—making one wonder just how much the owners really reverence the Stars and Stripes. Striking a severe bump, with a noise from the rear of the car causing misgivings of a broken spring, and what a relief to find it was only the large water jug performing calisthenics in the luggage compartment. After the family lunch at Old Man's Cave, roaming through the large shady park, talking with people from all over the state, and much comment because the state has no signs posted along the highways guiding people to this, the most beautiful outdoor spot in Ohio. Wonder what I'd buy if I had a dime for every picture I saw snapped on this one trip. Meeting, and having a long talk, for the first time, with a gentleman who lives only four doors from us. A little excitement getting a contrary water moccasin to pose for a picture. A unique trip—not a rod or line in the car—just a few flies hanging from the car ceiling where they were placed to dry after yesterday's fishing trip.

LEARN WHERE AND WHAT TO FISH FOR

I recently spent a few days at a friend's cottage on Deer creek. His was the only cottage for several miles, and from the front porch we had a view of the creek for over a half-mile each way. He commenced giving me advice —"You can catch black bass and cats from the bend up there (pointing north), down to a hundred yards below those riffles (pointing south). Below that point you can catch white bass, and if you want some rock bass they're along the farther shore under those ledges." He continued, "We have the best luck with the rock bass by using small worms, or catfish prefer stale meat, and I've never caught a white bass on anything but a black or red fly used with a luminous spinner." The black bass season was closed, so I decided to start with the white bass and test out his theories regarding where to fish and what to use.

Cleanliness Is Biggest Thing At Fair

Back from a short visit to the World's fair at New York and a preponderance of questions on "What was the biggest thing at the fair?"

Our answer to the question is "Cleanliness." This one thing stands out even above the scientific wonders and the artistry of nations on display.

A cigarette stub dropped by the wayside is immediately picked up by an alert sidewalk white-wing.

With thousands of people milling about the streets of the fair, and with all the many classes represented it would seem that the big show would at some time or other become somewhat littered with debris. But not so the World's fair.

• • •

Fair Notes At Random

We venture the comment that the New York show surpasses the Chicago World's fair by far. Grover Whalen and his assistants have left nothing undone to make this fair the "fair to end fairs." It is hard to understand how any larger, more complete show will be given in the near future.

The Russian building is the most outstanding, having cost some eight millions . . . . and a fine piece of propaganda for the Soviets, too . . . . The Italians have done their bit with a thing of beauty that is symbolical of those things Italian . . . . Foremost piece of statuary presented by the Italians is not that of Mussolini but Marconi . . . . Transportation on parade is well worth the quarter one pays to see it . . . . A visit through the fine trains of leading nations makes one appreciate the USA and our particular type of progress . . . . A fine roast beef sandwich with gravy and potatoes can be purchased for two bits in popular eating places on the grounds but if you want finer foods go to the swankier places like the French casino where one party of four reports a bill of $37 for the evening repast . . . . Not commonly talked but it is believed the fair will continue another year . . . . some of the buildings are not entirely complete but the few things yet to be done detract in no way . . . . Your eyes and feet will be conscious of the fact that you have attended a fair of great magnitude if you stick it out two full days or more, in which time you haven't started to scratch the surface of all there is to see and do. Yes, sir, we'd advise a trip to the fair!

The Queen Steps Out

Back by way of Niagara Falls where we were just in time to see the Royal train as it came into the United States from Canada. And Her Majesty the Queen appeared on the platform to wave to the crowd.

There in a multitude of people of all classes, was a unity of applause and a generally excellent feeling toward our British visitors.

The finest piece of salesmanship the world has ever seen was being witnessed here. Little doubt now that Great Britain and the United States will stand united. Now there are real strings attached to these hearts across the sea.

Clouse Is B-M Speaker

The final meeting of the Hilltop Business Men's association for the spring quarter was held Tuesday evening at the Schmelzer restaurant, 3178 W. Broad-st, with Dr. E. F. Clouse, acting superintendent of the Columbus State hospital as guest speaker. The session was in the form of a dinner meeting and Dr. Clouse spoke on "The Relation of the Mental Hospital to the Public." Dr. Clouse was introduced by Dr. Fred Sulsberger, who had charge of the program.

Dr. Clouse said that "all mental cases are not permanent. Mental cases are divided into three groups; affections, aversions and conflicts. The troubles nearest to us, our conflicts, are most appreciated."

The hospital, contrary to public opinion, has no padded cells. Very rarely is restraint needed to control the patients. They spend their leisure time in occupational and recreational therapy, the funds for such work being provided by the proceeds realized from the sale of articles made by the patients.

He said that only three per cent of all syphilis cases develop mental diseases and come to the hospitals for treatment. The other 97 per cent is still located in the public ranks. The hospital houses some 2,000 patients under the careful supervision of six physicians. It is responsible for 16 counties with a total population of 960,000 persons, with Franklin county leading the parade with 361,000. Forty-eight per cent of the hospital populace is from Franklin county.

Dr. C. O. Miller was in charge of entertainment for the evening and presented a trio composed of his two daughters, Dorothy and Alice, and Joan Hubbel to the group. The three girls sang two numbers.

One new member was admitted to the group, National Transfer Co. being voted into the associa-

Legion Auxiliary To Have Birthday Dance Tomorrow

A gala evening of entertainment has been arranged by the American Legion auxiliary, Camp Chase No. 96, for the fortieth birthday dance to be held tomorrow evening at the Beechwold tavern.

Heading the entertainment list will be the "Sweetheart of the American Legion," the Hilltop's own Gracebelle Day, who will offer two dances. "Bud" Sweeney of radio station WHKC, will act as master of ceremonies during the evening. Door prizes will be given and a blues singer and a Hawaiian number will add to the dancers enjoyment.

Mrs. D. C. Finneran, 20 N. Wayne-av, is president of the organization sponsoring the dance. Dancing to the tunes of Al Baumbush and his orchestra will be from 9 to 1 o'clock.

Members of the committee in charge of arrangements for the affair include Mrs. A. J. Bellar, chairman; Mrs. Edgar Planck, ticket chairman; Mrs. C. O. Maccabee, chairman of the door prizes, and Mrs. Finneran, chairman of publicity.

Private Rites Held Here For Hilltop Woman

Private funeral for Mrs. Dorothy Francis, 31 Belvidere-av, 30-year-old wife of Charles Francis and mother of three children, was held Tuesday morning in the Jerry Spears chapel with interment in Green Lawn cemetery.

Mrs. Francis was shot and killed Sunday evening by Clifford T. Junkins, a fellow employe in a mattress factory where she worked, in a rooming house at 397 E. Rich-st. Junkins then took his own life, according to a verdict returned by Dr. Edward E. Smith, coroner. She had been married for 14 years.

Surviving Mrs. Francis are three children, Eugene, 12, Robert, 8, and Charlene, 4; a sister, Mrs. Leona Reynolds, and her parents, Mr. and Mrs. Carl Abel, 3532 Wicklow-rd.

Site For New Baptist Church Broken

Work on the new Immanuel Baptist church building, to be located on Belvidere-av, one block north of Sullivant-av, was begun last week as members of the congregation assembled to see the new ground site broken.

Rev. H. Leroy Wortman, pastor of the church, now located at 2092 Sullivant-av, claims the new building will be unique in two new features and the foundation will measure 48 by 85 feet. It will be a tabernacle style of church, being made of cement block.

Air-Conditioned

The church will have a summer air-conditioning plant, believed to be the first of its kind in Columbus, and will also have a nursery in the far end of the auditorium opposite the pulpit in which mothers and their young babies may view the church proceedings without disturbing the congregation. A sound system will be installed in conjunction with the nursery, which will be separated from the main auditorium by a four foot glass panel extending the width of the room. Through this medium the mothers can see the platform, choir loft and speakers and in no way miss any part of the services.

The air-conditioning plant will operate through an underground conduit and the coolness of the concrete basement will give the air an underground temperature which, after passing through a blower, will enter directly into the auditorium. Much of the work on the new church will be done by members of the congregation, Rev. Wortman said.

Townsend Club No. 7 Will Meet Tuesday

Due to a change in meeting nights, Townsend club No. 7 will meet next Tuesday evening, June 20, at 7:30 in the VFW hall, 2393½ W. Broad-st. Madlyn Franklin will be the speaker. Lunch will be served and music will be furnished. The public is invited to attend.

Reception Will Honor Miss Judd

An open house reception honoring Miss Harriet Judd, retiring principal of West Broad Street school, will be held by the PTA of that school at 7:45 p. m. today in the auditorium. All present and former pupils, as well as the parents and friends, are invited to attend.

Miss Judd, after having taught for 50 years in the Columbus elementary schools and serving as principal of the local grade school for 38 years, retired from active duty at the conclusion of the school term. She was the first principal at West Broad.

Well-known for her interest in the improvement of the local school, Miss Judd served 22 years at Mt. Vernon Avenue school and later taught at Shelton Avenue school. Following her retirement by the Columbus board of education Miss Judd plans to rest from her long career of teaching.

During the World War students under her raised $36 per year for a two-year period, not that amount per month as was given in last week's issue of the Record. Miss Judd resides at 51 Brighton-rd.

Five Local Boys Named For Boys' State

Five fortunate eleventh grade boys will attend the third annual Boys' State, to be held at the state fairgrounds June 17 to 27 inclusive, sponsored by the Camp Chase post of the American Legion. They will assemble with nearly 800 boys from every county in Ohio to participate in a study of the democratic form of government at first hand.

The boys selected were chosen after personal interviews from the names submitted by their respective high school principals as being outstanding in scholarship and leadership abilities. The expenses of one of the boys will be paid by the Hilltop Business Men's association, another by the Rainbow veterans and the remaining three by Camp Chase post No. 96.

Those boys chosen as delegates to the project are: William Mack, 129 Powhatan; Bernard Floyd, 450 Binns-blvd; Horace Coburn, 230 S. Westmoor; Thomas Wightman, 512 Sullivant-av; and Robert Bright, 238 Olentangy-av. Alternates chosen are: Paul Churton, 92 N. Powell-av; Ernest Mulholland, 249 Hawkes; James Looker, 684 S. Harris-av; Jack Distlehorst, 381 S. Sandusky-av, and John Patterson, Linden.

FRANKLIN POST WINS TITLE

With Aaron Schirtzinger twirling a no-hit, no-run contest Wednesday afternoon Franklin Post shut out Distlehorst Market 7-0 to capture the West Legion League championship for the sixth consecutive year.

Jitterbug, Beauty Contests To Be Bean Day Features

Work on the second Hilltop Bean Day, to be held July 26 at Westgate park, continued this week as members of the various appointed committees began preparing special plans for their part in the program for the city-wide event. Following the HBMA meeting Tuesday evening at Schmelzer's restaurant, the groups met and according to plans made there, a bathing beauty contest and a jitterbug contest will be held, in addition to the program conducted during the bean dinner last year.

In charge of complete arrangements for the huge affair is E. O. Melvin, who will serve in a supervisors capacity, and at the same time serve the beans along with Curt Roberts and Charles Minnix. Soft drinks will be in charge of genial Jack Shank, Tom Roan will take care of the ice cream and the concessions and entertainment will be handled by Charlie Kent, prexy of the group, Harold Fox and Carl Turner.

In the amusement line a band concert is planned and greased poles and pigs will dominate the afternoons festivities while in the evening street dancing will occupy the major spot. Judges for the beauty contest have not been announced.

1,000 Lbs. of Beans

The association will cook a thousand pounds of that famous American dish, beans. Last year a larger number of beans was cooked and although some 40,000 persons attended the outing, much of the excess number of beans had to be given away. In addition to the beans, coffee and crackers will also be served free.

For those persons who do not wish to carry utensils to the scene of activity the association will furnish the plates and spoons for a very small extra charge. Stores and business houses are expected to close for the event and all persons of the Hilltop are welcome to share in the fun.

Remember the date and place! Wednesday, July 26, at Westgate park.

Highway To Be Widened West Of Columbus

Work on a new highway project directly west of the Columbus corporation limit and extending to Alton will be begun sometime in the near future, the cost of which will be $437,000. Half of the funds for the work will be provided through federal aid while the state will furnish the balance for the 4.6 mile long project, State Highway Director Robert S. Beightler announced recently.

Two 24-foot lanes will be constructed, thus widening the present highway by many feet, with a parkway several feet in width. Thus the traffic lane will spread over into the traction line formerly used by the disbanded C. & L. E. traction line.

Sullivant Airport To Sponsor Show

An air show, sponsored by Columbus pilots and managed by Tom Stauch and Dave Binns, will be held at the Sullivant-av airport Sunday, July 2, it was announced this week. Don Walters, Columbus racer and stunt flyer, will appear on the show and a queen will be selected previous to the show.

Heads Bean Day Program

E. O. Melvin

Ed Melvin, proprietor of the Melvin Hardware Co., 2400 W. Broad-st, is the head man for the Bean Day festivities to be held at Westgate Park July 26. Melvin resides at 107 S. Warren-av.

Twenty College Grads Here Receive Degrees

Twenty Hilltop students attending Capital university and Ohio State university were recipients of degrees this week as June graduation exercises were held at the two institutions of higher learning.

Three men among those graduating were awarded two degrees each. They were: Durwood Cooperrider, 47 Binns-blvd, bachelor of industrial engineering from Ohio State and a bachelor of arts from Capital; his brother, Eldon, bachelor of mechanical engineering from Ohio State and a bachelor of arts from Capital; and Earl P. Knisely, 2820 Sullivant-av, doctor of medicine and bachelor of arts from Ohio State.

The other Hilltopper to obtain the doctor of medicine degree was Gerald N. Wilson, 145 N. Eureka-av. Both of these young doctors will serve their internships at St. Francis hospital.

Those Hilltoppers who received degrees from Capital included the Cooperrider brothers and John Rawn, 869 Burgess-av, who was given his award for the bachelor of science in education. Seven other local students who received the same degree from Ohio State included: Edward J. Baas, 367 Binns-blvd; Vera V. Carter, 133 S. Ogden-av; Doris C. Colvill, 2829 Sullivant-av; Elsie V. Ireland, 610 Chestershire-rd; William M. Moss, 157 Eldon-av; Mary R. Self, 564 S. Terrace-st; and Margaret I. Yeager, 2948 Fremont-av.

Other bachelor of science awards included: Frank G. Woodin, 2911 W. Broad-st, bachelor of science in agriculture; Richard C. Gottier, 582 Columbian-av, bachelor of science in business administration; Hilda V. Gilliland, 2431 Berwick-blvd, bachelor of science in pharmacy; and Evelyn J. Biggers, 255 Highland-av, June-Lee Brown, 121 S. Harris-av, and Bettye J. Sillman, 130 S. Richardson-av, all recipients of a degree of bachelor of science in social administration.

Two other men who received their bachelor of arts degrees were David P. Randall, 1989 W. Broad-st, and Roy A. Riggs, 385 S. Hague-av.

George Armour, a graduate of West high school class of '35, was graduated from the college of political science at the end of the winter quarter. Prominent in school activities during his college term, George resides at 90 S. Ogden-av.

Dr. W. K. Lowry Will Move To Hilltop July 1

Dr. W. K. Lowry of Ft. Madison, Iowa, has obtained a location at 2528 W. Broad-st, at the northwest corner of W. Broad and N. Terrace-st, and will move to the Hilltop about July 1.

Dr. Lowry is a graduate of Kirksville college of osteopathy and surgery. He has been in general practice, also specializing in proctology in Ft. Madison for the past eight years.

Dr. Lowry is a native of Ohio, having been born in Steubenville. He is a nephew of Mrs. L. E. Krauss, 69 N. Powell-av. Dr. and Mrs. Lowry will reside on the Hilltop.

Details of the transaction were handled by Estella C. Burnside, real estate broker, 92 N. Powell-av. Legal papers were prepared in the office of Donald F. Smith, attorney, 2405½ W. Broad-st.

Theatre Passes In Want Ads

Have you seen the latest hit picture to appear at the Rivoli theatre? If you haven't and wish to see that picture or any picture being shown at the Rivoli just meander through the want ad section of the paper this week and you may be one of the five lucky Hilltoppers who, through the generosity of George Fakras, may obtain free passes to the local movie house.

The deadline for all want ad copy is Thursday morning at 9, with Hilltoppers having the privilege of phoning in ads when unable to get to the Record office. For an additional charge of a few cents per line the Record sends a collector to help those people who are not able to come to the office.

Numerous calls have been received at the Record concerning the pulling power of the Record want ads, so if you need employment, have something to sell or buy, just phone B.A. 1135 and experienced ad-takers will take your ad.

No Boss On Hilltop, Sam Willis Declares

Developments in the coming city election began to evidence themselves as charges and counter charges were being exchanged by lesser and greater political figures. While the primary is still more than two months away many persons are already talking the situation over seriously.

Charged with being the "little boss on the Hilltop" in Democratic circles, Sam Willis, Democratic committeeman of the eleventh ward, counters with, "If I am the little boss or straw boss then someone must be the big boss."

This reply was given to an article in a Sunday newspaper, when Willis spoke before the meeting of the Eleventh Ward Women's Democratic club at the home of Mrs. Harvey Carter, 121 N. Oakley-av, Thursday night.

At the meeting plans were outlined for the June 21 convention. With reference to the convention Willis said, "When candidates are presented for your consideration, I know the delegates from our ward, a community where people take their politics and city government seriously, will stand for what they think is the best for the city as well as the Democratic party.

"Seriously speaking, this community can take the remark in the Sunday paper as an insult. Who ever heard of a political boss on the Hilltop? And that isn't all. There never will be. We saw that tried in the Republican party and to some small extent in the Democratic party but they never got to first base.

"This is a community where people vote conscientiously, whether they vote for a Democrat or Republican. They do their own thinking, considering it their patriotic duty to vote." Willis predicted that Mayor Gessaman is on his way out.

Willis lauded City Auditor Holloway and stated he filled his first petition. A large attendance was present.

Letters To The Editor

My Dear Mr. Hartley:

I want to thank you on behalf of myself and the students of our school for the help you gave us in running our employment ad each week in The Record.

It may be of interest to you to know that through your ad alone, we placed 46 pupils in some helpful occupation, where they were able to earn something to help themselves and help at home.

Thanking you again for your splendid cooperation in this worthy project, I am

Sincerely yours,
Carl E. Smith,
Coach, Starling Jr. High School.

B-M MEETING

(Continued from page 1)

tion by the members in attendance. Committee reports were presented by E. O. Melvin on the Bean Day activities and George Gussler on the Valleyview fire protection program. Wyatt Millikin, city council president, gave a statement from Don Wiper, safety director of Columbus, that the next fire house to be built would be built at the corner of Sullivant and Hague-avs. This would be a considerable improvement over the one fire house which now protects the Hilltop residents.

Two new committees were announced during the meeting. The Wednesday afternoon closing committee is composed of Ed. Melvin, chairman; Harold Fox, C. J. Kohn, Fred Raether and Zale Kemp, while the thoroughfare committee, to investigate a four-point program involving four main Hilltop thoroughfares, was made up of C. C. Hartley, Joe Briggs, Mary Bentz, John Riepenhoff, H. G. Deegns and Dr. J. H. Czatt with Ray Hauntz serving as chairman.

Booster prize winners were W. E. Jones, "Pop" Waymer, William Metzmaier, Otto Rieck, Frank Morgan and Dave Shiflet.

Kidwell-Ryan Win Golf Tourney

Jack Kidwell and Dick Ryan, well-known among local golfers, won the first public links amateur-amateur tournament at Twin Rivers recently, with Kidwell carding a 73 and Ryan scoring a 72 in the best-ball tourney. The two lads split the prize money for the event which consisted of $33.50 worth of merchandise.

Officers and committeemen for the Beacon Light golf club were named recently with committees in tournaments, handicaps and rules being chosen.

The committees named are as follows: tournament committee, Dr. Clem Wolf, chairman; L. Lewis and Irvin Friend; handicap committee, Dick Ryan, chairman; Clyde Johnson and C. E. Marlowe; and the rules committee, Charles Herron, chairman; Bryle Taylor and Hank Bersch. Treasurer of the organization is Dr. Chet Brady while Lowell Tope is secretary.

Best scores of the past Sunday at Beacon Light were a 75 by Irvin Friend, 78 by Beryl Johnson, 84 by Clem Wolfe and "Stookey" Dean, while John Schwartz and John Russell carded 85's.

The high sombrero worn in Mexico is never seen in Central America.

DEATHS FUNERALS

MRS. SARAH A. ROGERS, 224 S. Harris-av, at home of her daughter, Mrs. Lillie V. Gibbs, 232 Mithoff-st. Mother also of Mrs. H. L. Furniss, Mrs. J. C. REVIVAL SERVICES TO START AT CYPRESS AVE. CHURCH

A full week of revival services of particular interest to young people will start at the Cypress Avenue Pilgrim church Sunday and continue on until Sunday, June 25, with services being held each evening at 7:30. Rev. Miss Delpha Van Winkle of Newark will be the evangelist. Miss Dorothy Cline of Indiana will sing and play the piano accordion.

Mrs. Anna Johnston, 36 S. Warren-av, Mrs. Mary Hanowell, 54 N. Warren-av, Miss Marian Bogan, 1345 N. Fourth-st, Miss Evelyn Thompson, 16 S. Warren-av, just returned from a motor trip through the east, visiting Frostburg and Baltimore, Md., Gettysburg, Pa., Mt. Vernon and Washington, D. C. While in Washington Mrs. Johnston and Mrs. Hanowell were guests of Mr. and Mrs. Fred Hanowell, brother-in-law of Mrs. Hanowell. Miss Bogan and Miss Thompson attended the sixth annual national steneotype convention which was held at the Wardman Park hotel.

Not On His Uppers

"Pa, what is an optimist?"

"An optimist, my son, is a man who figures that when his shoes wear out he will be back on his feet."

Births

Mr. and Mrs. Raymond J. Eyerman, 26 S. Huron-av, son, in Mt. Carmel hospital, June 11.

Mr. and Mrs. James M. Simpson, 184 S. Wheatland-av, daughter, Grant hospital, June 13.

"Mary, I want you to call the guests' names as they arrive tonight."

"Thank you, mum. I've wanted to do that for years!"

Martin Funeral Rites Held Here

Funeral services for Mrs. Zella A. Martin, 73, 281 Dakota-av, who died in White Cross hospital last Friday, were held Monday afternoon at the West Park Methodist church. Monday afternoon with Rev. I. F. Day officiating.

Mrs. Martin had fallen down some stairs at her home a month ago and had broken her shoulder and wrist. Prominent in social circles, Mrs. Martin was a member of the R. T. King chapter, Order of Eastern Star; Hospital Circle of OES; Ameer club, Indianola Lodge of Rebekahs; Damona Temple; Pythian Sisters; Daughters of Union Veterans; Arbor Vitae Grove, Woodmen of the World; and the West Park Methodist church.

She is survived by her husband, Francis M. Martin, and a son, Floyd, Cincinnati. Burial was made by the Wylie S. Shroyer funeral home in Green Lawn cemetery.

Screen Doors Need Seasonal Care

Screen doors and window screens require attention at least twice a year. They should be renovated and put up in the spring and removed and prepared for storage in the fall.

If a good grade of screen wire has been used and the screen doors have been well cared for, the work involved will not be great.

Robert C. Gregg, 216 Whitethorne-av, received a provisional appointment as chemical assistant at the Sewage Disposal plant early this week. Gregg has been a laborer in the water division for three years.

RIVOLI PASSES GIVEN BY RECORD

Starting this week and continuing through the summer months the Record will give away five passes to the Rivoli theatre each week. These names will be given to our want ad customers and will be scattered throughout our want ad section. To obtain your pass call at the Record office, 14 S. Oakley.

To the men who fight the fire there's a million words to say
To the men who guard your home and they do it night and day;
They may wake you up at night, perhaps they'll spoil your slumber
But you should very thankful be if they're not looking for your number.

I've heard jeering words outspoken and words that had some ire,
But their tune would quickly change if their own house was on fire;
There is no finer music than the sounding of their gong
When your house is burning fast and you mingle with the throng.
Of course they are paid wages and never seen to tire,
But I say there is no money to pay a fireman at a fire;
When you try to pay a fireman, I want to tell you sonny,
Their reward is way up yonder where they do not pay with money.

Importance of Church In Community Is Outlined

Editor's Note — The following essay won second prize in the recent contest sponsored by the Hilltop Ministerial association.

The church in the community has a fourfold purpose. The spiritual endeavor overshadows the others in importance, but nevertheless, first the community, and soon the world, would decay without the basis for social, economical and intellectual standards set up by the church. These four points are so closely interwoven that it will be difficult at times to distinguish between them.

Today as never before we see the importance of the church as the foundation for world peace and happiness. We in the United States look down on those countries in Europe that have tried to destroy the church. These countries cannot fill the place held in the hearts of the people. Thus it is seen that a church must flourish in a community to make the people happy, and this, in turn, makes a prosperous nation.

The principle work of the church is to teach the people about God, His beliefs and His teachings. Armed with the truths that are learned from the Bible men can go forth to make communities better and happier places in which to live. We cannot learn how to act, if we do not practice the Golden Rule.

Lack Confidence

The social aspect is next in importance for the way we treat our fellow men determines our character. Deprived of the deep satisfaction that comes from spiritual qualities we lack confidence, without which we cannot reach the goal we wish to attain. The church, by teaching faith in God and man, develops self-confidence.

There is nothing better for us as young persons new in a community than to join a church group. We will become acquainted with persons our own age, and will be assured that we are associating with the right kind of friends. The church acts as a safeguard against undesirable companions.

Most churches offer a supervised athletic program. This has two outstanding features. One, to promote good sportsmanship, and secondly, to keep young people off the streets. The church teaches the value of spending leisure time profitably.

Our country is based on freedom. It would not be possible to have a country of, by and for the people if the citizens were not intelligent. To become intelligent, persons must, first, hear various viewpoints from many people, and, secondly, be given an opportunity to form opinions of their own by hearing discussions of controversial questions. The church cooperates with the school in presenting well-informed and understanding speakers.

The church in the community raises the standard of living, makes property more valuable, and upholds high principles in public life. The church is charitable to the unfortunate of the community, seeing that food and clothing are provided them.

Our ancestors realized the importance of the church and established, first, in the Ordinance of 1787 and, later, in the Ohio Constitution, the church as the bulwark of society.

Claggett Store Here 14 Years

One of the pioneer business houses on Sullivant-av is the Claggett confectionery, 2432 Sullivant-av, soon to complete 14 years of operation on the Hilltop. Started in 1925 by Ira M. Claggett when most of the side streets running off of Sullivant were nothing but cow pastures and ball lots, the store has enjoyed a steadily growing patronage. Just recently the entire store and building were newly repainted and decorated.

The confectionery has specialized in quality luncheon meats cheese, Premier brand food products, candies, soft drinks, legal beverages, newspapers and magazines, cigars and cigarettes. A complete line of Moores and Ross dairy products has been handled since the start of business. Fountain service has attracted many to this popular refreshment room. A special dry cooling compartment for chilling bottled beverages was installed last summer. The refrigerating unit eliminates the muss of wet bottles for packages that are to be taken out.

274 Pound Fish Landed In Florida

Of interest to many Hilltoppers in the fishing exploit of Dr. R. G. Gundra, son-in-law of Rev. J. F. Parkins, 2741 Ridge-av, who, while fishing with his wife at Sarasota, Fla., landed at 274 pound fish. It must have been a whopper, but for the life of us we can't think of what kind of water animal it was. Rev. Parkins is a retired Methodist preacher.

All Details Arranged On Blue Ribbon Tours

Tourists to the 1939 New York World's fair will have nothing to worry about if they use a Blue Ribbon all-expense tour. Real pleasure in a trip to America's foremost city comes only when the tourist is carefree, released from the strain of finding one's way around in a first class hotel, to the better shopping districts, the night spots, the theatres and points of interest in upper and lower New York.

On a Blue Ribbon tour special care has been taken to assure the visitor the most detailed convenience from the time the train leaves the station until you reach the fair grounds on Long Island.

The passenger is whisked away in one of the air conditioned coaches on the New York Central system. A delicious dinner and breakfast is served in the dining car at no expense to the tourist.

Upon arrival in the big city, members of the Blue Ribbon tours are transferred by special bus for a sightseeing trip of upper and lower New York, ending at the Lincoln hotel. Here a lovely room awaits you, provided with tub shower and radio. After spending Monday at the fair grounds a thrilling yacht trip is provided on Tuesday down the North river, passing all of the huge trans-Atlantic steamers, the statue of Liberty, and giving a perfect scene of the famous skyline of old New York. The boat will land at the rear of the fair grounds where the tourists will be given admission tickets. The remainder of the day and evening will be at the disposal of the passengers and they may return to the hotel at their leisure.

The tour also includes enough time for visiting theatres, night clubs and stores for souvenirs and gifts. There will be personally conducted trips to Rockefeller Center, the home of the National Broadcasting studios, the observation roof, music hall, and a grand sightseeing tour of New York, the only real way to get a glimpse of the most important and fascinating spots that you really should see.

All this is prearranged for the tourist. Everything works smoothly. The only thing that will excite your emotions is the glamorous trip itself. Experts say: "You'll never forget it as long as you live."

Free folders giving full information on these Blue Ribbon tours may be secured by calling the Hilltop Record, RA. 1125.

Mistress (to new maid)—So far as your evening out is concerned, I'm prepared to meet you half way."

Maid — No need of you to, ma'am. I'm not afraid to come home in the dark.

Judge—"The next person who interrupts the proceedings in this court will be sent home."

Prisoner — "Hip, hip, hurray, Judge."

Hilltop Sports

Hilltop Merchants

The second round of play in the Hilltop Independent played last week saw the two teams which tied for the first round title, Kents market and Corner cafe, still continue to dominate the play. Both teams won easily as the other first division outfit, Sullivant-av merchants lost.

With Dick Grant in top form the Corner cafe team easily steam-rollered the Spears funeral home aggregation into submission. Grant allowed only three safe blows as his mates, led by Paul Casey, teed off on the Spears twirler for an easy 11-1 win. Kents scored all of its runs in the first three innings and staved off a last minute rally to whip Westwood K. of P. 7-4. Morris hit safely three times for the victors.

In what proved to be the feature fracas of the evening, McDonalds Lumber beat the Sullivant merchants by a 3-1 count. The game was purely a pitchers battle between Grimm of the winners and Earl Burwell of the Merchants. Burwell granted six hits and fanned eight, while his opponent was touched for seven blows and whiffed but three. Spectacular defensive play by the winners featured the argument while the Merchants' defense was wobbly.

Church League

Behind the two-hit performance of Fred Comer, Calvary Presbyterian won its fifth straight in the West Church league at Westgate park Monday evening while Hoge Memorial, holding second with one setback in five tries, easily held second.

Comer was seldom in trouble as he shut out St. Aloysius by a 2-0 margin, the fourth setback for the Catholics. Glenwood M. E., deep in the cellar, lost its fifth consecutive game as Hoge Memorial walloped the Methodists 7-1. Calvary and Hoge seem destined to fight it out for the top spot with St. Aloysius and Glenwood doing battle for second division honors.

In the West Church league No. 2, West Park M. E. still leads the circuit with a perfect record in five games. The Methodists added victory number five Monday by out-slugging Hilltop C. of C., the final scoring being 13-10. Avondale U. B. remained one game behind the leaders by edging Hillcrest Baptist 9-7 in the only other game played.

As in the West league No. 1, the play is a two-team affair with W. Park and Avondale U. B. dominating the play. All of the other four teams have suffered at least two setbacks.

LEGION TEAM MEETS ALL STARS

The West league, American Legion baseball champions, will meet an all-star aggregation composed of players selected from the other seven teams comprising the circuit at 3 p. m. Friday on the State hospital diamond.

Bob Rapp, former semi-pro star, will direct the all-stars, assisted by the other league managers who will attempt to pit star play against team play. The West league closed its regular schedule on Wednesday, June 14, and the city finals start on June 18.

C. E. HAS GUESTS

The Christian Endeavor of Hilltonia U. B. church will have as their guests, members of the Avondale U. B. Christian Endeavor for the evening meeting at 7:30 Sunday evening. The Avondale group will present a program, "Christ for Every Crisis," with Bob Ward acting as master of ceremonies.

Indianola Scene of Jitterbug Contest

With music for dancing being furnished by Paul Decker and his band, a jitterbug contest will take the spotlight at Indianola park tonight at 10:30. Decker's band has played many stops including Valley Dale and the State restaurant. Marion Jones is the vocalist.

Glenwood Shelter House Notes

Attendance at Glenwood park, popular summer recreational center, has increased considerably during the opening weeks of the summer season, according to supervisors there.

A horse shoe tournament will begin next Wednesday afternoon, June 21, and all who would like to compete are requested to see Al Abrams, supervisor, any afternoon after 3:30. The tourney will begin at 4 p. m. on Wednesday.

Mound street school held its annual picnic at Glenwood on Wednesday with an attendance of well over 300 children. All reported an enjoyable afternoon.

An organization known as the Safety Patrol is now being organized under the supervision of Abrams. The purpose of the group will be to promote safety while on the playground.

The tennis courts at Glenwood are in good condition and Hilltop tennis enthusiasts are invited to play on the courts. There is no charge. Swings, slides, indoor ball, trapeze bars and many other attractions for both young and old are open each day at Glenwood with the public cordially invited to attend the park and take advantage of the recreational facilities offered.

Melragam Fined On Assault Charge

Gilbert Melragam was fined $10 and costs by Judge Francis E. Howard in conjunction with an assault and battery charge filed early this week, according to police records. Sixteen-year-old James Woodland was the victim of the assault.

English Course Offered Hilltoppers

The summer workshop of English offers a six weeks' course of study of English to boys and girls from 10 to 16 years of age.

The school will be open from June 19 to July 28 in the morning from 9 to 12 o'clock.

Miss Pearle Roling and Miss Margaret Roling, directors of the school, are experienced Columbus teachers. The school will be held in the Roling home at 1055 Ridge-st.

The workshop is designed to care for and appeal to boys and girls of various abilities.

Pupils of superior ability will be able to develop talent in creative writing, while retarded children will be given special instruction to overcome their reading and writing weaknesses.

Reading for enjoyment will be provided for each pupil.

Individual instruction will be assured.

If requested, instruction in other school subjects will be offered.

Application for entrance should be made immediately so that groups may be arranged.

GOD BLESS OUR DADS

We've always sung the praises
Of mother, bless her heart,
And somehow we've neglected
Our dad's important part.

He gets up every morning
And hies himself to work
So we may live the better,
A job he will not shirk.

He taught us much of nature
Of sports and self-respect,
To be mindful of our elders
And friends we may select.

To him his home is heaven,
A rest from daily toil,
Where he plants the seed of kindness
Reaping justice from the soil.

God bless all dads, the darlings,
On this their special day,
And may we ever cherish
Our dads, now and always.

Jacqueline L. Pfeifer.

The tough said: "If your wife wasn't here I'd knock your block off." With that his wife left the room. A sporting gesture?

The Hilltop Record

The Hilltop, Columbus, O.
Friday, June 23, 1939
Total No. 1056
Vol. XXIII, No. 10 N

Political Slants

By John Heer

Eight o'clock Wednesday night delegates of the Democratic party from all 19 wards of the city of Columbus assembled in Memorial hall to nominate candidates for mayor and other municipal offices. Too obviously the whole thing was a sham. A great effort was made to give the appearance of democratic procedure.

The keynote speech was delivered by the chairman of the Franklin county Democratic central executive committee, Walter F. Heer. Mr. Heer's address consisted mainly of an attempt to impress upon his audience that "it" was assembled to make the selection, while he and the executive committee were but disinterested bystanders.

Referring to his occasional meetings with small groups of Columbus Democrats in order to sound out their opinions, Mr. Heer gave assurance that "there was no staged promotion, no election-eering." "A poll was taken in some of these conferences," he continued, "but the results can be disregarded, for what is wanted here is a free and fair expression."

Several Candidates

Further evidence to support the contention that the central committee had adopted a "hands off" policy in the selection of candidates and was leaving the entire matter to the democratically constituted assembly was presented in a later comment. "You may be interested to know," said Mr. Heer, "that several prospective candidates voiced a willingness to be candidates, if assurance would be given, that the executive committee would go 'down the line' for them. This, of course, we refused to do."

Mr. Heer was quite perplexed "that a Democrat, who believes he is qualified to serve as mayor of Columbus, should shrink from the judgment of this convention as to his qualifications and worthiness to be supported as the Democratic party nominee."

In one last wager on mankind's gullibility, Mr. Heer asserted: "I have no personal choice for mayor, but I am deeply concerned, as all of you are, in the nomination of a Democratic candidate whose character, record, ability or experience will merit the support of the majority of the voters . . ."

Additional remarks stressed the importance of unity of rank and concentration of support of one candidate for each elective office. "If strength is divided," said Mr. Heer, "it is possible that our opponents may nominate all the candidates . . . and our party will have no representation on the ballot in November."

Millikin Nominated

Immediately after Mr. Heer's speech the delegates were asked to cast their votes. The results were as to be expected. David A. Shade received 942 of the 1,365 votes cast. John M. Lewis, his nearest rival, received but 298.

All pretension of democratic procedure was dropped in the nomination of the other candidates for municipal office. After a short speech from the platform regarding the merits of the prospective candidates, Councilman Alexander moved to nominate Wyatt S. Millikin, Roger N. Addison and William L. Lehman for re-election to the city council. The motion was seconded by a delegate.

By the same method (on the basis of motions made from the platform) the convention endorsed Tim Holloway for city auditor and Francis P. Howard for municipal judge.

In every case the "ayes" were unanimous.

Of particular interest was the almost complete lack of enthusiasm on the part of the delegates throughout the entire convention. The outcome was surprising to no one.

Biggest representation present from any ward was the 135 delegates from the local Eleventh Ward. Second in number was the 87 delegates from the Eighteenth Ward. The Tenth Ward had 48 in attendance.

The vote from the Eleventh Ward showed 94 for John Lewis, 31 for David Shade, five for Herbert Dailey and two for Ray Sheaffer. Two delegates did not vote. Results of the Tenth Ward vote were not obtained.

Masters Brothers Have Reunion Here After 32 Years Separation

The Masters brothers were back together again this week after a separation of 32 years.

The brothers, Tom, Harry and H. W., the former two well-known Hilltop residents, were thoroughly enjoying the reunion and Sunday night they sang together as a trio for the anniversary services at Burgess Avenue United Brethren church. Sunday, July 2, they will sing from the Avondale United Brethren church on Rev. D. S. Mills' 10:30 a. m. radio broadcast.

The three brothers love to sing. All have fine tenor voices which have been heard the breadth of the continent as soloists and in choral groups.

H. W. Masters went to California 32 years ago; that was when he was 32 years of age. He celebrated his sixty-fourth birthday Monday. He has a wife and daughter at his home in Santa Rosa, Calif. They did not come east with him on the trip. He is a salesman for a hatchery concern that is said to be the largest in the world, having a capacity of 1,800,000 eggs at a hatching.

Born Near Shawnee

He was born near Shawnee in Ross county, and met his wife in Youngstown near which city he was employed. True to the Masters tradition, he loves to sing and has been superintendent of a Methodist Sunday school for several years. He prefers California as a climate in which to live. He will start back on July 8.

Tom Masters resides at 416 S. Hague-av. He served as superintendent of the city materials yard for 32 years, having been retired for more than a year. He started singing in churches at the age of 14, 64 years ago, and has sung with the Hilltop male chorus, the Buckeye Republican glee club, Oratorio chorus and many other singing organizations.

Had Vaudeville Experience

Harry, whose residence is 438 S. Powell-av, spent 36 years on Keith's vaudeville circuit, playing every major city in the country. He has had more professional singing experience than his two brothers and still does considerable singing. While on the stage he played in dramas and sang. For the past few years he has been connected with the city engineering office. His wife, Bartha, is organist at the Avondale United Brethren church, directs the John Burroughs Mother Singers chorus, and is well known in local music circles.

The Masters brothers were members of a family of 12. Last week they attended the funeral of a sister, Mrs. Cynthia Clemens.

H. W. had come home to see her before her death, and she died shortly after his arrival. Still living are four sisters, Miss Florence Masters and Mrs. C. H. Brown, both of Columbus; Mrs. Fred J. Loeffler, Galena; and Mrs. H. N. Snyder, the wife of a Methodist minister at Cheshire.

Hilltop Boy Drowns; Rites Held Monday

Walter Jackson

Special Boy Scout funeral rites for Walter Jones Jackson, 13, who drowned Friday afternoon near Mechanicsburg while on a camping trip with his troop, were held Monday at 3 p. m. in the Oakley Avenue Baptist church under the direction of C. E. Taylor, scoutmaster of Troop 152.

Young Jackson, Negro, son of Mr. and Mrs. Andrew Jackson, 690 Demorest-rd, Burnside Heights addition, had left Columbus with the troop early Friday morning to spend a week of outdoor camping just south of Mechanicsburg. The body was recovered and taken to a Mechanicsburg funeral home and the troop returned to Columbus.

The boy had just passed to the eighth grade at Burnside Heights school and was active in his scout work as well as maintaining fine marks in school. He was also a member of the Oakley Avenue Baptist church.

Besides his parents, the young lad is survived by a brother, Calvin, and five sisters, Margaret, Janet, Winona, Phillis and Jo Ann.

West Park Wins First Round Title

Rain Forces Postponement of Monday's Games

Play in the two church leagues will continue this Monday, weather permitting, with the No. 1 league's title claim still undecided and West Park M. E. the proud possessor of the first round championship in the No. 2 circuit. Rain, the softball teams' old nemesis, went to work last Monday evening and stopped all activity in the two leagues.

A double set of contests will be played in the No. 1 group at McKinley-av field. In the feature contest West Park and Avondale U. B., first round "runner-up", will tangle with a good hold on the second round pennant going to the winner. Hoge Memorial Presbyterian is favored over Hillcrest Baptist in the second encounter while Hilltop Church of Christ and Highland Avenue Friends will do battle in the third meeting of the evening.

Hoge Meets Avondale

Following the first set of games the teams will change fields and swing into the number two games, those that were postponed due to inclement weather conditions last week. Hoge will clash with the West Park Methodists, Avandole meets Hilltop C. of C. and Hillcrest Baptist is matched with an old enemy, Highland Avenue Friends.

First Round—How They Finished			
Team	W	L	pct.
West Park	5	0	1.000
Avondale	4	1	.800
Hoge M. E.	3	2	.600
Highland Fr.	3	2	.600
Hillcrest Bap.	1	4	.200
Hilltop C. C.	1	4	.200

Behind West Park in the first round standings was Avondale, followed by Hoge and Highland Friends while Hillcrest Baptists and Hilltop C. of C. tied for the bottom position with one victory each in five starts.

In the other Hilltop church circuit, Hoge and Calvary were scheduled to decide the first round winner, last Monday, but the games were called on account of rain. In games to be played this Monday, Hoge takes on St. Aloysius and Calvary opposes a weak Glenwood M. E. team. The first round champion will not be decided this week but the game will be played at a later date in the schedule, Walter Gerber, of the city recreation department, announced. Calvary defeated Hoge in a previous meeting and will be out to duplicate the feat in their second meeting. Martin for Calvary and McFadden for Hoge will probably be the opposing twirlers when the two factions come together.

Adult School To Open At OSU Monday

The summer quarter of the adult school at Ohio State university will open Monday evening, June 26, with more than 20 different courses to be offered.

Courses will be given in English, art, clothing, current events, psychology, sociology, nature study, modern languages, political science, play production and radio repair. The classes are conducted on an informal basis, without charge, and are open to all adults who are interesting in continuing their education along non-credit lines. The school is conducted jointly by the university and the educational division of the WPA.

The majority of the adult school classes will be held on the first floor of Derby hall, and an information desk will be located in room 101 of that building, where registration can be made on Monday evening.

OPEN FOR INSPECTION

Open for public inspection this Sunday is the four new modern apartments just completed at 87 N. Huron-av. The four-family brick building owned by Claude Moss, 157 Eldon-av, was constructed by C. L. and E. M. Lucas, contractors.

The apartments are four rooms with five room service and are said to incorporate the latest features in convenience and comfort. Plans for the building were drawn by the contracting firm. C. L. Lucas was the builder of the apartment house on N. Eureka-av, just north of Broad and will soon begin work on another on S. Burgess-av.

Rentals and property management of the Moss apartment is being handled by George R. Trimble, 97 N. Burgess-av. He is associated with the Herman H. Johnson Co., whose Hilltop office is located at 2181 W. Broad-st.

Pastors To Exchange Pulpits

Sunday, for the morning worship service, Dr. Lester F. King, pastor of the Central Church of Christ, of Springfield, and the pastor of the Hilltop Church of Christ will exchange pulpits. The Hilltop church hopes to have a good representation of its members.

In the afternoon the Sunday school will hold its annual picnic at shelter house No. 3. Members attending are asked to meet at the church at 2:30 p. m. A basket dinner will be served at 6 o'clock, followed by a vesper service.

Patrolman Badly Shaken As Bridge Collapses

Patrolman Wade Knight, 29, 160 S. Hague-av, was badly shaken but not hurt seriously early this week when an iron bridge over Blacklick creek in the Reynoldsburg-Blacklick-rd, east of Columbus gave way and his car, with he and a companion in it, plunged into the water. The bridge had weakened due to swollen waters in that area following heavy rains.

Jones Ten Plays Kays In Nite Loop

Rained out of six double-headers in 10 that have been scheduled to date, the Columbus Night softball league will again try to swing into action this evening at the State hospital diamond with two games on the docket. In the premier contest Gessamen's City Employes tangle with Owens-Illinois while Bobbs Chevrolets and Kay Jewelers are matched in the night cap schedule.

Monday the Hilltop entry, Jones Lumber Co., at present sitting in the cellar with two setbacks in the same number of starts, will play Kay Jewelers while Owens-Illinois comes back in the second tilt to oppose the Rhodes for Auditor combine.

Jones Lumber will again take the field Wednesday evening of next week to challenge the Owens-Illinois outfit with Vess Cleo-Cola going after its fourth straight win in the feature tilt on the program in game number two.

At the present, even though rain and wet grounds have forced many postponements, Vess holds the top position with three wins and no setbacks while Owens-Illinois was victorious in its only start. Bobbs, Kays and Gessamen's City Employes have one victory as against one defeat while Bartlett has one win along with two reverses. Rhodes suffered defeat in its only start and the Jones ten brings up the rear with two setbacks.

TOWNSEND CLUB MEETS TONIGHT

Townsend culb No. 23 will meet tonight at 8 o'clock, at IOOF hall, 2356½ W. Broad-st. Rev. I. P. Day, pastor of the West Park Avenue M. E. church, will be the speaker.

Good music will be furnished. The public is welcome.

Local Miss Wins "Dad's Day" Contest

Father's Day was indeed a lucky day for Dorothy Henderson, 661 S. Harvard-av, for the young Miss captured the first prize of $25 awarded in a "Why I Like My Dad" essay contest by the Columbus Dispatch. The seventh-grade lass paid a fitting tribute to her dad in the prize-winning letter, praising him for his kindness in taking care of her since the death of her mother.

Second prize in the Ohio contest went to Gene Hart, 42 Martin-av, whose father is dead, while Barbara Waltz, 782 S. Terrace-av, won one of the many one-dollar prizes offered. For her contribution Jane was presented $15, the runner-up award.

Rieck Named To Attend USWV Meet

Otto A. Rieck, 166 S. Brinker-av, was named as one of four delegates at the state convention of the United Spanish War Veterans held in Columbus early this week, to attend the national convention at Atlantic City Sept. 10-15. Akron was picked as the site for next year's state gathering.

SEILLER HAS SALE

Seiller's annual Dollar Day sale now in progress at the local clothing establishment will last through Friday, Saturday, Monday and Tuesday. Bargains in the sale can be found in the Seiller ad on page three of this week's Record.

Boys With Dummy Scare Bus Driver

The folks out along S. Hague-av have been chuckling to themselves all this week and they had good reason for their merriment.

It seems that several West junior high school boys, with vacation time here and time on their hands, decided to make up a baseball dummy, and this they proceeded to do. When the dummy was completed the youngsters tied it to the telephone pole at stop 5 on the Hague-av bus line.

Along came the bus. The driver stopped, got out, and went over to the dummy. Finding it to be a dummy, he drove on. Next day the same thing occurred, only one of the boys was in the get-up. The driver slowed his bus, looked and went on. But lo and behold, the object was running after him and it didn't take long for that bus to reach the end of the line, with the junior high boys nearly dying from laughing at the spectacle.

Hospital To Have Huge Fireworks Display July 4th

Bean Day Boosters

Jack Shank

Heading the soft drinks stands at the bean dinner July 26 will be Jack Shank, jokester deluxe. Shank is a member of the duo, Shank & Saunders, real estate and insurance agents, whose business house is located at 2459 W. Broad-st. He lives at 2453 W. Broad-st.

George Painter

George Painter, 319 Binns-blvd, is proprietor of Painter Grocery No. 2, located at 2697 Sullivant-av. In the ticket selling activities of the HBMA Painter has no equal, but for the Bean Day he will take over the job of supplying supplies for the party.

Two Hilltop Boys Attend ROTC Camp

Among the 23 Ohio State university students who are enrolled at the Fort Knox reserve officers' training corps camp which opened Sunday at Fort Knox, Ky., are two Hilltop boys, Jack P. Burch, 2000 W. Broad-st, and Robert L. Huffman, 579 S. Terrace-st. The camp is in charge of Col. Otto L. Brunzell, professor of military science and tactics at the university.

Bussey Completes 25 Years of Service

A quarter of a century of service to the public as a painter is the proud record of W. R. Bussey, 148 Haldy-av, the majority of which has been spent on the Hilltop.

For 13 years Bussey has presented to his Hilltop customers the best that can be had in paint and service, and the results have been so good that he has been forced to employ a number of men to help him take care of the demands which he has received. Using an old-fashioned but still much used method, that of applying high grade material properly with time allowed between coats for the paint to dry, Bussey has painted more than 13 houses this spring, including the home of Glen J. Rader, 65 N. Chase-av.

Tenative Fourth Program Announced By Dr. Clouse

The third annual State hospital fireworks display, bringing to a grand finale the Fourth of July celebration at the institution, will begin at 8:45 p. m. with numerous activities for the patients' benefit preceding the final event on the program, it was announced by Dr. E. F. Clouse, acting superintendent, this week.

Primarily for the patients but always open to the public, the display will probably be the largest in the city this year. Some 5,000 persons were in attendance at the entertainment last year but according to Dr. Clouse this number should be increased considerably as an even better display is being planned. The pyrotechnics will be furnished by the United Fireworks Manufacturing Co. of Dayton, and the entire show will be in charge of F. A. Conway.

Tentative plans for the holiday call for a picnic supper, ball game and a band concert. From 1 to 3 p. m. will be visiting hours with a picnic lunch scheduled between 4:15 and 6 p. m. Following the evening meal the patients will retire to the recreation grounds to witness a softball contest between two hospital factions, followed immediately by the band concert. In concluding the holiday program, the display will be held.

Former West High Teacher Named Dean

Dr. Stuart P. Cromer, formerly a teacher at Highland elementary school and West high school, has been named dean of the medical school at the University of Arkansas, effective July 1, it was announced this week.

Dr. Cromer, who formerly resided at 1645 Andover-rd, left Columbus nine years ago following 10 years of teaching at the two west side institutions. His brother, W. J. Cromer, is at present a teacher at Mound junior high.

Riggs Services Held Wed. In Galion

Funeral services for Mrs. Rachel Ann Riggs, 81, former Hilltopper, were held at 1:30 p. m. Wednesday at the Snyder funeral home in Galion with interment in Iberia.

Mrs. Riggs was a member of the St. Paul Evangelical church while a Hilltop resident and resided at 162 N. Eureka-av. Since the death of her husband she had been making her home with her daughter, Mrs. H. O. Black, in Galion.

She is survived also by five sons, Marshall C. and Hugh M. of Pittsburg, Mack S. of Cleveland and Monroe W. and Walter M. Riggs of Columbus; 16 grandchildren and eight great-grandchildren.

Glenwood Park Playground Open

The Glenwood park playground officially opened June 19, Monday, with one of the largest attendance records recorded to date. Due to this marked increase in attendance the playground will be open daily from 9 a. m. to 8:30 p. m.

Al Abrams and Dwight Blauser, park supervisors, wish to announce many new events which will be presented this summer. Following is a list of coming free attractions: Friday, June 23 (tonight), 7 p. m., peanut hunt; Friday, June 30, 7:30 p. m., swing orchestra; Friday, July 14, 8:30 p. m., sound movie; and Monday, July 17, 7:30 p. m., concert orchestra. The public is cordially invited to attend these special events to be presented.

Miss Gertrude Thomason and Emily Braden are in charge of the following classes which are free to both children and adults during the summer: Monday, crayonex and muslin; Tuesday, embroidery; Wednesday, sewing; Thursday, crayonex for ages four to eight; and Friday, library study.

Hilltopper Awarded Star Route Contract

When seven star route contracts were awarded by the Columbus postoffice Wednesday, providing for the delivery of mail to cities out of Coulmbus, Harry Bobbit, 819 S. Richardson-av, was one of the receivers. Bobbitt's route, effectvie July 1, will be from Columbus to Nelsonville.

No Worries On Record Fair Trip

Everybody has worries, financial or otherwise, but tourists planning to visit the New York world's fair will have nothing to cause them worry or distress if they use the Record Blue Ribbon all-expense tour offered at this time. With all the things to see and do in the largest city in this country, one is apt to become ill-minded in a tour of this type but not so in the Record tour, for everything is taken care of from the time you leave on the Ohio State Limited until the return; the theatres, night clubs, shopping districts and points of interest are all yours for the asking.

Upon your arrival in New York you are transferred to a special bus for a sightseeing trip of Upper and Lower New York, ending at the Lincoln hotel. Here a lovely room awaits you, provided with tub and shower and radio.

Monday is spent at the fair grounds and Tuesday a yacht trip down the North river is on tap. Passing huge trans-Atlantic steamers and the Statue of Liberty, the boat lands at the rear of the fair grounds where admission tickets will be given tourists. The rest of the day is yours to do as you please, returning to the hotel at your leisure after seeing the fair sights.

Included in the tour are personally conducted trips to Rockefeller center, home of NBC, the observation roof, music hall and a grand sightseeing tour of this famous city, the one and only way to see the most important and fascinating sights that should be seen.

Everything is planned carefully in advance and the tourist has only to view the wonderful sights and marvel at the many pictures presented by the picturesque city of New York. Free folders describing the trip and giving the required information in may be had by calling the Record office.

What the People Think . . . . .

Hilltop Folks Favor Four Point Improvement Program On Local Streets

This week the Record is inaugurating a new column for our readers and each week we shall endeavor to present a topic of interest locally. Opinions in every case are those given by local people in answer to questions by a Record reporter.

This week's question is one that has been discussed considerably by the HBMA. The question is, "What do you think of the new four-point program involving the straightening of McKinley-av, Sullivant-av paving, W. Mound-st, extension, and replacement of street cars by buses on W. Broad-st, which has been taken under advisement by the HBMA?"

All answers received agreed that if the project could be carried out it would be a marvelous improvement for the Hilltop and its residents. With only one main thoroughfare for driving out to the Hilltop from the center of town, W. Broad-st, that the improvements to McKinley-av and Sullivant-av, would be very beneficial to the community.

Mary Beats, real estate woman: "I'm very much in favor of the four-point improvement being discussed so much at present. As I live nearer to Sullivant-av, than any of the other streets under consideration I naturally favor the widening and think the street should be improved to tie in with the boulevard. The improvements in McKinley-av, would relieve congestion in W. Broad-st. W. Mound-st has undergone a big improvement but I think the work that should be done on Sullivant-av would benefit the people along that street more than the results that were received by the repaving of Mound-st. I'm naturally a little prejudiced but I feel that the work, if, done, would be a major community advancement."

Alva Nafzger, furniture salesman: "A wonderful program if it could be put through. Probably the most beneficial to the west side and Hilltop people would be the straightening out of McKinley-av. That one railroad turn is bad and there are some rough spots. But the city hasn't the funds to do the work at present and we'll just have to wait. I predict we'll have buses instead of street cars on Broad-st sometime this fall, and I also think the Columbus and Southern Ohio Electric Co. will extend its service to the city limits. If the city had the funds Sullivant-av would be one of the first city streets to undergo a transformation in paving, but the city hasn't the funds so we'll just keep on trying to get these things we need most. Most of the other sections of the city have fine time-saving roads and the Hilltop should be no exception in this line."

Lou Saunders, Shank & Saunders Insurance: "A fine idea every part of which I think can be carried out in time. Right now the Sullivant-av repaving would be the most important of the four-point program and the cost wouldn't be too high. In fact none of the four projects under discussion would be costly as no new roads are being built. The Hilltop has only one main thoroughfare that is in good condition and that is the national highway or W. Broad-st. Sullivant-av would be first in my opinion for it is used by the most people. Since the suggestion was first brought up at the HBMA meeting by Ray Hauntz I have thought it would be fine to have these things for Hilltoppers and the idea still holds today. In time I think we will have the fulfillment of each part of the four-way program. Each section of the city has many good roads to travel upon, the north, south and east, and the Hilltop sector should be next in line for better roads."

Edith Chambers Becomes Bride Of Mr. Lust In Church Wedding Tonight

Tonight at 8:30, Miss Edith Blanche Chambers, daughter of Mr. and Mrs. George Chambers, 110 Midland-av, will become the bride of Mr. Wendell E. Lust, son of Mrs. Eva Lust of Westerville, at the Neil Avenue Methodist church.

Rev. Paul Frees of Lewisville, brother-in-law of the bridegroom, will perform the ceremony, assisted by Rev. R. H. Pierson, pastor of the church.

The bride has asked her sister, Miss Georgia Mae Chambers, to act as maid of honor, and bridesmaids will be Miss Kathleen Johnson and Miss Mildred Lust, sister of the bridegroom. Carol Hennicki will be flower girl and Donald Lust, nephew of the bridegroom, is to be the ring bearer.

Mr. Gerald Lust will serve as best man for his brother, while two other brothers, Mr. Raymond Lust and Mr. Herbert Lust, will be ushers.

Miss Chambers will be married in white satin and lace redingote with short puffed sleeves and a high cowl neck held in place with pearl clips. The lace is gathered in back at the waist and forms a train. She will wear a long white veil of net edged with lace, which will be held in place with orange blossoms. Her bridal bouquet will be of white sweetheart roses.

Miss Georgia Mae Chambers will wear blue lace and carry a corsage of pink roses and blue delphiniums, the bridesmaids will wear pink and yellow chiffon, and will carry corsages of pink roses and blue delphiniums, and yellow roses and blue delphiniums, respectfully. Carol Hennicki will be dressed in an ankle length white organdy dress with pink, yellow and blue rosettes.

At the beginning of the ceremony Mrs. Madeline Ayers, accompanied at the organ by Mrs. Iva Corwin, will sing "I Love You Truly" and "Speak to Me of Love."

Immediately following the ceremony there is to be a reception in the basement of the church, at which time Mrs. Elinor Holt and Mrs. Evelyn Groce will sing. Approximately 150 guests will be present.

Following a short honeymoon the couple will make their home near Westerville. On May 23 Mrs. Laura Meeks entertained 20 guests at a miscellaneous shower in honor of Miss Chambers.

Miss Ressa Is Bride Of Mr. Wunderlin

Announcement is being made by Miss Teresa Ressa, 472 E. Whittier-st, of the marriage of her sister, Argene Louise, daughter of the late Mr. and Mrs. Anthony Ressa, to Mr. Robert J. Wunderlin, son of Mr. and Mrs. John Wunderlin, 795 Yeager-av.

Rev. Father Lisus Drury officiated at the nuptial high mass which was held at St. Mary's church Tuesday morning, June 13. The church was decorated with ferns, white carnations and gladioli.

The bride wore a white slipper satin, empire style gown with a full skirt, a long train, and leg o' mutton sleeves that came to a point over her hand. The heart shaped neckline was caught at each side with pearl clips. She carried a bouquet of Johanna Hill roses, lilies of the valley and gardenias.

Florence Ressa, sister of the bride, was maid of honor, and wore a gown of silk lace, with net inserts, the skirt was full and flared, the dress had a heart-shaped neckline and full puffed sleeves. She carried Johanna Hill roses and blue delphiniums.

Miss Veronica Ressa and Miss Mary Louise Wunderlin, sisters of the couple, and Miss Margaret Clark were the bridesmaids. They wore dresses of the same style as the maid of honor, in different colors, and carried a bouquet of Johanna Hill roses and blue delphiniums.

Mr. Wunderlin's brother, Mr. John Wunderlin of Marietta, served as best man.

Ushers included Joseph L. Leister, Ray Ressa and Paul Wunderlin, brothers of the couple.

Following the ceremony, a wedding breakfast was held in the Spanish room of the Deshler-Wallick hotel for the immediate families.

On the evening of the wedding Miss Theresa Ressa, sister of the bride, was hostess at a reception given at her home for the couple. Following the reception the new Mr. and Mrs. Wunderlin left for a motor trip to New York city and the world's fair. For traveling Mrs. Wunderlin wore a light gray suit with white accessories and a corsage of gardenias.

Mr. Wunderlin formerly was with the Hilltop Record, and is now employed in the personnel department of the Owens Illinois Glass company.

Maccabees Have Watermelon Feast

Members of Ohio Tent Hive of the West Side Maccabees will be the guests of Mr. and Mrs. P. F. Harouff and son at their home, 291 S. Eighteenth-st, tonight when watermelon will be served on the lawn, with cards and games enjoyed in the den. A short informal meeting will be held from 7:30 to 7:55 to decide upon summer activities of the adult and junior groups, west of the Scioto river. Announcement of the appointment of Mrs. Nellie M. Saint, 398 S. Eureka-av, to the position of court director of Starlight and Twilight Courts 443 and 523 of the junior units has been made by West Side representative, P. F. Harouff.

Preparations for the joint guard team of the junior girls to make the trip to Detroit, Mich, Aug. 13 are under way. This team will participate in the drills held during the session of the national fraternal congress of America, Detroit, when they will be the sole Maccabee representation from the West Side.

Reed-Brown Nuptials Are Announced

Miss Miriam Reed, daughter of Mr. and Mrs. Frazier E. Reed, Albany, N. Y., became the bride of Mr. Robert A. Brown of Richmond, Ind., son of Mr. and Mrs. Edgar W. Brown, 86 S. Terrace-st, June 10.

Dr. D. H. Hammond officiated at the single ring ceremony which was held at the Reid Memorial United Presbyterian church in Richmond, Ind.

Preceding the ceremony, Mrs. Mary Carmen Slade, church organist, played a program of bridal numbers.

Mr. and Mrs. Russel Commons attended the couple.

The bride wore an afternoon dress of powder blue lace with white accessories and wore a corsage of white roses and lilies of the valley. Mrs. Common wore a gown of sheer black and white with black accessories. She had gardenias in her hair.

The bride is a graduate of Albany high school. Mr. Brown graduated from Morton high school in Richmond and attended Muskingum college. He is now associated with the Richmond Fireproof Door company.

Out of town guests were Mr. and Mrs. E. W. Brown, Miss Aileen and Edgar Brown of Columbus.

Bride-Elect Is Honored

Miss Henrietta and Violet Reick entertained with a dinner party on Wednesday, June 21, at the Maramor, in hondr of Miss Greta Irene Peart, bride-elect of Mr. Eugene Philip Hand.

The guests are all to be attendants of Miss Peart, at her marriage on June 24.

Those attending were Miss Sue Peart, Miss Lillian Highman, Miss Helen Peart, Mrs. Ray Ruffing and Mrs. Joseph Gary.

REPUBLICAN CLUB WILL MEET

The West Side Douglas Republican club will meet at the home of Mrs. V. Rogers, 342 S. Highland-av, tonight at 8 o'clock. There will be a program and refreshments will be served. Every one is urged to attend. Mrs. N. Cosly is president of the group.

Miss Moss Weds County Auditor In June 21 Ceremony

Announcement is being made of the marriage of Miss Violet Moss, 33 N. Harris-av, to Mr. Newton A. Thatcher, county auditor, 2936 Crescent-dr.

The wedding ceremony, which was performed by Rev. Carveth P. Mitchell, pastor of the Hilltop Evangelical Lutheran church, took place at 10:45 on the morning of June 21, with Mrs. Maude Thatcher, mother of the groom, Miss Eunice Evans, Miss Ruth Thatcher, sister of the groom, Mrs. Annie Richards and Mrs. Carveth P. Mitchell attending.

For the ceremony the bride wore a dress of Capri blue embroidered marquisette with a v-neckline and short puffed sleeves, white accessories and a shoulder corsage of orchids. For traveling she chose a Mallison pussy willow multi-colored printed crepe ensemble with white accessories.

The couple left immediately following the ceremony by train and boat for Washington, D. C., Baltimore, Norfolk, Boston, Albany and New York.

Miss Moss came to Columbus from London, England, and has become a citizen of the United States. She has been a deputy county auditor since 1929, having been originally appointed by the late county auditor, Arthur J. Thatcher.

Mr. Thatcher is a graduate of OSU from the college of commerce. Both have been members of the Hilltop Lutheran church.

Numerous parties and showers have honored the bride-elect, among which was the pre-nuptial dinner given Sunday, June 18, at the Davis' restaurant, 2327 W. Broad-st, by Mrs. Maude Thatcher, 2936 Crescent-dr, mother of the groom.

The guests, relatives and friends of the couple were Miss Eunice Evans, Mrs. William Karsten, Mrs. Arthur Lazenby, Mrs. Hattie Lee, Mrs. Annie Richards, Mrs. Lena Schluep, Mrs. William Stump, Miss Ruth Thatcher, Mrs. George J. Weidman, Mrs. Jeannette Wenrich and Miss Jeannette Wenrich of Stoutsville, Miss Violet Moss, Mr. Newton A. Thatcher, and the hostess, Mrs. Maude Thatcher.

Mrs. Freda Barnes, Mrs. Louise Renner and Miss Florence Singley entertained with a miscellaneous shower in honor of Miss Moss at the home of Mrs. Barnes, 163 Eldon-av, June 15. Guests were members of the Tena Wagner Missionary society of Hilltop Lutheran Evangelical church.

White Cross hospital guild No. 29 will meet Wednesday at the hospital. Mrs. Scott Denton will preside as chairman at this meeting.

Library News

A vacation reading club, to be known as the Robin Hood Reading club," will begin July 1 at the Hilltop branch library with membership to be composed of boys and girls from the third to the twelfth grades in school. The Hilltop library is located at 21 N. Hague-av.

The club will continue for a seven-week period, until Aug. 19, and diplomas for the completion of the work will be given Saturday, Sept. 2, at 10 a. m. To be eligible for a diploma a boy or girl must read 11 books and fill out a short list of questions for each book. The books may be read at any time during the seven weeks, so that vacations need not interfere with any club member seeking the award.

More details concerning the club will be announced in next week's Record.

We can always be depended upon to render helpful assistance.

Owen Sisters Ride At Local Academy

Owen Sisters

Now appearing daily at the Oasis Cocktail bar in the Chittenden hotel are the Owen sisters, music entertainers extra-ordinary, who divulge in sports in their spare time and choose riding especially as a model exercise. The girls often ride at the Hilltop Riding academy located at S. Eureka-av and Eakin-rd.

Known for their rythm on the Moon River program over station WLW, the trio, composed of Honey, accordion, Sophie, bass viol, and Emmy, who strums the guitar, feature solo and harmony numbers in their repetoire.

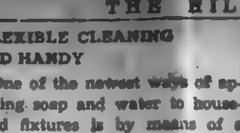
TENT MEETING TONIGHT ON SULLIVANT

Each evening, beginning tonight, there is to be a tent meeting at 2363 Sullivant-av, at 8 o'clock. This meeting is undenominational and all Christians are invited to come and take part in the services. C. F. Miller is in charge of the services.

FLEXIBLE CLEANING PAD HANDY



One of the newest ways of applying soap and water to household fixtures is by means of a cleaning pad with a sponge rubber surface fore and aft which slips onto the hand like an oversized mitten. Its flexibility is a definite advantage in washing mouldings, baseboards, and hard-to-get-at corners of the house.

Complaint: Numerous have been the times when business people complain about the amount of parking space available for their customers and then they thoughtlessly or lazily park their own cars in the choice spaces in the business section in front of their own stores and thus force their own customers to another spot.

Dr. T. S. Fox, L. E. Saunders, Don Smith, E. O. Melvin, A. C. "Pop" Waymer, Clarence Story, Dr. C. O. Miller, John Porter, Herbert Deems, Cliff Kohn, Carl Johnson and Gill Smoot comprised a party that took in the Cincinnati, Reds ball game Tuesday. The local sports enthusiasts are still trying to figure out how much the officials "took them for." Seems some high financing at the ticket window got the boys rattled.

IT'S VACATION TIME

IT'S TIME TO GET OUT IN THE SUN TO PLAY AND REST

THIS season go on your vacation prepared for the things you will want to do. Be sure your wardrobe is in first class shape with plenty of extras that come in so handy. Visit a reliable dry cleaning establishment and have your old clothes made to look like new.

Get your car in shape—thoroughly checked over by reliable mechanics for every possible source of trouble. You'll enjoy every minute of your vacation knowing that you can depend on the services you have had before you left home.

IT'S VACATION TIME!

THIS YEAR DON'T DREAM YOUR SUMMER VACATION — LIVE IT!

VACATION time comes but once a year and you will want to take full advantage of this one. Don't deny yourself the fun that you have earned by the many months of diligent work. Give yourself that much earned rest and you will feel like facing next year's work with a will.

Your efficiency will be greatly increased by the proper amount of fun and relaxation that this year's vacation should bring. So go on your way determined to make the best of this one, be it a European tour or a very modest automobile tour.

Pennsylvania Wedding Announced

On June 8 Mary Belle Rakin of Frazeyburg became the bride of Mr. Roger Ware Dolder, son of Mr. and Mrs. William Dolder of Newark. The ceremony took place at Indiana, Pa.

Mr. Dolder is the grandson of Mr. L. G. Dolder, 2815 Sullivant-av, and is a graduate of West high school and of pharmacy at the Ohio State university. He is the owner and operator of the Dolder pharmacy at Frazeyburg.

AT HOME OF MRS. JERMAN

The young people's union of Hillcrest Baptist church will hold a picnic supper and vesper service Sunday at 4 p. m. along the Scioto river. Inculded in the vesper service will be a short talk by their pastor, Rev. George McDonald.

All members are urged to attend as this is the last meeting of the year. Miss Vera Swangan is president of the union.

MRS. LAIRD WINNER IN CLUB DRAWING

The winner of the blanket club drawing on June 16, of the St. Aloysius mothers club, was Mrs. Laird, 140 N. Warren-av.

The president would like for all members to save their sales tax stamps during the summer and bring them to the next meeting in September.

Rev. and Mrs. W. T. Witherspoon returned home Thursday after several months abroad. Rev. Witherspoon is the pastor of the Apostolic Gospel tabernacle. While abroad he visited the Holy Land in the interest of missionary work, being chairman of the board of foreign missions of the Pentecostal assemblies of Jesus Christ.

Saturday evening his home church and branches in Ironton, Portsmouth, West Jefferson, London and Nelsonville are honoring them with a reception to be given in the tabernacle at 1074 W. Broad-st. All day Sunday they will hold homecoming services.

LAWN FETE AT BRIGGSDALE M. E. CHURCH

The Epworth League of Briggsdale Methodist church is sponsoring a lawn fete tonight on the church lawn. Proceeds are to be used to pay league members' fees to the Lancaster campgrounds.

The committee members in charge of arrangements are Robert Nolan, Mary Cornwell, Helen Benjamin and Wilbur Gantz.

CANDIDATE

Charles R. Petree
Charles R. Petree, 125 Richardsrd, will be a candidate for the position of judge of the city municipal court, it was announced this week. He will seek the position recently made vacant by the death of Judge Harold L. Kime.

VALLEYBROOK OFFERS SUMMER ACTIVITY

One of the most used means of spending the summer leisure time periods is to ride, and the Valleybrook Riding academy, 1295 N. Hague-av, is one of the better known riding institutions in the city used for that purpose. Charles Clifton is manager of the academy.

The academy has 60 acres of private riding grounds containing small brooks, streams and natural riding paths. Fifteen gentle riding horses are available and all new equipment has been purchased. Teachers for beginners are provided.

Within the riding grounds are picnic facilities and the academy is open at anytime for inspection. It is open until 11 p. m. daily.

JACKIE MOONE IS CONVALESCING

Jackie Moone, son of Mr. and Mrs. E. R. Moone, 125 S. Wheatland-av, is convalescing at home from a recent appendectomy at White Cross hospital.

Early United States Gold Pieces

United States' one dollar gold pieces were minted from 1849 to 1889; gold three-dollar pieces from 1854 to 1889; gold 200 piece, special issue, in 1915, also a few in 1877

A New Invention

In the book is this direction:
You should change your oil,
When it gets a dark complexion,
Or your engine it may spoil!

The book says one thousand mile,
But never any more,
Then you'll be right up in style,
And your pistons will not score.

I'm going to write the boss,
To invent a gasoline,
So you can drive without much
And always drive serene.

A gas that has the power,
To keep your engine churning,
Then you can drive for many an hour:
But your gas will not be burning.

Then when we change your oil,
We will change your gasoline;
Your gas will never spoil,
But you'll want to know it's clean.

These lines may send me to the jail,
But I'll go there with a smile;
For to help you save your kale,
Is a deed I call worth while.

VENETIAN FUNERAL
It was on a Sunday we saw it,
When we were young and merry,
On our way to the Lido
On a steamboat ferry.
When all of us were chattering,
With nothing much to say,
For it was gay in Venice
That sun-drenched holiday!
The barge was piled with flowers—
Gold, purple, pink and red—
Gay as ourselves it seemed to be,
But it contained the dead.
The oars swished in the waters
With rhythmic beat unbroken—
We bowed our heads in silence,
And not one word was spoken.

Ray Hauntz In Council Race; Floyd Green Files For Mayor

The Spectator
By C. C. Hartley

Farmer Loses Farm: From reliable sources we learn this week that Charley Kent's latest venture is farming. He purchased a 70 acre farm down near Laurelville, which if leveled off would make a thousand acres. When he bought the place the owner gave him a map to direct him to the farm. Since that time he has lost the map and now he owns a farm but doesn't know where it is.

Tid-Bits: Esther Weakley reports for the benefit of John Wolfe that her cat now has four kittens . . . Mr. and Mrs. E. F. Doran of Tasty Nut Shoppe fame were to leave Thursday on a tour to the west coast and the California world's fair, taking their children along in the trailer, to return in September. . . . Pop Waymer wants a motion picture made of the transactions that take place when he goes to a baseball game from now on so it can be proven that he can get into a game without paying double price . . . Wylie Shroyer is in Mt. Carmel hospital recuperating from an operation . . . On the sick list too is Mrs. S. J. Westlake who is also confined to Mt. Carmel . . . Word comes from Homer Lighter, West Hi '38, who left three weeks ago for Houston, Tex., with brother Marshall to "stay". He's homesick.

Notes and Nubbins: Alice Zeisler has been progressing in beauty culture and more recently has been offered a position in a local shop . . . George Willford, we find from the beam in his eye it can easily be seen he is thinking in terms of a first rate Buckaroo team for the fall . . . Eva Lou Louden buying pink and frilly things . . . for a shower for a friend, we mean . . . More like Tom Sawyer than we could believe is Johnny Cleveland who was paid to pick cherries for his mother and then sold them for an added dividend . . . Esta Sharp is home from the hospital.

He reports a good time and would be pleased to describe the scenery of the west.

Are You Properly Registered?

Lest you forget, there is a last day for everything. There is a last day to pay your light and gas bills. There is a last day to pay your taxes. There is a last day to take advantage of the tooth paste bargains. In fact there is a last day to live. There is also a last day to register in order to qualify for voting.

If you have moved to another residence since the last election or if two general elections have gone by since you last voted, you must register on or before Aug. 21 at the County Board of Elections, 214½ S. High-st, or you may not vote. Go early and avoid the rush.

We Recommend

This month's issue of Readers Digest carries two articles every thinking citizen should read. One is entitled "Debt Threatens Democracy" and the companion article, "You Can Make Your Government Save." Contained therein are facts pertinent to a situation that most certainly should be causing some thought.

Particularly important is the advice of the author of the latter article in which he states that citizens who ask for economy do not demand it and until we reach the stage where we are wiring our congressmen to vote against appropriations to be used locally rather than urging them to vote for such legislation we cannot expect to get out of the rut to bankruptcy.

Read it!

Bucks Grid Sked Complete

To Play Nine Game Schedule

School is out and the athletic program at West high school for 1938-39 is completed. Another school year is not far off and George Williams, coach of the Buckaroo football team, is planning already for the nine game schedule his charges will face this season, five games to be played at Magly Field and the remaining four away.

There will be a meeting of all boys interested in football at West high school Saturday, Aug. 19, at 2 p. m. Practice will start Aug. 21, with two drills per day being planned for the opening practices preceding the opening of school.

Following is the schedule:
Sept. 16—At Newark
Sept. 22—At Springfield (nite)
Sept. 29—South
Oct. 6—Col. Academy
Oct. 13—Central
Oct. 20—Aquinas
Oct. 27—At Zanesville (nite)
Nov. 2—At East
Nov. 10—North

Bond holders will be admitted to the West-Academy and West-Aquinas skirmishes, both contests being carded for the local gridiron. Newark, always a tough opponent for the Bucks, will open the season while the first home game will be the opening fracas of the City league race with South providing the opposition.

All boys who have earned letters in the spring sports program at West are asked to report to the back of the stadium at Magly Field Wednesday afternoon, July 5, at 3 o'clock at which time letters will be awarded.

HBMA To Have Their Day

When a football player makes the headlines, a general wins a war or a star wins an important match, you can bet that it wasn't accomplished in a day and that even though one person does get the credit, long hours of work by many individuals go to make up the honor that one does receive eventually.

As in the case of the other 10 players on a pigskin squad, the soldiers under the general or those who make the star what he is, those "unsung heroes", so do the many members of the Hilltop Business Men's association in planning, preparing and presenting the many community projects which they sponsor.

This summer it will be the second annual Bean Day dinner to be held at Westgate park the evening of July 26. On that Wednesday the association members will present to the Hilltoppers a novel dinner plan whereby the community can skip away from home for an evening without preparing supper during the hot afternoon and evening and attend a bean dinner with free beans, coffee and crackers.

Members of the Bean Day committees of the HBMA will meet Friday evening at 7 in Westgate park. Reports on the progress of the groups will be announced at that time. All members are asked to be present.

It's no money making scheme! In fact the association didn't make a penny from the bean dinner held last year. But it is a day when the cares of the household can go to, and ma and pa can gather up the youngsters and all have a wonderful time in true picnic style.

Plans are still being laid for the large attendance which the dinner is sure to attract and 1,000 pounds of beans are being groomed for Hilltoppers and their families. It'll be one day when those "unsung heroes", the Hilltop's business men, can take a little time off from the duties which they must give Hilltoppers and enjoy themselves along with the people residing in the community who count on the grocer, baker and candlestick-maker for the many usual commodities of life.

Parachute Jumps Feature Sullivant Ave. Airshow Sunday

Tom Stauch, one of the nation's outstanding air pilots, is shown here just as he lifted his sport cabin monoplane from a specially constructed rack atop a racing motor car. The car was traveling well over the fifty mile-an-hour mark when Stauch rocketed his ship into the air. This thrilling stunt will be repeated this Sunday during the three-hour, thrill packed All-Columbus Air Show at Sullivant Avenue Airport. Proceeds from the show will go to the Franklin County Boys' Camp fund.

Aerobatics, parachute jumps and stunt flying will feature the All-Columbus air show set for Sunday afternoon at the Sullivant Avenue airport, it was announced this week by E. Gomer Jones, chairman of the committee of events. Opening ceremonies are scheduled to get under way at 2 p. m. followed by a complete program of aviation spectacles.

Among the featured events to be given is a war time dog-fight by Rusty A'Neil and Herb Stump, dead motor acrobatics by Tom Stauch and a one mile delayed chute jump by Dave Binns, well-known parachute jumper.

Others on the card include Mike Murphy and those who will take off for competition in the free for all novelty race.

Selected to reign over the festivities at the local airport was Miss Dorothy Russell, 1125 S. Twenty-second-st. Miss Russell was named in the beauty contest held last Sunday afternoon at the airport and will preside during the show as the queen and will also receive a free flying course.

Bill Sweet jr., ace air show announcer, will describe all the action and color of the sky show Sunday. Sweet, a show in himself, has announced more than 450 air show meets, including the Cleveland National Air Races, Miami All-American Air Maneuvers, St. Louis Air Races and other major air classics throughout the nation.

Following is the complete 13 event card:
Test parachute jump, Dave Binns.
Acrobatics, Mike Murphy.
Dead motor landings, Tom Stauch and Herb Stump.
War time dog-fight, Rusty A'Neil and Herb Stump.
Crazyhatics, Tom Stauch.
Aviation on parade.
Dead motor acrobatics, Tom Stauch.
Parachute jump, Dave Binns.
Light plane acrobatics, Tom Stauch.
Novelty race, free for all.
Fifty-turn tailspin, Herb Stump.
Acrobatics, Mike Murphy.
One-mile delayed parachute jump, Dave Binns.

CONTEST HEAD

Perry Davis

Perry Davis, head of the Pure Oil filling station located at the corner of Whitethorne-av and W. Broad-st, will take charge of the store bean guessing contest to be held in conjunction with the Bean Day festivities. He resides at 2505 Ridge-av.

BEAN SERVER

Curt Roberts

Serving in the capacity as one of the trio of official bean servers at the Bean Day dinner July 26 will be Curt Roberts, 530 Whitethorne-av. Curt is proprietor of the Yost's Florist shop located at 303 Belvidere-av and is one of the newer members of the HBMA.

A. T. Moraine Buys Local Florist Shop

A former Hilltop resident, A. Tanner Moraine, will return to the Hilltop after an absence of a few years, it was learned this week, following the announcement of the sale of the Metzmaier Florist shop to Moraine. William Metzmaier, former proprietor, is now a U. S. mail-carrier.

Moraine formerly resided at 165 Columbian-av and at present lives with his wife at 704 Bedford-av. He will move to the Hilltop in the near future. His parents, Mr. and Mrs. Russel E. Moraine, reside at 2949 Crescent-dr.

A former employe of Carl Hubert and also T. J. Ludwig, florists, Moraine has considerable experience in his field. The shop, to be known as the "Moraine For Flowers", establishment, is now being remodeled but is still open for business.

Leggett Funeral Services Today

William J. Leggett, 44, a fireman for the Pennsylvania railroad for 28 years, died at his home, 2446 Sullivant-av, Tuesday of heart disease, following an illness of several years. Funeral services will be held at 1:30 p. m. today at the Glenn L. Myers chapel with interment in Gahanna cemetery.

Leggett was born in Dennison, but had lived in Columbus for 29 years. He was a member of Hansberger Memorial Methodist church and the Brotherhood of Locomotive Engineermen No. 79.

Surviving are his wife, Mrs. Arlene Dale Leggett; daughter, Mrs. Mary Jane Ginbey; two sons, John W. and Benjamin L. Leggett; three grandchildren; his parents, Mr. and Mrs. T. B. Leggett; brother, Hugh L., and sister, Mrs. Mary A. Stanton.

Hilltopper Definitely In Race

Floyd F. Green, 3046 Crescent-dr, will file his petitions at the county board of elections today, thus formally declaring his candidacy for mayor.

It has long been understood that he would be in the race, but to date he has made no definite statement to this effect. He will be fourth to publicly announce his candidacy. It is generally known that Mayor Gessaman will make his announcement in the near future.

Green was born on July 10, 1896, on Columbus' east side. His father, for years an employee of the Pennsylvania Railroad, was a member of the B. of L. F. & E. affiliated with the American Federation of Labor.

As a boy he worked at neighborhood odd jobs. He supplemented his high school education with courses at the Columbus Business college and LaSalle university.

Green gained his first salesmanship experience with the Kilbourne and Jacobs Manufacturing Co. For the past 13 years he has been associated with the Southwestern Portland Cement Co.

Green was in the 1931 mayoralty race on the Republican ticket. During the four previous years he served on the city council. He is a former president of the Hilltop Business Men's association.

Hilltop Girl Baits Trap, Catches Thief

Miss Dorothy Langhorst, 24, 2503 Ridge-av, turned detective this week following the theft of several packages from her mailbox on Monday and the solving of a postal case Wednesday after she had foiled the thief in a second attempt at the same residence, was the result.

Miss Langhorst was mailed some colored movie films by her parents, Mr. and Mrs. Herbert W. Langhorst, who are vacationing in California, the postman putting the delivery on the window ledge. A neighbor put the mail in the box, but when Miss Langhorst looked for it 10 minutes later the packages were gone.

Wednesday she wrapped up a dummy package with a stone in it, and after addressing it to herself, put it in the box, pulled the window shades and sat down to await proceedings. Soon afterward the door bell rang several times. When the ringing had ceased Miss Langhorst raised the blind cautiously and peered out just as the bread man was putting the trick mail into his basket.

She called the police and two Hilltop policemen, Oscar Ewing, 816 S. Eureka-av, and R. B. Wilson, 254 S. Ogden-av, were sent to investigate. Five minutes later the officers arrested the bread man, who gave his name as Carlyle V. Perry, 24, 1360 S. High-st.

Perry told Miss Langhorst he had thrown the films into the Scioto river after he found out what they were. His hearing was to have been yesterday before U. S. Commissioner Robert Newlon.

Rome Incorporation Efforts Are Renewed

The Rome Men's Community club met at the home of Treasurer Arthur F. Kimes Monday night and plans were again discussed toward incorporating of the village of Rome as West Columbus. A proposal to incorporate the village of 600 inhabitants met defeat last August by a margin of 22 votes.

Plans were made to hold a public meeting in the Rome portable school building on Friday, July 14, at which time the proposed boundary lines will be discussed.

GAR Pays Tribute To Confedertae Dead

Tribute to those Confederate soldiers who died in prison here during the Civil war was paid Monday morning by the few living members of the Grand Army of the Republic at special services conducted at the Camp Chase cemetery. The organization held its seventy-third annual encampment in Columbus early this week and one of the main points on the program was the honoring of their gray-clad foes of 75 years ago by the Boys in Blue.

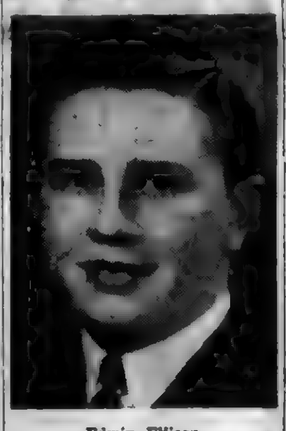
Floyd Green

Local Man, Boy In Bad Crash



Condition of Charles L. Dyer, 60, of 2003 W. Mound-st and his grandson, Leland Dyer, 15, of 270 Nashoba-av, seriously injured Monday when their horse-drawn threshing machine was struck by a truck, was given as "fair" by hospital attaches at Mt. Carmel hospital Thursday as the Record went to press.

The elder Dyer had purchased the threshing machine and was on his way home, driving east on W. Broad-st. One of the two horses was injured and had to be killed.

The boy suffered a skull fracture, a fractured nose and a compound fracture of the leg, while his grandfather had a fractured pelvis, fractured ribs and internal injuries.

Charges will not be placed against Clyde L. Gorsuch, 27, of 1180 E. Hudson-st, driver of the truck, the state patrol said, pending outcome of the victims' injuries.

APPOINTED

Edwin Ellison

Edwin H. Ellison, 224 S. Terrace-st has been appointed a graduate assistant in the department of physiological chemistry and pharmacology in the college of medicine at Ohio State university, it was announced this week.

A graduate of West high school with the class of 1936, Ellison has completed the college course in his field in three years, having graduated from Ohio State early this month. He is a member of Pi Kappa Alpha and along with his work at the university is planning to complete the work required for the master and doctor degrees.

6 Hilltoppers Among 66 Naturalized

Among the 66 foreign-born men and women who received the privileges of American citizenship in the federal district court recently conferred by Judge Mell G. Underwood were six Hilltop and West Side people.

Included in the group who received naturalization papers were Sam Nanoff, 2776 W. Broad-st; Valentine Federlin, 4539 W. Broad-st; Alma Pucci, 121 N. Yale-av; Catherine Mackenzie, 504 Ryan-av; Amy Sugden, 92 N. Yale-av, and Bessie May Tengalia, 102 S. Dakota-av.

Bible Study Open To Hilltop Children

All the children of the Hilltop are invited to attend the undenominational picture graph Bible study, including visual aid temperance lessons, which are to be held each Tuesday afternoon at 3 o'clock at the Hillcrest Baptist church.

94 West Students In Summer School

Summer school began Monday morning at Central high for students who had failed during the regular term, were behind in their studies, or were with time on their hands, and the total enrollment, including the elementary students, was 1,170 pupils. This included 94 students from West high school, according to Stanley L. Gingery, summer school principal.

The school will continue until Aug. 11.

Hospital Display Tuesday

Final plans for the third annual State hospital pyrotechnics display, bringing to a grand climax the Fourth of July program at the local institution, will start at 8:45 p. m. Tuesday evening and will be under the direction of F. A. Conway, representative of the United Fireworks Manufacturing Co. of Dayton.

The fireworks display, the high point of the Independence Day program for the patients, will be open to the public this year as has been the custom during the previous two holiday shows of past years, Dr. E. F. Clouse, acting superintendent, said this week.

The fireworks showing at the State hospital will be the largest in the city and will attract people from many parts of Columbus and surrounding cities. It was estimated that more than 5,000 persons viewed the mammoth show last year and plans are being made to accommodate an even larger throng this year.

The Fourth of July program for the patients will include two softball contests in the morning, pitting the men and women patients against the employees. In the afternoon visiting hours will be from 1 to 3 with a picnic supper on the lawn completing the festivities. Following the supper there will be races and contests, a complete 17-event program for patients and employees with suitable prizes for the three winners in each contest. A band concert is scheduled at 8 p. m. and this will be followed by the display.

In the event of rain, the contests, band concert and fireworks show will be held Wednesday or the nearest possible date the weather permits. A picture show will be substituted for the evening program in this case. The moving picture feature is set for July 5 but will trade places with the Fourth of July program in case of inclement weather conditions, Dr. Clouse said.

The Drum and Bugle Corps of Camp Chase Post No. 98, American Legion, will participate in the Upper Arlington Independence Day celebration Tuesday morning, Arthur J. Bellar, commander of the local legion post, announced this week. He also asks all post members to be on hand at the State hospital display Tuesday evening.

Heads Orchestra In U. S. Marines

Eleven years ago Howard R. Parrett, formerly of 181 N. Oakley-av, organized his own dance orchestra, played at many important Hilltop functions and traveled often to many surrounding towns to entertain at dances. The group, known as the Parrett orchestra, disbanded in 1938, each boy to go his own way in life.

Today Parrett is in the service of the U. S. Marine Corps, being stationed at the eleventh naval district base at San Diego, Calif. He has continued his work in the musical field and is director of the band and orchestra, both well-known in that locality, stationed at the base.

Parrett was a store employe of the Boston Store and the Lazarus Co. while a Columbus resident. He is planning to return to Columbus and the Hilltop to visit his friends on his way enroute to Peiping, China in September. He expects to be in the city for 10 days.

Armour High Among NYA Students

Among the 10 Ohio State university students from Columbus who are receiving NYA assistance and yet have gained distinction in the campus activities is George Armour, 90 S. Ogden-av, a member of Phi Beta Kappa. Armour graduated from West high school in 1936 and the political science department of the college of arts and sciences at the end of the winter quarter.

Start Petitions Today

Political activity in the coming primaries took on a new complexion this week with the announcement of Ray Hauntz, 44 Binns-blvd, that he will be a candidate for city council.

Hauntz, for the past eight years a member of the Columbus Board of Education and twice president of the group, will seek this position in the city government following a movement on the Hilltop for more adequate representation for the community in that body.

Numerous requests have been made by interested individuals that Hauntz enter the race following such a suggestion in The Record several weeks ago. Today he had this to say:

Ray Hauntz

"I have no personal desires for the office. However, in view of the fact that I have been requested to offer my services in council, I feel an obligation to my community and I will abide by the wishes of the people of the Hilltop and other communities, bearing in mind that if I am elected I will seek to serve the best interests of the city as a whole and will vote on matters of importance according to the way they will benefit our citizenry."

Petitions bearing Hauntz's name are being circulated today. Anyone interested in assisting in circulating these petitions may obtain them by calling at the Record office, 14 S. Oakley-av.

Hauntz was born in Columbus. As a boy and a young man he worked variously at carrying newspapers, as a night clerk with Postal Telegraph, and at the Columbus Savings and Trust company. For four years he was with the Pennsylvania Railroad.

After the war, in which he served as sergeant in the 308th Trench Mortar battery, he bought out his father's grocery business. This has grown to the place where now it is one of the finest food markets in the city.

Hauntz has always been active in civic affairs. He has been twice president of the National Retail Grocers' association, vice-president of the West Side Board of Trade, president of the Hilltop Business Men's association, and president of the Lions club.

Hilltopper Receives Large Postcard

George A. Henry, 287 N. Ogden-av, a retired employe of the Ohio Bell Telephone Co., was the proud possessor of a huge postcard sent to him by members of the company who met for their annual convention at Cedar Point the past week-end. Sent special delivery and signed by 165 members of the organization, the postcard, describing the beauties of the Point, arrived here Monday.

Henry is chairman of the welfare and visiting committees and was unable to attend the gathering of his fellow employees. Of the special delivery stamps used to deliver the missile, no two are alike.

Purdum Rites Held Tuesday

Funeral services for George Warren Purdum, 79, who died Sunday at the home of his son, George M. Purdum, 2710 Amity-rd, after an illness of several months, were held at 2 p. m. Tuesday with burial in Dublin by C. J. Kohn.

Purdum was a native of Ross county but had resided in Columbus most of his life. He was a road-building contractor for nearly 50 years and constructed the Columbus-Alton-rd, the first macadam road in Franklin county and built several roads in Licking county. He was a member of the Plain City Methodist church.

Surviving Purdum are two other sons, Curtis of Plain City and Ernest of Plainwood, and two daughters, Mrs. Gertrude [illegible] weiler, Pleasantville; Mrs. [illegible] Mack, Lanworth, and Mrs. [illegible] Martindale of Briggsdale.

VENETIAN FUNERAL
It was on a Sunday we saw it,
When we were young and merry,
On our way to the Lido
On a steamboat ferry.
When all of us were chattering,
With nothing much to say,
For it was gay in Venice
That sun-drenched holiday!
The barge was piled with flowers—
Gold, purple, pink and red—
Gay as ourselves it seemed to be,
But it contained the dead.
The oars swished in the waters
With rhythmic beat unbroken—
We bowed our heads in silence,
And not one word was spoken.

Ray Hauntz In Council Race; Floyd Green Files For Mayor

Farmer Loses Farm: From reliable sources we learn this week that Charley Kent's latest venture is farming. He purchased a 70 acre farm down near Laurelville, which if leveled off would make a thousand acres. When he bought the place the owner gave him a map to direct him to the farm. Since that time he has lost the map and now he owns a farm but doesn't know where it is.

Tid-Bits: Esther Weakley reports for the benefit of John Wolfe that her cat now has four kittens . . . Mr. and Mrs. E. F. Doran of Tasty Nut Shoppe fame were to leave Thursday on a tour to the west coast and the California world's fair, taking their children along in the trailer, to return in September. . . . Pop Waymes wants a motion picture made of the transactions that take place when he goes to a baseball game from now on so it can be proven that he can get into a game without paying double price . . . Wylie Shroyer is in Mt. Carmel hospital recuperating from an operation . . . On the sick list too is Mrs. S. J. Westlake who is also confined to Mt. Carmel . . . Word comes from Homer Lighter, West Hi '38, who left three weeks ago for Houston, Tex., with brother Marshall to "stay". He's homesick.

Notes and Nubbins: Alice Zeisler has been progressing in beauty culture and more recently has been offered a position in a local shop . . . George Williams, and from the beam in his eye it can easily be seen he is thinking in terms of a first rate Buckaroo team for the fall . . . Eva Lou Louden buying pink and frilly things . . . for a shower for a friend, we mean . . . More like Tom Sawyer than we could believe is Johnny Cleveland who was paid to pick cherries for his mother and then sold them for an added dividend . . . Este Sharp is home from the hospital.

He reports a good time and would be pleased to describe the scenery of the west.

Are You Properly Registered?

Lest you forget, there is a last day for everything. There is a last day to pay your light and gas bills. There is a last day to pay your taxes. There is a last day to take advantage of the tooth paste bargains. In fact there is a last day to live. There is also a last day to register in order to qualify for voting.

If you have moved to another residence since the last election or if two general elections have gone by since you last voted, you must register on or before Aug. 21 at the County Board of Elections, 214½ S. High-st, or you may not vote. Go early and avoid the rush.

We Recommend

This month's issue of Readers Digest carries two articles every thinking citizen should read. One is entitled "Debt Threatens Democracy" and the companion article, "You Can Make Your Government Save." Contained therein are facts pertinent to a situation that most certainly should be causing some thought.

Particularly important is the advice of the author of the latter article in which he states that citizens who ask for economy do not demand it and until we reach the stage where we are wiring our congressmen to vote against appropriations to be used locally rather than urging them to vote for such legislation we cannot expect to get out of the rut to bankruptcy.

Read it!

Bucks Grid Sked Complete

To Play Nine Game Schedule

School is out and the athletic program at West high school for 1938-39 is completed. Another school year is not far off and George Williams, coach of the Buckaroo football team, is planning already for the nine game schedule his charges will face this season, five games to be played at Magly Field and the remaining four away.

There will be a meeting of all boys interested in football at West high school Saturday, Aug. 19, at 2 p. m. Practice will start Aug. 21, with two drills per day being planned for the opening practices preceding the opening of school.

Following is the schedule:
Sept. 16—At Newark
Sept. 22—At Springfield (nite)
Sept. 29—South
Oct. 6—Col. Academy
Oct. 13—Central
Oct. 20—Aquinas
Oct. 27—At Zanesville (nite)
Nov. 2—At East
Nov. 10—North

Bond holders will be admitted to the West-Academy and West-Aquinas skirmishes, both contests being carded for the local gridiron. Newark, always a tough opponent for the Bucks, will open the season while the first home game will be the opening fracas of the City league race with South providing the opposition.

All boys who have earned letters in the spring sports program at West are asked to report to the back of the stadium at Magly Field Wednesday afternoon, July 5, at 2 o'clock at which time letters will be awarded.

HBMA To Have Their Day

When a football player makes the headlines, a general wins a war or a star wins an important match, you can bet that it wasn't accomplished in a day and that even though one person does get the credit, long hours of work by many individuals go to make up the honor that one does receive eventually.

As in the case of the other 10 players on a pigskin squad, the soldiers under the general or those who make the star what he is, those "unsung heroes", so do the many members of the Hilltop Business Men's association in planning, preparing and presenting the many community projects which they sponsor.

This summer it will be the second annual Bean Day dinner to be held at Westgate park the evening of July 26. On that Wednesday the association members will present to the Hilltoppers a novel dinner plan whereby the community can slip away from home for an evening without preparing supper during the hot afternoon and evening and attend a bean dinner with free beans, coffee and crackers.

Members of the Bean Day committees of the HBMA will meet Friday evening at 7 in Westgate park. Reports on the progress of the groups will be announced at that time. All members are asked to be present.

It's no money making scheme! In fact the association didn't make a penny from the bean dinner held last year. But it is a day when the cares of the household can go to, and ma and pa can gather up the youngsters and all have a wonderful time in true picnic style.

Plans are still being laid for the large attendance which the dinner is sure to attract and 1,000 pounds of beans are being groomed for Hilltoppers and their families. It'll be one day when those "unsung heroes", the Hilltop's business men, can take a little time off from the duties which they must give Hilltoppers and enjoy themselves along with the people residing in the community who count on the grocer, baker and candlestick-maker for the many usual commodities of life.

Parachute Jumps Feature Sullivant Ave. Airshow Sunday

Tom Stauch, one of the nation's outstanding air pilots, is shown here just as he lifted his sport cabin monoplane from a specially constructed rack atop a racing motor car. The car was traveling well over the fifty mile-an-hour mark when Stauch rocketed his ship into the air. This thrilling stunt will be repeated this Sunday during the three-hour, thrill packed All-Columbus Air Show at Sullivant Avenue Airport. Proceeds from the show will go to the Franklin County Boys' Camp fund.

Acrobatics, parachute jumps and stunt flying will feature the All-Columbus air show set for Sunday afternoon at the Sullivant Avenue airport, it was announced this week by E. Gomer Jones, chairman of the committee of events. Opening ceremonies are scheduled to get under way at 2 p. m. followed by a complete program of aviation spectacles.

Among the featured events to be given is a war time dog-fight by Rusty A'Neil and Herb Stump, dead motor acrobatics by Tom Stauch and a one mile delayed chute jump by Dave Binns, well-known parachute jumper.

Others on the card include Mike Murphy and those who will take off for competition in the free for all novelty race.

Selected to reign over the festivities at the local airport was Miss Dorothy Russell, 1125 S. Twenty-second-st. Miss Russell was named in the beauty contest held last Sunday afternoon at the airport and will preside during the show as the queen and will also receive a free flying course.

Bill Sweet jr., ace air show announcer, will describe all the action and color of the sky show Sunday. Sweet, a show in himself, has announced more than 450 air show meets, including the Cleveland National Air Races, Miami All-American Air Maneuvers, St. Louis Air Races and other major air classics throughout the nation.

Following is the complete 13 event card:
Test parachute jump, Dave Binns.
Acrobatics, Mike Murphy.
Dead motor landings, Tom Stauch and Herb Stump.
War time dog-fight, Rusty A'Neil and Herb Stump.
Crazybatics, Tom Stauch.
Aviation on parade.
Dead motor acrobatics, Tom Stauch.
Parachute jump, Dave Binns.
Light plane acrobatics, Tom Stauch.
Novelty race, free for all.
Fifty-turn tailspin, Herb Stump.
Acrobatics, Mike Murphy.
One-mile delayed parachute jump, Dave Binns.

CONTEST HEAD

Perry Davis

Perry Davis, head of the Pure Oil filling station located at the corner of Whitethorne-av and W. Broad-st, will take charge of the store bean guessing contest to be held in conjunction with the Bean Day festivities. He resides at 2505 Ridge-av.

BEAN SERVER

Curt Roberts

Serving in the capacity as one of the trio of official bean servers at the Bean Day dinner July 26 will be Curt Roberts, 520 Whitethorne-av. Curt is proprietor of the Yost's Florist shop located at 303 Belvidere-av and is one of the newer members of the HBMA.

A. T. Moraine Buys Local Florist Shop

A former Hilltop resident, A. Tanner Moraine, will return to the Hilltop after an absence of a few years, it was learned this week, following the announcement of the sale of the Metzmaier Florist shop to Moraine. William Metzmaier, former proprietor, is now a U. S. mail-carrier.

Moraine formerly resided at 165 Columbian-av and at present lives with his wife at 704 Bedford-av. He will move to the Hilltop in the near future. His parents, Mr. and Mrs. Russel E. Moraine, reside at 2949 Crescent-dr.

A former employe of Carl Hubert and also T. J. Ludwig, florists, Moraine has considerable experience in his field. The shop, to be known as the "Moraine For Flowers" establishment, is now being remodeled but is still open for business.

Leggett Funeral Services Today

William J. Leggett, 44, a fireman for the Pennsylvania railroad for 28 years, died at his home, 2446 Sullivant-av, Tuesday of heart disease, following an illness of several years. Funeral services will be held at 1:30 p. m. today at the Glenn L. Myers chapel with interment in Gahanna cemetery.

Leggett was born in Dennison, but had lived in Columbus for 29 years. He was a member of Hensberger Memorial Methodist church and the Brotherhood of Locomotive Engineermen No. 79.

Surviving are his wife, Mrs. Arlene Dale Leggett; daughter, Mrs. Mary Jane Ginbey; two sons, John W. and Benjamin L. Leggett; three grandchildren; his parents, Mr. and Mrs. F. B. Leggett; brother, Hugh L., and sister, Mrs. Mary A. Stratton.

Hilltopper Definitely In Race

Floyd F. Green, 3046 Crescent-dr, will file his petitions at the county board of elections today, thus formally declaring his candidacy for mayor.

It has long been understood that he would be in the race, but to date he has made no definite statement to this effect. He will be fourth to publicly announce his candidacy. It is generally known that Mayor Gessaman will make his announcement in the near future.

Green was born on July 10, 1896, on Columbus' east side. His father, for years an employee of the Pennsylvania Railroad, was a member of the B. of L. F. & E., affiliated with the American Federation of Labor.

As a boy he worked at neighborhood odd jobs. He supplemented his high school education with courses at the Columbus Business college and LaSalle university.

Green gained his first salesmanship experience with the Kilbourne and Jacobs Manufacturing Co. For the past 13 years he has been associated with the Southwestern Portland Cement Co.

Green was in the 1931 mayoralty race on the Republican ticket. During the four previous years he served on the city council. He is a former president of the Hilltop Business Men's association.

Hilltop Girl Baits Trap, Catches Thief

Miss Dorothy Langhorst, 24, 2503 Ridge-av, turned detective this week following the theft of several packages from her mailbox on Monday and the solving of a postal case Wednesday after she had foiled the thief in a second attempt at the same residence, was the result.

Miss Langhorst was mailed some colored movie films by her parents, Mr. and Mrs. Herbert W. Langhorst, who are vacationing in California, the postman putting the delivery on the window ledge. A neighbor put the mail in the box, but when Miss Langhorst looked for it 10 minutes later the packages were gone.

Wednesday she wrapped up a dummy package with a stone in it, and after addressing it to herself, put it in the box, pulled the window shades and sat down to await proceedings. Soon afterward the door bell rang several times. When the ringing had ceased Miss Langhorst raised the blind cautiously and peered out just as the bread man was putting the trick mail into his basket.

She called the police and two Hilltop policemen, Oscar Ewing, 816 S. Eureka-av, and R. B. Wilson, 254 S. Ogden-av, were sent to investigate. Five minutes later the officers arrested the bread man, who gave his name as Carlyle V. Perry, 24, 1360 S. High-st.

Perry told Miss Langhorst he had thrown the films into the Scioto river after he found out what they were. His hearing was to have been yesterday before U. S. Commissioner Robert Newlon.

Rome Incorporation Efforts Are Renewed

The Rome Men's Community club met at the home of Treasurer Arthur F. Kimes Monday night and plans were again discussed toward incorporating of the village of Rome as West Columbus. A proposal to incorporate the village of 600 inhabitants met defeat last August by a margin of 22 votes.

Plans were made to hold a public meeting in the Rome portable school building on Friday, July 14, at which time the proposed boundary lines will be discussed.

GAR Pays Tribute To Confedertae Dead

Tributes to those Confederate soldiers who died in prison here during the Civil war was paid Monday morning by the few living members of the Grand Army of the Republic at special services conducted at the Camp Chase cemetery. The organization held its seventy-third annual encampment in Columbus early this week and one of the main points on the program was the honoring of their gray-clad foes of 75 years ago by the Boys in Blue.

CANDIDATE

Floyd Green

Local Man, Boy In Bad Crash

Condition of Charles J. Dyer, 60, of 2003 W. Mound-st and his grandson, Leland Dyer, 15, of 270 Nashoba-av, seriously injured Monday when their horse-drawn threshing machine was struck by a truck, was given as "fair" by hospital attaches at Mt. Carmel hospital Thursday as the Record went to press.

The elder Dyer had purchased the threshing machine and was on his way home, driving east on W. Broad-st. One of the two horses was injured and had to be killed.

The boy suffered a skull fracture, a fractured nose and a compound fracture of the leg, while his grandfather had a fractured pelvis, fractured ribs and internal injuries.

Charges will not be placed against Clyde L. Gorsuch, 27, of 1180 E. Hudson-st, driver of the truck, the state patrol said, pending outcome of the victims' injuries.

APPOINTED

Edwin Ellison

Edwin H. Ellison, 224 S. Terrace-st has been appointed a graduate assistant in the department of physiological chemistry and pharmacology in the college of medicine at Ohio State university, it was announced this week.

A graduate of West high school with the class of 1936, Ellison has completed the college course in his field in three years, having graduated from Ohio State early this month. He is a member of Pi Kappa Alpha and along with his work at the university is planning to complete the work required for the master and doctor degrees.

6 Hilltoppers Among 66 Naturalized

Among the 66 foreign-born men and women who received the privileges of American citizenship in the federal district court recently conferred by Judge Mell G. Underwood were six Hilltop and West Side people.

Included in the group who received naturalization papers were Sam Nanoff, 2776 W. Broad-st; Valentine Federlin, 4539 W. Broad-st; Alma Pucci, 121 N. Yale-av; Catherine Mackenzie, 504 Ryan-av; Amy Sugden, 92 N. Yale-av, and Bessie May Tengalia, 102 S. Dakota-av.

Bible Study Open To Hilltop Children

All the children of the Hilltop are invited to attend the undenominational picture graph Bible study, including visual aid temperance lessons, which are to be held each Tuesday afternoon at 3 o'clock at the Hillcrest Baptist church.

94 West Students In Summer School

Summer school began Monday morning at Central high for students who had failed during the regular term, were behind in their studies, or were with time on their hands, and the total enrollment, including the elementary students, was 1,179 pupils. This included 94 students from West high school, according to Stanley L. Gingery, summer school principal.

The school will continue until Aug. 11.

Hospital Display Tuesday

Final plans for the third annual State hospital pyrotechnics display, bringing to a grand climax the Fourth of July program at the local institution, will start at 8:45 p. m. Tuesday evening and will be under the direction of F. A. Conway, representative of the United Fireworks Manufacturing Co. of Dayton.

The fireworks display, the high point of the Independence Day program for the patients, will be open to the public this year as has been the custom during the previous two holiday shows of past years, Dr. E. F. Clouse, acting superintendent, said this week.

The fireworks showing at the State hospital will be the largest in the city and will attract people from many parts of Columbus and surrounding cities. It was estimated that more than 5,000 persons viewed the mammoth show last year and plans are being made to accommodate an even larger throng this year.

The Fourth of July program for the patients will include two softball contests in the morning, pitting the men and women patients against the employees. In the afternoon visiting hours will be from 1 to 3 with a picnic supper on the lawn completing the festivities. Following the supper there will be races and contests, a complete 17-event program for patients and employees with suitable prizes for the three winners in each contest. A band concert is scheduled at 8 p. m. and this will be followed by the display.

In the event of rain, the contests, band concert and fireworks show will be held Wednesday or the nearest possible date the weather permits. A picture show will be substituted for the evening program in this case. The moving picture feature is set for July 5 but will trade places with the Fourth of July program in case of inclement weather conditions, Dr. Clouse said.

The Drum and Bugle Corps of Camp Chase Post No. 98, American Legion, will participate in the Upper Arlington Independence Day celebration Tuesday morning, Arthur J. Bellar, commander of the local legion post, announced this week. He also asks all post members to be on hand at the State hospital display Tuesday evening.

Heads Orchestra In U. S. Marines

Eleven years ago Howard R. Parrett, formerly of 181 N. Oakley-av, organized his own dance orchestra, played at many important Hilltop functions and traveled often to many surrounding towns to entertain at dances. The group, known as the Parrett orchestra, disbanded in 1928, each boy to go his own way in life.

Today Parrett is in the service of the U. S. Marine Corps, being stationed at the eleventh naval district base at San Diego, Calif. He has continued his work in the musical field and is director of the band and orchestra, both well-known in that locality, stationed at the base.

Parrett was a store employe of the Boston Store and the Lazarus Co. while a Columbus resident. He is planning to return to Columbus and the Hilltop to visit his friends on his way enroute to Peiping, China in September. He expects to be in the city for 10 days.

Armour High Among NYA Students

Among the 10 Ohio State university students from Columbus who are receiving NYA assistance and yet have gained distinction in the campus activities is George Armour, 90 S. Ogden-av, a member of Phi Beta Kappa. Armour graduated from West high school in 1935 and the political science department of the college of arts and sciences at the end of the winter quarter.

Start Petitions Today

Political activity in the coming primaries took on a new complexion this week with the announcement of Ray Hauntz, 44 Binns-blvd, that he will be a candidate for city council.

Hauntz, for the past eight years a member of the Columbus Board of Education and twice president of the group, will seek this position in the city government following a movement on the Hilltop for more adequate representation for the community in that body.

Numerous requests have been made by interested individuals that Hauntz enter the race following such a suggestion in The Record several weeks ago. Today he had this to say:

Ray Hauntz

"I have no personal desires for the office. However, in view of the fact that I have been requested to offer my services in council, I feel an obligation to my community and I will abide by the wishes of the people of the Hilltop and other sections of the city, bearing in mind that if I am elected I will seek to serve the best interests of the city as a whole and will vote on matters of importance according to the way they will benefit our citizenry."

Petitions bearing Hauntz's name are being circulated today. Anyone interested in assisting in circulating these petitions may obtain them by calling at the Record office, 14 S. Oakley-av.

Hauntz was born in Columbus. As a boy and a young man he worked variously at carrying newspapers, as a night clerk with Postal Telegraph, and at the Columbus Savings and Trust company. For four years he was with the Pennsylvania Railroad.

After the war, in which he served as sergeant in the 308th Trench Mortar battery, he bought out his father's grocery business. This has grown to the place where now it is one of the finest food markets in the city.

Hauntz has always been active in civic affairs. He has been twice president of the National Retail Grocers' association, vice-president of the West Side Board of Trade, president of the Hilltop Business Men's association, and president of the Lions club.

Hilltopper Receives Large Postcard

George A. Henry, 287 N. Ogden-av, a retired employe of the Ohio Bell Telephone Co., was the proud possessor of a huge postcard sent to him by members of the company who met for their annual convention at Cedar Point the past week-end. Sent special delivery and signed by 155 members of the organization, the postcard, describing the beauties of the Point, arrived here Monday.

Henry is chairman of the welfare and visiting committees, and was unable to attend the gathering of his fellow employees. Of the special delivery stamps used to deliver the missile, no two are alike.

Purdum Rites Held Tuesday

Funeral services for George Warren Purdum, 79, who died Sunday at the home of his son, George M. Purdum, 2710 Amity-rd, after an illness of several months, were held at 2 p. m. Tuesday with burial in Dublin by C. J. Kohn.

Purdum was a native of Ross county but had resided in Columbus most of his life. He was a road-building contractor for nearly 50 years and constructed the Columbus-Alton-rd, the first macadam road in Franklin county and built several roads in Licking county. He was a member of the Plain City Methodist church.

Surviving Purdum are two other sons, Curtis of Plain City and Ernest of Plumwood; and three daughters, Mrs. Gertrude Theweller, Pleasantville, Mrs. Nancy Mack, Linworth, and Mrs. Mae Martindale of Briggsdale.

Eloise Barclay To Be Bride Of Mr. Wingate In Church Ceremony

Miss Barclay

Tonight at 8:30, in a candlelight ceremony, Miss Eloise Barclay, daughter of Mr. and Mrs. Harold A. Barclay, will be given in marriage by her father to Mr. Maurice W. Wingate, son of Mr. and Mrs. Travis M. Wingate, 128 S. Clarendon.

The ceremony will take place before an altar banked with ferns and palms in the McKindree Methodist Episcopal church with Rev. Harold Weaver officiating.

Mrs. Gwendolyn Smith, accompanied at the organ by Mrs. Helen Quinn, will sing "O Promise Me" and "I Love You Truly," preceding the ceremony.

The bride has asked her sister, Miss Marjorie Barclay, to be the junior bridesmaid and has chosen for her a gown of peach marquisette over taffeta, she will carry talisman roses and blue delphinums.

Miss Margaret Mushrush and Miss Dorothy Keys, senior bridesmaids will wear dresses fashioned of net over satin in chartuese and peach respectively. The dresses will be princess styled with a full skirt, [illegible] bodice and puff sleeves.

The matron of honor, Mrs. Charles Jordan, will wear a dress styled similar to the bridesmaids, of voile net over satin and carry talisman roses and centura.

Mr. Wingate has asked Mr. Wayne Engle to attend him as best man and Mr. Charles Jordan and Albert Skobrak will serve as ushers.

The bride has chosen for her wedding a princess styled dress of white satin, fashioned with a train. The dress has leg o-mutton sleeves and a sweetheart neckline. Her finger tip veil will fall from a juliet cup of seed pearls. She will carry a bouquet of white roses, baby-breath and illies of the valley.

Following the ceremony, a reception for the immediate families and members of the wedding party will be held at the home of the bride's parents.

After a short wedding trip the new Mr. and Mrs. Wingate will make their home on the Hilltop.

Honoring Miss Barclay Wednesday, Mrs. Ralph Louden and Miss Jeanette Young entertained with a miscellaneous surprise shower at Schmelzer's restaurant.

2,000 Enjoy Indianola Pool

Indianola swimming pool, located at 1950 N. Fourth-st. is one of the largest pools in the United States, with a capacity of more than 2,000,000 gallons of artesian water. The pure water of the Indianola pool comes from government tested wells.

The Indianola pool this year is under new management, A. S. Peebles being director of the pool activities. Last Sunday more than 2,000 people enjoyed the artesian well swimming pool, among them many Hilltoppers.

Library News

The annual vacation reading club at the Hilltop branch library, 21 N. Hague-av, will begin tomorrow at the library with diplomas to be awarded members who read the required number of books before the end of the time allotted, the final date for entries on books read set for Saturday, Aug. 19.

Any boy or girl who is in the third grade up through the twelfth grade and is in good standing at the library may become a member of the club, to be known as the "Robin Hood Vacation Reading club." Diplomas will be awarded Saturday, Sept. 2, at 10 a.m.

To receive a diploma members must read 11 books and answer a list of questions prepared with the content of each book for the reader. No credit will be given for more than two books by any one author, for primers or readers and no prizes will be awarded but the diplomas will be given all members fulfilling the requirements.

Blue Ribbon Tour Most Popular of Fair Trips

There is only one way of visiting New York without a worry and that is on a Blue Ribbon tour. By taking advantage of these especially low priced trips you are assured of your hotel accommodations, sightseeing arrangements, tickets to the fair, etc., before you ever leave your home. The Blue Ribbon tours, which are the most popular operated from Columbus, include round-trip railroad fare in air-conditioned coaches, dinner and breakfast in the dining car on the train, on the going trip; transfers to and from the hotel and station in New York City; three nights at the famous Lincoln hotel; sightseeing trip of Manhattan Island, ending at the fair grounds; two admission tickets to the world's fair and service of a thoroughly experienced tour conductor at all times. All arrangements are handled by the New York Central system and the American Express Travel Service, two of America's largest travel organizations. The American Express company has uniformed representatives stationed at all of the principal hotels and on the fair grounds to assist their patrons.

If you are planning a trip to the New York world's fair we suggest that you secure a Blue Ribbon tour folder and compare it with other trips that are being offered from Columbus — then make your reservations early, as hotel accommodations are limited during July and August.

Folders for the fair trip may be had by calling at the Record office, 14 S. Oakley-av.

Farley Announces Council Candidacy

Robert T. Farley, well known figure in local labor circles, tossed his hat in the political ring this week when he announced he was circulating petitions for city council.

Mr. Farley has been very active in organized labor, serving as business secretary, Columbus Pressmen's Union No. 62, and state organizer for the International Printing Pressmen's Union for the past six years. Letters To The Editor

On behalf of the committee of the fourteenth district Masonic Lodge Officers association I desire to express our appreciation of the fine co-operative spirit shown by Mr. Cruea, owner of the Hilltop Swimming Pool, in granting us the use of his pool for the children of the Masonic Home, Springfield, Ohio, on the morning of June 28, the date of the annual picnic held for the children by this association.

Mr. Cruea is one of the splendid men whose efforts and kindness make the Hilltop the desirable place that it is.

I hardly know how to publicly acknowledge our gratitude to Mr. Cruea but would appreciate very much seeing in your issue of June 30 a "Flowers to the Living" covering this very kind act by Mr. Cruea.

There were about 300 children entertained at this party. Pool, dressing rooms and guards were donated by Mr. Cruea and it is safe to say that a special good time was had by every child from the home. Can you fix something up and oblige.

Yours respectfully,
R. L. JACOBS

We can always be depended upon to render helpful assistance.

New Lubritorium Open For Business

Callaghan's Sohio Super Service, W. Broad and Ogden, have opened a new modern lubritorium, one of the finest on the Hilltop. It is equipped with all of the latest and most efficient types of lubricating equipment and washing facilities, thereby offering the motorist a one-stop station where all ordinary needs of the autoist can be met with the greatest speed and efficiency.

The lubritorium was constructed adjoining the filling station, and Hilltop contractors were employed in the work. Mr. Callaghan has invited his many friends and the public generally to visit and inspect the station.

Townsend Club To Meet Tonight

Townsend Club No. 23 will hold its regular meeting this evening at the IOOF hall, 2356½ W. Broad-st. An election for the presidency of the organization will be held and all members are asked to be present.

The choir from the Wheatland Avenue M. E. church will furnish music during the meeting and the public is invited to attend.

Series of Tennis Lessons Started At Westgate Park

The first of a series of tennis lessons given free of charge was held at Westgate park recently with 19 boys and girls in attendance. Victor Sabo and John Hipple are acting as instructors to the students.

Another lesson in the series was scheduled for yesterday afternoon and the two instructors, hampered by rain in recent sessions, were hoping for fair weather.

The park and courts are in excellent condition and more Hilltoppers are invited to take advantage of the facilities offered. A tennis tournament is being planned for early July, but as yet plans have not been completed for the event. A sponsor is needed for the tourney and Sabo and Hipple would appreciate any Hilltop business men who are interested to please get in touch with them.

Heart Attack Is Fatal To Salesman

Funeral services for Wallace W. Ackley, 504 Woodbury-av, who died Friday morning from a heart attack, were held Monday morning in the Jerry Spears funeral home with burial in Green Lawn cemetery.

Ackley was preparing to go to work when the heart attack occurred and efforts of the fire department's inhalator squad were in vain. He was pronounced dead after 25 minutes of work by the squad.

A salesman for the Cussins and Fearn Co. and formerly an employe of the Stewart Bros. Furniture Co. for 30 years, Ackley is survived by his wife, Mrs. Maye Ackley; a daughter, Mrs. Louis Wolff, and two sisters.

Hoge Memorial and Calvary Presbyterian continued to make a farce out of the 1939 West Church league No. 1 race for recreation ball honors, the former winning from St. Aloysius by the count of 6-1 and the latter trouncing Glenwood M. E. 10-3 at Westgate park Monday evening.

Ronnie Sharp had four blows to lead the Calvary assault on Dick Hemmerly but Hemmerly banged out three hits to pace the losers in their unsuccessful effort against Clyde Martin. In winning its sixth straight decision Calvary pounded out 12 safe blows.

In the second encounter Eddie McFadden limited St. Aloysius to four scattered hits while his mates had no trouble with the Catholic twirlers. These two games were the first contests of the second round.

The four team circuit as it now stands is the most poorly organized league on the Hilltop and is now playing the poorest brand of ball ever witnessed in that league. The principal reason for the four team group and lack of interest by churches which had had representatives in the local league since its organization is due to the fact that at the beginning of each season certain factions in the circuit grab the best available material in the city and make them eligible to play.

This has caused every church on the Hilltop to refuse to enter a team because they have stuck to the rules and a few who can't stand the bitter taste of defeat have broken them.

The West Church league, which was in 1938 a 10 team organization but which now has but four members, may be abandoned completely by next year unless a much straighter enforcement of the rules as drawn up by the church athletic committee of Columbus is made.

If such is the case, that the players begin to heed the rules and obey them with proper respect, then next year nearly every former member will be glad to have a representative in the local circuit. This would also give more players on the Hilltop a chance to perform in what could be made into one of the better leagues in the city of Columbus.

West Park M. E. continued to dominate the West Church league No. 2 in contests played last Monday evening opening the second round of play at McKinley field as they defeated their hard-playing rivals, Asbury U. B., by a 5-4 score. In other games Hillcrest Baptist slugged out a 13-9 decision over Hoge Memorial No. 2 and Highland Avenue Friends bested Hilltop C. of C. 10-8.

West Park won their contest in the last of the seventh when hits by Nader, Kuhn and Dunlap gave the Methodists a much needed run and the ball game, with Ed. Eberhard getting credit for the win.

Hillcrest scored five markers in a big seventh inning rally featured by Dick Mann's home run to rout Hoge while Harper's hitting was outstanding in the Friends C. of C. fray.

By Dave Shiflet

In a game that will decide the first round championship of the Heart of Ohio league, the Ben Brew nine, composed of former West grads and several local stars, will clash with the Grove City Greyhounds on the latter's diamond Sunday at 2:30 p. m.

The Ben Brew outfit will pin their hopes on the slugging ability of Bob Howison and Herb Alban, both West grads, with batting averages of .566 and .414 respectively.

One of the finest mound duels of the present season will probably take place in the contest when the Greyhounds send their star, "Red" Foster, against the Ben Brew's ace twirler, "Woody" Owens. Foster has won six games, Owens four, and each has suffered defeat on only one occasion.

Kents Modern Markets and Corner Cafe, co-favorites to cop the bunting in the Hilltop Independent league, were to clash in the feature contest at Westgate park in the Thursday evening circuit with Ed Eberhard and Dick Grant, ace twirlers, firing them in for the two factions.

In the other two contests McDonald Lumber was scheduled against Spear Funeral Home and Westwood K. of P. and Sullivant-av Merchants doing the battling in the third encounter.

Movies

Loew's Ohio

"Jaures," the dramatic story of the struggle in Mexico between democracy and dictatorship, is now playing at Loew's Ohio theatre with Paul Muni and Bette Davis heading the large cast which includes Claude Rains, Donald Crisp, John Garfield, Joseph Calleia and Brian Aherne, who plays the weak monarch sent to rule Mexico by Napoleon III of France, known as Maximilian.

Loew's Broad

A double feature program is being featured at Loew's Broad over the Fourth of July holiday week, with "Within the Law" and "Some Like It Hot" being shown. Ruth Hussey heads the cast as Mary Turner in the former picture with Tom Neal, Jo Ann Sayers, Rita Johnson and Ann Morris supporting her. In the latter cinema production Bob Hope and Shirley Ross provide the comedy action while Gene Krupa and his orchestra take over the musical end.

Safety Council Adopts Slogan

With the Fourth of July just around the corner, "BE ALIVE ON THE FIFTH" is the slogan adopted by the National Safety council, according to D. Knight Finley, manager of the safety council of the Columbus Chamber of Commerce, the local affiliate of the national accident prevention organization. This slogan is a timely warning and a definite challenge to every man, woman and child in Columbus and vicinity because, like every other community, we are going to celebrate Independence Day. Unless care is taken not to stage a jamboree of carelessness in this celebration, we are going to contribute to the wholesale slaughter which experience shows will be rampant on that day.

In 1938 the month of July took an accident toll of 8,720 throughout the nation—more than twice as many as died in the Revolutionary war. However, in Columbus, the month of July, 1938, was the safest month on record—only four accidental deaths being recorded.

Traffic crashes; careless pedestrians, drownings and fire works are the chief causes of death on the Fourth of July. The things and actions which cause these tragedies can be controlled by the exercise of reasonable care, caution and common sense. We can operate our cars in such a way as to prevent collisions with other vehicles or fixed objects; we can walk our streets and highways in such a manner as to prevent being involved in an accident; by observing a few common sense rules we can bathe and swim with safety, and we can eliminate burns, the loss of an eye, a finger or a leg from fire works accidents by leaving them strictly alone, and refusing to patronize the bootleg stands erected just outside the city limits by people who think more of a few cents profit than of the lives of the children of the community.

The Independence Day needless massacre can be stopped if every man, woman and child in Columbus will use care, caution and common sense in everything they do, and the safety council calls on every individual in the community to celebrate the right to life, liberty, and the pursuit of happiness without bringing about tragedy, disability and death.

If all the rain that fell on the earth during the course of a year could be gathered together at one time it would cover the entire globe to a depth of 29 13 inches.

"I Ain't Mad At Nobody" Is Parks' Business Policy

The July number of the Pure Globe, Pure Oil company's official organ, tells the story of an unusual dealer who "ain't mad at nobody." He happens to be a neighbor to the Hilltop but one many of them know. The story in part read as follows:

"Last fall Mr. C. S. Parks, better known as Rube, decided that there was too much gloom, too much animosity, too much dissatisfaction in the general atmosphere. So he decided to make an effort to clear the atmosphere, at least in the neighborhood of his Pure Oil dealer station at 1220 W. Broad-st.

"As a result he made what was probably the smartest move of his career and erected a sign which told the world in no uncertain terms 'I Ain't Mad At Nobody.' No more effective statement of policy, however grammatical, could have been made. For immediately local newspapers sent reporters and photographers to interview and photograph the business man who 'ain't mad at nobody.' And as the word spread, similar signs appeared all over the country in all kinds of service stations.

"Mr. Parks, no longer a man young in years, is famous for more than his sign, however. A strong believer in localized advertising, he runs regular ads in neighborhood newspapers. These ads have two striking features. First, they carry no identification except for a picture of the station with the well-known sign very much in evidence. Second, the copy in the ads generally consists of a poem, written by Mr. Parks, which expresses in homely, friendly phrases, some part of his sincere, fundamentally sound, Christian philosophy.

"One of these poems, for example, was a tribute to the city firemen. Another was an Easter poem in which Mr. Parks reviewed the meaning of Easter and what it could mean to everyone. Still another urged caution and courtesy on the part of people who were driving during the Memorial Day week-end."

Mr. Parks' unique advertising has been appearing in the Record for the past several weeks.

Birds To Toledo For 4th

Still striving for a berth in the first division and a place in the play-offs in the American Association baseball loop, the Columbus Red Birds moved to Louisville this week-end for a four game series with the Colonels starting with a single contest today and tomorrow and a double-header on the card for Sunday. Instead of returning home from Louisville the Flock will take off for Toledo where they play a rained out game on July 3, followed by the big Fourth of July twin bill on the 4th.

Having tangled with the eastern clubs, the Birds return to the stadium here for another try at the strong western opponents. Leading the parade will be the slugging Minneapolis Millers who are scheduled to play four games here starting July 6, with the Bird management trying to book the Millers for July 5 to prevent a double-header on one of the latter dates.

THE GIFT SUPREME

In a grumbling, humdrum fashion
We consent to live
When only Thou,
Great God of love,
The gift of life can give.

They who have struggled with Death,
To whom Thou hast given reprieve,
Know only singing gratitude
For the glory they receive.
LOIS E. DANN,

The Fourth

We'll celebrate the fourth again
With speeches that's sublime
That custom likely will remain
For quite a length of time

Most all will seek some pleasure
But some just want to talk
Some will imbibe with leisure
Until they cannot walk

Can you tell without the book
Why we celebrate the day
And from our work we stop to look
At people who are gay.

Who was the first to write with fame
I'm asking Lads and Lassies
And said John Bull could read that name
Without the aid of glasses.

How many signed the proclamation
And can you tell the year
Did they sign by acclamation
And did any one show fear

How many colonies search your mind
What President then was ruling
Where was the paper duly signed
I'm trying to test your schooling.

If you're accurate in your answers
You may go out and play
You may go and watch the dancers
And celebrate the day

BE ALIVE ON THE FIFTH!!!

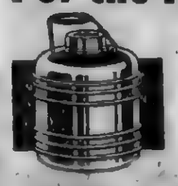
This is a slogan which everyone can well afford to adopt for the coming week-end and holiday. Most of us somehow or other get the impression that when a family is wiped out by collision of automobiles or motor car and a train that it is always the other fellow and his family—that it just can't happen to us.

We seem to have the feeling that if children are burned and maimed with firecrackers or other explosives, that it is always the children next door or down the street a few blocks. Our children have a way of getting up on the FIFTH just as on any other day, happy, healthy and ready for another day's fun.

We read of our neighbor's child drowning in a surprisingly simple manner in a neighboring swimming hole, and life goes on, because it always seems to happen to somebody outside our own home environment.

It is well to remember that every family has this same feeling of security and confidence the morning of the day that they themselves meet with fatalities. In many such cases it has never happened to them before.

They get into their car and begin to feel sorry for the many hundreds who, not being so cautious as themselves, will over the Fourth of July week-end and holiday meet with fatality and disaster. They usually are not conscious of taking more than ordinary precaution, and on such an occasion, that kind of carefulness is not enough.



Everyone needs to adopt EXTRAORDINARY precaution if he and his family are to be alive on the FIFTH. Doubtless many reading this admonition will dismiss the matter quickly and then proceed to forget about the necessity for EXTRAORDINARY CAUTION over the Fourth. Perhaps some who do that may be read about in the columns of next week's paper as among those no longer in our living midst.

Not all of the accidents which will happen will be of such a nature that they could have been avoided even with EXTRAORDINARY PRECAUTION. There is always "the other fellow" in the equation we have to deal with. This little suggestion is intended just as much for the "other fellow" and we hope that he, like you and your family, will read it and take that EXTRAORDINARY PRECAUTION as a result of which he will find himself alive on the FIFTH and will greet you and yours on West Broad Street or Sullivant Avenue instead of across neighboring cemetery lots.

Advice For July 4, For Some Folk

Most folks we know are planning to get up on Wednesday morning, July 5. There are some people, however, who do not want to get up on Wednesday morning, July 5. This particular group of people can have their choice of a wide variety of things to do on July 4 which will enable them to "lay in" on Wednesday morning.

Of course, we're not all perfect. Some will only take the following suggestions half-heartedly; others, due to just plain cussedness, will do the job only haphazardly; others, due to ignorance or the "let-George-do-it" attitude, will likewise turn in a wishy-washy job.

This type of person will be privileged to "lay in" only a few weeks. There are some, however, who will "lay in" for all eternity. They are the substantial people, folks who are brave, courageous and heroic. They will give their lives, that some firecracker might explode.

Judging solely by press dispatches each July 5, there are a large number of people who choose to enter the great beyond in early July. There are many who do their darndest, but miss the pearly gates by an eyelash. To these unfortunate victims, we offer the following suggestions:

DRIVE 100 PER

1. Drive at least 100 miles at a minimum rate of 90 miles per hour on the national pike. If no national pike is available, it is suggested by our committee that the minimum speed be set up to 70; or if you must take a county road, make it 60. Your chances for glimpsing a bit of eternity are a little better if you can keep everybody from passing you. The committee, although awarding no prizes, feels that your chances are better to win the "grand sleep" if you take your half of the road from the middle section.

2. It shall be considered unfair to throw small firecrackers into a group of pichickers or into passing autos. This will only injure the children and somebody's sure to come along and give first aid; call for an ambulance, and some doctor will save their lives. This is to be regretted, but there's nothing the committee can do about it but we suggest that the larger crackers be used and careful aim to be taken before the explosive is thrown.

3. It is absolutely forbidden that you take your children to a public display of fireworks. The danger there has been reduced to a minimum, and only a fool would look for oblivion in such a place. There are numerous places where dangerous fireworks are available and it will be to your advantage to make your purchases there. Better results can be obtained if the children are permitted to shoot the fireworks off themselves. Only supercilious and selfish parents would deprive their offspring of this big chance to experience the "great adventure."

EAT HEARTY

4. Go on a picnic, eat a heavy meal, and go swimming in the river. There are many, no doubt, who will foolishly pay a quarter to swim in regulation pools, but these idiots have no chance whatever inasmuch as numerous lifeguards will be in the way.

The committee feels that these four rules, if adhered to strictly, will bring the best results. There are numerous other ways in which similar results can be obtained, but they are of a plebian nature. For instance, one can go out and light a match and carefully ignite his daughter's dress; at a rate of 75 miles an hour, results are almost guaranteed, if a substantial concrete abuttment is struck head-on; and if you will hold your head under a vessel containing 10.3452 gallons of water for 11½ minutes, the chances of "sleepin'" on Tuesday are fairly good.

LADIES AID TO HAVE A BREAKFAST

The Ladies aid of Hoge Memorial Presbyterian church will have a breakfast at the Westgate park, Thursday.

Mrs. Ray Cave, Mrs. D. B. Sayre, Mrs. Ray Ogdin, Mrs. K. E. Neff, Mrs. G. B. O'Toole, Mrs. G. R. Summers, Mrs. L. E. Sanders are on the committee.

In case of rain the breakfast will be held at the church.

Elizabeth Drum McDowell returned to New York Friday after a months' stay with her parents.

Rev. Howard Conn is visiting Rev. E. E. Burtner, while here he will preach Sunday morning in Rev. Burtners place.

Rev. Conn is a graduate of Yale Divinity school and Leland Stanford university and is pastor of the Congregational church of Glenbrook, Conn. He leaves Sunday for his home in Fresno, Calif.

Scout Camp Opened Near Delaware

The fifteenth annual summer training camp for Boy Scouts of central Ohio opened Wednesday on the Lazarus Boy Scout reservation near Delaware with boys from eight counties gathered at the camp for the first two-week period.

The camping season this year will consist of four two-week periods for scouts and a one-week period for junior leaders, concluding the season Aug. 26. Active in the scout program will be the Order of the Arrow, national honorary camp fraternity, and scouts camped in national troop units or assigned to provisional troops in the five separate camps which make up the reservation. Visiting scoutmasters will supplement the resident staff in providing leadership for the campers.

The staff of experienced campers at the reservation is headed by the camp director Howard Kautz, and will teach the many parts of the scout program, including scoutcraft, pioneering, campcraft, swimming, life saving, nature lore and athletics. Visitors will be welcome to the reservation each Sunday.

Do You Remember

When Walter "Nig" Myers was the classy captain and shortstop for the old Champion Youngs and Westerns? Walter Steffens dug him up out in the eastern section of the city and brought him over.

He was the tops among the infielders of his day in Columbus, and was named by a committee composed of George McQuillan, Ivs Wagner and Joe Corr, all well-known in Columbus baseball annals, as the guest of a local newspaper, to attend a world series. He could do everything well, and usually hit near .290. He played for Newark in the Professional league in 1910 and 1911 and now resides at 249 N. Oakley av. He is employed by the Langs Cleaners Co.

Limits Word Tea

Teas may be made from the leaves of many plants. The government limits the single word tea to the plant thea. Any plant other than thea offered for sale under the name tea would be subject to seizure and the manufacturer would be subject to prosecution for false labeling.

Sunday School Lesson

When King Solomon began his long reign he asked for an understanding heart that he might judge rightly between good and evil. It is recorded that God was highly pleased with this request and granted it along with other blessings so long as the new king should follow the commands of God. But with all his fine ideals and wisdom Solomon didn't follow God's commands as he grew older.

Many young men, like Solomon, begin their jobs with high ideals of righteousness. They are humble men and willing to be taught. They recognize the power of evil and avoid it, trying, rather, to follow the ways of righteousness. Yet with all their idealism many of these young men turn into older men seeking power and ready to accept flattery which too often are but the least of their sins.

Therein lies the evidence that the age problem is as serious as the youth problem. Once we called certain youngsters "flappers" and often those who used these uncomplimentary terms were themselves "forty floppers". They had lost their own early idealism, and had become cynical, ready to compromise with evil to gain power or wealth.

As young men we may pray for an understanding heart but let us beware that at fifty we do not ask cynically, "What's the use?"

Equipment of Fashionable Men

About 300 years ago in Europe, fashionable gentlemen had their artificial eyes made of gold or silver, carried nutmegs and small graters so they could flavor their food and drink on any occasion, and wore an outside girdle upon whose hooks they hung keys, purses, daggers, pens, inkholders, beads and even books, says a writer in Collier's Weekly.

Chess Very Old Game

The game of chess came to Europe by way of India and Persia, but its origin is lost in antiquity.

Poetry Contest Is Being Sponsored

A poetry contest is being sponsored by the Verse Writers guild of Ohio, for the members of the guild. All poetry must be sent to Jean Comeans Long, 2222 Neil-av, by July 5. Professors William L. Graves, Robert S. Newdick and L. S. Snyder, all from the English department of Ohio State university, will judge the poetry.

The winner of this contest will be announced July 16, at 2 p. m., at a poetry tea, at the Neil house in the junior ballroom. At the same time there will be an exhibit of scrapbooks.

The youngest member of this guild is 14-year-old Rosemary Gooch, 511 Columbian, the oldest member is 83.

DAINTINESS DETAILS

Warm weather is the signal for women of refinement to pay particular attention to under-arm daintiness. This means extra-thorough washing with soap and water and as an added safeguard, wearing washable underarmshields in all dresses that aren't tubbable. The new shields designed to fit short sleeves are particularly convenient.

HUNTING and FISHING

By J. J. Munsell

STARTING A TALL TALE

Last fall I helped a friend select a trailer in which he and his wife were to tour the southern states, stopping at a place as long as they wished when they found good fishing. It was understood that any usual fishing experiences were to be reported to me when they returned. They were our guests over the last week-end, and I listened to some mighty fishing tales of battles with both salt and fresh water species. But as we Ohioans are principally interested in the bass family, I will relate his most interesting bass tale. Southern bass, feeding regularly every month in the year, attain greater size and weight than do our northern bass which must suspend gastronomic activities during the cold winter months. On account of their larger size and living in warmer waters, they have the reputation of being more sluggish, but the fighting qualities of bass are about the same regardless of size or where they are caught. No man knoweth what they are going to do—nor when they are going to do it.

CORRECT SPEED ESSENTIAL

My friend was speaking—"You know, Jack, I've listened to many of your experiences with bass, and have sometimes credited you with having a wonderful imagination, but here's one that actually happened to me. I have trolled for bass up north, and used the same trolling speed down south without any success. I met a native who insisted there were bass there but I wasn't fishing for them in the correct way. He suggested we go out together and catch some. We placed my kicker on a boat and I slowed down to my regular speed, but was told that we would never catch a bass unless this speed was doubled. I was skeptical so told him that I would run the motor and he could handle the rod and sure enough he connected with a good one, and then another one. So it was my turn to use the rod. I put on the special lure you had given me, used a wire leader, and was ready to fight it out with any bass that might be looking for action."

SOUTHERN HOSPITALITY

He continued, "I let out plenty of line and commenced trolling, pretty soon I thought I was caught on a log. I yelled to have the boat stopped, but when I pulled in I was minus the wire leader and the lure. We went down the river about four miles and I caught three nice bass. Coming back, when we passed the place where I got snagged, I was thinking about my lost plug, when a big bass jumped at least three feet out of water, shook its head and threw a plug into the air, and it actually was the one I had lost. Now that's the gospel trout and what do you think of it." To which I replied, "Well, I've spent much time in the South, and have experienced a lot of "southern hospitality," but I never expected to hear that the spirit of hospitality had become inoculated into the southern bass family.

CHECKER CLUB TO PLAY FINAL MATCH

The Mansfield Checker club is bringing 12 men here to challenge the Columbus Checker club, at the Linden club at 1 p. m. Gay Harrington, 157 Highland-av, will play in this tournament.

Last Sunday George O'Brien defeated Guy Garwood at Linden park in the final match of the Ohio Valley tournament, which was started in Charleston last week.

HAVE JOINT SERVICES DURING JULY

During the month of July the members and friends of the St. Paul Evangelical Congregational church will join in union services with the Hillcrest Baptist church, each Sunday at 7:30 p. m. These services will continue through the month of August at the St. Paul Evangelical Congregational church.

HOT SUDS FOR HANDKERCHIEFS

Q. Should handkerchiefs be boiled?

A. Only when used by persons with colds or other contagious sickness; otherwise ordinary washing in hot soap-suds is sufficient. For colored or printed handkerchiefs where you may not know whether the dye is fast, use lukewarm water and increase the quantity of soap ordinarily used.

BAGS AND BOXES
Comes a letter from Bill Border of Zanesville telling me that if I keep on advertising what not to take on a fishing trip I'll have us back to the bent pin and string days. Bill's Live Bait Store is the hang-out for all the anglers in that locality, and Bill can tell you exactly where the fish in them-thar-hills are the most likely to be. Bill takes exception to my advising using a bag instead of a metal tackle box, as the hooks will get stuck in the cloth. Let's get this straightened out. In the first place I can carry more accessories and gadgets in a zipper bag than I can in the same length metal box. Naturally, the lures are not carried loose in the bag. The bag I described has a 7 by 14 inch zipper pocket on each side, while the bag itself is 16¼ inches long. The transparent pyre-shell plug boxes are only 4¼ by 6¼ inches, and each will hold 12 assorted plugs. One of these boxes in each outside pocket will carry 24 plugs, and brother, that's a lot of plugs to carry on a day's fishing trip. This leaves the whole inside of the bag 7 by 11 by 16¼ in. for reels, rod handle, lunch and a lot of other unnecessary things. Every week I see more and more of the zipper bags being used, so there are a few who agree with me.

Spelling of "Confucius"
The English spelling, "Confucius," resulted from an effort of early missionaries to secure a phonetic equivalent for Kung-fu.

The Hilltop Record

The Hilltop, Columbus, O.
Friday, July 7, 1939
Total No. 1058
Vol. XXIII, No. 12

Flambeau Flowage, Mercer, Wisconsin — July 3.

While our friends in Columbus are awakened by fireworks and the noise of preparation for the celebration of the Fourth of July, the day finds us some 700 miles from home and far distant from even the remotest thought of any particular day, let alone a holiday. But we should point out that never was there greater independence than this

Arriving here at 1 p. m. Saturday, we set up camp in time to make our first catch that same evening and enjoy really fresh fish at a late supper.

Cool days and chilly nights make the event more pleasant. Two blankets at night are welcome.

• • •

Fishing is starting to be the best we have enjoyed here in four years. Great Northern pike abound, bass are frequent and other fishermen are producing factual evidence of muskies but as yet we have had no luck in our second day. But if hope ever does spring eternal it is certainly with the fishermen.

• • •

Beauty Undisturbed: Two tall pines standing alone on a hillside, swaying in the breeze, their top boughs interlocked like two lovers are typical of the beauty abounding in this territory covered with trees and water.

Almost directly in front of us and within a stones throw a baby deer comes down to the water to drink.

Along shore are numerous signs of the activity of beavers at work, where they have cut down small birch trees.

In another direction a long-legged crane takes to the air as we approach.

A family of martins has made its nest in a hollow tree stump far out in the lake.

A rare mixture of blue and gold is evidenced with the setting sun and the temporary blotting out of the multiplicity of colors gives us time to reflect that here is beauty in all its glory and fitting that it should be shared with others.

• • •

Notes Between Casts: One of the boys has suggested that we try to get a newscast on the car radio, "Maybe Hitler has taken Danzig by now" . . . But a radio even fails to help us in contact with the outside world up here . . . One of the boys is in a maze of figures trying to estimate how many times he casts a plug out on the water a day . . . Little trouble keeping track of the times it comes back loaded with fish.

• • •

The party, composed of Pat Shrock, Greenfield; Earl Hickle, Washington, C. H., and William Moore of the Record, and the writer, was up at 9:30 a. m., on the Fourth of July. Independence, we calls it! The catch has been going up each day. Must have had too hard a day yesterday. Five first evening, 10 next day and 15 yesterday. (July 4). Some pretty good ones, too.

Bill and Earl are real fishermen. Already the big 'uns are getting away, breaking our lines, etc., but we still have a pretty fair haul.

Wolfe Buys Alleys

A Hilltoper for 22 years and well-known among local bowling enthusiasts, William "Bill" Wolfe, 2386 Plum-st, announced this week that he had purchased the Hilltop Bowling Alleys, located at 2419 W. Broad-st.

A native of Germany, Wolfe came to this country 38 years ago at the tender age of six weeks. He is now the father of nine sons and two daughters.

During the past three years he has owned and operated the billiard room at the rear of the bowling alleys and is also in the retail ice business here. A former president of the Goodale league, Wolfe was associated with Eddie Gettrost at the Landmark and North High alleys for three years in the early '20's and was among the better bowlers in Columbus at that time.

Bill Wolfe

However, this slow-speaking man hasn't bowled regularly in recent years, and when asked for an average for his efforts today, he says "I used to hit around 180, but today, I don't know."

Among his recreational activities Wolfe lists baseball and horse racing as his favorites. He visits Hialeah Park in Florida when the opportunity affords itself in the winter months and can be found on many occasions at Buleah Park during the local racing season.

During the summer, plans are being made to resurface the alleys and new kickbacks and spotters are to be added. The alleys are to be thoroughly reconditioned and it is expected that they will be open in the latter part of August.

GOP Club To Have Picnic

The eleventh Ward GOP club's executive board met at the home of Mrs. Helen Hear, 178 N. Harris-av, Thursday evening to discuss plans for the club picnic, to be held August 3 at 6:30 p. m., in Westgate Park.

Lemonade, peanuts and ice cream will be furnished and members are asked to bring a covered dish for potluck, their own sandwiches and table service.

All Republican members and friends are invited to attend the gathering as well as all Republican candidates. Watch the Record for further announcements concerning the picnic.

Grocers Beat Cafemen; Take Independent Lead

After being held scoreless in the first three innings, Kent's Modern Market began hitting in usual fine stride and knocked Corner Cafe from the loop lead by a 6-2 count in the feature contest in the Hilltop Independent league at Westgate Park Thursday evening.

In the other games at the local softball field McDonald Lumber edged Spears Funeral 2-1 and Sullivant-av Merchants got by Westwood K. of P. in 10 innings by a 3-2 score.

Dick Grant twirled good ball for the Cafemen for three cantos but in the fourth and latter innings the Grocers, with the aid of several miscues, took the lead and kept the second-placers under control. Ed Eberhard was on the hill for Kent's and allowed six blows, the same number as Grant. With the win the Grocers gained undisputed posession of first place.

Although improving rapidly, Spears suffered their third successive setback at the hands of McDonald Lumber. Homer Grimm did the pitching chores for the wifners, and allowed only one single, that by Gene Albert in the fourth chukker.

In the third contest the Merchants gained a three-way tie with Corner Cafe and McDonalds by their 3-2 win over Westwood The game went three innings overtime before Bill Boyd's double and Ranney's one-baser accounted for the winning tally in the tenth. Woody Owens continued to hit well for the winners by pounding out two doubles and a single while Williams got two-for-three for the losers.

Games in the two West church leagues were called due to the holiday. Play will resume Monday evening at Westgate Park, the games being set for 6:30 p. m., for the No. 1 group, with league No. 2 scheduled to play at McKinley Park at the same time.

In contests that were to have been played at Westgate last night the headline battle was between Kent's and the Sullivant-av Merchants, with the latter given a good chance to bump the league leaders. A three-way tie for first place is not impossible if the Merchants win, along with Corner Cafe over McDonald Lumber, or vise-versa. In the third game Spears and Westwood will battle for the cellar position, each having been the victim of three setbacks.

West Band, Orchestra To Play At Dinner

With less than three weeks time left before the second annual Bean Day dinner scheduled for July 26, at Westgate Park, members of the committees in charge of the HBMA sponsored affair are rapidly completing plans for the combination dinner-festival.

At a special meeting of the committees in Westgate Park last week, Robert V. Hessenauer, city park superintendent, spoke to the assembled group and said the park was in excellent condition for the bean fest. Plans for the completion of the lagoon in the park three weeks hence were discussed and Hessenauer said he felt sure the WPA project, which also includes new landscaping, would be completed for the dinner.

Sulzberger Named

E. O. Melvin, chairman of the entire festival, announced this week that Dr. Fred Sulzberger had been added to the committee for the festival. Sulzberger, a local optometrist, played an important part in the dinner plans last year and Melvin said he felt the experience gained by him would be valuable in the bean panorama July 26.

At the same time he announced that tentative plans have been arranged for a miniature boat-racing contest to be held on the lake in charge of Charles Cruea, manager of the Hilltop Swimming Pool. Complete details have not been worked out as yet.

West Band Plays

Along the entertainment line W. Hayden Jones, music committee chairman, said that contacts were being made with West high school and that in all probability the local high school band would present a concert in the afternoon. In the evening the West high orchestra will play for the street dancing which will be featured by a jitterbug contest.

With such a program being contemplated and with contests galore for the younger children in the afternoon, only one thing can slow up the works for the dinner, inclement weather. Rain or shine, however, it is expected that the Bean Dinner will take its place among the major events of Hilltop residents.

In conjunction with the "Bean Day" the HBMA will continue for the second successive year the "bean guessing" contest, the event being promoted by practically every business establishment on the Hilltop with merchandise prizes to be given the winners, Perry Davis, chairman of the contests said this week.

In almost every store window will be a jar of beans—jars of every conceivable shape, size and description—and Hilltoppers will be requested to guess the number of beans in each jar. Only one guess will be alloted to shoppers in each establishment.

However, there is no limit to the number of prizes a single contestant may win. If you guess the correct number of beans in every jar or in several, you will receive many awards for your efforts. Make your guess as you shop at the Hilltop stores.

Prizes for the winners will be announced in next weeks issue of the Record, the final list not having been completed this week.

St. Paul Church Has Remodeling

Plans are being carried out to remodel the interior of the St Paul Evangelical Congregational church, corner of Warren-av. and W. Broad-st., Rev F. Brandfellner, pastor, announced this week

Among the improvements are the leveling of the auditorium floor, the building of a new chancel and installation of new pews and a chancel altar rail.

The local church will entertain the 17th annual conference session of the Western Conference the latter part of next month and the work is to be completed by that time.

Democrats To Meet July 29

With four former governors of Ohio and an expected crowd of 25,000 persons in attendance, the annual state meeting of the Democratic party will be held at the State Fairgrounds July 29, an all-day outing with an ox roast as the principal feature, Sam Willis, 11th Ward committeeman, announced this week.

Invitations have been sent to ex-Governors James Cox, Vic Donahey, George White and Martin L. Davey, and from all reports each will be present at the outing

The six member ticket committee appointed by Willis for the meeting includes Mesdames Pauline Brokaw and M. L. Palmer, Miss Doris Ferrel, Joe Eaton, L. G. Scales and Walter Bonn.

Patton Services Will Be Held Tomorrow

Funeral services for Charles C. Patton, 79, former chief engineer at the Chittenden hotel for 35 years, will be held at 3 p. m tomorrow, at the Spears Funeral Home with special rites by the Odd Fellows, and burial in Green Lawn cemetery.

A native of near Portsmouth and a resident of Columbus for more than 40 years, Patton died Wednesday evening at his home, 206 N. Hague-av. He had been retired since 1936.

Patton was a charter member of the American Association of Power Engineers and a member of the Odd Fellows.

Surviving him are three daughters, Mrs. Ethel Johnson, Columbus; Mrs. Gertrude Irwin and Mrs. Mary Baas, three sons, Clarence R., Arthur C., and Nicholas Patton, and ten grandchildren, all of Columbus.

Treasure Hunt Set FOR TONIGHT

A treasure hunt will be held tonight on the lawn of the Glenwood shelter house, at 7 p. m. All children are welcome to come and take part in the fun.

Friday, July 14, a free picture show, consisting of four different pictures, will be shown on the Glenwood shelter house lawn, at 8 o'clock. These shows will be entertaining to both parents and children.

APPOINTED

Lawrence Scales

Lawrence G. Scales, 603 S. Eureka-av, a past adjutant of Camp Chase Post of the American Legion, was named superintendent of Memorial Hall, it was announced recently following much bickering among the county commissioners. He is 42.

Scales was one of four names submitted for the position and his selection was unanimous. He assumed his new duties Saturday, the job paying $148.75 per month.

Among the congregation mem- assembly of the Evangelical church at Lakewood Park on lake Erie from the Westgate Evangelical church are Rev. and Mrs. C. R. Wendell and son; Mrs. E J. Howard and son, Robert; Miss Doris Kaparoff, Miss Betty Scoles, Robert Hurd, and Dale Dawson

Hilltop Celebrates Fourth Minus Fatal Accidents

Four Hurt Over Holiday Week-End

Four Hilltoppers were involved in accidents over the four-day Fourth of July week-end, and only one of the quartet was seriously injured and not one fatality was listed, as the local community celebrated in modern fashion the holiday.

Seriously injured when struck by an auto late Monday evening was Richard Frank Price, 4-year-old son of Mr.and Mrs. Willard Price, 94 Eldon-av. His condition was reported by hospital attaches at Mt. Carmel as being "fine."

Amy High, 14, of 134 S. Hague-av was one of a group of 23 boys and girls who became ill following a picnic Tuesday evening at a park along the Scioto river. She was taken to University hospital but was not held overnight.

While on a picnic at Griggs Dam Tuesday afternoon, Sharma Swank, 11-year-old daughter of Mr. and Mrs. William Swank, 140 Guilford-av., suffered a head laceration when she fell down an embankment. She was treated at Mt. Carmel hospital.

Also treated at Mt. Carmel hospital was Mrs. Charles E. Chew, 35, of 2811 Ridge-av, who suffered a compound fracture of the left arm Tuesday afternoon when a [illegible] on the saddle of the horse she was riding at the Valley View Riding club in Hague-av., broke and she was thrown to the ground.

Although no fatal incidents were listed on the Hilltop, throughout Ohio 34 deaths were attributed to Fourth of July accidents. Along with the Hilltop, no deaths occurred in Columbus.

Lambert Opens Pressing Shop

Monty Lambert, graduate of West High school with the class of 1938, has opened a modern cleaning and pressing shop located at 3115 W. Broad-st., the establishment to be known as the Westgate Cleaning and Pressing shop.

The Keller-Jones Cleaning company will do the cleaning for the shop, according to Lambert, who resides at 60 N. Ogden-av. He is well-known among the younger set on the Hilltop and lived here most of his life. The shop is now open for business.

Chorus Members, Families, To Picnic

With a ball game and horse shoe pitching for the men, and races, games and contests on the program for the ladies and children, members of the Hilltop Male Chorus and their families will hold their annual picnic at 5:30 p.m., Wednesday at No. 6 shelter house, along the west side of the Scioto river below Fishinger's dam.

Food in the form of meat, bread, ice cream and drinks will be furnished by the chorus while the wives of officers and committee, looking for a good time in the offing, will bring their prize cakes. Members are asked to bring whatever else they think it will take to make up a good dinner.

New Pastor

Rev. Alfred Wold

Rev. Alfred J. Wold, former pastor of the Northbrook Presbyterian church in Chicago, will assume the pastorate of the Hoge Memorial Presbyterian church Sunday morning, following the recent retirement of Rev. Harry C. Hutchison, due to illness. Rev. Hutchison will reside in Delaware, O.

After preaching the sermon on May 21, Rev. Wold was extended a unanimous call by the congregation and this week moved with his family to the Hilltop. He was prominent in the activities of his church in Chicago and during the four-year term organized the congregation and was instrumental in the erection of a church home.

For the morning service special music will be rendered by the choir, under the direction of James Snyder, with F. L. Buckingham at the organ.

Fireworks Postponed From Tuesday

With more than 5000 people expected to attend, the third annual State hospital fireworks display, bringing to a close the Independence Day celebration on the Hilltop, was to have been held Thursday evening at the hospital athletic plant with F. A. Conway, representative of the United Fireworks Manufacturing Co., of Dayton, O. in charge. The show, postponed from Tuesday due to a heavy rain-storm, and Wednesday on account of the softball league contests there, was re-scheduled for last night.

The display, probably the largest of its kind in Columbus, was to begin about 8:30 p. m., lasting nearly 45 minutes. Folks were expected to line the hillsides, crowd the bleachers and in many instances stand, to witness the fitting climax to the Fouth of July celebration on the Hilltop.

Private fireworks displays were held at many places on the Hilltop and in Valleyview addition with no serious injuries being reported excepting a few burned fingers here and yon. Many local families took to the country for their private celebrations, figuring it would be safer than the city, while others spent the four-day week-end, and especially the Fourth, in traveling and visiting.

The [illegible] began Monday and could be heard from early in the morning Tuesday until late at night. Policemen were lenient with those who fired their missiles in the city, disrupting the peace, etc., and no penalties were given Hilltoppers on such charges.

Names In The News

Harry Fulton, 40, of 205 Oakley-av, was burned on both eyes and his right hand Sunday when flames from a short circuit scorched him while removing a power meter in a factory. He was taken to Mt. Carmel.

• • •

Edward Leroy Brant, 590 Larcomb-av, suffered lacerations on his head when his bicycle ran into a parked auto in front of 551 Larcomb-av, early this week. He was treated at a doctor's office.

• • •

Ira Dodds, 60 N. Oakley-av, policeman, had his car parked in front of 15 W. State-st Friday, when it was broken into by an intruder, but none of the contents were taken. The thief sprung a lock on the steering wheel after he had unlocked the auto.

Rites Held For Local Policeman

Funeral services with rites of the Masonic Lodge were held Wednesday for Clarence O. Wolfe, 39, of 99 N. Harris-av, who died from a heart attack early Saturday morning at his home. Burial was made in Green Lawn cemetery.

Wolf joined the department on June 26, 1928, and was in charge of statistical reports of the police department's accident investigation bureau, having previously been assigned to cruiser duty. He had just completed his day's work at headquarters when the attack occured and was pronounced dead upon arrival of the fire department inhalator squad.

A member of the department for 11 years, Wolf was a member of Westgate Lodge No. 623, F. & A. M., the Fraternal Order of Police and the Independent Protestant church.

A native of Columbus, he is survived by his wife, Lucille M. Wolf his father, John F. Wolf; three brothers, Fred, Elmer and John F., Jr., and two sisters, Katherine and Lucille Wolf.

Eldon Ave. Boy Seriously Hurt; Hit By Auto

Tragedy struck at the home of Mr. and Mrs. Willard Price, 94 Eldon-av. Monday evening when Richard Frank Price, youngest son of the couple, was seriously injured when hit by an auto near his home.

The four-year-old boy had been playing across the street and was returning to his home. As he ran into the street from behind a parked car, the youngster was struck by the auto, driven by Carl J. Schmelzer, 231 N Ogden-av., Patrolmen F. I. Williams and Curtis Nafzger said.

Price, a deputy clerk of courts for 22 years, ran to the boy following the accident and with the aid of his eldest son, Gill, 14, placed him in his auto and took him to Mt. Carmel hospital. Officials at the hospital said Richard is suffering from severe head injuries and had a broken right leg and fractured skull.

The other two sons of the Prices have had their troubles, too. Jack, 12, had both legs broken when he was 5 years old and Robert, 7, said that a few years ago a sled fell from a wall, hitting tim on the nose.

Jack summed up their past experiences with the phrase, "We must have had bad luck."

Montgomery Wins Amateur Contest

An amateur contest, heading the entertainment at the Hilltop Swimming Pool, Saturday evening, found Edmund Montgomery, local dancing star and Susie Johnson, presenting a song and dance number carrying away top [illegible] with [illegible] [illegible].

Montgomery tallied 417 points to lead the balloting, followed by Miss Johnson with 278; Bob Tomlison, finger dance, 186; Bobby Frank, toy flute specialist and Palma DeSandra.

Heart Attack Fatal To Man

Found dead in the rear of his property late Thursday apparantly the victim of a heart attack, funeral services for John Oatman, 80-year-old retired railroad employe, were held Monday morning at the Jerry Spears Funeral home with interment in Green Lawn cemetery.

The body of Oatman, who lived at 637 Chestershire-rd, was discovered by Patrolmen Gordon Palmer and J. P. Pennell after he had been reported missing by Harry Dunhill. Oatman and Dunhill both resided at the home of Oatman's niece, Mrs. Mary Ginter.

He was a member of the Gift-st M. E. church and is survived by a daughter, Mrs. Clara Engler, who came from the New York World's Fair for the funeral, and the niece with whom he resided, Mrs. Ginter.

Negro Robs Three Girls; Attacks One

Three negro women were held up and robbed by a short negro late Tuesday evening, who, after securing all the money he could find, raped one of the girls, according to police reports. Police are still searching for the culprit.

Two girls were stopped by the negro, about five feet, four inches tall, as they were walking on Sullivant-av., near Roys-av. With a revolver he forced them to walk to Crescent-dr., where he robbed the couple of $3.66 and then attacked the younger of the two. She was taken to Mt. Carmel hospital.

The same man threatened another girl, also negro, a half hour later, with a knife. He chased her a block from Parkside-dr., and Huron-av., until she ran onto a porch and then fled.

Miss Bowman Becomes Bride Of Mr. Brownfield In Garden Ceremony

Miss Alice Bowman, daughter of Mr. and Mrs. E. Howard Bowman of Canton, became the bride of Mr. Lyman Hugh Brownfield, son of Mr. and Mrs. W. W. Brownfield, formerly of the Hilltop. The setting for the event was the lovely garden of the bride's parents, and the bride was given in marriage by her father.

Rev. John B. Barker, pastor of Calvary Presbyterian church, officiated at the ceremony last Saturday, which was attended by 100 guests. A string trio played before and during the ceremony and for the reception which followed.

The bride was married in her mother's wedding gown which also was worn by her sister at her marriage last fall. The dress is of ivory taffeta and princess lace, fashioned with a full skirt, tight bodice and a high choker collar. She wore an ivory tulle veil attached to a crown of orange blossoms. Her bridal bouquet was made of a sheaf of white delphinium roses and gypsophilia.

Mrs. Gervis Brady, sister of the bride, was matron of honor, wearing a gown of delphinium blue marquisette made with a full skirt and a ruffled jacket. She wore a leghorn hat and carried yellow gladioli and delphinium.

Mrs. Harold Bowman, sister-in-law of the bride, and Mrs. Raymond Loichot of Canton were bridesmaids. Their gowns were of yellow marquisette, made like Mrs. Brady's, and they also wore leghorn hats. Their bouquets were of blue delphinium and yellow gladioli.

Mr. William Brownfield jr., brother of the bridegroom, served him as best man. Mr. Gervis Brady and Mr. Robert Brownfield, another brother of the bridegroom, ushered. Young Louis Loichot was ring bearer.

Later, tea was served in the garden from a long table centered with a wedding cake. The bridal party was seated at a table in the dining room, which was decorated with the bridesmaids' bouquets.

In the evening Mr. Brownfield and his bride departed for a honeymoon trip to Maine. Mrs. Brownfield's going away outfit was a green and cerise plaid gingham suit trimmed in white, with which she wore white accessories.

The former Miss Bowman is an alumna of Mt. Union college where she belonged to Delta Delta Delta sorority. She was a teacher at Daniel Worley school. Mr. Brownfield also was graduated from Mt. Union, and the law school of Duke university. He is associated with the firm of Vorys, Sater, Seymour and Pease.

Shower Honors Recent Bride

On June 28 Mrs. Leslie Mishey, who was the former Miss June Leathers before her marriage on June 4, was honor guest at a bridal shower at the home of Miss Dolores Sinclair, 82 S. Terrace-st.

Guests at the shower were Miss Jean Armour, Miss Margaret Armour, Miss Margaret Binns, Miss Authorene Curfman, Miss Ruth Ann Curfman, Mrs. James Cooke, Miss Lois Grant, Miss Emma Jean Hastings, Mrs. E. W. Leather, Miss Ardis Lee, Miss Katherine Lobb, Miss Hazel Parrett, Miss Helen Reese and Mrs. Glenn E. Sinclair.

Military Wedding Is Announced

The marriage of Miss Jane Lowery, daughter of Mr. and Mrs. Harley Doles, 562 S. Ogden-av, to Mr. James Carter, son of Mr. and Mrs. Earl Carter of Gaddens, Ala., was announced this week.

The marriage was an event of early spring at Fort Hayes, where Mr. Carter is stationed. Chancelor Lt. Col. Linquist officiated at the ceremony. The couples only attendents were Miss Juanita Willis and Mr. James Vogle.

The couple is making their home temporarily at 562 S. Ogden-av.

Margaret White Is Bride, June 28

In a church ceremony Wednesday, June 28, at Logan, Rev. E. B. White united his daughter, Margaret Ellen, and James Randall Brown, son of Mr. and Mrs. H. O. Brown, in marriage.

Preceding the ceremony, "Because," "O Promise Me" and "Here Comes the Bride" were played.

The couples' only attendants were Miss Lourie Brown, sister of the bride, and Mr. Everett Sears.

The bride and her maid of honor wore [illegible] of bembers crepe, with matching accessories, and leghorn picture hats. They wore corsages of lilies and [illegible].

Following the ceremony a dinner was given in honor of the newlyweds at the home of the bride's parents.

The new Mr. and Mrs. Brown will spend their honeymoon in the Smoky mountains, on their return they will make their home at 431 S. Richardson-av.

Mr. Brown is associated with the Standard Oil Co.

Camp Chase Aux. Notes

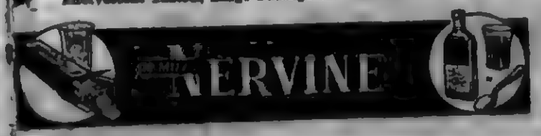
Quality Prescriptions
WITH
Drug prices as low as anywhere in Ohio

Prescriptions are our specialty. We fill them just "as the doctor orders." No substitutions here. Our drugs are fresh and our wide variety is one reason why most physicians specify BROAD-HAGUE PHARMACY in writing their prescriptions.

Our prices are as low on our line of completé drugs and toiletries as anywhere in Ohio, because we maintain State Fair Trade prices.

Our location is one of the most convenient on the Hilltop. Our service is also up to the general high standard we set for our store. Shopping here is the weekly habit of hundreds of Hilltop families. Come in and get acquainted. We believe you'll like our quality drugs and prompt service.

Broad-Hague Pharmacy
A CERTIFIED QUALITY DRUG STORE



Do you "fly all to pieces" when the children are noisy, or when the vegetables burn, or when the jelly won't "jell?" Some mothers are just naturally cranky. Some mothers are gross and impatient because they are nervous.

If you are a natural crank, DR. MILES NERVINE won't do much for you. If you are irritable because your nerves are overtaxed, DR. MILES NERVINE will do a lot for you.

Do you suffer from Sleeplessness, Restlessness, Nervous Irritability, Nervous Headache, or Nervous Indigestion? Do you worry over trifles, start at sudden noises? Overtaxed nerves will cause all these troubles, and DR. MILES NERVINE will help you to relax those overtaxed nerves.

Why don't you give it a trial on our guarantee of satisfaction or your money back? Your druggist can tell you about DR. MILES NERVINE. He has been selling it ever since he started clerking in a drug store. Dr. Miles Nervine comes in two forms—Liquid and Effervescent Tablets.

Movies'

Rivoli

Swinging into another week of movie activity at the local theatres, the Rivoli will present a double-feature program today with "Homicide Bureau" and "Prairie Justice", the same two cinemas scheduled for tomorrow. Sunday, Monday and Tuesday "Code of the Streets" and "The Story of Alexander Graham Bell" will share the spotlight, while Wednesday and Thursday will see "Romance of the Redwoods" and "Let Us Live" with Henry Fonda, Maureen O'Sullivan and Ralph Bellamy in the cast.

Ritz

The Ritz Theatre will feature a twin-bill today and tomorrow, with "The Thundering West" and "Big Time Czar" on the card. Two shows will be shown Sunday, Monday and Tuesday with "Lucky Night" and "Society Smugglers" scheduled. The third double-feature of the week will have "Code of the Streets" and the "Lady and the Mob" as the attraction.

Loew's Ohio

Loew's Ohio, for its first dual feature bill, this week presents "Maisie". A modern comedy drama with a western background, starring Robert Young and Ann Sothern with "6000 Enemies" featuring Walter Pidgeon and Rita Johnson. The latter picture is the story of a district attorney who is framed into the same prison where many of the men and women he has sent are held.

Loew's Broad

The current dual feature at Loew's Broad includes Jackie Cooper in "Streets of New York" and "Off the Record" with Pat O' Brien and Joan Blondell.

In the former picture young Cooper plays an ambitious Manhattan newsboy who overcomes all obstacles in the path of his desire to become a lawyer. The latter show is a combination newspaper-detective story with O'brien as the editor and Miss Blondell as his chief girl reporter.

Jane Hawthorne and Dorothy Hingst left Sunday for a months camping trip at Camp Wyandot. Jane Roush leaves July 16, to join them for the rest of the month. The girls are all members of the Tawahna camp fire group.

Mr. and Mrs. C. L. Davis, and daughter Beatrice, formerly of 63 Binns-av., have recently moved to 4181 Kenny-rd.

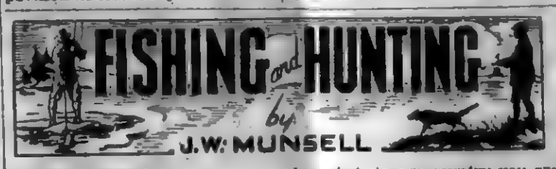
Swimming, Dancing Featured At Indianola



The Indianola swimming pool, one of the largest of its kind in the country, boasts one of the finest dance pavilions in conjunction with the pool in the city. On Tuesday, Friday and Saturday the pavilion houses many of the name bands in this section.

Located at 1950 N. Fourth-st., the pool is one of the largest pools in the United States, with a capacity of more than two million gallons of artesian water. The pure water comes from government tested wells.

Under the management of A. J. Peebles, the pool is now 35 years old, one of the better established swimming institutions in the city.

It is 128 feet wide and 200 feet in length with the depth measuring from two to nine feet.

NIGHT FISHING

One of the fundamental traits of mankind is to delve into the unknown. Routine methods are followed by the majority as a matter of habit and for known results, but the ultimate thrill of accomplishment comes from new sources. Baseball is fast changing from a daytime to a night sport, driving ranges at the golf clubs are in full swing until the small morning hours, running horse races will soon be an evening amusement, and you'd be surprised to know how many anglers have changed from day to night fishing. A check-up on any good fishing spot will show that the day shift leaves for home between six and seven o'clock and their places are taken by those who work the trick from seven to midnight. We can all recall when the angler starting out at seven in the evening was equipped only for still-fishing, and expected to get only suckers or catfish. Night still-fishing will always be in vogue, but every year will see more and more of the fly and bait casters changing from daytime to night fishing.

IT'S DIFFERENT

The old simile "As different as night and day" hits the nail on the head when comparing day and night fishing. When we realize that for the past decade over ninety per cent of all prize fish have been caught between the hours of eleven in the morning and four in the afternoon, we cannot attribute the anticipation of catching more and larger fish as the reason for the ever increasing number of night anglers. It's just the trend of the times—all sports and recreations are drifting nightward. The old saw "every dog has his day, but the nights are left for the cats" has gone blooey. And brother, the first time you get out in a boat, or on the shore, after the shadows of night have obliterated familiar landmarks, you'll start wondering what strange country you are in. When you commence casting the fly or plug through the darkness to unseen stretches of water, your daytime technique will seem simple in comparison, and when a small-mouth starts cavorting with your lure with you guessing his whereabouts, you'll appreciate you've entered a new realm of sport — and you'll like it.

GOOD LIGHT NECESSARY

Whether your night fishing is done from a boat or from the shore, you'll find that "Two's a company, three's a crowd" is applicable. Solo night fishing is unwise and unpractical, and a third party, unless he only rows the boat and tends the light, is always in the way. A good light is a necessity. Either the powerful electric or the cheaper carbide lamps will serve the purpose. If you've ever tried to land a good-sized fighting bass at night without the assistance of the proper light, you'll appreciate the importance of a good lamp. And here's a tip from personal experience — don't try to land any fish at night, when using light tackle, until he comes within reach with his belly showing. Most all night battles with fish are lost during the final desperate struggle for existance. It may be just imagination, or because the fish have a better advantage, but your own reaction will coincide with mine, that fish seem to put up a stiffer fight at night than during the daytime. But we don't have to use any imagination concerning the biting proclivities of mosquitos during the night hours. They are the one deterrent to night shore fishing.

MOSQUITO DORES

In my scrap-book are many formulas for mosquito repelents, and in my tackle cabinet are bottles galore filled with these mixtures and other branded commercial solutions. In fact, I ordered two new kinds last week — just a nut for believing all good advertising copy. I have often wondered whether mosquitos prefer good or bad blood — if I knew that answer Id' have a perfect diagnosis, for which ever kind they prefer — that's what I've got. I know a few will write and ask which of my mosquito dopes is the best, so here's the answer in advance, given me by Charlie Chappilear at Rangeley Lakes in Maine. Get a dime's worth of oil of peppermint, add it to ten ounces of water, and rub it in the hair, and over the face, neck and hands, but keep it away from the eyes as it will make them smart. This doesn't work 100 per cent but it is the best I ever used. It is a wonderful detergent to clean scratches and cuts—and remember—it's what your mother gave you when a youngster after green apple repasts. A regular triple action remedy for fishing trips.

DON'T CARRY EXCESS BAGGAGE

The only positive way to eliminate mosquito bites when fishing is to fish from a boat a safe distance from shore. A preliminary daytime exploration of the waters should be made and favorable fishing spots located. Walleyes and bass usually stay in the cool bottom waters during the hot summer days and feed in the shallow shore waters at night. The walleyes are especially known to be night feeders, while muskies are seldom caught after dark. Exclusive fly rod users are entering the night fishing field, and in good crappie water can usually get the limit on the light tackle, but should use the heavier rods in case of likely strikes of bass and walleyes. Night fly rod casts should be limited to thirty of forty feet, and the most satisfactory results will come with not over fifty feet casts with the bait rods. Remember that the fish you will catch on artificial lures at night will be surface feeders, so carry with you a small selection of plugs. Leave the heavy metal trunk at home, and with the exception of the rod, limit

Last Thursday, the members of the Glenwood ladies social club held a picnic supper, following the supper, games were played, with prizes going to Mrs. Ruth Peters and Mrs. Moehler. The club voted to have another picnic on July 20.

Red Birds Return; Twin-Bill Tonight

The Columbus Red Birds, after a recent road trip through the east during which time they played three neighboring teams in the American Association, returned home last night for a four-game series with the slugging Minneapolis Millers at the stadium. In the twilight-night twin bill scheduled tonight, the first contest scheduled for 6 p. m. and the second at 8:30, Buster Adams, Red Bird center-fielder, will be honored.

Following the Millers will be the St. Paul Saints who will appear here in a double-header Sunday and single games Monday, Tuesday and Wednesday. Tuesday will be designated as Pennsylvania Railroad Night and a large delegation of railway employees are expected. The Kansas City Blues play a four-game series with the Flock here starting Thursday, culminated by the Old Timers Day celebration on Saturday afternoon.

Civil Service Examinations Are Set For July 22, 28 Here

Civil service examinations for the position as state highway patrolman and several offices in the state service have just been announced by Carl W. Smith, chairman of the State Civil Service Commission.

The examination for the post of a highway patrolman will be conducted in Columbus only and will be held at the Ohio State university armory on Friday, July 28. The examination is open to Ohio residents between the ages of 24 and 40, and among other qualifications applicants must have three years experience in driving motor vehicles and motorcycles.

Applications must be filed not later than noon, Saturday, July 22, with the State Civil Service Commission. Bulletins may be secured by writing the commission.

Among the offices in the state service which are vacant at present are: assistant to the registrar, Ohio State university; clerk for state universities and normal schools; game protector, Division of Conservation; Identification officer, Ohio State reformatory; psychiatrist for the Ohio State reformatory; landscape architect, department of highways and supervisor of off-campus housing (female only) Ohio State university.

Copies of the bulletin recently issued may be secured by writing the State Civil Service Commission at Columbus or the County Auditor. The examinations will be conducted at Columbus, Cleveland and Toledo, on July 20 and 21, and applications must be filed with the commission in Columbus not later than noon Saturday, July 15.

"SCHEMES THAT SKIN"

"Special introduction offers" appear from time to time to pour additional dollars into the pockets of scheming promoters, according to the Better Business bureaus.

One of the best known of these schemes is the "picture" offer. It works something like this

The salesman calls at a home, presents a "special offer" and explains that the so-and-so studio is trying to enlarge its business.

He hands out a certificate, which may entitle the receiver to "one portrait . . . beautifully hand-colored in oils . . . our regular $8 value . . . on presentation of this certificate and 50 cents."

The victim falls. Once in the studio, efforts are put forth to sell additional portraits—or perhaps he will find that he has signed a certificate which calls for purchase of a frame that costs twice as much as it actually is worth . . . and the picture in it isn't worth more than 50 cents at the most.

Another scheme on which the Better Business bureau has received complaints is the "beauty shop bargain offer."

Perhaps the gullible victim is offered a $5 marcel for $1 but she will find out, in some instances, that it is necessary to get a hair wash and other such incidentals that bring up the bill greatly.

A Maine educator points out that two hundred years ago arithmetic was considered a frill. This strange view has since been abandoned save by legislators.

Some men look on the sunny side of life only when they are full of moonshine.

"Thrift-t-Service" Is Slogan Of White Rose Laundry

Shown above are members of the staff at the White Rose Laundry, 814 McKinley-av. A rapidly growing concern, the laundry now employs 32 people and is slowly developing into one of the better laundering establishments in the city. The slogan of the company, "Thrift-t-Service" is found in its work and the company specializes in wearing apparel as well as household accessories.

Round About The Hilltop

A guest columnist writes the number of guinea pigs at the Cranston's seems to be increasing. Lovia Mae reports a family of 145 to date . . . Whitie White and Charlie Biegle were among other Hilltoppers who celebrated the Fourth well in advance, we understand . . . Evelyn Rhoads and Virginia Stout, West Hi, '38 are employed by the Godman company . . . and while on the subject, the team of Stout and Scoles is a "steady" we didn't know about until just recently . . . "Deacon" of the Hilltop Swimming Pool celebrated the Fourth, we hear, by frightening young ladies with the loudest 4th amunition he could find . . . The Henry Joneses will spend their vacation moving into their new home on Powhatan-av week after next.

Synonomous: Sporty! Curt Allen driving past in his father's new maroon Mercury. Impatient! John Snellhoff counting the days 'til his prospective trip into the upper peninsula of Michigan. Contemplative! Larry Young and the new car he "might" buy. Interested! Shirley Umbaubauer's prize Pekinese is one of the most interested spectators in all happenings at the local drug store.

We wonder what Carl Johnson had to say to John Wolfe on the latter's visit to the local shop last week . . . but it was good.

Back from the wilds of Michigan comes the story of one local lad who, after spending considerable money and a weeks time angling for the prize specimen to no avail, buys a string of fish to bring home . . . "twould make his story more realistic." . . . The Ralph Loudens have escaped the Hilltop for the North and . . . What's this we hear about "pop" Cleveland chasing "Butch", prize Angora cat, at that residence on the roof in the wee sma' hours of the night?

Prize to two of the Hilltop's most graceful ladies on skates goes to Ruthanne Valentine and Dorothy Neary.

From all appearances we're going to hear much more about the present Wisconsin fishing party composed of Pat Schrock, editor of the Greenfield Times, Earl Hickle of the Fayette Times, Bill Moore of the Record and C. C. Hartley than we did of the recent Michigan party.

Seven postcards were received here Monday morning from the Wisconsin party.

Footballers: Apie Simbrel is employed at the David Davies Packing Co. for the summer . . . Frank Richey is home for the summer . . . hear from brother Bob that "Junior" has no great craving for the East . . . he didn't even take an entrance examination for Princeton . . . definitely headed for State.

Saw Katie Coden the other day . . . Helen Manderson is spending the week in Michigan.

Can't figure out when Columbus became so small that local couple missed the destination 75 miles.

Carl Holland and girl friend Jane Anderson started from Chillicothe Tuesday evening last, for Columbus, and arrived two miles this side of Athens.

Pop Waymer is getting his thrills from local fishing grounds. The fish are so big at Buckeye Lake that "Pop" goes in after 'em. . .

A certain Hilltop couple is debating whether to get married or to buy a new car. Certain friend has expressed that he'd be safer with a car . . . What local lad would walk a mile for a Camel — or is it Luckies

FAREWELL LUNCHEON WAS GIVEN BY MRS. G. V. MEEDER

Last Friday afternoon, Mrs. G. U. Meeder, 75 Powhatan-av., entertained with a farewell luncheon in honor of Mrs. Lee McGonigal.

Mr. Lee McGonigal, has recently been promoted to west coast sales manager for the James Lees and Sons Co. He and his family left Monday to make their home in San Francisco.

Those present at the luncheon were mesdames Ray Hauntz, H. Wubben, V. Cline, G. Graf, J. W. Toomey, Zale Kemp, H. Schiller, D. A. Helphrey, A. Edwards, W. Deen, M. McKinney, J. M. Jackson, G. Borren, Miss Betty Meeder, Miss Jeanette Flora, and Mrs. Collins Baxter of Chicago, who has been visiting her aunt, Mrs. Glenn Meeder, for the past two weeks.

Again Tokyo affirms that she has nothing but the sincerest friendship for China, but fails to mention on which front it will break out.

Ohio Leads In Retailers Sales

Leading 26 other states for which figures are available, sales of independent retailers in Ohio for May were 23.6 per cent greater than the same month in 1938, according to reports compiled by the Department of Commerce in Washington, D. C.

Retailers in all the 27 states increased sales in May in comparison with the same month last year, but the Ohio gain of 23.6 per cent was considerably ahead of second-place Indiana which reported an increase of 19.9 per cent.

Other states near the top were South Carolina with 19.1 per cent, Florida with 18.3 per cent, Alabama with 17.3 per cent, and Missouri with 17 per cent.

The Ohio increase was nearly double the national average, 12.5 per cent gain.

In general, the report shows, the East North Central States and the South Atlantic States were areas where retail trade increases were greatest.

A decline of two per cent in manufacturing work brought Ohio's total industrial employment for May to a point slightly below the April level, it is reported by Ohio State university's bureau of business research. The total decline was less than one per cent, however.

Non-manufacturing employment was slightly above April, and construction work was 19 per cent ahead of the previous month.

All types of employment, however, were above May, 1938, the gains amounting to seven per cent for employment, nine per cent for manufacturing, less than one per cent for non-manufacturing and eight per cent for construction.

On a basis of April-to-May, improvement, Columbus presented the best employment picture last month, with an increase of two per cent in total employment, a fractional increase in manufacturing, and five per cent in non-manufacturing.

Cincinnati was the only other chief city to report a total employment increase, amounting to less than one per cent.

Ben Brews Wallop Grove City, 10-3

The expected pitching duel between Woody Owens and "Red" Foster, ace twirlers of the Ben Brew and Grove City nines respectively, failed to materialize last Sunday at Grove City as the Brewmen, with Owens and Denny Payne hitting hard, trounced the Greyhounds 10-3 and thereby threw the leadership in the Heart of Ohio league into a three-team affair.

Foster was blasted from the mound in the sixth frame while Owens scattered 11 blows and coasted to the win. In addition to twirling good ball the winning pitcher bunged out four hits in four trips to the plate while Payne had the same number of hits in five appearances.

The Ben Brew team will play Craven Drugs at Amlin Sunday.

Thousands Witness Local Air Show

A huge crowd, well over the ten thousand mark, but impossible to estimate accurately, was on hand at the Sullivant Airport Sunday afternoon to witness the first annual All-Columbus Air Show.

With citizens from every section of the city in attendance, the participants went through their many performances with Bill Sweet at the microphone describing the show. The principal act on the card was a 10,000 foot parachute jump by Dave Binns, well-known among local chute jumpers.

Card of Thanks

In loving memory of our nephew and grandson, Roland A. Harmer, who was called home a year ago July 9.

A step into the darkness—but he was brave and young.
And far ahead like a beacon, the torch of his hope was flung;
Who knows what wonderful beauty he found in that land afar,
Or how the path of his dreaming swings on from star to star?

A step into the darkness — but light breaks just ahead,
And God gives life eternal to ones that the world calls dead,
And somehow, somewhere smiling,
He looks in the face of truth
And finds in rich fulfillment the dreams of his eager youth!
Sadly missed by aunts, uncles, and grandparents.

In loving memory of Roland A. Harmer who passed away July 9, 1938:
We loved you, yes we loved you
But Jesus' loved you more
And he has sweetly called to you
To yonder shining shore.
The golden gates were open
The golden voice said, "Come."
And with farewells unspoken
You calmly entered home.
Sadly missed by parents and brothers.

Want Ad Rates

The deadline for want advertising for the Record is Thursday at 9 a. m., and ads will not be accepted after this time.

Ads phoned in may be paid for at cash rate, 10c per line, by paying for them at the office within one week from the issue in which the ad appeared. At the end of that time the ads will be charged at the collection rate, 12c per line, and the collector will call at your home.

All ads not paid for within the week will be charged at the collection rate.

Throughout the ads are several theatre passes with Hilltoppers names whitten on them. You may be one of the lucky persons to receive a free pass.

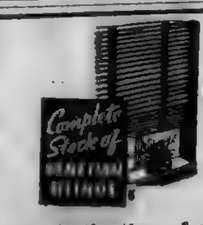
N. Y. Blue Ribbon Tour Popular

The early visitors to the New York world's fair on a blue ribbon all-expense tour have returned all enthused about what they have seen and the fine trip that they have had.

Many of those who have already taken the trip cannot understand how they can be sold at such a low price and include so many fine features in New York City. Here is the whole story—hotels, railroads and sightseeing companies have been given special rates that in some cases are almost 50 per cent lower than those paid by individuals. These low rates combined and passed on to you in a package known as the Blue Ribbon tours.

The tour conductor returning from last week's tour reports that everyone of the passengers were more than pleased with their trip and that there was not one single complaint of any kind. Everything worked out very satisfactorily and the members of the party were all very much enthused about the New York world's fair, and the Lincoln hotel, which is headquarters in New York City.

Holland's Colonies



Though her population is approximately only the same as that of Greater London, Holland ranks as the world's third colonial power, taking precedence after Great Britain and France. The people of the Netherlands number 8,000,000, compared with the 65,000,000 of the Netherlands East Indies. Holland's area of 13,000 square miles is less than a quarter that of Britain. Her colonies have an area of 800,000 square miles.

State Hospital Scene Of Softball Tourney

With 32 teams covering eight counties assured of entry, the Central District softball tournament will get under way at the State Hospital diamond Monday, July 31, Commissioner H. S. Anderson announced this week. In conjunction with the district meet there will be an eight-team girls' tournament, all contests to be played under the lights.

Among the men's teams will be 14 from Franklin county and the city, with Ben Brew, George Sunker managing, expected to be the lone entry from the Hilltop. Possibilities were that Kent's Modern Market, pre-season leaders in the Hilltop independent league, might file entry blanks.

The contingent from Columbus will be headed by the Ferguson Auditor combine, with Ralph Solt doing the mound duties. The Ferguson team was district champs last year and finished in the runner-up slot in the state meeting. Other well-balanced squads in the tourney from Columbus include Morrey Jewelers with Warren Gerber and the Onimed Club with "Lefty" Schumacher.

Eight Counties

Included in the eight counties to compete in the event will be teams from Union, Delaware, Licking, Fairfield, Pickaway Madison, Fayette and the host county.

(Continued on Page 3.)

Cutting Costs Along The Line

Every mail that comes into a newspaper office the size of this has at least three or four pieces of "free literature" sent out by the government. Larger papers no doubt receive a much larger collection of the material, which nine tenths of the time takes a direct route from the editor's desk to the waste basket.

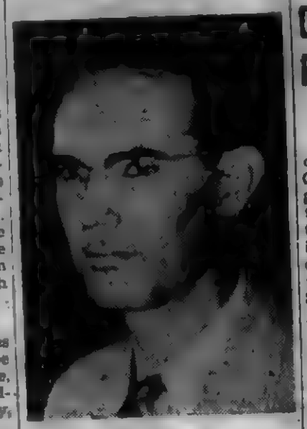
But now comes a legislator by the name of O'Mahoney who puts through an amendment to the 1940 post office appropriation bill which states that all bureaus and departments will be eliminated from sending such information through the mail free unless such information is requested.

In handling charges alone this should save thousands of dollars yearly. In costs of producing the material there should be still further and greater savings. This is a small step in the right direction of cutting unnecessary government costs. Multiply this by several hundred other similar instances wherein cuts can be made and the budget will be a bit nearer balancing.

The city of Columbus is a budget balancer's nightmare. Financial jugglery involving diversion of sinking fund revenues to other funds over a period of years has resulted in bond refundings and the impairment of the city's credit.

In a vain attempt to dodge a special 1½ mill levy for relief, Council and the Mayor are investigating other sources of revenue. (e.g. issuance of bonds against delinquent taxes and the diversion of motor vehicle license revenue.) The city's general fund is already $700,000 in debt for relief.

The new cut in W.P.A. appropriations will place an additional burden on the budget in the matter of relief.



It will be interesting to note the proposals of the mayoralty candidates in the coming campaign for relieving the city's financial distress. No doubt, political capital will be made of the difficulties confronting the present administration.

The fact remains, that the city doesn't have money with which to operate. Cities all over the country are in the same dilemma. According to a recent government report the country's property valuations have declined by $34,000,000,000. Revenues from this source, on which local governments largely depend, have declined accordingly. At the same time costs of government are ever on the increase. Very shortly, the people of Columbus and elsewhere must face the problem of increased taxation.

Recent suggestions have it, that all is not well between Mayor Gessaman and the Republican organization in the city—that the mayor has been treading the sacred territory belonging exclusively to the party managers.

According to reliable reports, Gessaman emphatically denies the existance of any sort of a feud between himself and the organization men. Said the mayor, "I've always worked for the best interest of the Republican party and I always intend to."

NEW DOCTOR

Dr. Lowry

The offices of Dr. W. K. Lowry, formerly located at Ft. Madison, Iowa, are now open at 2528 W. Broad-st, at the northwest corner of W. Broad and N. Terrace-sts, having opened early this week.

A native of Ohio, Dr. Lowry is a graduate of Kirksville college of osteopathy and surgery, and is a member of the American Osteopathics association of Proctology, and the National and District Osteopathic associations. He resided in Alliance for 17 years.

Dr. Lowry has been in general practice and specialized in proctology in Ft. Madison for eight years. He is a nephew of Mrs. L. E. Krauss, 69 N. Powell-av., and he and his wife are now residents of the Hilltop.

Tennis Tourney Planned

Another event added to the already large program being planned by the Hilltop Business Men's association for their Bean day dinner July 26 is the finals of the Hilltop tennis tournament to be conducted at the Westgate park courts during the afternoon festivities on Bean day.

All pre-final contests in the tourney will be played previous to July 26, and entries for the event must be filed not later than noon Tuesday, July 18. Entries were open Wednesday and the fee for entrance is 50 cents per person. The tournament is open to all amateur tennis players in Columbus and all Hilltop enthusiasts are invited to enter.

Six beautiful trophies, donated by the HBMA will be awarded to winners in five divisions. Among the events on the tourney program are men's singles, men's doubles, women's single, mixed doubles and junior singles. Entrants may file their entrance blanks at Westgate park, Campbell's pharmacy, 2766 W. Broad-st, Melvin's hardware store, 2409 W. Broad-st, or at Kent's modern market, 2756 Sullivant-av. The prizes will be displayed in the store windows of the three business establishments previous to the finals on Bean day.

Correction! Poultry Shop Open Daily

The Broad-Hague poultry shop, 32-24 S. Hague-av, has been open for business for the entire day during the summer months instead of in the morning only as announced in the Record last week, an error on the part of the newspaper staff.

Owned by Howard E. Taft, 2730 Sullivant-av, the store underwent a complete remodeling and painting this spring to assure patrons of complete modern shopping facilities.

The shop is open daily from 8 a. m. to 8 p. m., while on Saturday, it will remain open until 10 p. m.

TOWNSEND CLUB WILL MEET TONIGHT

The regular meeting of Townsend club No. 23 will be held tonight at the IOOF hall, 2356½ W Broad-st, at 8, with the public invited to attend. C. M. Johnson, president of the club, will be the speaker and refreshments will be served.

Bellar Chosen Delegate; To Present Flag

Arthur J. Bellar, 326 Algonquin-av, commander of Camp Chase post No. 98, American Legion, was named as a delegate to the national convention of the American Legion at a meeting of Legionnaires of the sixth district at Pataskala Sunday. The national convention is set for Sept. 25-28, the site being Chicago.

Named as an alternate to Bellar was D. Clark Finneran, 20 N. Wayne-av, while George M. Ward, 723 S. Roys-av, was named as a member of the credentials committee for the state convention of the legion to be held at Akron Aug. 20 and 21. Ward will represent the sixth district.

Marsh, Slocum Drill

Commander Bellar will present an American flag to the Red Bird Knot Hole gang during special ceremonies at the Columbus baseball club's honoring of the Knot Hole gang at the stadium Saturday afternoon. Kent Marsh and Will Slocum, members of the local post, have been in charge of the drilling of the Knot Hole band which will make its initial appearance at the Saturday afternoon game between the Red Birds and the Kansas City Blues.

A special program has been arranged for the occasion and the flag presentation ceremonies will be held during the intermission between the Red Bird-Blues contest and another baseball contest between two local old timers' teams. Preceding the games at the stadium the Knot Hole gang band and the Camp Chase post drum and bugle corps will parade in downtown areas and the local drum and bugle corps will also appear in ceremonies at the ball park, Commander Bellar said.

Westgate Has Pitching Club

Plans for the organization of a Westgate park horseshoe club were begun this week when 20 prospective members met at the park Tuesday evening to discuss possibilities of better facilities for playing in Westgate.

Heading the group is Fred Wilhelm, 350 S. Warren-av, and he, along with several other men was to call on Charles Seddon, head of the city recreation department, last night in an effort to increase the number of horseshoe courts as well as add lights for night play. Only two courts are now available at the park.

Wilhelm is interested in organizing a team from Hilltop residents to compete with teams from other parks in regular league play. Any person interested in joining the club should get in touch with Wilhelm in the near future.

Names *In The News*

Elza Radcliff, 1532 W. Broad-st, reported his home was entered Sunday by breaking a glass in the rear door and a wrist watch valued at $15, was taken.

John Newlon, age 63, 377 S. Warren-av, his wife, Mrs. Zella Newlon, and their daughter, Mrs. Vivian Campbell, 33, were among four persons who were injured Sunday in a highway accident 12 miles west of Pittsburgh. They were reported as being in good condition at Mercy hospital in Pittsburgh.

Reported in "good" condition was John I. Earps, 61, employe of the Columbus State hospital who was hit by the auto of Charles Phipps, 410 Midland-av, in a traffic accident in front of 2293 W. Broad-st, Tuesday night.

MECHEM HAS JULY SUMMER SHOE SALE

The Mechem Shoe Co., located at 2469 W. Broad-st, is celebrating its twelfth anniversary by offering to the public its annual July sale. A complete line of all styles and sizes await Hilltoppers at reduced prices during the sale.

Hilltop Girl Fatally Injured In Accident

Funeral services for Lora Maxine McCabe, 68 Midland-av, fatally injured in a two car head-on collision on the Three C's highway about a mile north of Grove City Sunday afternoon which claimed the lives of five people, were held at 2:30 p. m. Wednesday at the Wylie S. Shroyer chapel with burial in Green Lawn Abbey.

Miss McCabe was with a group of six young people going to a baseball game at Darbyville when the car in which she was riding, driven by Donald Hardmond, suddenly swerved into the one driven by W. G. Driscoll, 1371 McKinley-av. Riding with Driscoll were his wife, Mrs. Dollie Driscoll, and their two sons Joseph, 5-months-old, and Leo, age 4. Mrs. Driscoll and her young son, Joseph, died at St. Carmel hospital following the crash while Leo was treated for minor bruises.

Driscoll Services

Services for Mrs. Driscoll and her baby son were held at 2:30 p. m. Tuesday at the Stone Quarry Chapel. Burial was made in Memorial Burial park by Wylie Shroyer with Mrs. Driscoll and her baby being buried in the same casket.

Surviving Miss McCabe, a graduate of Central high school this past June, who would have celebrated her eighteenth birthday Thursday, are her parents, Mr. and Mrs. Glen McCabe; four sisters, Laura Helen, Phyllis, Freda and Mrs. Kathleen Lee, and two brothers, Glenn Jr. and Donald.

Mrs. Driscoll is survived by her husband, who is in "fair" condition in Mt. Carmel hospital; two sons, Leo and Billy; her mother, Mrs. Phoebe Tilley; a sister, Mrs. Ethel Farley; five brothers, Woodrow, Francis, John, Levi and Halley, and one step-son, William, age 13.

MANAGER

John Kuhn

A graduate of West high school and a resident of the Hilltop, John H. Kuhn, 2287 Sullivant-av, has been added to the staff of the Roan and Hays Insurance agency, it was announced this week by the company. Kuhn will serve as manager of the life, accident and health department of the agency.

For the past eight years an employe of one of the leading insurance companies, Kuhn is well qualified for the position. He will handle all types of insurance but will specialize in the accident field.

WOMEN FILE SUITS

Among the 31 women who filed mandamus suits in common pleas court Wednesday seeking to common pleas court Wednesday seeking to compel state officials to restore their jobs from which they were fired last Sunday are six Hilltoppers. Included in the local group are Rosemary Hutton, 556 S. Terrace-st; Margaret Albert, 153 S. Hague-av; Margaret Connelly, 129 N. Oakley-av; Mrs. Mary Frances [illegible] 1935 Floral-av; Florence Gunnoe, 215 Algonquin-av; and Dorothy Harlor, 129 N. Chase-av.

Coyle Files Petitions

Averd R. Coyle, 251 Nashoba-av, will file his petitions today at the county board of elections thus definitely placing himself in the race for the office of city auditor. His petitions carry about 5,000 names, the required minimum being 2,314.

Coyle, who is 42 years old, was born on Columbus' west side and has lived in the city all his life. He has been a resident of the Hilltop for 26 years. He graduated from West high school, entered the service of the U. S. army in Apr., 1917, and served in the one hundred thirty-sixth field artillery for the duration of the war.

Coyle gained his first auditing experience when he was employed by the N. Y. Central railroad in 1919.

In 1922 Coyle entered the city auditor's office and served continually in that department until March of this year, when he resigned to become a candidate. He was appointed chief deputy auditor in May, 1925, and worked in that capacity until Jan., 1935, when he was made accountant in the department. He was reappointed chief deputy in 1936 and held that post until his resignation early this year.

He is a past commander of the American legion post No. 82, a member of the "40&8", the Order of the Masons, the Scottish Rite, and the Shrine. He is also past president of the Municipal Employees association, a member of the Buckeye Republican club, the Franklin County War Veterans Republican club, and the thirty-seventh division veterans association.

He is married and has one son. He has previously held no elective office in the city.

SEILLER JULY SALE NOW UNDER WAY

The annual July sale of the Seiller's Co., 2404 W. Broad-st, is now under way at the local store, having started on Wednesday. Regular prices have been reduced for this sale and values are being offered to Hilltop shoppers.

I wish to enter the Hilltop Bathing Beauty Contest at Westgate park on July 26, with contestants all residents of the Hilltop.

Scouts Have Training At Camp Lazarus

Hilltop Boy Scout troops are taking advantage of the Lazarus Scout reservation this summer and for the first period of two weeks duration in camp, 12 boys from troop 181, Hillcrest Baptist church, were among the 125 scouts and scouters from 22 troops registered at the reservation. Fifteen of the troops were from Columbus.

Troop 181 completed its stay in camp Tuesday with practically every member of the organization making some advancement. Dave Riggs, Richard Jantzen, Carl Murphy and a friend, along with Scoutmaster Herman Jantzen, left Wednesday to attend a lone camp in Hocking county. They will return Sunday.

With every registered scout attending Camp Lazarus last year for the finest troop attendance at the reservation, troop 181, Camp Chase post, American legion, left the Hilltop Wednesday morning to begin its two-week period of training at the camp. Among the scouts who attended from July 12 to 25 are Wayne Lilley, Everett Strickland, Glenn Harriman, William Schmelzer, Raymond Jones, Bernard Saint, Theodore Finneran, Jacob Hall, James Womeldorff, John Womeldorff, Russell Morgan, Bruce Reed, Jack Harvey, Evan Knox, Richard Hasson, Ray McVay and Howard Ditrick.

Those scouts who returned with the first contingent of troop 181 included James Jessup, Charles Sevey, Ernest Dallin, Joe Case, Ralph Case, Dave Riggs, Richard Jantzen, Bob Logan, James Nuckles, Harold Schubert, Jack Kraus and Ernest Bucher.

Bean Day Plans Nearing Completion

Plans for the second annual Hilltop Bean Day celebration, surpassing last years event with the addition of many new features to the program, are rapidly nearing completion, Ed Melvin, general chairman, said this week. The date set for the huge affair, less than two weeks away, is July 26.

Reports from various committee members show that plans are progressing rapidly and they all add up to a grand and glorious day for Hilltoppers and their families. Most of the business establishments in the Hilltop area have signified intentions to close for the Wednesday afternoon and evening entertainment, with the business men having already planned to be in attendance at the dinner.

PUBLICITY

Curt Wilcox

Holding down the same position which he directed last year during the many HBMA affairs, Curt Wilcox 2997 Palmetto-av, will again head the publicity for the second annual Bean Day celebration. In private life Curt is the manager of the Hilltop branch of the Ohio National Bank.

Beauty Contest

The beauty contest, with only girls over 16 years of age permitted to take part, will hold the featured position on the afternoon entertainment program. Charlie Kent, chairman of the entertainment committee, announced this week that only Hilltop girls will be accepted in the contest and three prizes will be awarded. Judges have not been selected as yet, although Kent, Carl Turner and Harold Fox are members of the committee in charge of the showing.

Prizes for the bathing beauty contest will include a beautiful cup for the winner, a season pass to the Hilltop swimming pool for the runner-up, (donated by Charlie Cruea), and a bathing suit given by the Seiller clothing store for the third prize. Contestants must cut out the coupon printed elsewhere on this page and file their entry with Charlie Kent, Kent's modern market, 2756 Sullivant-av.

Games

Heading the sports committee is Chan Gibson, proprietor of the Sinclair service station located at Eldon-av and W. Broad-st. George Williams, West high school coach has been assisting Gibson in planning the games for the men, women and children and today announced some additions to those already given.

In addition to the greased pig and greased pole climbing contests, hold-overs from last year, there will be candy kiss and peanut scrambles for the children under five years of age. In the junior division, age five to eight, a 30-yard dash and one-legged race is planned for the boys, while the girls will participate in a 25-yard dash and a one-legged contest.

Those children between the ages of nine and 12 will be eligible to compete in a forward and backward running race and a three-legged contest for the girls, while the males will have a crab race and as the main feature, a watermelon eating contest.

Included in the itinerary for the junior boys and girls, those ranging between the ages of 13 and 17, the girls will have a 35-yard dash, one-legged race of 35-yards, while the women will compete in a balloon race, blowing up the article, kicking it a required distance and hoisting it above their heads when finishing the race. Boys in the same class will have a 50-yard sprint and a three-legged race of the same distance, while the men will have an elimination ball game. Climaxing the games will be a married wife relay, with each member running 30 yards.

[illegible] contest, although the prize list has not been announced.

Ohio Leads In Retailers Sales

Leading 26 other states for which figures are available, sales of independent retailers in Ohio for May were 23 6 per cent greater than the same month in 1938, according to reports compiled by the Department of Commerce in Washington, D. C.

Retailers in all the 37 states increased sales in May in comparison with the same month last year, but the Ohio gain of 23.6 per cent was considerably ahead of second-place Indiana which reported an increase of 19.9 per cent.

Other states near the top were South Carolina with 19.1 per cent, Florida with 18.5 per cent, Alabama with 17.8 per cent, and Missouri with 17 per cent.

The Ohio increase was nearly double the national average, 12.5 per cent gain.

In general, the report shows, the East North Central States and the South Atlantic States were areas where retail trade increases were greatest.

A decline of two per cent in manufacturing work brought Ohio's total industrial employment for May to a point slightly below the April level, it is reported by Ohio State university's bureau of business research. The total decline was less than one per cent, however.

Non-manufacturing employment was slightly above April, and construction work was 19 per cent ahead of the previous month.

All types of employment, however, were above May, 1938, the gains amounting to seven per cent for employment, nine per cent for manufacturing, less than one per cent for non-manufacturing and eight per cent for construction.

On a basis of April-to-May, improvement, Columbus presented the best employment picture last month, with an increase of two per cent in total employment, a fractional increase in manufacturing, and five per cent in non-manufacturing.

Cincinnati was the only other chief city to report a total employment increase, amounting to less than one per cent.

Ben Brews Wallop Grove City, 10-3

The expected pitching duel between Woody Owens and "Red" Foster, ace twirlers of the Ben Brew and Grove City nines respectively, failed to materialize last Sunday at Grove City as the Brewmen, with Owens and Denny Payne hitting hard, trounced the Greyhounds 10-3 and thereby threw the leadership in the Heart of Ohio league into a three-team affair.

Foster was blasted from the mound in the sixth frame while Owens scattered 11 blows and coasted to the win. In addition to twirling good ball the winning pitcher bunged out four hits in four trips to the plate while Payne had the same number of hits in five appearances.

The Ben Brew team will play Craven Drugs at Amlin Sunday.

Thousands Witness Local Air Show

A huge crowd, well over the ten thousand mark, but impossible to estimate accurately, was on hand at the Sullivant Airport Sunday afternoon to witness the first annual All-Columbus Air Show.

With citizens from every section of the city in attendance, the participants went through their many performances with Bill Sweet at the microphone describing the show. The principal act on the card was a 10,000 foot parachute jump by Dave Binns, well-known among local chute jumpers.

Card of Thanks

In loving memory of our nephew and grandson, Roland A. Harmer, who was called home a year ago July 9.

A step into the darkness—but he was brave and young.
And far ahead like a beacon, the torch of his hope was flung;
Who knows what wonderful beauty he found in that land afar,
Or how the path of his dreaming swings on from star to star?

A step into the darkness — but light breaks just ahead,
And God gives life eternal to ones that the world calls dead,
And somehow, somewhere smiling,
He looks in the face of truth
And finds in rich fulfillment the dreams of his eager youth!
Sadly missed by aunts, uncles, and grandparents.

In loving memory of Roland A. Harmer who passed away July 9, 1938:
We loved you, yes we loved you
But Jesus loved you more
And he has sweetly called to you
To yonder shining shore.
The golden gates were open
The golden voice said, "Come."
And with farewells unspoken
You calmly entered home.
Sadly missed by parents and brothers

Want Ad Rates

The deadline for want advertising for the Record is Thursday at 9 a. m., and ads will not be accepted after this time.

Ads phoned in may be paid for at cash rate, 10c per line, by paying for them at the office within one week from the issue in which the ad appeared. At the end of that time the ads will be charged at the collection rate, 12c per line, and the collector will call at your home.

All ads not paid for within the week will be charged at the collection rate.

Throughout the ads are several theatre passes with Hilltoppers names whitten on them. You may be one of the lucky persons to receive a free pass.

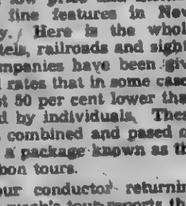
N. Y. Blue Ribbon Tour Popular

The early visitors to the New York world's fair on a blue ribbon all-expense tour have returned all enthused about what they have seen and the fine trip that they have had.

Many of those who have already taken the trip cannot understand how they can be sold at such a low price and include so many fine features in New York City. Here is the whole story—hotels, railroads and sightseeing companies have been given special rates that in some cases are almost 50 per cent lower than those paid by individuals. These low rates combined and passed on to you in a package known as the Blue Ribbon tours.

The tour conductor returning from last week's tour reports that everyone of the passengers were more than pleased with their trip and that there was not one single complaint of any kind. Everything worked out very satisfactorily and the members of the party were all very much enthused about the New York world's fair, and the Lincoln hotel, which is headquarters in New York City.

Holland's Colonies



Though her population is approximately only the same as that of Greater London, Holland ranks as the world's third colonial power, taking precedence after Great Britain and France. The people of the Netherlands number 8,000,000, compared with the 65,000,000 of the Netherlands East Indies. Holland's area of 13,000 square miles is less than a quarter that of Britain. Her colonies have an area of 800,000 square miles.

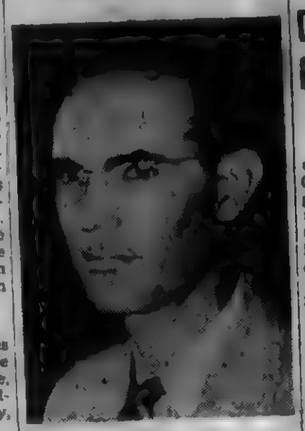
State Hospital Scene Of Softball Tourney

With 32 teams covering eight counties assured of entry, the Central District softball tournament will get under way at the State Hospital diamond Monday, July 31, Commissioner H. S. Anderson announced this week. In conjunction with the district meet there will be an eight-team girls' tournament, all contests to be played under the lights.

Among the men's teams will be 14 from Franklin county and the city, with Ben Brew, George Sunker managing, expected to be the lone entry from the Hilltop. Possibilities were that Kent's Modern Market, pressing leaders in the Hilltop independent league, might file entry blanks.



The contingent from Columbus will be headed by the Ferguson Auditor combine, with Ralph Solt doing the mound duties. The Ferguson team was district champs last year and finished in the runner-up slot in the state meeting. Other well-balanced squads in the tourney from Columbus include Morrey Jewelers with Warren Gerber and the Onized Club with Tefty Schumacher.

Eight Counties

Included in the eight counties to compete in the event will be teams from Union, Delaware, Licking, Fairfield, Pickaway Madison, Fayette and the host county.

NEW DOCTOR

Dr. Lowry

The offices of Dr. W. K. Lowry, formerly located at Ft. Madison, Iowa, are now open at 2528 W. Broad-st, at the northwest corner of W. Broad and N. Terrace-sts, having opened early this week.

A native of Ohio, Dr. Lowry is a graduate of Kirksville college of osteopathy and surgery, and is a member of the American Osteopathics association of Proctology, and the National and District Osteopathic associations. He resided in Alliance for 17 years.

Dr. Lowry has been in general practice and specialized in proctology in Ft. Madison for eight years. He is a nephew of Mrs. L. E. Krauss, 89 N. Powell-av., and he and his wife are now residents of the Hilltop.

Cutting Costs Along The Line

Every mail that comes into a newspaper office the size of this has at least three or four pieces of "free literature" sent out by the government. Larger papers no doubt receive a much larger collection of the material, which nine tenths of the time takes a direct route from the editor's desk to the waste basket.

But now comes a legislator by the name of O'Mahoney who puts through an amendment to the 1940 post office appropriation bill which states that all bureaus and departments will be eliminated from sending such information through the mail free unless such information is requested.

In handling charges alone this should save thousands of dollars yearly. In costs of producing the material there should be still further and greater savings. This is a small step in the right direction of cutting unnecessary government costs. Multiply this by several hundred other similar instances wherein cuts can be made and the budget will be a bit nearer balancing.

The city of Columbus is a budget balancer's nightmare. Financial jugglery involving diversion of sinking fund revenues to other funds over a period of years has resulted in bond refundings and the impairment of the city's credit.

In a vain attempt to dodge a special 1½ mill levy for relief, Council and the Mayor are investigating other sources of revenue. (e.g. issuance of bonds against delinquent taxes and the diversion of motor vehicle license revenue.) The city's general fund is already $700,000 in debt for relief.

The new cut in W.P.A. appropriations will place an additional burden on the budget in the matter of relief.

It will be interesting to note the proposals of the mayoralty candidates in the coming campaign for relieving the city's financial distress. No doubt, political capital will be made of the difficulties confronting the present administration.

The fact remains, that the city doesn't have money with which to operate. Cities all over the country are in the same dilemma. According to a recent government report the country's property valuations have declined by $34,000,000,000. Revenues from this source, on which local governments largely depend, have declined accordingly. At the same time costs of government are ever on the increase. Very shortly, the people of Columbus and elsewhere must face the problem of increased taxation.

Recent suggestions have it, that all is not well between Mayor Green and the Republican organization in the city—that the mayor has been treading the sacred territory belonging exclusively to the party managers.

According to reliable reports, Gessaman emphatically denies the existance of any sort of a feud between himself and the organization men. Said the mayor, "I've always worked for the best interest of the Republican party and I always intend to."

Tennis Tourney Planned

Another event added to the already large program being planned by the Hilltop Business Men's association for their Bean day dinner July 26 is the finals of the Hilltop tennis tournament to be conducted at the Westgate park courts during the afternoon festivities on Bean day.

All pre-final contests in the tourney will be played previous to July 26, and entries for the event must be filed not later than noon Tuesday, July 18. Entries were open Wednesday and the fee for entrance is 50 cents per person. The tournament is open to all amateur tennis players in Columbus and all Hilltop enthusiasts are invited to enter.

Six beautiful trophies, donated by the HBMA will be awarded to winners in five divisions. Among the events on the tourney program are men's singles, men's doubles, women's single, mixed doubles and junior singles. Entrants may file their entrance blanks at Westgate park, Campbell's pharmacy, 2766 W. Broad-st, Melvin's hardware store, 2409 W. Broad-st, or at Kent's modern market, 2756 Sullivant-av. The prizes will be displayed in the store windows of the three business establishments previous to the finals on Bean day.

Correction! Poultry Shop Open Daily

The Broad-Hague poultry shop, 22-24 S. Hague-av, has been open for business for the entire day during the summer months instead of in the morning only as announced in the Record last week, an error on the part of the newspaper staff.

Owned by Howard E. Taft, 2730 Sullivant-av, the store underwent a complete remodeling and painting this spring to assure patrons of complete modern shopping facilities.

The shop is open daily from 8 a. m. to 6 p. m., while on Saturday, it will remain open until 10 p. m.

TOWNSEND CLUB WILL MEET TONIGHT

The regular meeting of Townsend club No. 29 will be held tonight at the IOOF hall, 2366½ W. Broad-st, at 8, with the public invited to attend. C. M. Johnson, president of the club, will be the speaker and refreshments will be served.

Bellar Chosen Delegate; To Present Flag

Arthur J. Bellar, 326 Algonquin-av, commander of Camp Chase post No. 98, American Legion, was named as a delegate to the national convention of the American Legion at a meeting of Legionnaires of the sixth district at Pataskala Sunday. The national convention is set for Sept. 25-28, the site being Chicago.

Named as an alternate to Bellar was D. Clark Finneran, 20 N. Wayne-av, while George M. Ward, 723 S. Roys-av, was named as a member of the credentials committee for the state convention of the legion to be held at Akron Aug. 20 and 21. Ward will represent the sixth district.

Marsh, Slocum Drill

Commander Bellar will present an American flag to the Red Bird Knot Hole gang during special ceremonies at the Columbus baseball club's honoring of the Knot Hole gang at the stadium Saturday afternoon. Kent Marsh and Will Slocum, members of the local post, have been in charge of the drilling of the Knot Hole band which will make its initial appearance at the Saturday afternoon game between the Red Birds and the Kansas City Blues.

A special program has been arranged for the occasion and the flag presentation ceremonies will be held during the intermission between the Red Bird-Blues contest and another baseball contest between two local old timers' teams. Preceding the games at the stadium the Knot Hole gang band and the Camp Chase post drum and bugle corps will parade in downtown areas and the local drum and bugle corps will also appear in ceremonies at the ball park, Commander Bellar said.

Westgate Has Pitching Club

Plans for the organization of a Westgate park horseshoe club were begun this week when 20 prospective members met at the park Tuesday evening to discuss possibilities of better facilities for playing in Westgate.

Heading the group is Fred Wilhelm, 350 S. Warren-av, and he, along with several other men was to call on Charles Seddon, head of the city recreation department, last night in an effort to increase the number of horseshoe courts as well as add lights for night play. Only two courts are now available at the park.

Wilhelm is interested in organizing a team from Hilltop residents to compete with teams from other parks in regular league play. Any person interested in joining the club should get in touch with Wilhelm in the near future.

Names
In The News

Elza Radcliff, 1532 W. Broad-st, reported his home was entered Sunday by breaking a glass in the rear door and a wrist watch valued at $15. was taken.

John Newlon, age 63, 377 S. Warren-av, his wife, Mrs. Zella Newlon, and their daughter, Mrs. Vivian Campbell, 33, were among four persons who were injured Sunday in a highway accident 12 miles west of Pittsburgh. They were reported as being in good condition at Mercy hospital in Pittsburgh.

Reported in "good" condition was John I. Earps, 61, employe of the Columbus State hospital who was hit by the auto of Charles Phipps, 410 Midland-av, in a traffic accident in front of 2293 W. Broad-st, Tuesday night.

MECHEM HAS JULY SUMMER SHOE SALE

The Mechem Shoe Co., located at 2469 W. Broad-st, is celebrating its twelfth anniversary by offering to the public its annual July sale. A complete line of all styles and sizes await Hilltoppers at reduced prices during the sale.

Hilltop Girl Fatally Injured In Accident

Funeral services for Lona Maxine McCabe, 68 Midland-av, fatally injured in a two car head-on collision on the Three C's highway about a mile north of Grove City Sunday afternoon which claimed the lives of five people, were held at 2:30 p. m. Wednesday at the Wylie S. Shroyer chapel with burial in Green Lawn Abbey.

Miss McCabe was with a group of six young people going to a baseball game at Darbyville when the car in which she was riding, driven by Donald Hammond, suddenly swerved into the one driven by W. G. Driscoll, 1371 McKinley-av. Riding with Driscoll were his wife, Mrs. Dollie Driscoll, and their two sons, Joseph, 5-months-old, and Leo, age 4. Mrs. Driscoll and her young son, Joseph, died at St. Carmel hospital following the crash while Leo was treated for minor bruises.

MANAGER

John Kuhn

A graduate of West high school and a resident of the Hilltop, John H. Kuhn, 2267 Sullivant-av, has been added to the staff of the Roan and Hays Insurance agency, it was announced this week by the company. Kuhn will serve as manager of the life, accident and health department of the agency.

For the past eight years an employe of one of the leading insurance companies, Kuhn is well qualified for the position. He will handle all types of insurance but will specialize in the accident field.

WOMEN FILE SUITS

Among the 31 women who filed mandamus suits in common pleas court Wednesday seeking to compel state officials to restore their jobs from which they were fired last Sunday are six Hilltoppers. Included in the local group are Rosemary Hutton, 556 S. Terrace-st; Margaret Albert, 153 S. Hague-av; Margaret Connelly, 129 N. Oakley-av; Mrs. Mary Frank, 1935 Florai-av; Florence Gunning, 215 Algonquin-av; and Dorothy Harlor, 129 N. Chase-av.

Coyle Files Petitions

Averd R. Coyle, 251 Nashoba-av, will file his petitions today at the county board of elections thus definitely placing himself in the race for the office of city auditor. His petitions carry about 5,000 names, the required minimum being 2,314.

Coyle, who is 42 years old, was born on Columbus' west side and has lived in the city all his life. He has been a resident of the Hilltop for 26 years. He graduated from West high school, entered the service of the U. S. army in Apr., 1917, and served in the one hundred thirty-sixth field artillery for the duration of the war.

Coyle gained his first auditing experience when he was employed by the N. Y. Central railroad in 1919.

In 1923 Coyle entered the city auditor's office and served continually in that department until March of this year, when he resigned to become a candidate. He was appointed chief deputy auditor in May, 1925, and worked in that capacity until Jan., 1935, when he was made accountant in the department. He was reappointed chief deputy in 1936 and held that post until his resignation early this year.

He is a past commander of the American legion post No. 82, a member of the "40&8", the Order of the Masons, the Scottish Rite, and the Shrine. He is also past president of the Municipal Employees association, a member of the Buckeye Republican club, the Franklin County War Veterans Republican club, and the thirty-seventh division veterans association.

He is married and has one son. He has previously held no elective office in the city.

Bean Day Plans Nearing Completion

Plans for the second annual Hilltop Bean Day celebration, surpassing last years event with the addition of many new features to the program, are rapidly nearing completion, Ed Melvin, general chairman, said this week. The date set for the huge affair, less than two weeks away, is July 26.

Reports from various committee members show that plans are progressing rapidly and they all add up to a grand and glorious day for Hilltoppers and their families. Most of the business establishments in the Hilltop area have signified intentions to close for the Wednesday afternoon and evening entertainment, with the business men having already planned to be in attendance at the dinner.

Beauty Contest

The beauty contest, with only girls over 16 years of age permitted to take part, will hold the featured position on the afternoon entertainment program. Charlie Kent, chairman of the entertainment committee, announced this week that only Hilltop girls will be accepted in the contest and three prizes will be awarded. Judges have not been selected as yet, although Kent, Carl Turner and Harold Fox are members of the committee in charge of the showing.

Prizes for the bathing beauty contest will include a beautiful cup for the winner, a season pass to the Hilltop swimming pool for the runner-up, (donated by Charlie Cruea), and a bathing suit given by the Seiller clothing store for the third prize. Contestants must cut out the coupon printed elsewhere on this page and file their entry with Charlie Kent, Kent's modern market, 2756 Sullivant-av.

PUBLICITY

Curt Wilcox

Holding down the same position which he directed last year during the many HBMA affairs, Curt Wilcox 2997 Palmetto,av, will again head the publicity for the second annual Bean Day celebration. In private life Curt is the manager of the Hilltop branch of the Ohio National Bank.

Heading the sports committee is Chan Gibson, proprietor of the Sinclair service station located at Eldon-av. and W. Broad-st. George Williams, West high school coach has been assisting Gibson in planning the games for the men, women and children and today announced some additions to those already given.

In addition to the greased pig and greased pole climbing contests, hold-overs from last year, there will be candy kiss and peanut scrambles for the children under five years of age. In the junior division, age five to eight, a 30-yard dash and one-legged race is planned for the boys, while the girls will participate in a 35-yard dash and a one-legged contest.

Those children between the ages of nine and 12 will be eligible to compete in a forward and backward running race and a three-legged contest for the girls, while the males will have a crab race and as the main feature, a watermelon eating contest.

Included in the itinerary for the junior boys and girls, those ranging between the ages of 13 and 17, the girls will have a 35-yard dash, one-legged race of 35-yards, while the women will compete in a balloon race, blowing up the article, kicking it a required distance and hoisting it above their heads when finishing the race. Boys in the same class will have a 50-yard sprint and a three-legged race of the same distance, while the men will have an elimination ball game. Climaxing the games will be a marshmallow relay, with each member running 30 yards.

Prizes for the children's contest, although the prize list has not been announced.

Maccabees To Picnic At Buckeye Lake

The annual picnic outing of the Maccabees will be held at Buckeye lake park, Sunday, under the auspices of the Ohio central association with members from Columbus, Logan, Lancaster, Zanesville, Newark and surrounding cities expected to attend.

A basket supper will be served by those attending at picnic point at 4:30 p. m. while entertainment will be provided by the drill teams. Those from Columbus will include the West Side Junior guards, newly organized unit on the west side; Paragon hive; Regal Tent hive and the Buckeye guards. Grace Fleck will be in charge of the program.

Busses and private cars will leave Maccabee headquarters at 1 p. m., returning from the lake that evening. Entertainment features at the lake will operate at reduced prices to those holding Maccabee tickets being distributed by the committee in charge.

Celebration Is Monday Evening

A mass meeting celebrating the second anniversary of the General Welfare Pension federation will be held Monday at 7.30 p. m. in Goodale park. Among the speakers will be William Bryant, assistant county prosecutor, and Robert Beatty, former state representative, whose subject will be, "A General Review of Old Age Pension Legislation, State and Federal." The public is invited.

Georgiton Purchases Candy Kitchen

Announcement is being made this week of the purchase of the Georgiton Candy Kitchen, 2429 W. Broad-st, by J. Georgiton, proprietor of the Georgiton ice cream co., located at 3397 N. High-st.

Georgiton and Frank Hart, former proprietor of the local shop, were partners in the ice cream and candy business. Hart sold out to his partner. The company is well-known in Columbus for its home-made candies and ice cream.

With the purchase of the candy kitchen, Georgiton announces the addition of a new member to the staff, Miss Jane Reed having been appointed this week. Mrs. Dorothy Watkinson will continue in her present position.

Columbus Athlete Benefit Planned

With contests, games, races, an amateur hour and a vaudeville show featuring Rodney, the magician and his company, on the program, a benefit outing for Frankie Gorman, well-known Columbus athlete and known to many Hilltoppers for his baseball talents while playing at the state hospital diamond, will be held Sunday, July 30, at the Zoo park.

Among the committee members for the benefit party is Joe Lusk, 2008 Fairmont-av. Lusk asks that Hilltoppers attending the benefit bring their baskets for picnic lunches.

Softball Tourney—

(Continued from Page 1.)

Franklin. The tournament is expected to last three weeks with the finals to be played Friday evening, Aug. 18 under the arcs. Two teams from the district contests, the winner and one other organization selected by the commissioner, will be eligible to compete in the state softball meeting to be held in Columbus Aug. 25, 26, and 27 at Red Bird stadium.

In the girls tournament teams from Newark and Lancaster will compete with four outfits from Columbus, including Model Dairy, Wilke Meats, J & K Shoes and Nisley's Shoes. The winner will trek to Elyria Aug 18,19 and 20, to play in the first official girls' state tournament under the auspices of the Ohio Amateur Softball association. Elyria was the site of the men's state gathering last summer.

Tourney Rules

Rules governing the tournament state that teams will be allowed to carry 15 players, with each member required to play at least five games before being eligible for the tournament. Each player must reside in his respective district 30 days prior to the start of the tournament.

Teams must be fully uniformed; pitchers must not wear white or light gray trousers, white shirts or shirts with white sleeves. Catchers must wear masks.

Players are permitted to wear spiked shoes, provided the spikes do not extend over ¾ of an inch and the shoes must have no edges.

AND YOU REMEMBER

When Herb Mettles played left field for Young's Westerns? Herb was also a left-handed pitcher on this club and later played the initial sack for Mettler's club. Now an employe of the Electric Light Co. and a resident of this Hilltop, he knew where to play for each hitter and a strong arm nailed many base-runners at the plate.

Lou Westerhaver, now living in Chicago, was the right fielder. Lou was the clean-up hitter and played first base on numerous occasions.

Elvin N. Lorenz, 182 N Powell-av, has been chosen temporary chairman of Division 691 of the Brotherhood of Locomotive engineers (T. & O. C. men) by the members of that organization. Lorenz has been active in the division for some time.

Girl Nearly Drowns In Water Accident

Carelessness plays a major part in the death toll of the entire United States during the year, and many mischieveous lads are directly responsible for fatal accidents with their thoughtless pranks.

An instance where this was true occurred at Maple Shades swimming pool Wednesday, when Lois Craft, Rome, came near to drowning. A young man, who gave his name as Andrew Blum, 297 Eureka-av, shoved Miss Craft into the water and accidentally she slipped and caught her leg in a ladder.

The pressure was so great that the blood vessels burst in the calves of her leg and she was taken to Dr. Strausbaugh, 2879 W Broad-st for treatment. Quick thinking on the part of those present saved the life of Miss Craft.

A check-up on Blum revealed that he had tried to dodge the fearful results of the accident and that he probably gave pool attendants the wrong address information thereby trying to hide his identity. Pool owners have advised that requests have been made to the young man to stay away from the Hilltop pools, because each report having had trouble with the lad.

Betty (at commencement) — What course did you take this year?

Jane—The classical, of course.

Betty, Why?

Jane—Because I wanted to read Vergil; it starts right.

Betty—How?

Jane—"Arma virumque cano."

Betty—What does that mean?

Jane—Arms, a man and a canoe.

Boogy—Truth is stranger than fiction.

Woogy—Yes, but it is under the disadvantage of seldom being so well expressed.

Noowed—Gee, this horseradish is hot!

Mrs. Noowed—It shouldn't be. It has been in the refrigerator all day.

finals in the Hilltop tennis tourney, sponsored by the HBMA. Cups will be presented to the winners in the five divisions of the tourney and contestants will not be limited to the Hilltop.

Jitterbug Contest

Details for the jitterbug get-together have not been completed as yet, Floyd Green said this week. The contest is planned for Wednesday evening and according to present plans, a professional team of swingsters will present a demonstration preceding the regular dancing fiesta.

The music for the entertainment in the afternoon is still not taken care of. It was planned to have the West high school band and orchestra, but complications interferred and it had to be cancelled. Charlie Freshwater and his band will provide entertainment in the evening.

Dolcini—Is your baby still in rompers?

Palmetto—Well she's still when she sleeps in them.

Ryan Holds Beacon Light Golf Lead

Week-ends call for man to escape from the duties of home and office and members of the Beacon Light golf club are using these same week-ends to hustle over to the Beacon Light course to practice their drives, putts, etc. Although changes are bound to occur in the standings of the club ladder, showing the best scores of club members, D. Ryan held the lead up until today with Lowell Tope and C. Herron holding down the number two and three positions.

Behind Herron was Beryl Taylor, followed by Erv Friend, W. Johnson, C. Brady, Dr. Clem Wolfe, S. Russell, E. Johnson, H. Long and Joe Holdrieth. Sundays finest score saw Erv Friend tour the course with a 74, two over par, while Dibby Deshler, former West high gridiron star, shot the best score in his life to post a 76.

Scores on the same day saw Lowell Tope count a 38 on nine holes while Beryl Taylor duplicated the feat. Monday was a red letter day for Mrs. C. F. Cook as she tallied a 40 on the nine hole round, posting par scores on the third and ninth holes. This was one of the best marks posted among the fair sex this year and also was the best score made by Mrs. Cook during her golfing campaigns.

SPORTS by Woody Owens

Continuing its march towards undisputed possession of the second round title in the Hilltop independent league, Kent's market walloped the Sullivant-av Merchants 8-1, and to Eddie Eberhard, fireball twirler, went the honor of twirling the first no-hit contest on the Hilltop this season.

In other games played in the circuit at Westgate park last Thursday evening Westwood K. of P. shoved Spears funeral into the cellar slot with a 4-1 win on Bill Bonn's three-hit pitching and Corner cafe blanked McDonald lumbes 4-0 with Dick Grant twirling a four-hitter for the winners.

Eberhard was complete master of the situation at all times. In the grocer-merchants affair. He fanned seven batters and in only one frame, the fifth, did he get into any sort of trouble. Ranney, Sullivant third-sacker, walked to open the inning, went to third on a two-base overthrow by the catcher, and counted on a wild pitch. Meanwhile the grocers, with the help of some wildness, counted heavily in the early innings to easily gain the verdict.

Paul Fulton led the Westwood attack in its conquest of Spears with three blows in four trips while the only solid smash off Bonn was a round-tripper by Schlosser.

Double-header night was scheduled to take place in the league last night when two sets of games were on the dock, the first set timed for 5:30 and the second at the regular time. In games carded in the initial set, Kent's was to risk its second round undefeated record against Westwood. McDonald lumber was pitted against the Sullivant-av merchants and Corner cafe was to tangle with Spears.

In number two group, the Sullivant merchants were to play Corner cafe in the feature contest of the evening. Kent's was to tangle the weak Spears ten and Westwood and McDonald were to battle.

John J. Davis, proprietor of the Davis Riding academy, at 2347 Eakin-rd, was sued for damages amounting to $200 in common pleas court Friday by Joe Colanero, 202 Innis-av. Colanero charged his auto was damaged by one of the academy's horses.

Second Hilltop Bean Day Will Attract Many Visitors

Political Slants

By John Hess

THE FIRST ROUND IS NOW ON

There are five candidates for the office of mayor in Columbus. Three will be eliminated in the September primaries. Two will fight it out in the November finals. May the best man win.

So here come the inevitable conjectures.

The Democratic vote will split three ways depending on the strength of the party organization and second on the size of that variable and unpredictable group which will vote for the "best man" regardless of party affiliations.

Ex-councilman John L. Lewis will corall the anti-utility vote. Although he emphasizes the non-partisan character of his campaign, he will pick up other Democratic votes particularly on the West Side. Once before he was a mayoralty candidate and rolled up an impressive total. On the Hilltop, however, he must share his votes with candidate Green.

Mr. Ben Marr has conveniently dulled the edge of Lewis' anti-utility sword with his "magnanimous small consumer light-rate reduction, which he recently offered council.

Herb Daily, who shunned the support of the Democratic organization and denounced Mr. Heer's convention at Memorial Hall already has an impressive list of supporters. Much to Mr. Heer's chagrin, four prominent Democratic Court House officials have lined up with him. He stands on his reputation as an assiduous worker in council.

David Shade, hand-picked by Mr. Heer and O. K'd. by the sham convention will receive a solid organization backing. This is not to be discounted. Yet he will lose many votes he might have had due to the fact that he is an organization candidate and hence under the domination of Mr. Heer. Mr. Shade has been silent to date. His blast will be short and hot.

While Democrats will split their vote three ways, the Republicans will divide only by two. As far as straight party voting is concerned, it is apparent, that the original advantage lies with the two Republican candidates, Myron T. Gessaman (incumbent) and Floyd G[illegible]n.

Mr. Gessaman has somewhat of an advantage in that he has four years survived the rigors of office. He also has metropolitan newspaper support. On the other hand he will be the blunt for viscous attacks. The way the relief problem has been shuttled between mayor and council is proof that he is deeply aware of the political significance of the tax question. He will scrupulously avoid proposing new taxes for relief.

Mr. Gessaman will receive considerable organization support both from the Republican Party proper and the tight little City Hall organization of Service Director Lewis and Deputy Taylor. But the fact that he has antagonized Republican ward healers, because his own organization in the City Hall has taken over the distribution of patronage, cannot be ignored in this connection. For this reason many organization votes will be diverted to the other Republican candidate.

This is the personable Floyd Green, the man with the convincing handshake. Green, also an ex-councilman and previous mayoralty candidate, has taken the business man's approach. First to file his petitions, he is quietly building a substantial following. He will take a large slice of the Hilltop vote. Green is a salesman par excellence. His campaign bears watching.

Rinehart Services Are Held Wednesday

Funeral services were conducted Wednesday for Earnest L. Rinehart, retired carpenter and long-time resident of the Hilltop. He was 77 years of age and had been in business in this section of the city for 15 years. Interment was in Laurel cemetery, Cincinnati.

He is survived by his wife, Mrs. Annie Rinehart, at the residence, 641 Catherine-st; two sons, Alonzo and Earl, and a daughter, Olive Rinehart.

Rev. D. S. Mills, of Avondale United Bretheren church, officiated at the services.

Hauntz, Millikin, Koontz Welch File For Council

As a deadline for filing petitions at the County Board of Elections arrived, three other Hilltop candidates for council officially entered the race.

W. L. Millikin, 53 S. Warren-av, for 12 years a member of council, will seek reelection on the basis of his record in that office.

Millikin was born Sept. 28, 1875 in Madison county. He attended the county school and later the Marysville school. For the past 44 years he has been a resident of Columbus. In 1904 he opened a hardware and has been in the business ever since.

At one time or another affiliated with every civic organization on the Hilltop, Millikin is also a member of the Masons and the K. of P. He has been a director of the First Federal Savings and Loan since the time of its organization. For the past two years he has been president of council.

Koontz Files

Henry A. Koontz, 485 Hiltonia-av, filed his petitions late yesterday afternoon. They carry approximately 3500 signatures. Koontz was a candidate for council once before (1935). He was defeated by only 106 votes.

Koontz was born November 25, 1900, on Columbus' West side. He attended the Avondale and Chicago-av elementary schools and graduated from West high sechool in 1916. In 1922 he took his degree from the College of Pharmacy at Ohio State university. He has been associated with the Mykrantz drug firm since that time. For the past six months he has been manager of the Mykantz store at 2403 W. Broad-st.

Koontz is a member of the Columbus Lodge of Masons (the Scottish Rite), the Phi Delta Chi fraternity, the Buckeye Republican club, and the Young Republican club. For the past five years he has been the director of the West Side Board of Trade. At the present time he is serving his fourth term as ward committeeman of the 10th ward. He is also president of the Tenth Ward Republican club.

Welch Enters Race

Russell Welch, 354 S. Brinker-av, filed his petitions, which contained about 2000 signatures, at the Board of Elections Wednesday morning.

Welch, who is 29 years old, was born at Plain City. In Columbus he attended the Dana-av elementary school and graduated from Central high school in 1928. He attended Ohio State and Franklin universities receiving his A. B. degree from the latter. He graduated from Franklin university law school this past June. At present he is in the realty business with offices at 749 E. Broad-st.

Welch is a member of the Columbus Athletic club, the I.O.O.F., the Columbus Real Estate board, and the Order of Curia (honorary law fraternity).

This campaign is his first experience in city politics. Last year he ran unsuccessfully for state representative.

2200 Names Appear On Council Candidate's Papers

Ray Hauntz, 44 Binns-blvd, filed his petitions yesterday at the county board of elections, thus formally declaring his candidacy for council. Hauntz decided to enter the race only a few weeks ago. His petitions will carry approximately 2,200 names or twice the required 1,158.

His second term as president of the Columbus board of education will expire Dec. 21. He said, that he decided some weeks ago not to to seek reelection to this post.

Hauntz was drafted by Hilltop voters. He had originally expressed a desire to stay out of the race but later consented as a "matter of community spirit".

Hauntz stated his intention of joining the race following a suggestion of the Hilltop Record to that effect recently.

"I'm not running against the other candidates", said Hauntz. "I'm running with them. The more friends I have the more chance I have working with them, if I am elected." Continual bickering in council, he feels, is unnecessary. "If council were run on a business like basis, much could be accomplished", he added.

Born in Columbus

Hauntz was born in Columbus. As a boy he carried newspapers, worked as a night clerk for Postal Telegraph, and at the Columbus Savings and Trust Co. He worked for four years for the Pennsylvania rail road.

After the war, in which he served as sergeant in the 38th Trench Mortar Battery, Hauntz bought out his father's grocery business. He is now proprietor of a thriving business at 2280 W. Broad-st.

Always active in civic affairs, Hauntz has been twice president of the National Retail Grocers association, vice president of the West Side Board of Trade, president of the Hilltop Business Men's association, and president of the Lions club.

The Townsend Club No. 7, will meet July 26, in the VFW Halls, at 2393½ W. Broad-st., with Rev. Rutherford as speaker. There will be music. The public is invited.

Jesse Owens Is Back In Town

Jesse Owens, former Hilltopper and track star, will appear at Red Bird stadium for the second time this evening in a benefit sponsored by the Columbus Urban league. Owens will appear in three track events in addition to a ball game between two colored teams and a bathing beauty contest.

Local Tenor Here For Brief Visit

Robert E. Derringer, local tenor who has gone far in the music world, is visiting his mother Mrs. Lillie Derringer, 304 Nashoba-av, this week.

Derringer will return to New York in about three weeks to prepare for a concert on the famed Town Hall series this fall. His work has brought him in contact with Margaret Speaks and other noted singers in New York.

PARK IS SPEAKER

Joseph A. Park, dean of men at Ohio State university, will address the young people of the Burgess-av United Bretheren Sunday school, Sunday morning as one of a series of special speakers. Dean Park's topic will be: "Education and Its Companion." The school meets at 9 a. m.

Model Home Will Be Open

Formal opening for the Johns-Mansville "triple insulated" demonstration home, 3304 Wicklow-rd will be held starting Sunday, July 23. The home, labeled by its builders as "a housekeepers dream", was built by Ken Dickerson, 3127 W. Broad-st, builder of several Westgate homes. West Side Lumber Co., 3401 W. Broad-st, provided the building materials.

It is a one-floor, five-room home, featuring wood-burning fireplace, asbestos roof, a roomy basement with forced air heating. The living room is 13 by 18 feet and is enlivened by a huge bay. The house is one of several built as demonstration homes in Columbus.

It will be kept open all day and evening of Hilltop Bean Day, Wednesday.

Rieser Services Were Wednesday

Services were held Wednesday at 2 o'clock for Miss Katherine M. Weber, 301 Nashoba-av, secretary-treasurer of the Max H. Reiser Co. for the past 10 years. She died Sunday at the home of her sister, Mrs. Howard E. Warwick, 2923 Johnstown-rd. Interment was in Memorial Burial park.

Westway Post Plans Initiation

Twenty new candidates will be iniated at the next meeting of the Westway post No. 3441, which will take place Sunday at 2 p. m., at post headquarters.

Thursday at 8:30 p. m., the post will entertain the auxilliary, junior auxilliary, junior veterans and their families with a picture show, which will be followed by ice cream.

ALICE PUCKEY BUYS GROCERY BUSINESS

Mrs. Alice Puckey, formerly of 91 S. Wayne-av, has purchased the Day Avenue Market, 2146 Day-av. A line of fresh fruits, vegetables, meats, canned goods and staple grocery items will be handled in the neighborhood store.

Mrs. Puckey has lived on the Hilltop for the past 13 years.

Hilltop Students Plan To Enter Ohio State

A good number of Hilltop students have already registered to enter Ohio State university for the autumn quarter, according to reports from the registrar's office this week.

Kenneth C. Nuzum, 162 N. Burges-av, will enter the college of agriculture. The arts college will have William I. Rich, 166 N. Hague-av, Victor A. Miller, 2032 Doren-av, Betty J. Price, 268 S. Eureka-av, George F. Millay, 639 Racine-av.

Mary L. Miller, 730 S. Terrace-av, Ronald H. Jones, 3014 Oliver-st, and Marie J. Bell, 329 S. Wheatland-av, will enter the college of commerce.

The college of education will claim Byron E. Farwell, 28 N. Ogden-av, Marian L. Dunavent, 71 Clarendon-av, Mary Groves, 28 Midland-av, Perry A. Rector, 69 N. Chase-av, Mary A. Seip, 247 N. Oakley-av, Mary E. Waite, 131 Midland-av, and Claudia M. Adams, 433 S. Warren-av.

Martha L. Nicholson, 151 S. Roys-av, will enter the college of optometry.

The RECORD will be glad to learn of other Hilltop students who may have registered at Ohio State or other colleges for the fall term.

Hilltop Record To Stage Air Propram August First

In line with a radio program composed of a series of salutes of cities within the primary range of WCKY's powerful new transmitter, the Hartley Newspapers will take the airlanes over that radio station in Cincinnati, during the summer, C. Carlton Hartley, publisher announced today. The Fairfield Times, of Lancaster will be the first Hartley paper in the series, and it will share the broadcast Tuesday, Aug. 1, from 10:15 until 10:30 p. m. with The Hilltop Record, Columbus paper.

The second program will be broadcast Thursday, Aug. 10 at the same time, by the Fayette Times, Fayette county, and the Greenfield Daily Times, Highland county. The Hartley newspapers are cooperating with more than 30 other newspapers in central and southern Ohio in the series of city descriptions.

With the inauguration of 50,000 watts power early this month, WCKY became as powerful as any station in the United States. Radio listeners of this vicinity should be able to hear the station with as much clarity as signal as they would if the station were located in this city.

The station first began broadcasting on Sept. 16, 1939, and from the beginning was an associate of the National Broadcasting Company, carrying programs of both the red and blue networks. In July, 1937, the Federal Communications Commission gave WCKY the right to increase power from 5,000 to 10,000 watts.

Like other stations in the Ohio valley, WCKY rendered excellent service during the flood of 1937. All of its facilities were placed at the disposal of the state and city authorities of Ohio, Kentucky and Indiana. Thousands of official flood bulletins were broadcast during the days when the river kept its grip upon the communities along the banks.

WCKY maintains studios and offices in Cincinnati's Hotel Gibson and other studios and offices in the WCKY building in Covington, Ky. The other transmitter is located near Crescent Springs, Ky., on a high bluff overlooking the Ohio river and metropolitan Cincinnati.

Kimball Brothers Inc Have Formal Opening

Formal opening of a new show room for Plymouth and DeSoto cars will be held at Kimball Brothers, Inc., Chase and W. Broad-st, Saturday. The opening of the display space will mark the beginning of a new dealership for these cars on the Hilltop.

A motor parade of new cars will start through the city at 10 a. m. with the show room being opened to the public at the same time with a complete line of new car models. At 9 p. m. there will be music furnished by Harry Martin and his orchestra. Roses will be given free to all ladies attending. At 10:30 there will be a prize drawing for ten prizes. Included in the list of prizes is a $100. certificate on purchase of a new car (without trade), a $50. certificate, Arvin heater, wash and simonize, set of fog lights, set spark plugs, 10 gallons gas and 5 quarts of oil, defroster fan, 10 gallons gas and wash and grease job. Holders of numbers drawn must be present to win. Tickets are being given at the garage.

Sound motion pictures will be presented throughout the evening. Glen Lewis, of the George Byers Co., will act as master of ceremonies. Free demonstration rides will be available all day.

Kimballs were incorporated last week for the sale of two makes of cars. The firm had previously operated as a garage. A complete department to service cars sold will be maintained. A sales staff is being organized.

Scouts Attend Summer Camps

Additional names to be added to the report of Boy Scouts of troop 161 attending Camp Lazarus at the present time, are George Bradford, Tom Crum, Robert Duncan, Dick Finneran, Dean Fox, George Floyd, Nicky Hilton, Ed Jones, Earl Konkler, Bill Lidey, Don Marsh, Gunnar Marsh, Cecil Pilani, Jack Renshaw, Ted Scharenberg, George Strain, Jay Williams and Lewis Womeldorf.

TROOP 45

Troop 45 of the Scouts is spending a week at its cabin at Lancaster. Samuel Morrison is directing camp. Boys attending are Donn Duffey, Bill Jenkins, Dave Smith, Robert Edwards, Stanley Taylor, Wesley Dennis and Gerald Gifford.

$500 IN TAX

Five hundred dollars in sales tax stamps in a gallon bag were brought into the Record office Thursday morning by County Auditor Newton A. Thatcher just to provide material proof of the diligent campaign being carried on by members of the Hilltop Lutheran church.

This $500 represents $16,666 worth of purchases and will net a total of $15.00 to the church. Outstanding was the fact that $142 was represented by one cent stamps. Over half of the total amount was deposited as one, two and three cent denominations.

Free Beans On Hand For All Comers

Westgate park will be the scene of thousands of visitors Wednesday as the Hilltop again plays host to all-comers at its second annual Bean Dinner during the afternoon and evening. Half a ton of beans, barrels of coffee and cartoons of crackers have been provided for the Hilltop's biggest reunion.

Housewives have declared a holiday from the kitchen and husbands will hurry home to a picnic dinner of boiled beans served up in generous portions by members of the committee representing the Hilltop Business Men's association. Practically all stores will be closed from one o'clock as employees are given the opportunity to attend the outing.

Ed Melvin, chairman of the committee in charge, has arranged a huge array of entertaining features. For the kiddies there will be games and contests of every description, sack races, greased pigs, greased poles, merry-go-rounds with prizes galore. The park's new lake will be the scene of minature speed boat races. Finals in a city-wide tennis tournament will be played off in the afternoon and early evening with five trophies at stake. Dance enthusiasts will be given a chance to demonstrate their wares in the "jitterbug" contest.

Charlie Freshwater and his group of entertainers will present a show. Hilltop beauties will pass in review to vie for honors in the beauty contest. Street dancing will provide entertainment for the later evening.

The beans, crackers and coffee will be free to all who attend. Visitors are asked to bring their own service or pay a small fee for the use of utensils furnished. [illegible] had registered in the HBMA tennis tournament that got under way this week with finals to be played off on the afternoon of the picnic. Persons registered in the event can find the time and opponent by calling Chan Gibson at RA. 0318.

The city recreation department has cooperated wholeheartedly with the HBMA in making the tournament possible, thus enabling fans to see some of the fastest tennis play in the city. Courts have been kept in tip-top shape under the direction of Vic Sabo, playground director.

Housewives were asked to stock their shelves in advance of Wednesday afternoon as virtually every business house on the Hilltop is expected to be closed from 1 to 6 p. m. of that day.

Six professional "jitterbug" couples will demonstrate the art of that popular dance at 9 p. m., just prior to the amateur "jitterbug" contest. Music for the "jitterbugs", round and square dancing will be played by Freshwater band from 4:30 to 11:30 p. m.

C. H. "Doc" Campbell, secretary of the HBMA, is offering a separate prize to the person who can identify the 15 different kinds of beans displayed in 15 glass containers in the window of his drug store, 2766 W. Broad-st. This is in addition to the regular "bean guessing" prize.

Cooperating with the the HBMA in sponsoring the Hilltop Bean Dinner are the C. D. Kenny Co., supplying beans; David Davies Packing Co., cooking beans; Andrus-Scofield Co., making coffee; Schilles Bottling Co., soft drinks; Felber Biscuit Co., crackers; and the Word Baking Co., providing the Freshwater band of entertainers.

Omitted from last weeks list of prizes being offered in connection with the bean guessing contest was the Hilltop Plumbing Co., 2333 W. Broad-st. They are offering a rubber drainboard and [illegible] Murphy's Sunoco station, [illegible] gateand Groad, is giving a 2 gallon can of oil. Seventy prizes in all are to be given.

Hilltop girls 16 years of age and over are invited to enter the beauty contest to vie for a beautiful loving cup. A coupon in today's Record is all that is needed to enter. Registration may be left with any HBMA merchant.

Worker

DR. FRED SULZBERGER

Called on to assist with details in arranging the Hilltop Bean Dinner, was Dr. Fred Sulzberger, local optometrist and jeweler at 2417 W. Broad-st. A veteran worker of last year's picnic and almost every other project of the Hilltop Business Men's association in the past, he will be found dishing out beans to the multitudes or scurrying around to a dozen other jobs where help is needed.

Kent's Clinch League

Hoge and Calvary Tie In Church Loop

By Woodie Owens

The second round championship of the Hilltop Independent league went to Kent's Modern Market with five consecutive victories turning the trick. In the second round Kent's behind the one-hit pitching of Eberhard scored three unearned runs to defeat Spear's Funeral Home 3-0.

Westwood K of P defeated McDonald Lumber Co. 6-4. Corner Cafe and Sullivant Avenue Merchants battled to a 6-6 deadlock.

The opening games in the third round of play saw the biggest upset of the current season recorded when Spear's Funeral Home, winner of but one game in the local league, outfought and outscored Corner Cafe, the first round champions, 3-0. Dick Richey hurled a magnificent one-hitter for the Undertakers although the one blow was of the scratch variety and could just as well have been recorded as an error since the fielder had both hands on the ball.

Kent's Modern Market went on their merry way by outlasting Westwood K of P to score a 6-3 triumph. Sullivant Avenue Merchants defeated McDonald Lumber Co. 3-1.

CHURCH LEAGUE

Hoge Memorial went into a tie for first round honors in the West church league by handing previously undefeated Calvary Presbyterian a 3-1 setback.

St. Aloysius defeated Glenwood M. E. in both ends of a twin bill 6-5 and 4-3. Schlosser's long circuit blow decided the second encounter.

I wish to enter the Hilltop Bathing Beauty Contest at Westgate park on July 26, with contestants all residents of the Hilltop.

Leave coupon with any HBMA merchant.

MORE TIME TO ENJOY LIFE - Cook Electrically

Summer is the season that heralds the care-free living — the season of escape to the great outdoors, and so, we welcome the time-releasing advantages of Electric Cookery . . . Just place the food in the oven, set the time and temperature controls, then forget it until time to serve. It will be cooked perfectly, and taste unusually delicious.

Ice Prevents Flavor Taint

Dry cold is the enemy of many a Hilltop housewife. It can ruin an otherwise perfect salad. It sucks out the moisture of the vegetables and fruits and, with it, the savory tastiness. For better, more appetising salads, Hilltop housewives use modern ice refrigeration. They know that this type offers moist cold perfection in salads and other tasty dishes. Many a Hilltop business man has complimented his wife on the rare tastiness of her salads, when dry cold could have ruined a good meal utterly. Housewives who use EUREKA ICE are usually in good standing with the family, particularly at meal time.

Survey Shows Cost Price Houses By The Pound;

"Pound for pound, there is no investment available to most families that is equal in returns or permanency to a new home," declared W. Hayden Jones of the Jones Lumber & Coal Co, commenting on an analysis just completed by the Ohio Association of Retail Lumber Dealers.

For example, said Jones, a new automobile sedan in the low price class costs $850, delivered. Its weight is 3000 pounds, so the new car costs 28 1-3 cents per pound. Similarly, he pointed out, the average 1939 model household electric refrigerator weighs 400 pounds and costs $241.50, or slightly more than 60 cents per pound. A suit of men's cloths costs about $6.25 per pound for its four pounds. But the typical 1939 six-room home costing $5,700 weighs approximately 65 tons. On a pound basis, it is obtained today for a fraction over four cents per pound.

"Even if we forget for the moment the beauty, enduring utility, and the fact that it may be worth 20 years from now more than it is today, a new home actually sells for less per pound than such homely items as sugar or apples or bread," Jones affirmed. "And when you remember," he added, "that its foundation is permanent, its frame of lumber has been generations in the making and will endure for many generations, and its other parts are produced to withstand the ravages of time, weather and hard usage, its low selling cost is still more impressive. Moreover, this low cost is achieved despite the fact that the labor and experience of some of the most skillful workers in the community are required to assemble this material into shape and usefulness."

The survey made by the Ohio Association of Retail Lumber Dealers revealed that a typical six-room frame house weighs as follows.

Rough lumber sheathing, framing, etc, weight $1,700; Interior trim, doors, sash, frames, etc, weight 6,800; Roofing and exterior sheet metal, shingles flashings, spouting, etc, weight 2,600; Miscellaneous iron, columns, sash, etc, weight 200; Masonry, foundation, basement floor, chimney, weight, 50,000; Plumbing, weight, 1,100; Electric fixtures, weight, 150; Heating plant, furnace, risers, grilles, etc, weight, 550; Lath and plaster, weight, 21,000; Paint, weight, 150; Gravel Driveway, weight, 11,000; Miscellaneous, porch floor, drain tile, etc, weight, 4,000.

Total weight, 129,250.

"The values obtainable by the 1939 home builder," suggested Mr. Jones, "probably account for the fact that the value of construction this year is virtually certain to establish a record for the past ten years."

We can always be depended upon to render helpful assistance.

Re-Nu-Ruf Firm Recently Formed

Facilities of the recently organized Re-Nu-Ruf, Inc., 33 N. High-st, have been taxed to supply the public interest aroused by the new method being used by this firm to renew old composition shingle roofs. The firm was organized by two local residents, J. H. Blodgett, 149½ S. Ogden-av, and H. W. Hudson, 149 S. Ogden-av.

This company which has been granted patents on the process was organized a few weeks ago to merchandise and apply the process in this state and from present indications will be pressed to fill its rapidly mounting orders. The process involves recoating and cementing of old roofs after inspections and repairs have been made.

The process has been amply tested and all work is fully guaranteed. The company has already completed many applications to roofs in this vicinity.

Rhodes Files For City Auditor

James A. Rhodes, business man and civic leader filed his petitions today for city auditor.

Rhodes is not new to the voters of Columbus as he led the ticket for the Columbus school board in 1937, and is a member of the finance committee for the past two years. At present he is mayor of University city. He is serving his sixth year as Republican committeeman of the Eleventh ward, is executive secretary of the League of Young Republican clubs of Ohio, and past president of the Young Republican club of the Twelfth Congressional district.

He is chairman of the Red Bird Knot Hole Gang which is the largest of its kind in the United States. He was formerly journal clerk in the house of representatives, and helped on the finance committee of that group.

UNLUCKY

The 13th is always unlucky for someone. Last Thursday, the 13th, Warren Curran, 765 S. Eureka-av, was bitten by a dog. He was taken to Mt. Carmel hospital and was later released.

The previous day his mother had smashed her finger in the lawnmower. Double trouble, it might be called.

Hilliards Fair Is Aug. 16 To 18

Inspired by the success which has attended their efforts over the period of a quarter of a century, officials of the Franklin county agricultural society, are putting forth every move possible to make its 26th annual fair to be held at Hilliards, Aug. 16, 17 and 18, measure up to past traditions, and to set a new high record with numerous and varied attractions that are to be offered.

It has just been announced by President Frank E. Kirkpatrick, that the board among other things to the county exposition plenty of music throughout the fair, and to make this possible will offer two bands each day. The Dublin band has been engaged to play each day, and in addition to this the musical program will be augmented on Wednesday by the Grove City high school band. On Thursday, the Gahanna high school band will be the added attraction, and Friday the 4-H Club band.

has arranged to give the visitors

Baseball Camp To Be Held Here

The annual try-out camp of the Columbus Baseball club will be during the week of Aug. 7 at Red Bird stadium, President A. L. Banister of the Red Birds announced this week. The camp will be held under the direction of Robert L. Finch, vice-president of the St. Louis Cardinal minor league clubs, who will be assisted by Joe Mathes, former major league player who is now a member of the Cardinal's scouting staff.

Boys between the ages of 17 and 23 who believe they have the ability to play professional baseball are invited to attend the camp which will last approximately one week. For the first time candidates will not be required to register until the opening day of the camp. Boys wishing tryouts will merely have to report at Red Bird stadium at 9:00 a. m., on Aug. 7, bringing with them their own shoes, gloves and uniforms.

Remember When

When Vet Karns played the hot-corner for Cap Ansel's young westerns? A regular hawk on ground balls, a fine throwing arm and an excellent man for sacrifice plays made him a much sought player by other clubs. It was not unusual for him to field bunts along the first base line, strange as it seems, and to throw out the runner.

The infield of M. Karns, Cole, Myers and Vet Karns was the best in years around 1908, '09 and '10.

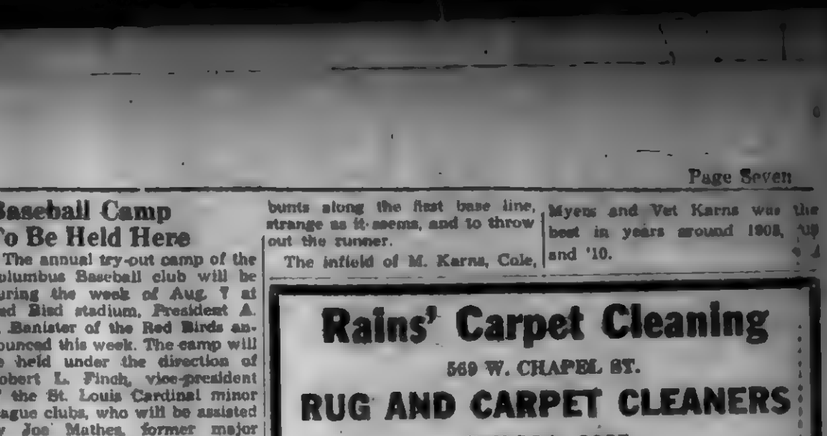
WHAT WOULD YOU CHOOSE

You all have good looks and of course good books
And I hope you have plenty of dough
If you had lots of money would you go where it's sunny
Or stay here in the ice and snow.



If you had a limousine And barrels of gasoline
And a ton and half of gold
If you had time to write All day and all night,
And try to earn money to fold.

What would you choose would that question confuse
What is your pleasure and joy
If you take all that money and go where it's sunny
Many things you'll find of alloy.

I have a few books But I've missed the good looks
And my gold wouldn't take me far
I have good gas and oil But it'll all have to spoil
Because I don't own a car.

I would rather not roam, So I'll stay at home
That pleasure and joy I'll loose
I'll have to write verses And receive all the curses
It will likely drive me to booze.

But I'll make the endeavor And hope for good weather
And a sky that is always blue
I'll be treading thin ice But I'll pay the price
And depend on help from you

Round About The Hilltop

Bathing Beauties

Brand new angle of this year's HBMA Bean Dinner on July 26 as reported previously is the bathing beauty contest. Plans were indefinite on this phase for some time. Seemed that committee members couldn't agree on who was to act as judges.

President Kent was finally awarded the honor of receiving applications for the affair. Entrants, says Kent, "must be at least 16 and not over 90."

Incidentally one half ton of beans will be boiled for the occasion.

Lost in the Fog?

Herb Deems still gets razzed for the time he started for the Michigan game and ended up at West Jefferson, but his face couldn't be any redder than C. C. Hartley's a few days ago. He and his party enroute to Wisconsin fishing waters set out from Dublin, Ohio, intending to go via of Marysville and Kenton. Came out at Delaware.

Camp Notes

Among the doings of lovers of the great outdoors on vacation comes the story of Mrs. P. W. and Mrs. J. A. Rowing in from the middle of the lake they both became practically exhausted. When they arrived at dock (yes, you guessed it) the anchor had never been lifted.

Bill Moore used so much mosquito dope 'tis said, that a hardy specimen settling down on him to give him "the works" promptly gave up the ghost.

One local angler has discovered his own barometer for deciding when the fish are biting. He merely feeds his gold fish. If they dash madly after the particles of food the big ones are biting too, so he goes fishing. But if the gold fish merely look at the food and swim lazily away he puts up rod and reel and stretches out in his easy chair.

Just Notes

Howard "Moon" Gentry, last year's star athlete at West is now a doorman down at the Deshler-Wallick. Herb Alban holds down a similar job at the Fort Hayes. Mrs. Margaret Burnside, 92 N. Powell-av., has a cerus plant that burst forth this week with eight blooms. Agnes Snyder, cashier at the Rivoli theatre, has moved down to the Ritz picture house. "Chatterbox" "Snooky" Dean, is reported shooting some pretty low scores out at Beacon Light course. Don Baily is the possessor of a new "pineapple" haircut. Ralph Deems has been working at the First Federal since school is put. James Hastings has been doing bookkeeping at the Hilltop bank. Ralph Link, West high third baseman, has recovered from a recent illness. Bob Zellars and wife will leave for the New York World fair Sunday morning. The Fourth of July fireworks display, twice postponed by the State hospital, finally went off with a bang. A spark from a skyrocket set off most of the display unexpectedly and most of the works went up with a bang. Sounded like a small war.

The story of Diogenes and his lantern always in search of an honest man was brought up to date recently, scouts report, in the person of Jack "Romance" Abrams. Going the old Greek philosopher one better Jack uses a flashlight.

Gwendolyn "Pitch" Barret, 'tis said, is now wearing bobby pins in his hair.

George McGarvey and Dorothy Fox recently tied the knot.

Bill Foster of Westgate Electric was passing out the cigars last week. The occasion was an 8½ pound baby boy at the Foster residence.

The Ed McGurers returned last week from a weeks' visit to New York and the World's Fair.

Bob Nichols was the winning pitcher in Bass vs Tenor softball game at the annual Hilltop Chorus picnic up the river, last week. The game, won by the deep voiced songsters, terminated very suddenly in the third inning when "call to dinner" was sounded.

Art at Broad-Warren Market, finally came to the other day after a call for a Mr. Smith had been made throughout the store. After the sweet feminine voice at the phone hung up Art yells, "Whoa, that's me!"

One grocer when called this week didn't know there was to be a Bean Dinner. tsk! tsk!

Points On Plumbing Are Suggested

The plumbing of many older homes is obsolete and inefficient, introducing the family to a health menace and at the same time causing dissatisfaction with the home.

Owners of homes which were built 10 or 15 years ago should check the following points in their plumbing systems:

1. Clogged drains needing attention.
2. Leaky faucets requiring washers, tightening, or new parts.
3. Defective flush valves in water closet requiring repairs or replacement.
4. Covering for water pipes or other precautions to prevent freezing.
5. Installing refrigerator drain-pipe and trap to replace pan.
6. Installing additional shut-off cocks and valves.
7. Installing water-heating equipment, water softeners, etc.
8. Replacing worn-out piping with more modern type.
9. Replacing old or worn-out fixtures with newer types.
10. Providing additional bathroom or lavatory and toilet.
11. Providing toilet and shower in basement.

UCA Makes Placement Record

The 12,564 job placements in private industry by the Ohio State employment service division of the bureau of unemployment compensation during May soared totals to a 23-month high mark, bureau officials reported recently. This is 21.6 per cent increase over April and is more than double the number of jobs found for men and women with private enterprises during May, 1938.

Jobs filled in private industry included 6,311 placements of men and 6,283 placements of women, Administrator H. C. Atkinson said. A much larger increase in the private placements of men than women was shown. Placements of men increased 34 per cent above the level for April, while those for women increased only 11 per cent above the previous month's figure.

Employment offices throughout the state made a total of 14,901 placements of all types during May, which brings the total for 1939 up to 49,838 of which 40,801 were with private employers.

Check Radiator Valves Before Fall

If the home owner noticed some of his radiator valves leaking around the stem during the winter months, he should attend to it before the heat is turned on next fall to avoid damage to the floor and, possibly, to the ceiling below the radiator.

The trouble may result from a loose packing nut at the base of the stem or from worn or insufficient packing inside the nut. If tightening the nut and repacking the valve does not stop the drip, new valves should be installed.

Warm weather is the ideal time in which to make repairs to the home heating plant.

Oven 30000 Partake Of Good Time

Once again the lowly bean has had its day!

Once again the Hilltop Business Men's Association has done a job of serving beans to the multitude, in a fashion that could be equalled only by the Hilltop Business Men's Association.

The bean eaters, estimated at between 30,000 and 35,000 consumed some 1000 pounds of beans, had all the crackers and coffee they wanted to go with the meal.

Outstanding individual contest was the beauty event in which first place honors went to Ella Marie Hulls, 16, of 2685 Sullivant-av.

Second place beauty honors went to Miss Juanita Willis, 335 Derrer-rd., and Miss Patty Corder, 40 S. Broadlawn-av., was third.

Other contestants were Thelma Trader, 881 S. Warren-av., Catherine Hulls, 1108 Demorest-rd., Edith M. Evans, 15 N. Chase-av., Jean Swentzel, 40 S. Broadlawn-av., Jerry Layne, 1908 Floral-av., Jean Reeves, 318 N. Warren-av., Jean Calland, 77 N. Wheatland-av., Margery Fox, 2856 Sullivant-av., and Evelyn Townley, 416 S. Wheatland-av.

Judges were Clyde Moore, Ohio State Journal Harry Keys of The Columbus Dispatch and Leland S. McClelland of The Columbus Citizen.

Marian Davis, 42 Brunson-av, won the women's tennis singles championship and Charles Steinman, 240 S. Drexel-av, the men's singles.

The greased pig was finally caught by Floyd Stoll who decided it would be too much trouble to take the pig home and took the $3 instead . . . One chap was disqualified because he tried to climb the greased pole with spiked shoes . . . In the crowd people were losing things frequently, mostly losing people . . . Numerous broadcasts were made for lost youngsters and one boy lost his mother and described her as wearing a blue dress . . .

Junior Carry was winner of the boys one legged race . . . In the girls one legged race a pair of skates was awarded to Betty Lerum . . . Edmund Montgomery was the forward and backward running champion . . . Dick Gordon won the crab race . . . Emma Logan was winner of one of the girls one legged races . . . No one showed up for the man and wife relay race . . . Winners of the watermelon eating contest were Raul Denbow and Wanda Leroy . . .

In a statement to the Record Thursday, E. O. Melvin, chairman of the bean committee stated, "On behalf of the Hilltop Business Men's Association I want to thank all our members and anyone else that contributed in any way to the success of the second annual bean dinner. No finer cooperation could have been expected. It is indeed gratifying to work with such a group of men."

This week's bouquet and an extremely large one, is due Robert Heasenauer, of the city park department for his very fine cooperation in preparing for and assisting with the bean dinner. Association members are loud in the praise of the fine work he has done in this connection and also in the extremely fine program toward the development of Westgate Park.

The Republicans may have control of City Hall but the Democrats managed by Frank Colburn showed the Mayor Gessaman forces that they were no match for local Dems in baseball. Score of the game was Dems., 5, Republicans 4. Harry Reynolds managed the city hall players.

Wayne N. Parsons was the maker of all the coffee served during the day, and it amounted to many, many gallons. Parsons and his firm, the Andrus-Scofield Co., supplied 100 pounds of coffee for the occasion in addition to his services during the afternoon and evening. Many were the comments on its tastyness.

Crackers were supplied by the Feiber Biscuit Co., one half being donated. David Davies cooked huge servings of beans. Starting with 1000 pounds the total amount when cooked was nearly 4000 pounds.

One Killed In Central Auto Crash

A twelve-year-old boy was killed and his father and sister were severly injured in a crash that occured at Central avenue and Broad street Monday morning when the car in which they were riding was hit by fire department inhalator truck making an emergency run to the State hospital.

Robert Dean died in Mt. Carmel hospital early Monday evening as a result of injuries suffered in the crash. Ellsworth Dean, 49, the father, was in critical condition with a skull fracture and Thelma, seventeen-year-old sister of Robert suffered head injuries.

Captain W. J. Davis, Fireman Howard P. Johnson and John O'Reilly, on the emergency car were not injured seriously. Dean is an employee of the Pennsylvania railroad. The Dean family lives at 133 N. Hayden-av.

'39 Franklin Co. Fair To Be Best

Looking forward to the opening of the Franklin county fair to be held at Hilliards, Aug. 16, 17 and 18, officials of the Franklin county agricultural society have formulated plans for the three-day exposition intended to make it the best in the 26 years of the society's history.

Notably among the many attractions to be offered the thousands who will attend, will be the annual night horse show which during the past 12 years has gained the reputation of being one of the best shows of its kind to be held in connection with a county fair in Ohio. As in the past this show will be one of the outstanding features of the fair.

President Kirkpatrick, says that the fair officials have received assurances already that there will be a large field of entries for the show that will include many fine gaited horses that have figured prominently at shows of this character not only in Ohio, but elsewhere, which gives those who will journey to Hilliards every guarantee of some real entertainment.

REUNION SUNDAY

The Butler school reunion will be held Sunday, at the old schoolhouse at Rome. All former pupils and teachers are asked to attend and bring their own baskets. Further information may be obtained by getting in touch with Martha Eberhart, secretary.

Two Are Hurt In Sullivant Auto Crash

Mrs. Martha Sherman, 58, of Camp Chase, Route 5, was seriously hurt and her husband Ira, 53, was injured in an auto collision at Central and Sullivant avenues, Monday.

Mrs. Sherman suffered a possible fracture of her skull, a broken right leg, a dislocation of her right shoulder and scalp lacerations. Her husband was bruised and cut and suffered a back injury. They were in Mt. Carmel hospital.

Police said Millard Jordan, 901 Bellows-av., was the other driver.

Model Home Attracts Many

Between 2000 and 3000 persons visited the John-Manville "triple insulated" demonstration home, 3304 Wicklow-rd, last Sunday when it was opened to the public for the first time. Ken Dickerson, 3127 W. Broad-st, builder of the house, said it would remain open through next Sunday.

The opening was the most widely attended of the three homes opened thus far in the city this summer. It is an exact duplicate of the house featured in McCalls magazine. The house is open each day and evening.

Bicycle Parade Heads Glenwood Program

At 7 o'clock tonight there will be a decorated bicycle parade with two prizes awarded in each division, Miss English and Mr. Charles Seddon, of the city recreation department and Mr. Delman Schenck, district supervisor will act as judges.

Music by Al Abrams and the Wilkin Sisters will be furnished from 6:30 until 7 o'clock tonight.

The schedule for next week in class work and special events follows:

Monday afternoon — Crayonex on muslin scrap book.
Monday evening—WPA Concert, 7:30 to 8:30 o'clock.
Tuesday afternoon — Embrodiery.
Tuesday evening—Peanut night, there will be a peanut guessing game, peanut scramble, a peanut draw starting at 7 o'clock.
Wednesday afternoon—Sewing.
Wednesday evening—Tony Valeria and community sing 6:30 to 8:30 o'clock.
Thursday afternoon — Crayoning for children 4 to 8 years.
Thursday evening—An evening of fun.
Friday afternoon—Library.
Friday evening—Games with prizes.

The tennis and horseshoe tournaments are now being played with playground champions being announced next week.

A treasure hunt was held last Monday for girls with Mary Bentz finding the treasure.

A pet show was held at Holton park, Friday evening. Ribbons were presented the following:

Joe Hutson, Harriet Hutson, Barbara Doyle, James Estell, Bob Baird, Jim Evans, Jean Olpp, Harold and Howard Astell, and Lois Olpp.

Next Friday a peanut hunt will be held at 7 p. m.

Station Owner Routs Bandit

W. R. Sieg, service station owner at Binns and Sullivant avenues, may not be an expert marksman but the five scattered shots from his revolver served sufficiently dangerous to rout an intended holdup of his place Saturday night. A colored man gun in hand, approached Sieg just as he was preparing to close his station and demanded money. Sieg returned the request with a burst of fire from his own gun hastily jerked into action.

The intruder could not face the music and disappeared into the darkness at top speed. Sieg lives at 430 Nashoba-dv.

GOP Picnic At Westgate Is Thursday

Hilltop Republicans and their friends will gather at Westgate Shelterhouse Thursday evening, Aug. 3, for the third annual picnic sponsored by the 11th Ward GOP club. Festivities will begin at 6:30 and continue all evening.

Ice cream, peanuts and lemonade will be furnished by the committee while those attending are asked to bring a covered dish, sandwiches and table service for a pot luck supper. There will be contests for persons of all ages in addition to a baseball game. The evening will also include a community sing. All Republican candidates are invited to attend.

Mrs. Louise Baiser is general chairman of the affair. Mrs. V. C. Frederick is chairman of publicity.

Softball Tourney To Start

The Central District Softball tournament with an entry list consisting of 36 of the outstanding teams in central Ohio opens next Monday night at the State hospital diamonds. The winner of this tournament will represent this district in the state tournament to be held here August 25-26-27. Games will be played every night Monday through Friday.

The softball fans of the Hilltop community will have an opportunity to witness some of the fastest brand of play obtainable in one of the finest lighted night softball parks in the country when these 36 teams battle it out for the district championship.

Because this activity takes place at the Hilltop the Hilltop entry, Kent's Modern Market, will serve as the host team and will be honored by appearing in the opening game opposed by the Columbus Coated Fabric team.

At 7:45 the Camp Chase drum and bugle corps will take the field, under the direction of J. Beller, post commander.

As the Kent aggregation takes the field a floral piece will be presented their captain for the Hilltop Business Men's association by Ella Marie Hulls, bean day beauty queen.

Tonight at 9:15 Kents will meet the Old Landmark Cafe and K. O. K. Cleanser will tangle with Combine-Wilson-Oak, in pre tournament games.

This game will start promptly at 8 o'clock Monday night and should provide plenty of thrills in addition to some very high class ball. Kent's roster contains the names of a number of young men from the hilltop that have made names for themselves in athletics in recent years in Columbus schools; Frank Richey, Ed. Eberhard, Ulmont Dunlop, Herman Mitchell, LaVerne Ankrum, Charles Martin, Rill Kuhn, Charles Alford, Chuck Weigand, Russ Morris, Bud Hall, Hugh Stimson and Chuck Kearney. Richey and Mitchell both made the Columbus Night League All-Star team and Richey entered the hall of fame on Monday of this week in a game with the Owens-Illinois Glass when he poled out two home runs in consecutive times at bat.

Auditors In Second Game

In the second game on Monday night's program the defending district champions, Ferguson's State Auditors with either Ralph Solt or Warren Gerber on the mound, will oppose the Carpenter's Drugs of Delaware which is a team composed principally of athletes from Ohio Weslayan university.

The tournament is scheduled to end on August 18th just one week prior to the start of the State tournament.

There will be at least four girls teams appear in a special girl's tournament and the winner of the girl's district tournament will play in the Girl's State tournament to be held in Elyria August 18-19-20.

Cline Services Held Monday

Funeral services for George Custer Cline, 69, father of the late Detective Robert Cline, who was killed in a west side gun battle with bank robbers following the robbery of the Hilltop Bank Feb. 4, 1938, were conducted Monday. He was a retired locomotive engineer with the Big Four railroad. Death followed a five month illness at his home, 761 Sullivant-av.

Surviving are his wife, Mrs. Hanora Cline; two sons, George B., and Michael A. Cline; three daughters, Mrs. Joseph Reis, Mrs. Donald Harness and Miss Peggy Cline at home, and eight grandchildren.

Work On Highway W[illegible] Get Under Way Soon

MISSIONARY SPEAKS AT SUNSHINE PARK

Mrs. Nettie Soltero, missionary from Mexico, will speak on missions at the Sunshine park shelter house Friday evening. Mr. and Mrs. Soltero are field superintendents of the Pilgrim work in Mexico and have labored 20 years among the Latin American people. Mrs. Soltero will speak especially concerning this field. The public is invited to these services.

2 Lane Concrete Strip To Supplement Road

As part of a long time program for parkway development of heavily traveled highways in the state, state highway director, Colonel Robert S. Beightler, revealed that the long anticipated improvement of the national highway between the Columbus city limits and West Jefferson will soon be realized.

This information was obtained by a committee of the Hilltop Business Men's association composed of chairman Ray Haunts, E. O. Melvin, George Gussler, M. W. Seiller, and C. C. Hartley, who met with the highway director Tuesday afternoon.

Plans which will be completed within the next two weeks will provide for the construction of a 24 foot (2 lane) concrete strip to run north of, and parallel to the present road.

Approximately one foot lower than the old one, the new road will be built at city street level in anticipation of the time, when hte adjacent Broadlawn addition will be brought into the corporation. Thus the problem of sewers for this section will have been solved in advance.

Parkway

Between the old and new road will be a ten foot parkway.

The project further includes the construction of a reinforced concrete bridge over Darby creek approximately 1½ miles east of West Jefferson. To be built at a cost of $198,000 it will be 710 feet in overall length. Two lanes each 26 feet wide will be separated by a four foot division parkway and bordered by a three foot sidewalk on either side. Dangerous curves and grades leading to the old structure will be eliminated.

The total cost of the improvement, which is an alternative to a previous proposal, will be approximately $800,000.

Originally the plan had been to construct an entirely new four lane road at West Jefferson and [illegible] for reasons of economy and in line with long time development plans, it was later decided to build a new two lane road of West Jefferson and at the same time maintain the old road for east going traffic until the time, when replacement will be necessary.

Contracts for the project will be let about the middle of September and actual construction will get under way at that time.

Record Broadcast On Air Next Tuesday Night

A radio salute to the Hilltop will go on the air next Tuesday night from 10:15 to 10:30 when the Hilltop Record sponsors a broadcast from station WCKY, Cincinnati's newest powerful transmitter. Recently increased to 50,000 watts the station is dialed at 1490.

Time of the broadcast will be shared with the Fairfield Times, published by C. Carlton Hartley, owner of the Record. The program will be the first newspaper sponsored broadcast of this series.

Something of the history and scope of the Hilltop will be related during the course of the program. WCKY maintains studios and offices in Cincinnati's Hotel Gibson and other studios and offices in the WCKY building in Covington, Ky.

Building Plans Are Made For Late Summer Building

Building on the Hilltop during recent months has surpassed all other years since the depression, according to real estate men and builders. Recent weeks have brought continued activity along this line.

F. K. Dickerson, owner, has plans completed for building a one-family unit on Huron avenue.

C. B. Barnett, 1863 Sullivant-av, is financing construction of four frame two-family two-family units on North High street.

Elizabeth and Amanda Kilbourne, 341 S. Richardson-av, will have work started at once on the construction of a one-family dwelling at 341-43 S. Richardson-av. L. W. Byerly is the contractor.

Eva M. Royston, 232 [illegible]. Ogden-av, will have work started at once on the construction of a two-family dwelling at 82-86 N. Westmoor-av. E. C. Day is the contractor.

Charlott Schukraft, 95 S. Warren-av, has plans for a one-family dwelling on Roys avenue. The contractor is Orr and Day.

Andy Harrison Builds Most Of His Machinery

Happy, hale and hearty was A. C. "Andy" Harrison when he graduated from West high school in 1923, and today, 16 years later, he is the same genial fellow following 12 years of upholstery repair and furniture work at his shop, located at 523 W. Broad-st.

A Columbus resident all of his life, practically all of that time has been spent on the Hilltop, Andy now resides at 523 Eldon-av. Following his graduation at the old West high school, with high ambitions and time on his hands, Andy entered Ohio State university and spent two years studying mechanical engineering at that institution.

In 1927 he entered the upholstery field and with his winning personality and trade skill has built up one of the finest upholstery shops in the city. Harrison has built practically all of the machinery for his shop including a planer, band-saw, jointer, drill press, lathe, shaper and many more machines that are important to him in his work.

Known as the Harrison Work Shop, it is the only shop in town equipped to handle fully any type of furniture repair, Harrison stated, and went further in showing what he meant. The shop has articles of upholstery repairs and refinishing, and furniture built to order or remodeled, with many of the designs planned by the owner himself. Spray materials are the only kind of painting the modernized shop does, the work thus being made easier and producing a better article when completed.

Seven Employes

Included in the staff employed by Andy are seven people, including his father, Jack Harrison. Others in his employ include Freeman O'Neil, Edgar Bland, Lawrence Bennett, Emmitt Axline Ernest Myers, and George Mitchell, salesman. In the rear of the shop is situated a little overnight room for the employees to use during the rush season, from mid-March until nearly the Fourth of July.

Every regular fellow has a hobby and Andy is no exception. He is no candid cameraman, but he does delight in taking pictures and in a special space situated in the rear of his repair shop has a dark room. Recently he returned from a two weeks visit to the New York World fair with many fine snaps and with the aid of his equipment he was able to enlarge many of the snaps. Accompanying him on the trip was his wife, and the, two of them spent a little of those two-weeks swimming, another hobby of Andy's in the Atlantic Ocean while in New Jersey.

Carlson Rites To Be Today

Burial services will be held this afternoon at 2 o'clock for Mrs. Eva Carlson, wife of John Carlson, 640 Clark-av. Death occured Wednesday following a long illness. She was 55.

Rev. L. S. Wilkes, pastor of the Hilltop Church of Christ, will officiate at the services in Spears' chapel. Burial will be in Memorial burial park.

A native of Ironton, Mrs. Carlson is survived also by one daughter, Mrs. Erma Myers, 1565½ Oak-st; one son, James of Ryan-av; one sister and two grandchildren. She was a member of the Hilltop Church of Christ.

Additional Courts Likely At Westgate

After a conference with Mayor Gessaman Thursday, he assured Russel S. Welch, the spokesman for the committee to secure new horse shoe courts for Westgate Park, that he would immediately check up and get it into the parks and playgrounds P. W. A. grant

It was stated by Welch, that the mayor said he was in sympathy with the proposal and thought that without a doubt, he could arrange for 5 or 6 new courts.

CLUB TO MEET

Townsend club No. 23 will meet this evening at 8 o'clock at the IOOF hall, 2256½ W. Broad-st. Rev. C. R. Thomas will be the speaker.

There will be a box social following the meeting and the ladies will bring food for two. Good music will be provided and all persons are invited to attend.

Kimball's Garage Is Looted Monday

Breaking a rear window in Kimball Brothers Garage, Chase and Broad streets, thieves Monday night looted the place of $30 in money, a money changer and keys to the gasoline pump. Equipment and other accessories in the place of business were not disturbed.

Owners of the business expressed their appreciation for the large attendance at their opening as DeSoto and Plymouth dealers last Saturday.

HOGE CHOIR HAS PARTY

Hoge Memorial choir will have a party at shelter house No. 3, Riverside park, tonight at 6 o'clock. Please bring your own table service.

Little Lines Have Big Pull Customer Says

Proof of the pulling power of "little ads" was amply demonstrated to Mr. Forgrave, 67 S. Harris-av, this week when 25 people responded to a four-line ad in the classified section of last week's RECORD. The ad offered a bedroom suite, studio couch and other items for sale all of which were disposed of at a price satisfactory to both buyer and seller.

The previous week a Hilltop merchant had 12 written replys to an ad wanting a girl for clerical work.

Such results are not unusual among the 200 and more users of RECORD classified space each week. Get the habit of shopping the classifieds and then when you have a need for similar services call RA. 1125 or RA. 1126 and ask for an ad taker.

NO DRYING OUT OF FOODS WITH ICE
Moist cold, produced only with natural ice, is the only answer to the problem of food drying through mechanical refrigeration. Dry cold is as bad as no cold at all, for it causes loss in weight, shrinkage and wilting of foods. Hilltop housewives have found that in order to retain all the savory flavor of foods, the use of ice refrigeration is necessary.

TIRES

I am going to need some tires
We hear the driver say
Sales are too high for him to buy
Cos he don't have much to pay.

But my friend you should consider
Just who will back the sale
And not the dime you save this time
If you order through the mail

Your time to you means money
And you I would not scare
If you buy cheap they'll make you weep
When they do not hold the air.

Who will make the tire adjustment
If your tires should ever fail
There is no boss to explain your loss
If you order through the mail.

You'll get just what you pay for
Those cheap goods may go stale
Don't kid yourself that you're saving pelf
When you order through the mail.

If you buy your tires from Pure Oil
They'll guarantee each sale
They're on hand at your command
And honesty will prevail.

Lewis Likes Books; Favors Gas Fight

Editor's Note: This is the first in a series of interviews with candidates for municipal offices.

John M. Lewis

By John Hess

In a small office in the rear of 33 N. High-st overlooking the City hall and the sumptuous office of the mayor to which he aspires, John M. Lewis takes care of his law practice. On crowded shelves tucked between impressive volumes of codified law one finds well worn editions of Emerson's Essays, Fielding's Tom Jones, and Plinney's Letters. For Mr. Lewis is a scholar as well as a lawyer.

Mr. Lewis, who for the second time in eight years is a candidate for mayor of the city of Columbus, was born in Granville, O., Nov. 13, 1875. He attended the public schools there and later Denison university. He was later awarded the Phi Beta Kappa key for excellency of scholarship.

While teaching Greek at Central university (Iowa), Lewis studied law. He was admitted to the Iowa bar in 1899 and later (1899) to the Ohio Bar. For 40 years he has been an active member of the Franklin County Bar Association.

From 1934 to 1936 Lewis was in Council. Here he began his much publicized gas fight. He has long been characterized as a "utility baiter". "This is not the case at all," says Mr. Lewis, "all I ask is a fair price." Characterizing the state utility laws as a "hodge podge of inconsistencies", he emphasizes the need for a drastic overhauling.

Lewis ardently defends the city's prolonged fight in the gas case. He points out, that $800,000 to $1,000,000 a year has been saved the consumer by the city's persistence—a total of $12 to $15,000,000 over a 15 year period—at a cost to the city of only $500,000—all of which adds up for Mr. Lewis to a "good investment".

Asked whether or not the state utility commission was in a position to demand and get fair rates for Columbus, he replied, that a client (in this case the city) must pick counsel in which he can place confidence. Not caring to pass an opinion on the present utility commission, Mr. Lewis pointed out, that in the past the commissions have been known to be utility controlled.

Likes Municipal Power

Mr. Lewis heartily favors the extension of the municipal light plant. He characterizes the power business as "exceedingly profitable" as evidenced by a 20 to 1 spread between cost of production and sale price. "If the utilities were smart," he added, "they would reduce rates and sell more current."

Mr. Lewis opposes the present method of collecting the sewer taxes. He feels, that these taxes should be taken into the general fund instead of being handled separately. The money saved by doing away with the present collection office and its unnecessary duplication of function would be quite a sizable item.

In addition, Lewis contends, that the present administration is using traffic arrests to produce revenue. "This," he said is a repulsive thing. Such arrests should be made solely with an eye to safety."

Questioned on the relief problem and the need for increased taxation, he made the following comments:

"On the assumption that the depression would be temporary, my idea in the past has been to issue bonds against the future to take care of the relief burden. In better times the relief load would be greatly lessened and these bonds could easily be paid off from current revenue.

"If I am elected mayor, he added, "my first job would be to see what it actually costs to run the city government. In view of the fact that the city is receiving considerably more money in taxes than it did when I was in council, it should be able to take care of its relief load without additional taxes."

St. Aloysius Parish To Have Lawn Fete

The St. Aloysius Parish are making plans for the lawn party to be held on the school grounds Aug. 16 and 17. They are planning on having various stands, a fish pond and other outdoor games. Refreshments will be served both evenings.

Mrs. Marie Woodland and Mrs. John Riepenhoff are chairmen in charge of the lawn party. Other chairmen of the stands and games are Mrs. Louise Mack, and Mrs. Doane Morgan. In charge of the cake stand, Miss Myra Hecox and Miss Grace Price. Gift stand, Paul Gulick, Edward Slattery, Louis Mack and Thomas Mahley, Mrs. Michael Wellnitz and the Christian mothers are assisting at the sugar stand. Mr. and Mrs. Cecil Blackburn and the young people of the parish are in charge of the fish pond. Mesdames John Riepenhoff, Mary Doherty and Charles Moss, ice cream and cake. Mr. Leo Vogel and John Riepenhoff will be in charge of the pop stand.

Games will be under the direction of Mr. and Mrs. Frank Colburn, Larry Scales, Dan Cronin, William Higgins, Clark Finneran, Pat Scales, Fred Klueg, Francis Scales, Bernard Lawler.

Round About The Hilltop

Here and There

Bob and Bill Ferguson had to flip a coin to see who would be the wife of Mr. and Mrs. Willahe Dubb couple at the Wyandotte club man and wife golf tournament. Bob won—or lost.

According to one local lad there's a very "beautiful" visitor at the Bill Monaghan residence. The brothers Bob and Brough Richey are keeping house now that their parents are touring the west. Dog cellars are the latest in making a sporty looking belt. Evelyn Griffith, 3045 Palmetto-st, is convalescing after a tonsilectomy performed Monday evening.

Sullivant-av has taken on new light since the installation of Duke Lauer's new sign at Ogden. Jim Allen, of the Eskind Allens, has a pet duck. Johnny Camp, 168 S. Terrace-st, and Joe Havranek, 316 S. Richardson-av, returned recently from a hitch-hiking expedition to New York and the World's Fair. While there visited Empire State Building, Radio City, Rockefeller Center, West Point and other places of interest. "Go if you can," is their advice to anyone contemplating a visit to the fair.

Campaign

A group of inmates at the State hospital were gathered around a speaker a few days ago. In his hand the speaker held a petition for one of the municipal candidates which contained a long list of the inmates signatures.

A bystander attracted by the group asked the speaker what the signatures were for and when he found out said, "But what good are these men's signatures? None of them can vote."

Said the speaker, "I know that but some one has to sign this petition."

Hilltoppers Join Summer Theatre

Former actors of the Drama studio at Ohio State university, have organized under the name of "The Towne Players". They have chosen the new Worthington school auditorium as the location for this community theatre.

The original cast of "Pygmalion", the dedicatory play at Drama studio, will open on Saturday. Two other plays of the season will be "Yes, My Darling Daughter," by Mark Reed, on August 19, and Private Lives," by Noel Coward, on September 2.

Herman A. Miller, is the director of dramatics, of this group. Marian Palmer, 2574½ Sullivant-av, will take part in all the plays, and Ed Dawson, 320 Binns-blvd, is working on the technical staff.

Admission will be by season ticket on sale at Heatons' Varsity drug and Long's "Village drug store", in Worthington. All seats are reserved.

Albert Scales and Francis Lawler Mr. Charles Martin, Mrs. Dennis McGonagle and Mrs. Clayton Cain will be in charge of the special tickets. Electrical work will be under the direction of Mark Eben, Toney Eastenward, John Grooms and John Wolfe.

The Christian Mothers and the Mothers club will also take an active part.

New York City is busy driving out bookmakers operating from New Jersey by recent parimutuel law.

OBITUARIES

LORA CAIN, 2045 W. Broad-st widow of Lysander D., and mother of late H. Clayton Cain, Saturday, age 85. Survived by Mrs. William Hielman; nieces and nephews. Funeral was held Monday, interment, Plymouth, Ohio.

MAMIE E. WATERS, 615 S. Harris-av. Survived by a son Earl E. Waters; daughter, Wanetia Mangans; brother, Charles G. Kold; sister, Mrs. Adelyn Butler. Services were held in Spears' chapel, Monday.

DAVID L. DICKERSON, Mt. Sterling, O., died at the home of his daughter, 185 S. Eureka-av, Monday. He is survived by one daughter, Mrs. Lydia Yost; one son, Fred C. Dickerson; one sister, Mrs. Emma Thomas; one brother, Edward Dickerson; one grandson. Funeral was held Wednesday at the Wylie S. Shroyer as chief deputy auditor to his credit, which has given him a deep insight into the peculiar problems of the department, there is no one in the city better qualified for the position than Mr. Coyle.

TECHNICAL U. S.

There is one municipal office in particular where political experience should be disregarded and where technical ability should be the primary consideration in choosing a candidate. This is the office of city auditor.

Avard R. (Chub) Coyle, 251 Nashoba-av, is seeking election to this post. Considering the fact that he has 18 years experience

Comfort, Convenience, Dignity and Sympathetic Understanding have become our sincere motto.

By C. C. Hartley

A BRILLIANT STATEMENT MR. SCHNEIDER ????

Mr. William Schneider, Hilltopper, is chairman of the county Republican organization. He is a politician. He is called upon, from time to time, to make public statements. Sometimes he makes public statements whether called upon or not. These statements are seldom newsworthy, but are sometimes too often published.

Politicians are always making statements that sound profound. Most of them are not. Politicians are always making statements that sound true. Most of them are neither true or false. They're just groups of words that make people think something is true or false.

Mr. Schneider has made such statements.

But Mr. Schneider is no dullard. Every once in a while he turns out a brilliant statement, in simple, refined english, that reflects deep and honest meditation. Here is a man who every once in a while sheds the sloppy garments of politics and dons the shining raiment of statesmanship.

Last Sunday, for instance. With solemnity that shocked, he issued a single remark, among a bit of other verbosity, that struck the iron chord of honesty with a strong and resounding stroke. Said Mr. Schneider: " . . . . No one consistently can be against the progress of a civic-minded man who is qualified for the position he seeks . . . "

Politicians sometimes aren't as smart as long as they talk. That is, some politicians talk too much.

But that's neither here nor there. Let's get back to Mr. Schneider's dazzling statement. " . . . and Mr. Rhodes (Jim)," Mr. Schneider continues, "is qualified for the position of city auditor."

Politicians sometimes are smarter than the length of their statements. That is, sometimes they don't talk long enough. But that's neither here nor there. We'd go back to Mr. Schneider's statement, but there isn't any more. He just left it for all and sundry to guess that he thought Jim Rhodes, who used to run a restaurant and who clears a meeting, suit in a sales tax agency each month, is better qualified for the position of city auditor than Mr. Chub Coyle, who worked in that office for 17 years, but who hasn't organized a knothole gang or doesn't run the only sales tax agency in the city permitted to make a clear profit for a private citizen.

AUG. 21 IS DEADLINE TO REGISTER

With 20 men and one woman in the race for council seats, with five men raring to go for that certain luxurious desk in the city hall, and with a wealth of candidates in line for other elective offices, the coming municipal campaign will prove more than interesting.

In order that you won't miss any of the exitement, we urge you once again to register before it is too late.

If you have changed your place of residence since the last election or if two general elections have gone by since you last voted, you must register on or before Aug. 21 at the County Board of Elections 214½ S. High-st. or you may not vote.

Camp Chase Post Holds Outdoor Meet

The annual outdoor meeting of the Camp Chase Post No. 96, American Legion, will be held tonight at 8:15 p. m., at the home of Tom Lewis, 474 Wilson-rd. The auxiliary will hold its meeting at the post headquarters.

The local post of the American Legion will be host to the Sixth district conference this fall, D. C. Finneran having been named chairman of the committee in charge of the meeting.

Plans have been finished to defray the cost of the drum and bugle corps to the state convention in Akron late this month and the corps will attend the conclave. It is expected that nearly 50 members of the post will attend the convention.

Hilltop Men Robbed of $47

Two Hilltop men were the victims of hold-up men at their homes early Wednesday with the sum total lost by them amounting to $47, according to police records.

Harry Fielder, 2108 Sullivant-av, suffered the heaviest loss when he was robbed of $42 as he entered his home after he had put his auto in the garage. He did not know whether the robber was armed or not.

William Harrington, 284 S. Oakley-av, was robbed of $5 as he left his home. The robber, a Negro youth, used a knife to gain his objective.

Armbrust Has Fight Stable

Announcement is made this week by Lou Armbrust, 337 Eldon-av, that he and Richard Dusenberry, 182 S. Harris-av, well-known in local fighting circles, are taking over the management of several Hilltop and Columbus boys. The local boys have been boxing frequently at the St. Mary Magdalene boxing shows.

Among those boys who will be under the management of Armbrust are the Carpenter brothers, Earl and Mel, 35 N. Huron-av; Farmer Young, Jack King, 986 Harrisburg-pk; Rudy Huffman, 175 Weber-rd; Gene Manners, 85 Frambes-av; Curt Graves and Young Jenkins, all of whom have had ring experience.

Earl Carper, 126 pounds, will be the first member of the local fighting stable to perform, Armbrust having signed him for a match Monday at Haft's Acre. King and Graves are former division champions of the Ohio National Guard, the former in the welterweight class and the latter in the middleweight.

Dusenberry will serve as trainer of the stable. He formerly held three titles in the ONG for three years, featherweight, lightweight and welterweight. Both Armbrust and Dusenberry have been in the fighting business for several years.

4-H Clubs Have 800 Fair Exhibits

In recognition of the valued service that has been rendered by the boys and girls 4-H Clubs of the county in building up the Franklin county fair to its present high standard, the officials of the Franklin county agricultural society are giving greater consideration to these future farmers and farm women in encouraging their participation in this year's fair at Hilliards, Aug. 16, 17 and 18.

In this connection, the fair board has created a group to be known as the Junior 4-H Club superintendents, who will be responsible to the general superintendent in charge of exhibits of the clubs at the fair.

County agent, J. E. Whonsetler states that the 4-H Clubs will have more than 800 exhibits at Hilliards, and that the members of these clubs are working to excell any previous exhibits that have been offered by the clubs.

The 4-H Club Band will furnish music at the fair on Friday.

A graduate of West high school and a former student at Ohio State university, Lieut. Curtis K. Allen, 58 Binns-blvd, has been appointed to one year's active duty with the regular army and is now stationed at the Madison Barracks, New York. Allen has completed the military course at the university along with three years of study in the college of engineering.

Spears In Second Upset Win

By WOODY OWENS

The Spears Funeral Home, vastly improved over early season encounters, continued to upset the dope in the Hilltop Independent league Thursday evening at Westgate Park and walloped Kent's Modern Market 2-0 in the feature contest with Ritchey twirling four-hit ball for the winners.

A week previous to this upset, the Spears outfit had whipped Corner Cafe with Ritchey turning in another marvelous job on the mound. The Cafemen grabbed the first round title and the Grocers captured the second round flag, Spears finishing in the lower bracket in each case.

The rejuvenated Sullivant-av Merchants continued in the undefeated class by nosing out Corner Cafe 6-5 when Price, Merchants twirler, smashed a four-bagger to decide the issue. In the other game McDonald Lumber took a free-hitting contest from Westwood E. of P. by a 13-9 count.

Hoge Wins

Hoge Memorial nosed out a surprisingly strong Glenwood M. E. team 3-2, with "Smoke" Dolby's double with the bases loaded in the first being the margin of victory. The win was the fifth straight for the Hogemen in the second round in the West Church league No. 1 played at Westgate Park Monday night.

In the second contest Calvary Presbyterian, with Clyde Martin allowing only two safe blows, trounced St. Aloysius 9-1. Calvary has lost only one decision in the second round, St. Aloysius has won but one game and Glenwood has yet to win a decision this round.

Eleven Straight

In the West church league No. 2 feature game played Monday night on the McKinley diamonds, West Park M. E. won its eleventh straight game by easily disposing of Hoge Memorial No. 2 to protect its victory string. In the other contests Avondale U. B. shutout Hilltop C. of C. 10-0 and Hillcrest Baptist defeated Highland-av Friends by an 8-2 score.

Smith Rites Held Wed.

Funeral rites for Clarence M. Smith, 66, a retired state employee who died in Mt. Carmel hospital Monday following a cerebral hemorrhage suffered a wek ago after an operation, were held Wednesday at 2 p. m. at the West Park M. E. church with Rev. I. P. Day officiating. Burial was made in Green Lawn cemetery by Wylie S. Shroyer.

A charter member of the West Park Methodist church, Smith had been a teacher in its Sunday School since its organization, and formerly, for 30 years had served as church treasurer. He resided at 558 Woodbury-av.

After having been asociated with both the secretary of state's office and the state auditor's office, Smith retired from active service 13 years ago.

Surviving him are six sons and two daughters, Dr. Fredrick Smith of Urbana, Allyne H. of 721 Wiltshire-rd, Clarence M. jr., of 621 Chestershire-rd and Miss Marquerite M. Smith of the home, all of whome are connected with the G. Fredrick Smith Chemical Co.; Ralph E. of 435 Columbian-av, Stanley P. of 120 Dakota-av, Dr. Ivas Smith of Youngstown, and Miss Grace E. Smith, of the home, a teacher at the John Burroughs school. Eighteen grandchildren, a brother and three sisters also survive him.

22 More Hilltop Students Register At Ohio State

Among the recent Hilltoppers principally West high school grads, who have registered for the fall quarter at Ohio State university are 22 more West side students, according to reports received from the ofice of the registrar this week.

Entering the college of commerce and administration is James A. Meehan, 2676 Sullivant-av, while six others, including Ruth M. Saxby, 46 Midland-av; Aileen H. Brown, 96 Terrace-av, Katherine E. Miller, 594 Clark-av; Albert L. Sindell, 87 Eldon-av; Clarence A. Boyd, 75 Midland-av, and Frank D. Moorehead, 2533 Sutton-av.

The registrar's office reports that registration is sever per cent above that of last year and indications are that a record will be established in the freshman class total this year. To date 38 Hilltoppers have registered at the university

West High Grid Stars Have Job Variety

'Twont be long now 'till the shoe hits the pigskin, the quarter barks the signals and the crowds swarm into the stadia, all denoting the return of the fall weather and with it the one and only fall sport — football.

Out at the Buckaroo stronghold on Powell-av, where West high football headquarters are situated the local high school mentor, George Williams is preparing for a strenuous nine-game schedule. And although his charges haven't begun play on the gridiron, won't until late this month, the genial coach is concentrating on his line-ups of the past, his football equipment and his facilities.

The stadium turf is in perfect condition, Coach Williams asserts, even the practice field showing a nice top layer of a football players haven when hit by a burly tackler. But the Buckaroo footballers haven't begun to practice, in fact won't until after the first call set for Saturday, August 19, in the school gym. Still they're thinking about the pigskin season in the many jobs and other forms of vacations which they are doing.

What They're Doing

Warren Carter, last year back, is doing odd jobs; Paul Rogers, another back, is employed at the Westmont Theatre; Jack Carpenter, end, is a photographer's aid; Ned Bell, Bill Mack, and Bill Hart are cavorting on the diamond this summer; Jack Frederick, Bill Garms and Earl Webb, up quite a few pounds, just taking it easy.

Coach Williams asks all boys interested in playing football at West high school this year to report to the gymnasium Saturday, Aug. 19 at 1:30 p. m. A short meeting will be held at that time.

Rus Alban, center, recently returned from a CMTC camp; Tom Scoles, ineligible last year, driving truck for pop; Bob Colmery and Frank Blackstone, recently returned from an eastern trip; Jim Smith, just returned from National Guard camp; Les Brandeburg and Don Mathews, working on farms; Keith Williams, caddying at Columbus Country club, and Les Westerman, honking his trumpet in an orchestra.

Model Interest High Among Hilltop Boys

A hobby which is rapidly becoming equal to other extra-curricular activities in American communities, especially among the junior and senior high school populace, is that of model airplane building, and the Hilltop is no different from other places in this respect.

Many local stores sell equipment for this interesting but somewhat expensive hobby, among them being Gearhart's Hardware store, Broad-Hague Hardware store, Campbell's Pharmacy and many others. Heading the model interest at the former establishment is Jack Boyer, a Central high school graduate with the class of 1935.

Jack has been employed at the Hilltop store for nearly 10 years and until a year ago his spare time was spent with plain models. With the coming of the gas model and its subsequent popularity among model builders he has begun work on a "gas job" of his own.

Although no organization locally exists among these boys all are members of the National Aeronautic association and each has his own license. Among the better known Hilltop boys who have gained recognition for their work on models are Albert Spencer, Don Planck, Kenneth Kerns, Dick DeWitt, Rex Jones, Louis Knauer and Don Reagan. The boys spend many hours of their leisure time at the Sullivant Avenue airport testing their models and are frequently contestants in the many model plane contests held at the Columbus airport.

Townsend Club To Meet Tuesday

Townsend Club No. 7 will meet at 2393½ W. Broad-st Tuesday evening, Aug. 8, at 7:30. Carl M. Killmer will be the principal speaker. All members are requested to be present. Music and refreshments have been planned and the public is invited.

Dog Gone!

Beanie, the dog what was to have been honored at the Hilltop Bean Dinner last week, failed to receive such honors when he took sick the day before the dinner. And early this week Beanie up and died. Beanie was owned by the proprietor of the Alvareen Gift Shop, 2457 W. Broad-st, and was so named after he followed her home from last year's bean dinner.

Brooklyn magistrate rules that calling your wife names is only disorderly if you do it in public. In private, it is merely dangerous.

Hilltoppers Attend Training Camp

Following a month of military training at the Citizen's Military Training Camp at Fort Benjamin Harrison, Ind., the following boys returned home Wednesday. All are West high school students.

George Blackmore, Jack Russell, David Marx, James Ogdin, Jack Thompson, Robert Myers, Bill Jackson, Victor Rudolph, Dan Derringer, Robert Durfey, David Chester, Pat Patterson, Robert Montrose and Robert Thomas.

New Building Planned

Plans for the construction of a new one-story, concrete block building on a recently purchased lot on Sullivant-av, between Highland and Wheatland-avs, was announced this week by the Farmers Produce Co., retail and wholesale poultry dealers.

The new building, to be modern in every respect, will have an air-conditioning system and the latest in sanitary equipment, Fred Beckman, 783 Ann-st, co-owner with Harry Beckman, 998 Lockburne-av, said this week. According to present plans the retail business of the firm will be operated from the new location, which is expected to be completed in about three months.

The present quarters of the company, located at 198 E. Walnut-st, will be continued for the purpose of conducting wholesale operations, it was asserted by Fred Beckman. The firm supplies restaurants, hotels and stores with produce at wholesale throughout Ohio, Kentucky and Indiana.

Storage Garage

Work has begun on the construction of a one-story, concrete block storage and garage building at 426 S. Central-av for J. E. Phillips, 2714 Sullivant-av. Architect on the project is Edwin E. Pruitt, 170 E. State-st.

Mr. Phillips, it was said, is building the structure for the purpose of engaging in the general freight storage business.

Male Quartet To Present Services

The Male Quartet of the William Jennings Bryan university of Dayton, Tenn., will present special services Sunday at 7:45 p. m., at the Memorial Baptist church, 26 S. Sandusky-st. The public is invited to the services.

MacDonald Gives Church Program

Sunday, Aug 6, Don Falkenberg jr., will preach the sermon, while communion services will be in charge of E. Ray Evans, chairman of the board of deacons. J. L. Dean, 244 Eldon-av, will deliver the message the following week. Rev. George Riggs, a missionary from Puerto Rico will be in the pulpit on Sunday, Aug. 20 while the last Sunday in August will be featured by a combined service with the Sunday school assembly and the worship service in charge of the Men's Bible class.

Prayer meetings will be held each week, Wednesday evening at 7:30 p. m., in the prayer room, with the following schedule: August 2nd, L. C. F. Class in charge. August 9th, Dr. Paul Judson Norris, State Secretary from Granville conducting the service., August 16, Men's Class in charge, August 23, Keystone Bible Class in charge, August 30th, B. and B. Class in charge.

$25 WATCH STOLEN

A watch valued at $25 was stolen from the home of C. B. Jones, 182 N. Oakley-av, Saturday, and the same day patrolman Fred Kern arrested the thief; a ten-year-old boy, Donald Kegley, from Portsmouth, who walked out of the bureau of juvenile research Saturday clad only in a night shirt. Patrolman Kern found the boy walking along the railroad tracks in Central-av and returned him to the bureau.

Kent's Win Opener; Play Next Friday

Victorious in the opening contest in the Central District softball tournament which opened Monday night at the State Hospital field, Kent's Modern Market, the Hilltop entry, will oppose the Hedgecock Decorators of Westerville in a second round contest next Friday evening.

The Hedgecock ten gained the second bracket by virtue of an easy 15-9 victory over Lilley-Ames in a poorly played game. The former outfit committed three errors and the losers were charged with nine miscues.

Win In Eighth

Kent's gained the second round position by coming from behind in the eighth inning to count five times and edge the Col. Coated Fabrics combine by a 6-5 margin. For seven rounds it was a pitchers' duel between Charlie Cash of the Fabrics and Ed Eberhard, Kent pitcher.

Kent's led 1-0 going into the final canto, the Grocers having scored the lone counter on a wild pitch in the fourth. Fabrics tied the count in the seventh and tallied four times in the extra inning to gain a commanding advantage. The ultimate winners staged a last-minute rally, the winning blow being a home run by Bill Kuhn with two out and the bases loaded.

"Lancaster Night"

Tonight will be "Lancaster Night" in the tourney and three Lancaster teams will appear on the three-game card. Anchor Hocking Glass opposes Dickerson's Shoes in the opener, S. S. Kresge tangles with Vess Cleo Cola in the second tilt and Combines Wilsons Oaks will meet Home Dairy in the final evening's encounter.

The Maryland Independent league will hold the spotlight in Monday's games with the strong T. B. Pool Room engaging Unemployed Compensation at 7 p. m., Timken's All-Stars clashing with the Old Landmark Cafe team, and the Moose Lodge of Lancaster meeting Lane-Askins in the final fracas at 9:30 p. m.

Local Girl Seen In Film

Hilltoppers who were unable to see Gracebelle Day, (known on the screen as Gloria Day,) in her screen debut shown at the Rivoli Theatre last Friday night, will have a second opportunity to view the cinema tonight and tomorrow when it is shown at the Ritz Teatre, George Pekas, manager of the two theatres said this week.

Gracebelle was in the audience at the Rivoli which saw the picture Friday and was the recipient of many favorable comments. The show, entitled "You're Next To Closing", is featured by the dancing of Gracebelle and the wise-cracking of the well-known comedy team of Cross and Dunn. The picture will be shown as a prelude to the twin-bill program of "Missing Daughters" and "You Can't Get Away With Murder."

Hilltopper Dies After Short Illness

Victim of a heart disease, funeral services for George W. Donley, 78, a retired cabinet maker who died at the home of his daughter, Mrs. William Griffith, 66 Binns-blvd, were held yesterday at 1 p. m.

Donley, who died following a 10 day illness, was formerly associated with the old Ohio Furniture Co., and the old Columbus Cabinet Co. A native of Gallia county, he had lived in Columbus since 1884. To The Casual Life Farewell

We say three cheers for the casual life—and let the frigidaire blow where they will. But fall is just around the corner and you'll want to forsake the outdoors for indoor elegance. May we suggest

Facials—for that weather-beaten look $1 up
Permanent waves for that wind-blown look, $2.50 to $10
Shampoo tints for sunfaded locks $2.50

Try our sensational New Rapid Dry Wave Set.
We recommend partial permanent waves for naturally curly hair.

Your friend -- Our friend the painter!

When you buy paint for your home you hope for an excellent result . . . good-looking, long wearing.

When we sell you paint we hope just as much for the same good things, for you.

The vital link in this chain is the man who puts the paint on . . . the painter. If he does it well, he is your friend, and so is he ours. If he does a bad job, he does us just as much harm as you.

Enjoy His Experience and Skill

When you paint, hire our *best friend* . . . an experienced, reliable painter. His experience and his honesty are practically positive insurance of a good result every time. Give your home the best . . . in paints . . . and painters.

"The best you can buy are O'BRIEN PAINTS, made with patented, Pro-Shrunk Thermolyzed Tung Oil. Ask us to show you why.

"If you desire, we'll be glad to recommend a competent painter, with no obligation to you.
